

I-I'M ALREADY USELESS!

Hurry up and cum for me.

Familiar people appear in a dream and bring about "satisfaction".

QUICKLY SPURT OUT THAT CUM THAT LOOKS JUST LIKE COW'S MILK!

I started using this incense as it's the only way to make my wishes come true.

AH

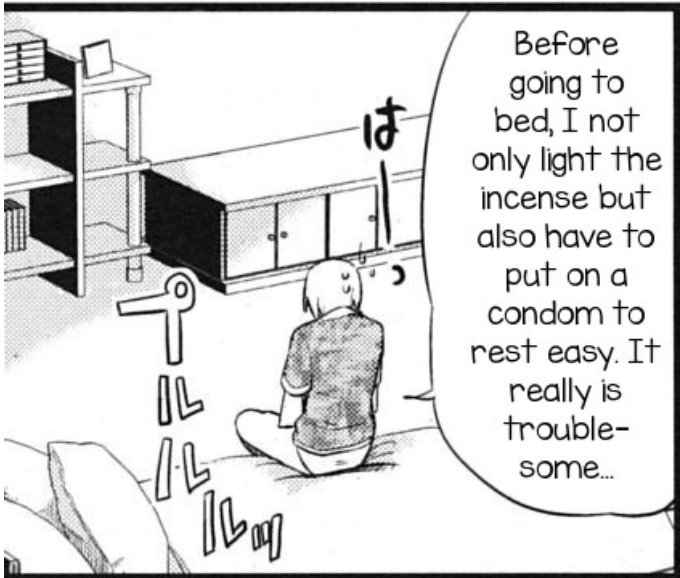

AH... AH... CUM... CUMMING...

Do you want it squeezed out? Like this?

My wishes will come true only when all the incense from the box is used up.

Before going to bed, I not only light the incense but also have to put on a condom to rest easy. It really is troublesome...

Haa...

Kugayama-kun! It's been a full week since then, how are things going?

Sakura Hikami... She's the witch-senpai who entrusted the magical incense to me a week ago.

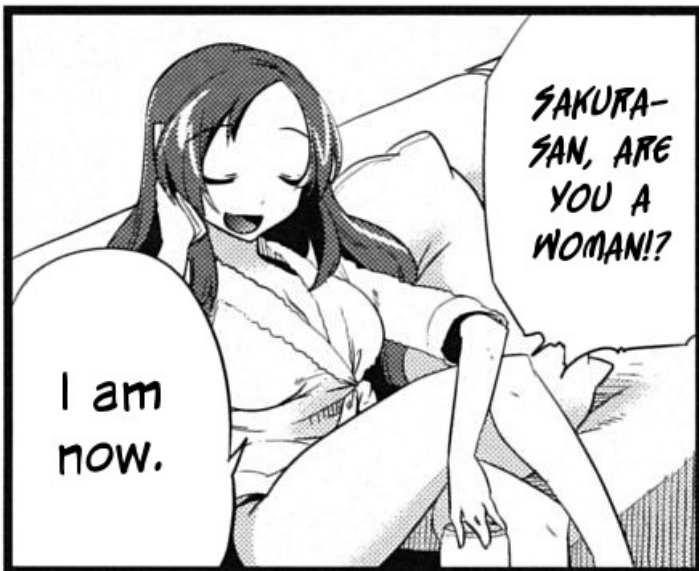

Is that Sakura-san?

The money spent buying condoms every day is probably troubling you, right~

Fine... Well, still going smoothly. The amount of incense is gradually decreasing.

I am now.

SAKURA-SAN, ARE YOU A WOMAN!?

I've also experienced that.

HOW-HOW COULD YOU KNOW THAT!?

!!!

TL: ilwaz Edit: ilwaz Raw: clOuded

Magic...? Even if you didn't use magic, wouldn't both of your situations be resolved?

CLEARLY BOTH A MAN AND A WOMAN

My darling was a girl who wanted to become a guy! So I ran counter to her!

まっ♡

Saien

Where did that name come from,

That said, Kugayama-chan...

That wouldn't do... Because this is clearly an emotional issue.

Saien-chan, isn't your situation actually quite similar to ours? You're also not a woman.

Because my mother is not Japanese at all... So she has a different set of values and esthetics.

