My daughter forgot her gym clothes in her classroom.

That's the only reason I came.

Ahahahah!!

It was a joke!

School is a place for studying!

D-Don't say something so foolish...

Oh, my. Don't tell me you really thought we would?

Right back at you.

You're a parent, too, so please try harder.

You haven't changed at all from when we were kids.

You're as honest as always, Toshi-chin.

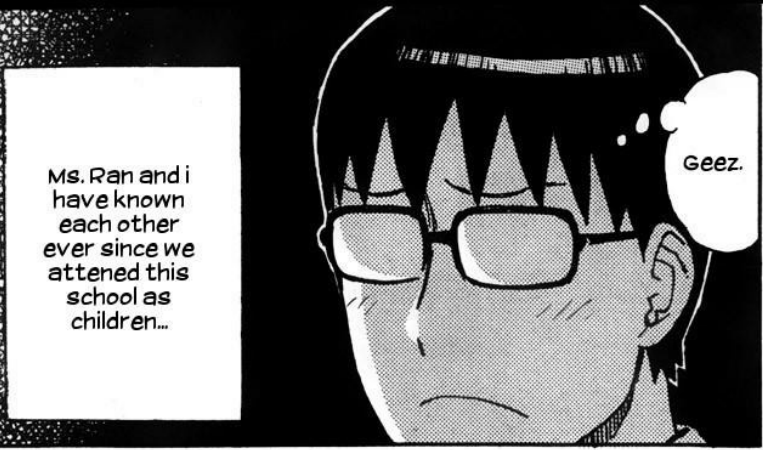

I said, Toshi-chin!

Eek!

Toshi-chin.

Toshi-chin.

Geez.

Ms. Ran and I have known each other ever since we attended this school as children...

our houses were close, and we played together all the time..

Don't just study all the time.

I was a bookworm, and Ms Ran wasn't my type at all, but

Give it back, Ran!

