Somehow everything regarding lust and sexual values has been reversed between men and women.

I... I found it dropped on the street...

Er... y'know Sensei, that's...

Whoa! Sensei!!?

You girls!! What did you just bring to school!?

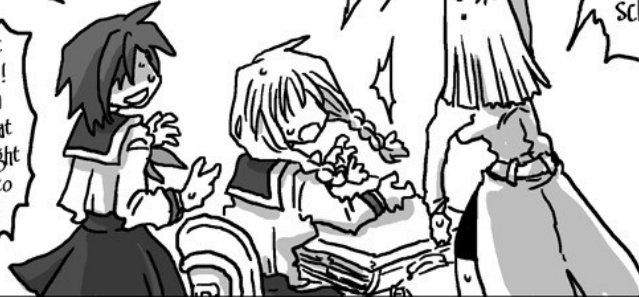

It's not like the society from this world and its values are really different, but...

And you're coming with me to the staff room!!

Eee eh!!?

I'm going to dispose of this!!

Then don't pick it up!! It's even worse that you brought it here to read!!

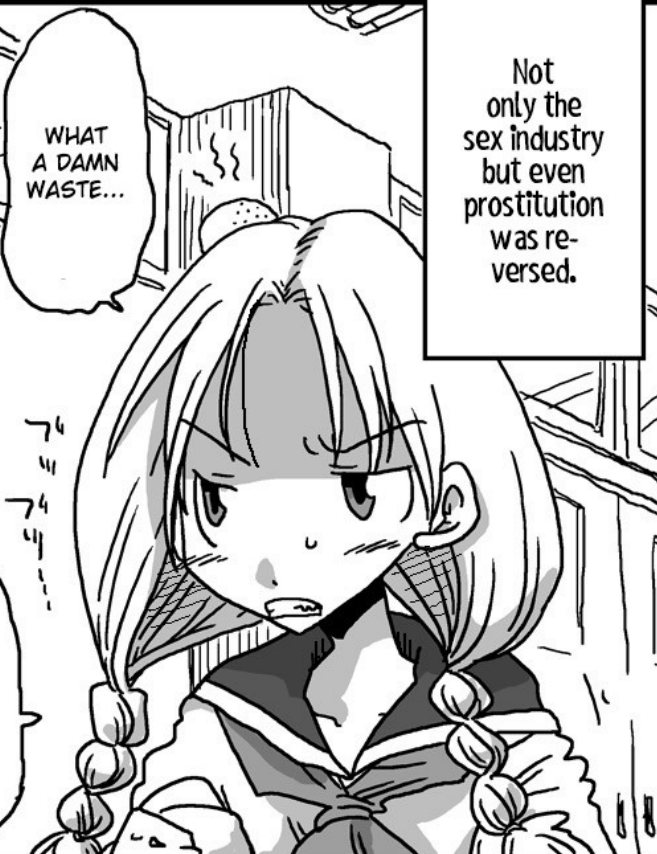

Girls would pay to fuck a boy.

WHAT A DAMN WASTE...

Not only the sex industry but even prostitution was reversed.

THAT MAG WAS THE SHIT AND NOW IT'S GONE...

Everything's filled with naked men.

Even the area for porn mags and adult vids in a store...

4 Hours of Soap-land with Moss-tatched Men

Guhehe...

SO WHAT? WANNA FUCK, BOY?

HUH?

DO YOU REALLY WANT TO FUCK THAT BAD, KAWASHIMA-SAN?

OBVIOUSLY. I'M A GIRL, Y'KNOW?