Ah ha ha ha It really is a strange name-

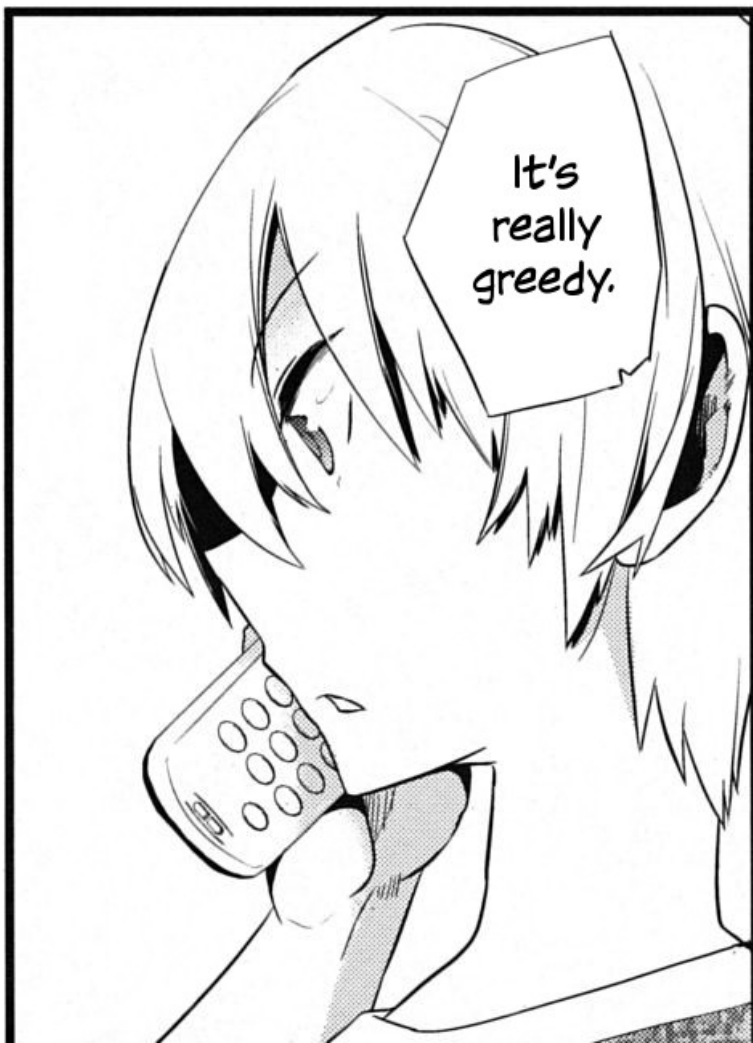

But the person you like is male, right? You have a lot of things you don't want to give up or compromise on.

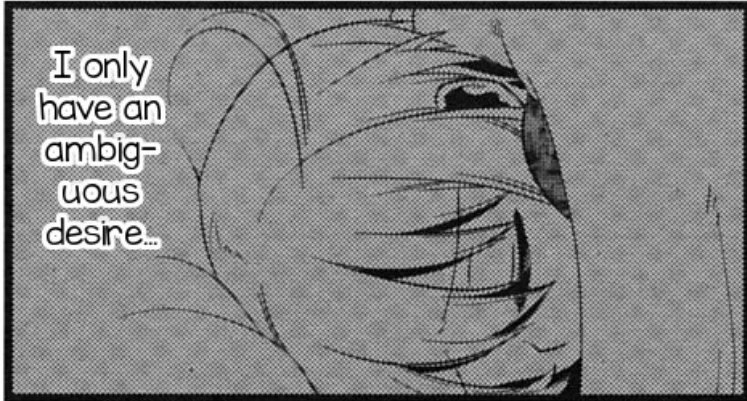

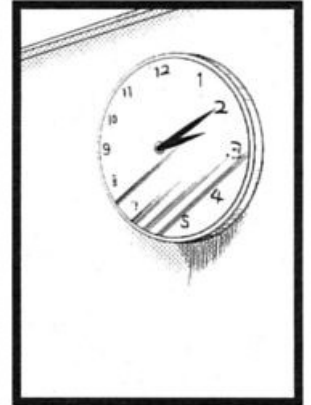

I don't intend to deny my own gender...

Yeah... But,

It's really greedy.

That's what I think.

I only have an ambiguous desire...

Just what do I want to accomplish?

WOAH

Wow, I can go all out today~ Suddenly wearing something this erotic...

Today's partner is...

I fear what may happen as the final result of that desire

IT'S SAKURA-SAN!?

Let's work hard together! The cute babydoll I picked isn't bad, huh!

きゅん

By the way, Saien-kun, do you prefer breasts or penis?

Waaah, so painful...

Oh my- If this happened then you must regard me as as person close to you! Thank you!

SHE'S CROSS-DRESSING TOO!

Even if it's painful we still need to do it!

NOOOO!
DON'T SAY
THAT AT A
TIME LIKE
THIS!

