

But
I was sure
I closed it...

The gate
has been
open
this whole
time!?

What!?

But only
I know
this code
sequence
so how..!?

Someone
must have
broken in!

She would
likely know
this code...

If it's
"her"...

Wait...

ミルキーサキュバス
搾乳淫魔
リリEX

My name is
Chiiche.
Thank you
for taking
care of
my little
sister this
whole time.
♥

It's a
pleasure to
meet you
Momoka-
san.
♥

Lilly's
older
sister!?

Their shape and elasticity is magnificent.

But I must say what an elegant pair of breasts you have.

She was just being gentle now!?

Wh-what!?

I'm just barely touching them and they're already this stiff.

Not my nipples! ♡

Hya ♡

Aaah ♡

Then just say the following:

"Please make me your milk slave ♡"

You want to cum right? Then hurry up and say it!

♡ Hya
aaa
aah ♡

Nha aah ♡

Say it!!

Once again...

I let another girl drink my...

I'm sorry...

What an amazing quantity.

As you wish I'll turn you into a...

Well then Momoka-san I assume you've made your decision right?

Haa

Haa

Fufu...

Fufufufu!

Lilly!!!

What are you
talking about?
I'm just turning
this human into
a milk slave.
Did you come
here to help me?

My my.

You're
rotten
to the
core!!

Momoka is
the human
I captured!
Why are
you taking
her away!?

Chiiche!!

...That's right.

Lilly...?

Is that what you're going to tell me!?

Or perhaps you've gotten so infatuated with another human that you can't turn her into a milk slave again!?

I'm sorry Momoka...

Lilly...

Me too..!

This is the only way I can protect you right now...

Wha..!?

I love Momoka!

That's why I'm not letting you turn her into a milk slave!

Let go of me Lilly!

Do you
plan on
breaking
the gate
open!?

There's
a fissure
in the
gate!?

That's
fine.

Stop this
foolishness!
If you
do this
you won't
be able
to meet
that human
again..!

If Momoka
stays here the
other succubi
will just try
to take her so
this is the
only way.

!

I'm sorry
we have to
bid farewell
like this...

It might
have been
short but
I had a
lot of
fun!

Momoka...

I
love
you!

No
way...

Lilly...

Mirror
was
fixed

Yes...
The usual
everyday
life I had
before
I met
her...

It's been
a month
since
then.

I'm living
my usual
peaceful
everyday
life.

Aahh...

is opening
by itself...
But how!?

There's

on the
mirror...

Correct!

That
voice...
Could it
be..!?

This is a
new gate
coding I've
never seen
before...
Ah I know!

If I recall
correctly she
once said she
would make
her own gate
when she became
a proper
succubus..

I'm
home!

Welcome
back!
