SGK

I live far away too, so I get real tired~

When we talked about it...

So we immediately rented a room close to our college

Then how about we rent a room together~?

I started sharing a room with someone when I began my second year at college

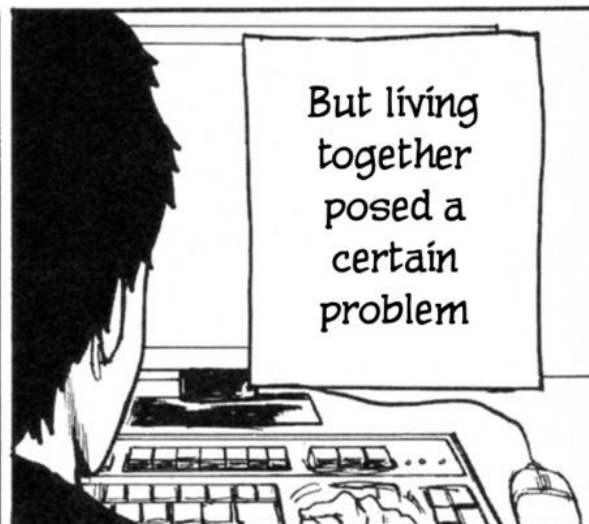

It was kinda rough before that, between my part time job, homework, and living two hours away from college

How about this?

And it's no minor thing, it's a pretty clear problem...

Or maybe thiiiis one...

But living together posed a certain problem

OOH, THIS ONE'S PRETTY GOOD!

**BASI-
CALLY,
IT'S HIS
CROSS-
DRESSING
HABIT.**

But despite what you're saying...

You're getting a bit hard down here, you know?

ARGH, YOU'RE SO DISTRACTING! CUT THAT OUT, SERIOUSLY!

Huuuh? C'mon, it's fine. I only do it at home, it's my personal freedom

C'mon, I'm gonna close the curtains, get out

The reason it's a problem is that he's clearly seducing me...

And that I'm probably gonna give in to the temptation pretty soon...

Ah!

I-I CAN'T CONCENTRATE ON MY HOMEWORK! I'M GOIN' TO SLEEP!!

He's
so
cute...!

When he
cross-
dresses

...I've
thought
it since
the first

saw Iori

that way...
Or so I
thought...!
