漫画 夜与 COMIC

Heh heh... I can't wait...

This should be fun...

Exceptionally cute girls again...

Oh my...

...What's wrong with these awful creeps?

Ah... This is so embarrassing...

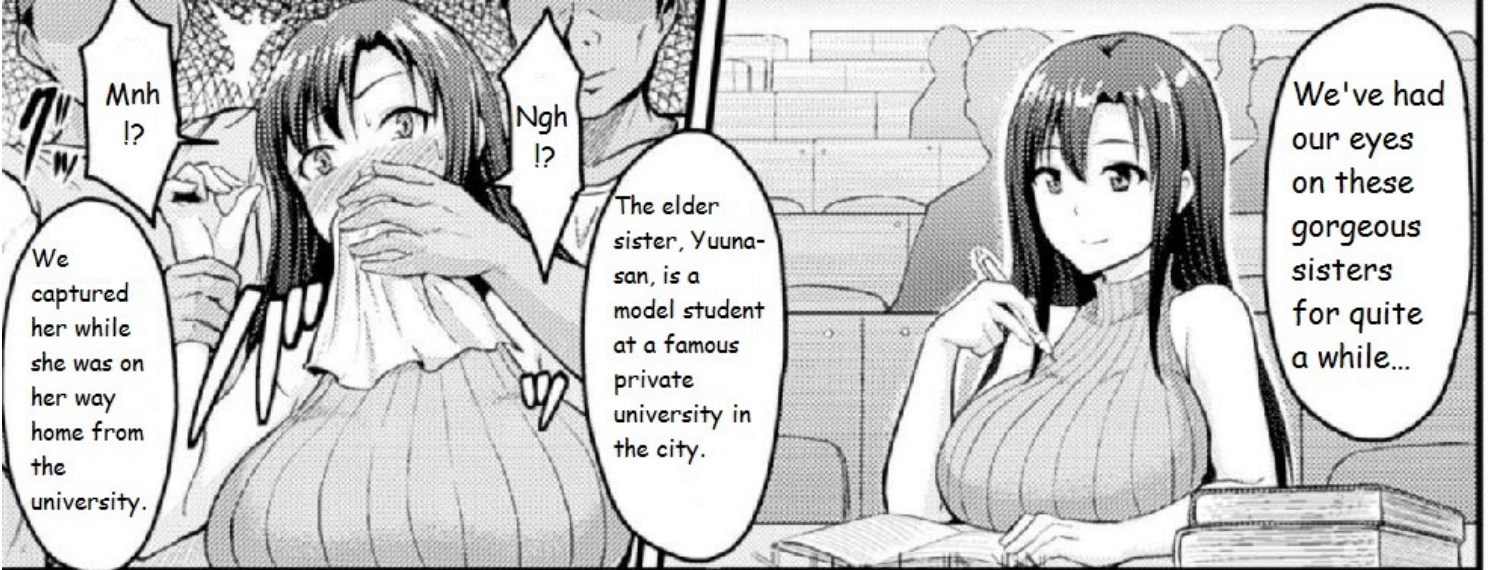

No... Don't Stare

Shit... How did I end up in this mess?

The elder sister has splendid huge breasts.

The younger sister looks strong-willed. The kind of girl I like...

Heh heh... What lewd tits...

Mnh !?

Ngh !?

We captured her while she was on her way home from the university.

The elder sister, Yuuna-san, is a model student at a famous private university in the city.

We've had our eyes on these gorgeous sisters for quite a while...

We captured her while she was on her way home after a night out.

What !?

Who are you guys !?

It seems that she was a lazy student, unlike her elder sister.

The younger sister, Himena, became a freeter after dropping out of high school.

