Did
you know?
Security
cameras
also...

Guiding
A Saucy
Girl!

have
blind-
spots!

Which
happen...!

when a
person
walks in
front of
them!

万
引
き
J
K
っ
!?

Now's
my
chance!

Bof!

!

Oh,
crap...

Have you
paid for that
product?

But it seems
you didn't take
into account that
that someone might
be the store
manager
himself...

You waited
for someone to
pass in front
of the camera
to commit a
crime...

Yeah,
whatever...

Shouldn't
you be calling
my school or
my parents
already?

Kya
haha~!
☆

Looks like
you're done
with your little
reprimand or
whatever you
wanna call it.

But you
you don't
seem to
realize I'm
a minor.

You're over
there puffing
your chest
triumphantly,
which is
hilarious.
(lol)

?

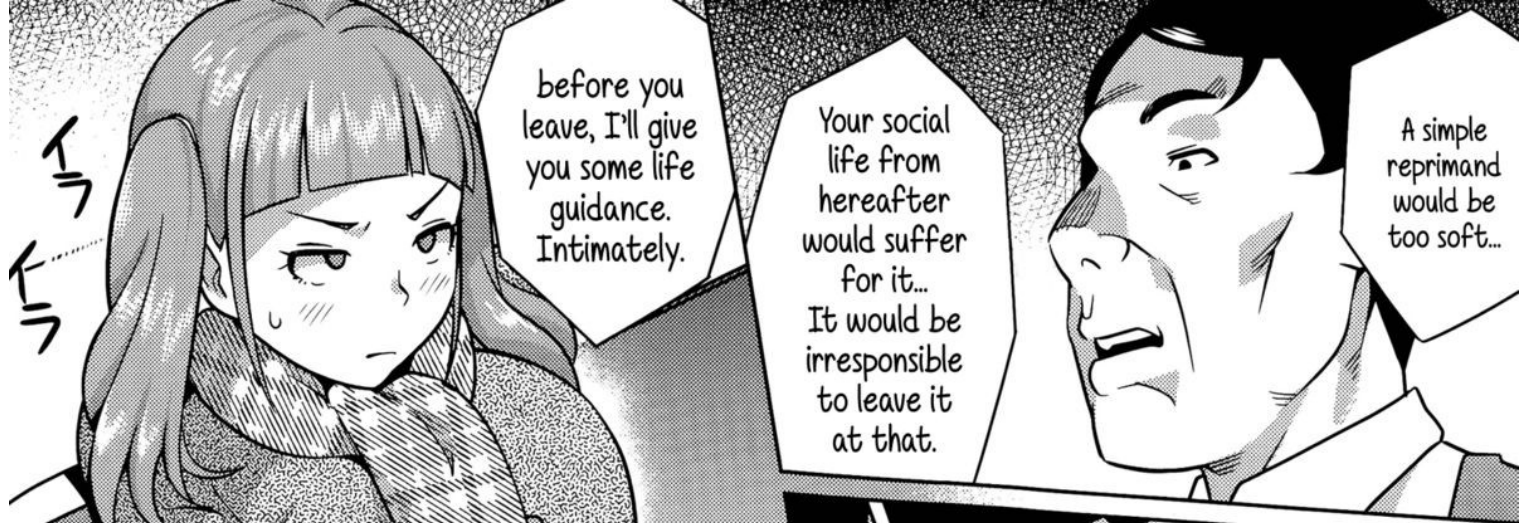

You
really are
a child...

Ke
ke
ke

So~

Mind
letting me
go, already,
old man?
☆

before you
leave, I'll give
you some life
guidance.
Intimately.

Your social
life from
hereafter
would suffer
for it...
It would be
irresponsible
to leave it
at that.

A simple
reprimand
would be
too soft...

Life
guidance...?

I find it
troubling
to let you
go back to
the world at
large as you
are, so...

Firstly...!

Whuh...?
What
are you
doing...?!

Huh...?!

Disgusting
creep!

Hey!
Pervert...!