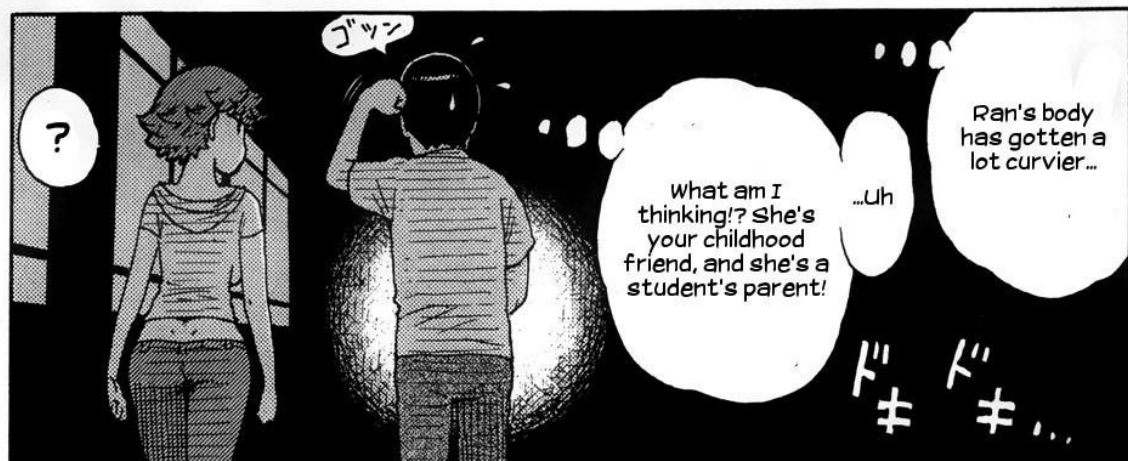

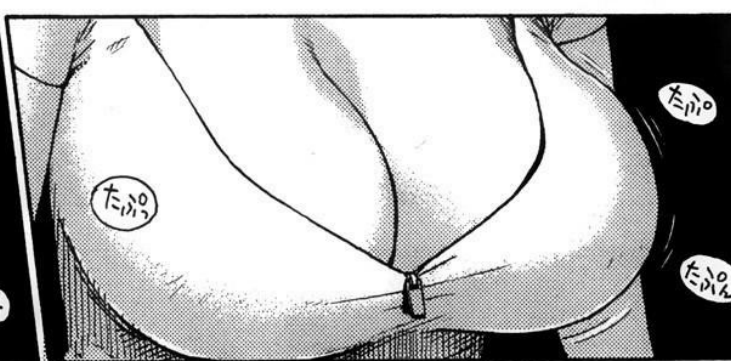

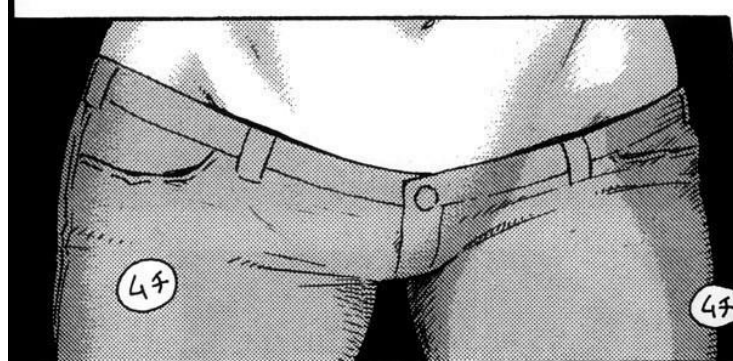

...Now that I think about it, she was always so abusive.

Come here when I call you!

Even so...

?

ゴッソ

What am I thinking!? She's your childhood friend, and she's a student's parent!

...Uh

Ran's body has gotten a lot curvier...

ドゥドゥ...

Um...

Yeah. My daughter told me.

Do you know which desk it is?

It's fine. They're supposed to do that.

You don't know about low-rise jeans?

I-Is that so?

M-Ms. Ran.

Um... Your jeans are slipping down.

You really should wear them properly.

Kyah!

No... But-

I can see your...

You're the one who did something weird out of nowhere!

What!?

Wait! Ms. Ran!

Ah!

What're you doing!?

Aren't you a

Ran!?

No! That's
not the
problem
here!

You sure
are loud.

ニクニク...

Huh?

You wear
your heart
on your
sleeve,
don't you?

You really
were
expecting
me to do it.

This
situation
is sort of
nostalgic.

Huh...

Wait!
what're
you taking
out!?

Oooh!
It's so hard!

You've got a cute one, don't you?

Oh!
Oh!

It's embarrassing!

and take my dick out in the open!

Back then... Ms. Ran would force my pants off,

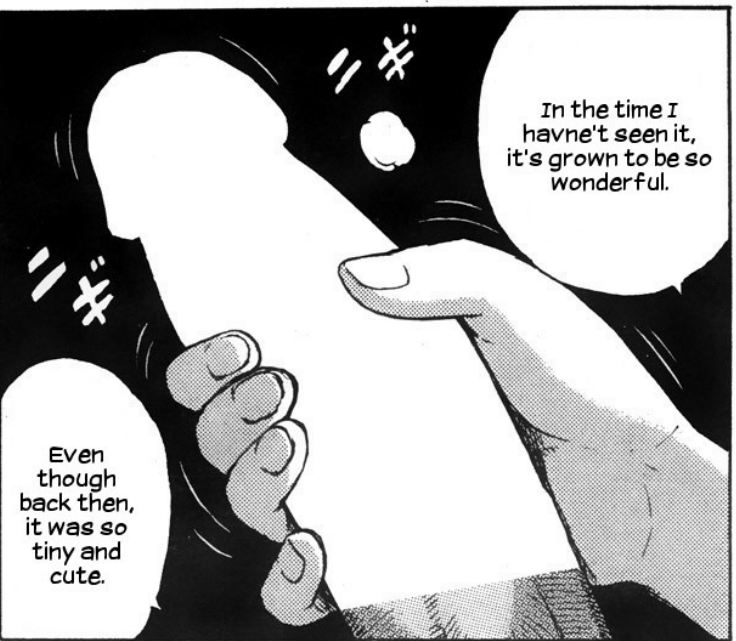

That's right! I remember.

Oh? I can stop?