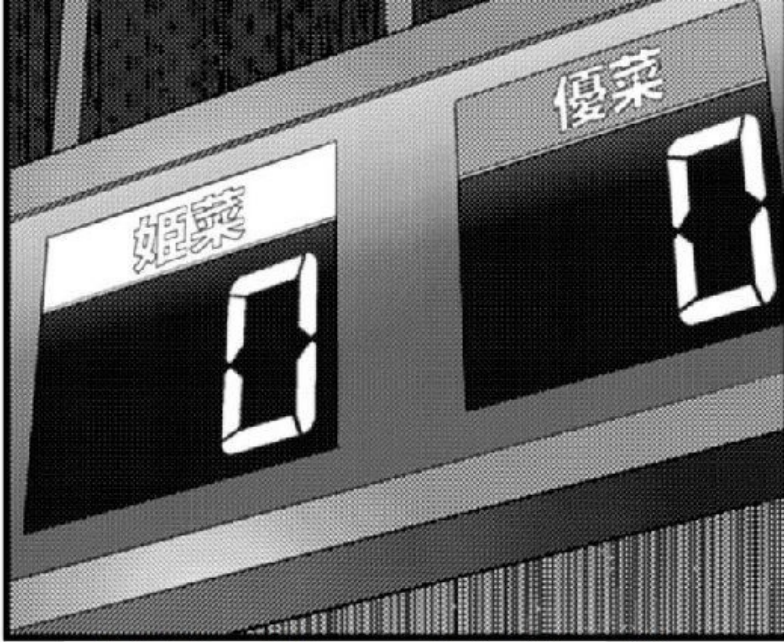

Ngh...

No...

Now, everyone... Please enjoy yourselves.

These contrasting sisters...
What kind of competition will they show us tonight?

N...

Please take a look at the monitors above the girls' heads

Let me explain the rules.

On the left panel: Himena

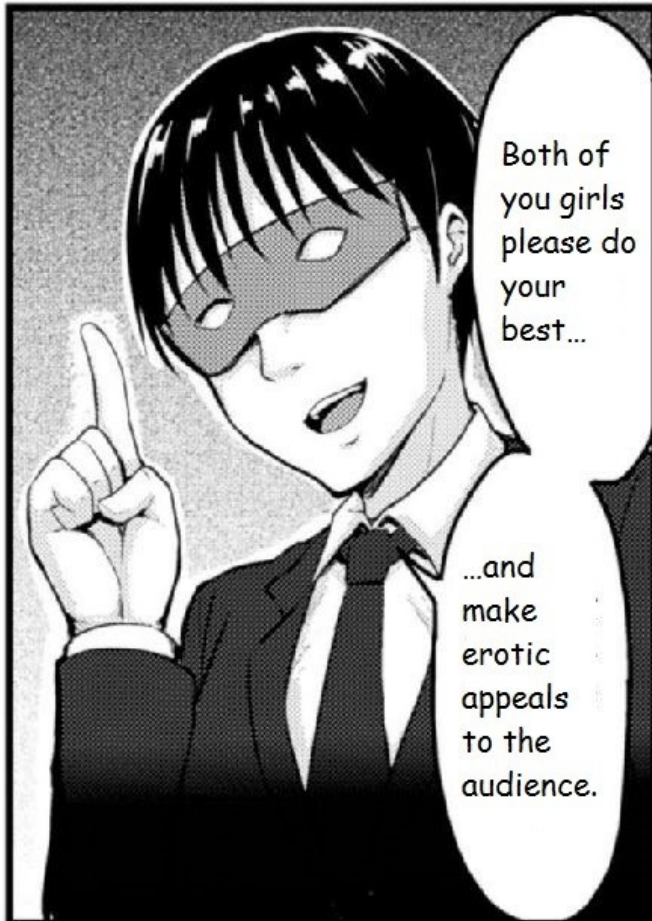

On the right panel: Yuuna

...to vote for the girl you think is more erotic.

You, the audience, will use the terminals you have...

This game will be played using 'appeal points'

Both of you girls please do your best...

...and make erotic appeals to the audience.

...will be the winner of the game.

The girl who earns the most points...

...and allowed to go free.

The winner will be released...

What non-sense is this?