AH, ONEE-SAN
SEEMS TO HAVE
GOTTEN EXCITED!
NOW I REALLY
WANT TO MAKE
THIS CHILD SQUEAL
AND CRY OUT IN
FRONT OF ME!

THE
PERSON
YOU LIKE
ALSO HAS
ONE OF
THESE!

You're
still, in
fact, a
boy.

Ah...
Ah...

Even if
wearing
girl's
clothes,

Ha

THIS CHEE-KY

Not really... In other words, you have experienced it.

S-Supposedly...
Never had

You wound up taking a lot, could it be that you are talented like that?

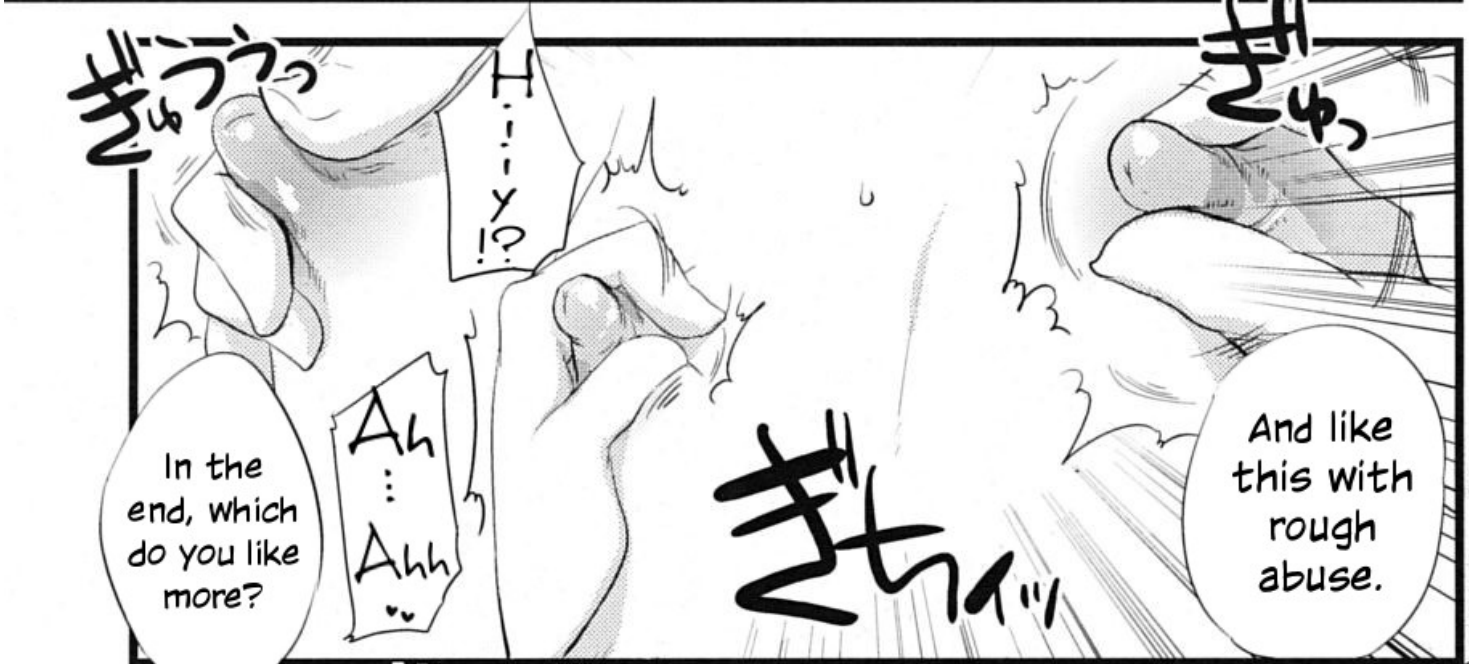

Sure enough, you're feeling really good from your anus~...

They're like this with gentle teasing.

In the end, which do you like more?

And like this with rough abuse.

BECAUSE... NIPPLES... MY NIPPLES FEEL SO GOOD! UNBEARABLY GOOD!

Aha, your nipples are surprisingly sensitive, you really seem like a girl!

Both your penis and nipples are erect and trembling nonstop.

Your nipples and penis are staying erect while I keep rubbing against your anus.

WHAT... WHAT ARE YOU SAYING!?