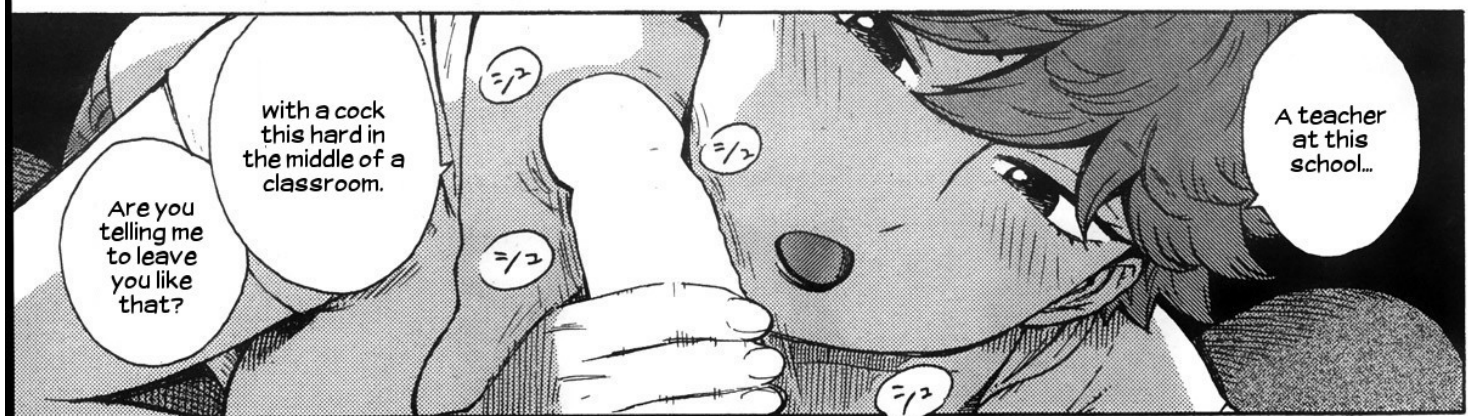

...Let's stop this, Ms. Ran.

We're at the scho-

In the time I havne't seen it, it's grown to be so wonderful.

Even though back then, it was so tiny and cute.

Are you telling me to leave you like that?

with a cock this hard in the middle of a classroom.

A teacher at this school...

は

Leave it to me.

It's fine.

Uh... That's-

I'm going to cum in her mouth...!

If you suck it that hard...

Stand up.

Hey.

She stopped...

Thank god.

But, it's completely stiff...

Mn...

You're inside me, Toshi-chin.

I'm... still hard...

If you get that close, then...

Ms. Ran.

...

M-Ms. Ran, why are you taking your pants...

!!

Try moving.

...no I'm not.

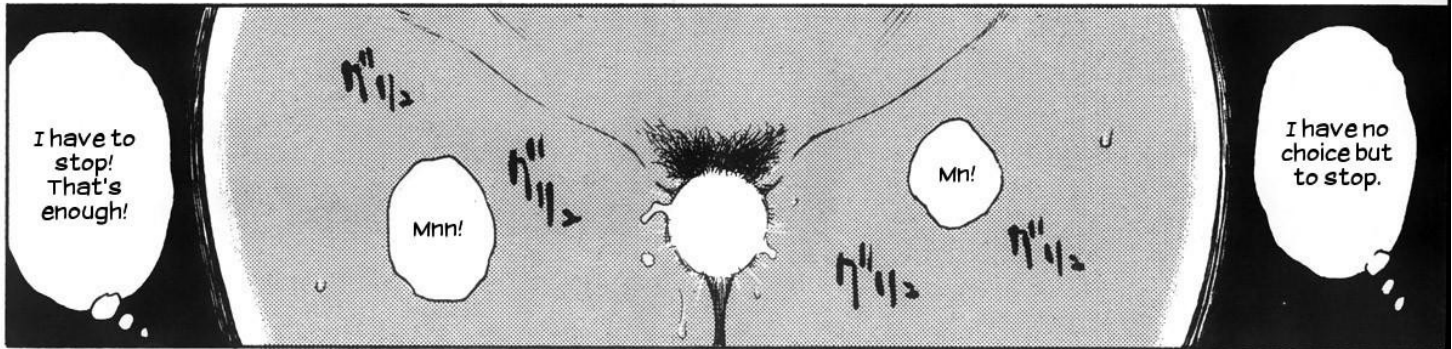

Then, I'm safe.

Th-Thighs...

Fufu. I lied!

It's in my thighs.

I have to stop! That's enough!

Mnn!

Mn!

I have no choice but to stop.

Mn!

Aha!

Ahn!

...Uh. My hips are moving on their own.

