That was a bit cold, don't you think?

Well it's time...

That book is so obviously out of place that it hurts!!!

Right there!

It was around here...

In a corner of the library!

Doing H things...

I knew it!!!

...And the contents are...

To get closer...

Tachibana-san!

It's kinda hard...

She's way too immersed in it!!!

!!
I wanna touch it!!
Right now she's just too careless...

That's it!!!

She's too vulnerable!

I'm sorry Tachibana-san...

Woops!

L.L.L.

I... I'm sorry if I have pushed you any...where...

Oh sorry, I thought I could pass through here but it was too narrow...

L.L.L.

At that time, Fujimi's body moved from the shock. "Oh sorry, I thought I could pass through here but it was too narrow... I... I'm sorry if I have pushed you any...where..." At this moment Fujimi didn't had any experience. But she understood what was happening. That guy whom she hasn't even seen his face, was pressing through Fujimi's skirt with... As it is called a man's...

ん!

...It was like sorcery.
A boy was stabbing
Fujimi's genitals
through her
skirt....

Her skirt that
was below
the knee,
got
flipped over
before she
could even
notice...

Huuuu!
I can't
stop my
hips any
more...

It is a
PENIS!

Finally...!

Uwo!
It's so
soff!

That!
That...

Wasn't
really
"Disgust".

However
what she
felt...

Fujimi was
being touched
by someone of the
opposite sex
for the first
time...

So
squishy.
♡

She was excited...

FF... HK...

I'm cumin...

Fujimi who originally was reserved around the opposite gender, and even made herself be hated by many....

However this boy...

But... She isn't resisting...

I... Is she alright...

Well then!!

Haa...

He accepted her...

Even if he was just after her body...

That very instant...

Secretly Fujimi prepared herself for the worst...

Will do...

So... She herself must accept everything the boy...

It was the first time she ever recieved the boiling hot lump of meat of men...

Fujimi could not endure it...

IT GOT IN!!!

She has given herself up to this boy whom she doesn't even know his face. Now, from Fujimi's mouth could only leak the word...

"He put it in."

Faster...

She wasn't able to stop anymore.