Just how lewd will you be when you finally get your wish with your "senpai"~

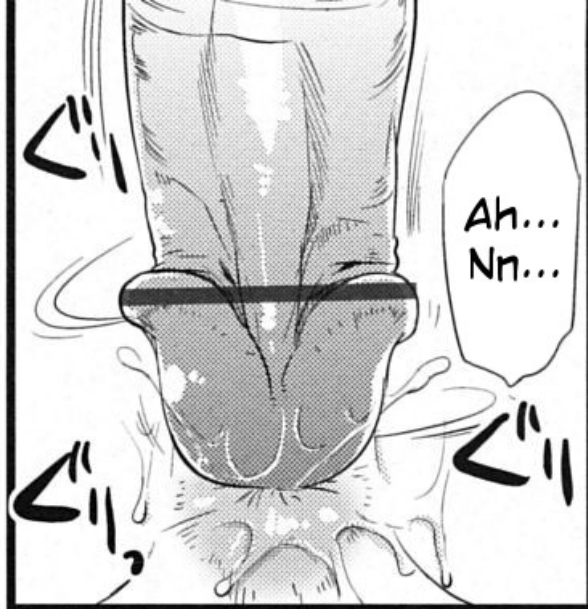

I BET IT'LL MAKE YOU FEEL GOOD TOO!

I've wanted to use Saien's anus to make my penis feel good for a long time!

Seeing this cute side of you, I can't help wanting to dominate you...

Only with a long penis can you press your deep and hidden H-switch, isn't that so?

Furthermore, you also like thick penises, don't you?

I LIKE YOUR BIG PENIS GOING IN MY ANUS!

UHN! AS LONG AS IT'S A PENIS, I LIKE IT...

Ah! so... so tight! I'm going to be drained!

AL-
ALREADY
NO
GOOD!
I'M
GOING
TO CUM!

Cum...
Cumming!

I'm
Cum
ming!

AH!
AH!
AH!
AAAH!

W 6 6

What's the matter? You're crying.

Although I said this is to do H things with the person I like,

Don't stop until we both ascend to heaven!

BUT NOW IT SEEMS LIKE ALL I WANT TO DO IS CUM...

It's still fine...

Even if... you yourself don't understand...!

SAK-SAKURA-SAN!

If you can make a clear distinction...

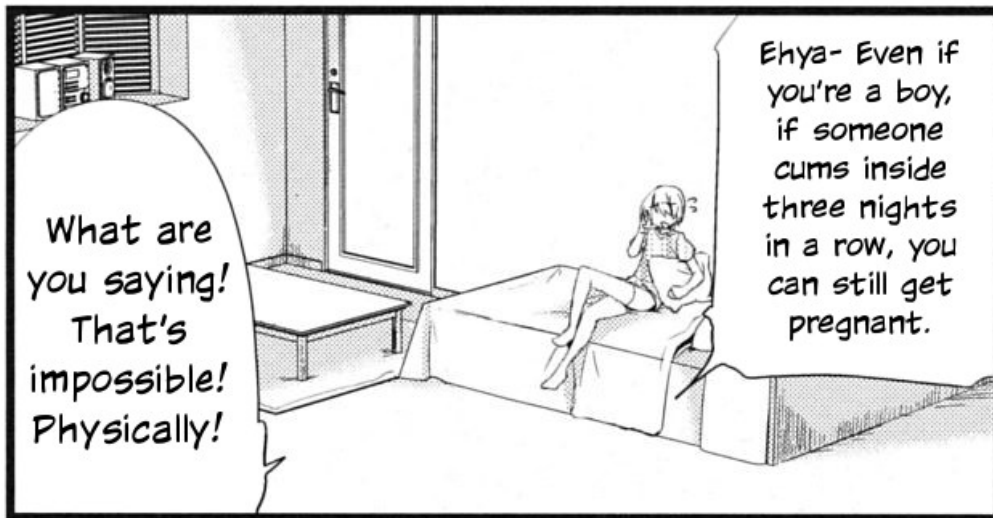

I'm...
I'm
GONNA
CUM...

Dreams and reality...
Are two completely different things.

AA
AH
HH!

Then that's sufficient.

What are you saying!
That's impossible!
Physically!

Ehya- Even if you're a boy, if someone cums inside three nights in a row, you can still get pregnant.

The next day

Yeah

Do you also remember what happened last night...?

Then... I'm a bit concerned

It seems like incense users like me can stay lucid in the dreams.

But occasionally people who can remember like that also pop up. Those people will also remember.

But you're doing H things with people you know! I think they'd simply treat it as a strange dream or forget it!

HA...
Well... That-

んおははは

Ah, it's already bed time!

I also feel it's not a problem.

Wait, please forgive me!

Don't worry, I was just an exception.

I... This time-

This lets my mind escape the worries of tomorrow.

NIGHT~!

Then, good night~