Aah... what the heck am I doing?!

Whoa... The juices won't stop.

Your thrusts are so strong, and the throbbing feels good.

I've neglected mine, too.

that last thrust pushed me over the edge.

Geez... I really wasn't planning on going all the way, but

I'm telling you to stick your cock in me!

Uh... More...?

this...

Anyway, we should stop...

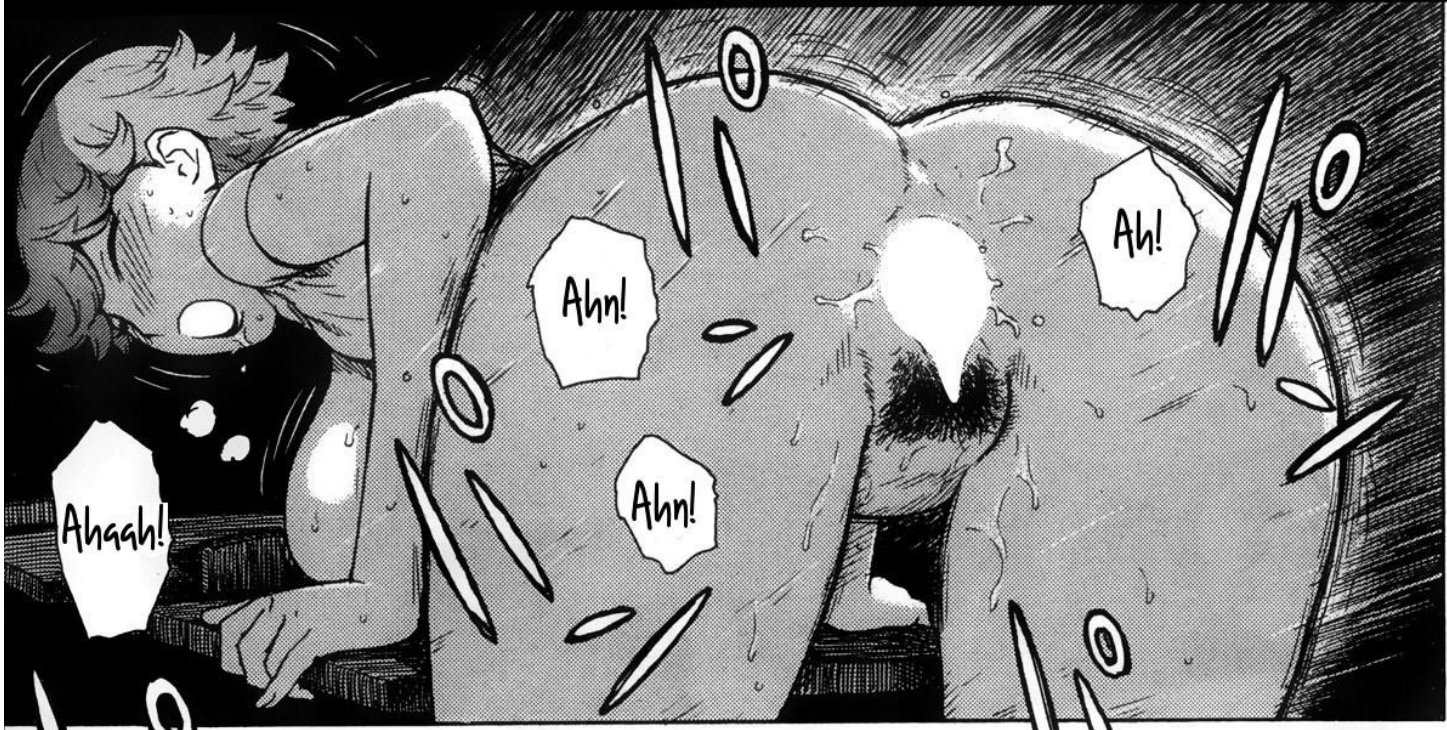

Um... was just impulse earlier.

P-Put it in? I can't... that...

Hgggah...!! It's in!

Ahaah!

Ahn!

Ah!

So deep...

Your cock's hitting me so deep!

Ahn!

It's amazing!

Your cock!

Ah!

Toshi-chin's cock!

It feels so good~!

But, Ms. Ran...

I'm no longer a teacher.

Aaah! I've done it now.

Ah!
