Axalon

This was nice.

Uncomplicated Onee-chan sex, something Agata's pretty good at. I really enjoyed the lackadaisical sister, her nonchalant attitude, and, as always, Agata's pleasant artstyle.

Swerve

Agata and /ss/ are always a great combination.
Lazy, yet loving onee-chans are the best.

Dudeman

This sort of thing isn't usually my style, but something about the way Agata writes and draws this story really clicked with me. Enjoyed it more than I thought I would ^_^