Listen up!
It would be
very easy to
merely hand you
over to the
police!

But don't
think for a
second that
all you'd lose
would be your
school and your
relationships!

Sto-

If I put your
real name on
the internet,
you'll lose your
future too!

Come on!
What are you
supposed to say
when you've done
something
wrong?!

Ah...!

Didn't your
mother ever
teach you
that?!

Stop...
it!

Auh!

Damn...!

Ah!

You
haven't
had
enough?!
Huh?!

I'm really sorry!!

Hic...!

Hic...!

It seems like my thoughts got through to you...

That's good.

Oh...?

I thought you were an unreasonable girl until now, but...

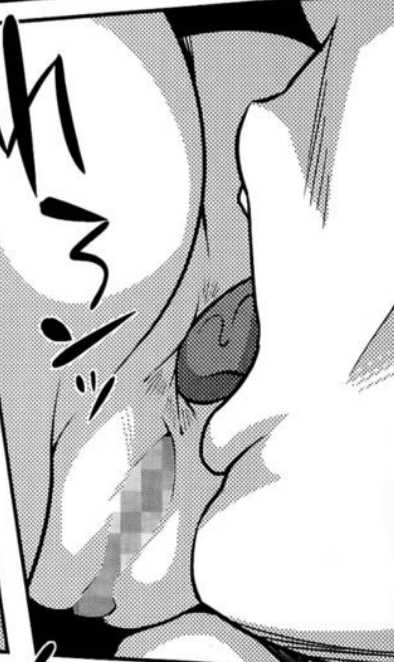

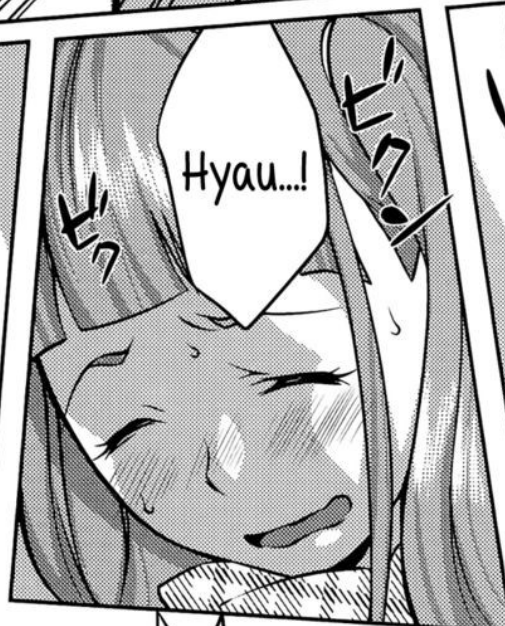

Fueh...?!

I can lick it better...