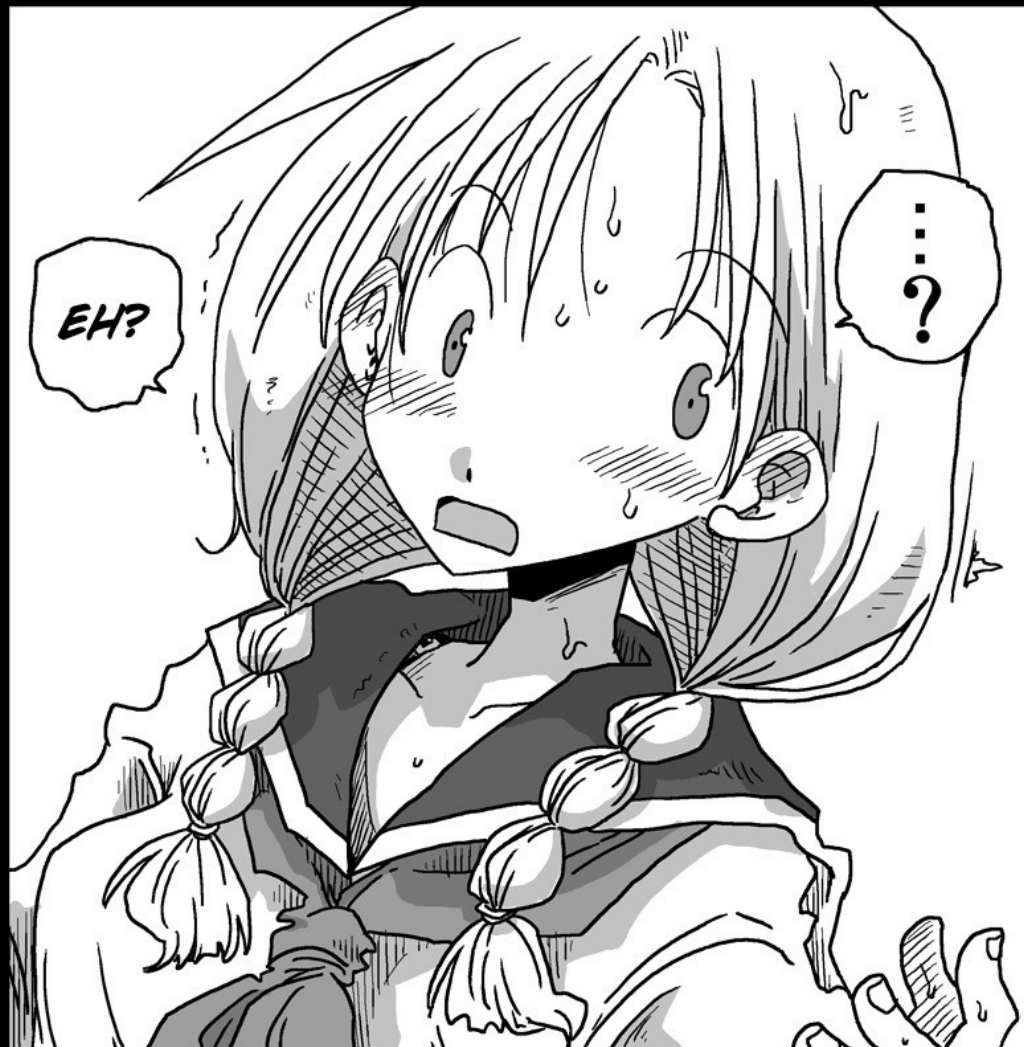

Hahah

And girls would gobble all that shit up.

Afterword

Settings that work with a world where you can fuck everyone everywhere or a society that considers having sex as simple as greeting someone are overused. In the end, the women there always end up looking like perverted freaks. (Well, not like it isn't hot.)

But what if shy and virgin girls were totally willing to have sex?

Working with that as a basis, I thought about a world where men and women had their libido reversed. It would be a world full with women acting like virgins at the peak of their interest in the opposite sex. Well, what did you think of it?

The problem was that, if there wasn't any guy from the original world there, then the story wouldn't even start. I would end up wasting pages so I didn't think of anything witty to tell how he ended up in this new world.

Initially, I planned to have the girls in the reversed world to behave like sluts from the original one. Then, I would have the Main Character, who constantly paid for the sluts' services, get transported to the new world and act exactly like one of them, turning into a gigolo of sorts.

But it would take over 10 pages to even get past the introduction, so I decided to drop it.

In the end, I decided to cut all that backstory.

I was a bit desperate and thought of having the MC being already experienced in both sex and how to treat girls but... If I tried adding that kind of setting it would be full of useless pages!

Come on, it's not like I could use those precious pages just for exposition on everyone's backstories! Anyway, this guy went to a different world and that's it. Good enough, no? Well, I think so.

Dear Cocoa.

This is an example of packaging for one kind of Puccho candy. Some women in Japan buy them as a substitute for dildos (who would suspect girls buying simple candies?)
