

Please don't laugh!

How could I do that?

Sakura, my girlfriend is a year younger than me.

TL: This Shouldn't Have Happened.

Lovely, she's got inverted nipples.

♡

Ah...

If you suck it like that...

They are lovely.

And because of that I'll...

They're weird right? Just like I thought...

She's obsessed with that because she has never been with any other guy.

They aren't weird at all.

Little by little I'll change that for a sense of immorality and subjugation.

See?

Are you okay?
Have you get used to this bit?

It hurts a bit, but...

Inside 'there' is tingling. It feels good.

Weird? How is that?