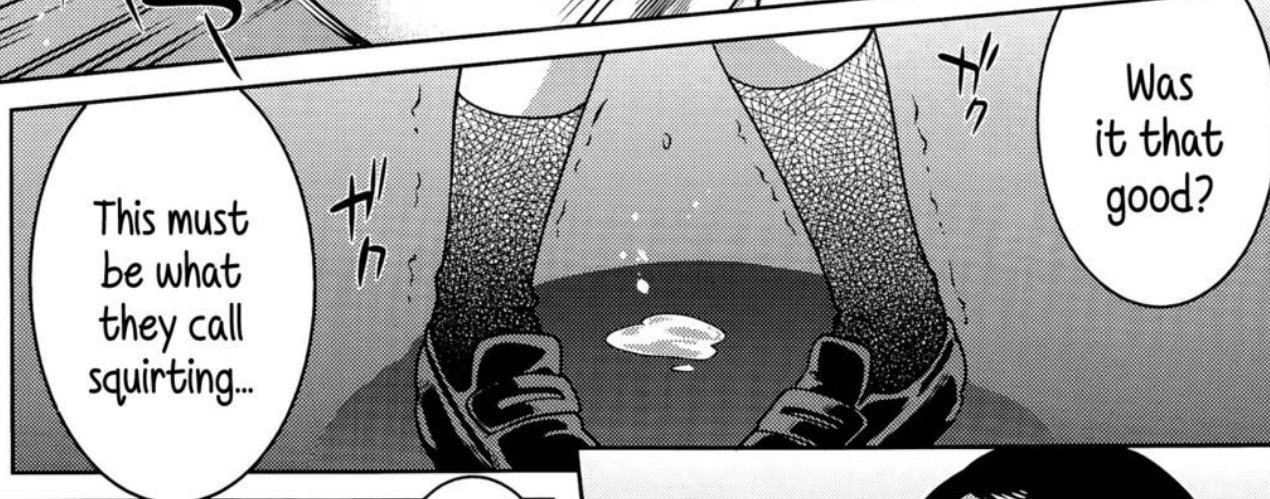

in my wholehearted attempt to rehabilitate you, I might have gone too far...

So if you'd like...

However...

This must
be what
they call
squirting...

Was
it that
good?

Give and
take?

Now...

I assume
you know the
meaning of the
phrase "Give
and take"?

It tastes
like urine...

It's a virtue
all Japanese
people should
abide by!

It means
to return the
favor after
someone did
something
for you...

Hawa?!

ほん...

Understand...?

So I want
you to also
respect the
feeling of
recipoca-
tion.

Yeah...

I under-
stand...

ほん...

These are too warm, so I'm gonna take them off.

Whew...

The
volume
of your
breasts!

Ehe?!

Ooh!
They're
splendid!

Their
sensi-
tivity!

Nh!

Nha!

Your
thing is
hitting
my ass,
y'know?

You're too
crazy about
tits, old
man...

Sheesh...

You wanna
stick it in
here, don't
you...?

Hey...

Kyan!

Kyan!

Yan!

Ah...!

Old man...?!

Huff!

Huff!

You're gonna cum outside, right?!

Old man, wait!!

Old man...?!

Kya!

Stop!

Hold on!

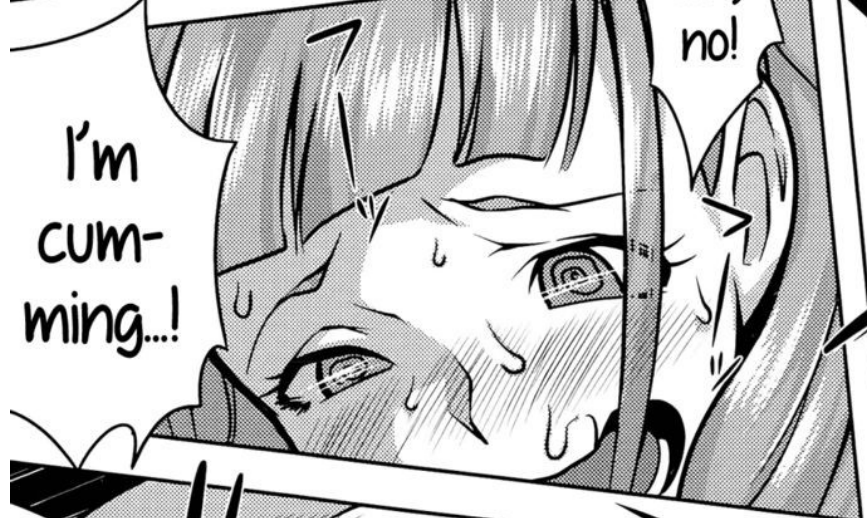

You're
prodding
all the
way
inside...!

You're
shoving
it too
deep...!

If
you're
that
rough...!

I'm
cum-
ming...!

Oh,
no!

Aaah!

Hah!

After that, the girl's kleptomania dialled down, however..

An underage person. You're playing with fire, here.

You're screwing a JK, y'know?

That again~?

Staff room

Mari-chan, maybe we should stop for today...

ナマイキ娘にシドウッ!／おわり

Then just do what I say~!
☆

now every three days, I get squeezed dry by this high schooler...

Kyau!

No, that's...!

Their positions reversed?!