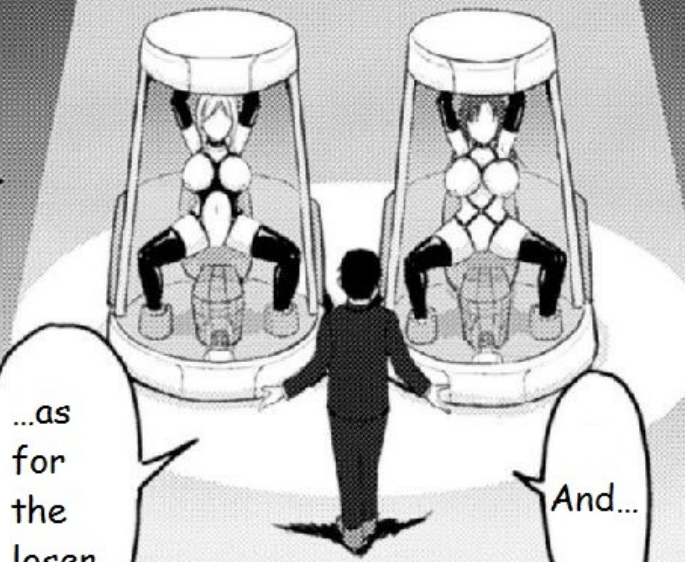

Let us go at once!!

...as for the loser...

And...

Make appeal?

I, I can't... do that...

Sex Slave !?

The loser...

...will spend the rest of their life here as a sex slave.

You've got to be kidding !?

What !?

What's this!?

Let's get everything in place so we can start, shall we?

Please

Breast
milk!?

we injected you with a new stimulant that we developed... In other words, an aphrodisiac.

While the two of you were unconscious while being transported here

Don't worry.

What!?

It affects your hormones, increasing your entire body's sensitivity, and has the side effect of making your body temporarily produce breast milk.

No way!?

Well, girls...
...How does it feel to be producing breast milk without even being pregnant?

Noo... Stoppp !!

Nooo... Breast milk!?

...my nipples... feel even more stimulated

As my breast milk squirts out...

No oo...!!

Both of you are having your nipples and clitorises sucked to their limits,

and it seems to be making you quite aroused.

Nh ah !!

More and more milk is being sucked out.

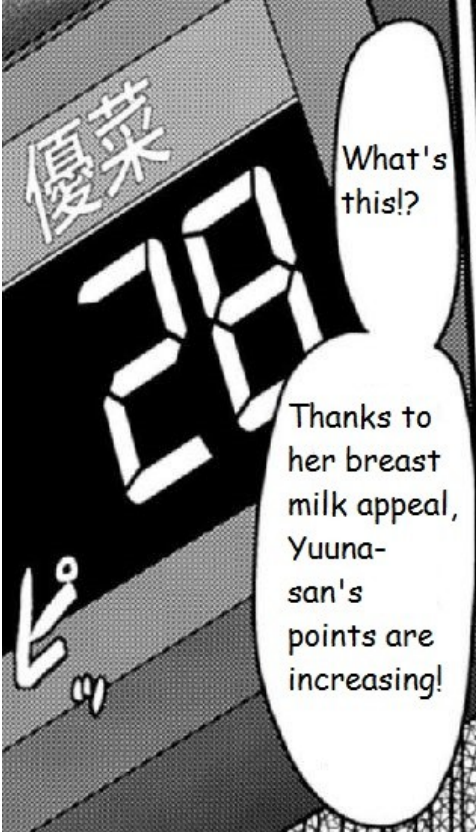

No... I shouldn't feel aroused, but...

It's seems that Yuuna-san's breasts aren't just big but are also splendid at producing milk.

Ahhh !!!

Ah ♡ Ahh

What's this?
Thanks to her breast milk appeal, Yuuna-san's points are increasing!

No clear victor can be declared for this game!!

Now, the final score tally...

The customers all seemed quite satisfied.

Well, wasn't that a wonderful game?

...both of you will become sex slaves for the customers.

...as per the rules...

It's a pity, but because there was no winner...

...so that your bodies become suitable for your role as sex slaves.

You two are going to get lots of training now...
