

Welcome!

Err, please, hold on!

I'm sorry, we already found someone experienced for that position.

However, I think you could do well as a waitress, Sakibara-san.

I'm sure of it!

I was hoping to work in the kitchen...

Aoko

Manager! Is this our new hire?

Don't over-think it.

panic panic

No way...!

I'm not cut out for that...

バァァニ

Hello!

We run a cafe and only hire women.

What's the big deal? She's a girl.

Wait, let me have a look...

Hasegawa Nami

Do you remember?

You're Kurumi-chan, I had my first kiss with you!

Great. You're hired.

I don't believe it...

BLUSH

AHH HHH!

Hmmm?

I don't think this is the first time we've met.

スボッ

The first day of her new job.

BREAK ROOM

KYA
AAH!

Okay,
let's start
dating.

She seems
really happy
about being
reunited with
her...

SHUT
THE
CUR-
TAIN!

Don't
worry,
I'll cover
you up!

Who would've
thought the
girl Nami talked
about kissing
would start
working here,
huh?

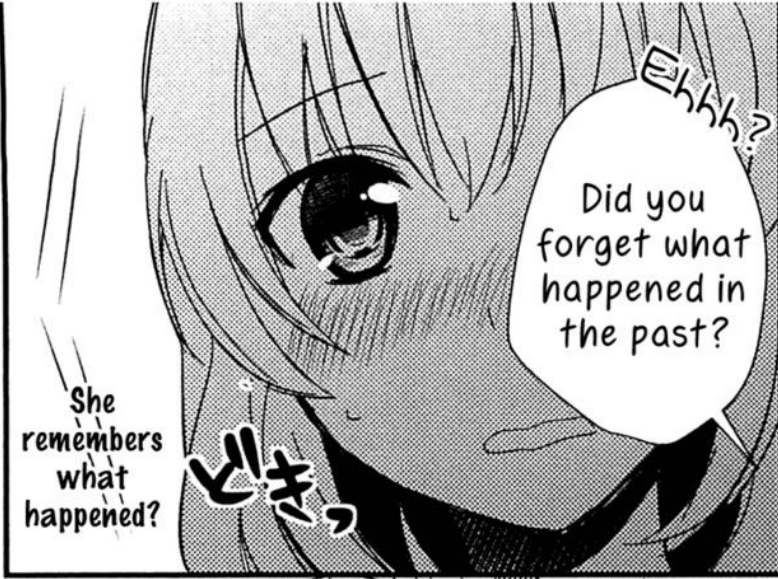

She isn't
going
to ask if
I'm seeing
anyone...?

Not
that
I am...

Ehehe
G

So yeah,
I'm not
seeing
anyone
right now.

I'll keep
asking until
you agree.
Go out with
me, Kurumi.

She remembers what happened?

Ehhh?
Did you forget what happened in the past?

You don't want to?

But we both have feelings for each other.

Just let me get changed!

You don't need to worry about me, go back and—

Um, Hasegawa-san!

If so, then why...?

I never used just her name!

EXCUSE MEEEE!
Why are you adding "san" to my name!?

Call me "Nami" like you used to!!

!?
Don't forget to put these on, too. They're part of the uniform.

Here you are.

Nami, give these to Sakibara-san.

Oh, right.

It's okay, I'll help you out.

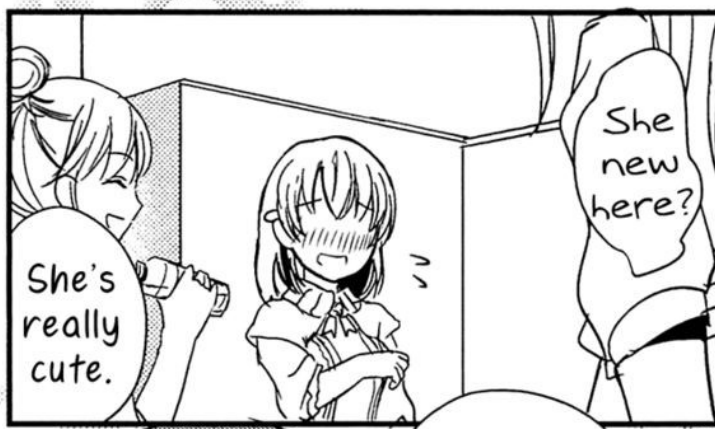

But I can't...

Don't worry!

We're affiliated with a lingerie shop, and we receive samples and stuff from them.

They won't be visible, but they help keep you focused.

I can get dressed on my own.

She's really cute.

She new here?

I can't relax in this...

I understand why the chief put her out on the floor as a waitress.

They're waitress. Big...

Knee socks, hmm? How classy.

I don't want to show too much skin...

That looks great on you, Kurumi-chan.

I don't like the thought of her attracting the customers' attention.

pout

But...

What are you talking about? You have plenty of charm. Come on, let's go.

an-guishing

My waist isn't slender and my breasts are way too big. That bra didn't fit me right...

I'm scared of being in front of people in this outfit.

Hmm...?

Welcome!

There will be three of us.

Thanks for coming! How many are with you?

turn away

Fine!

Ahaha

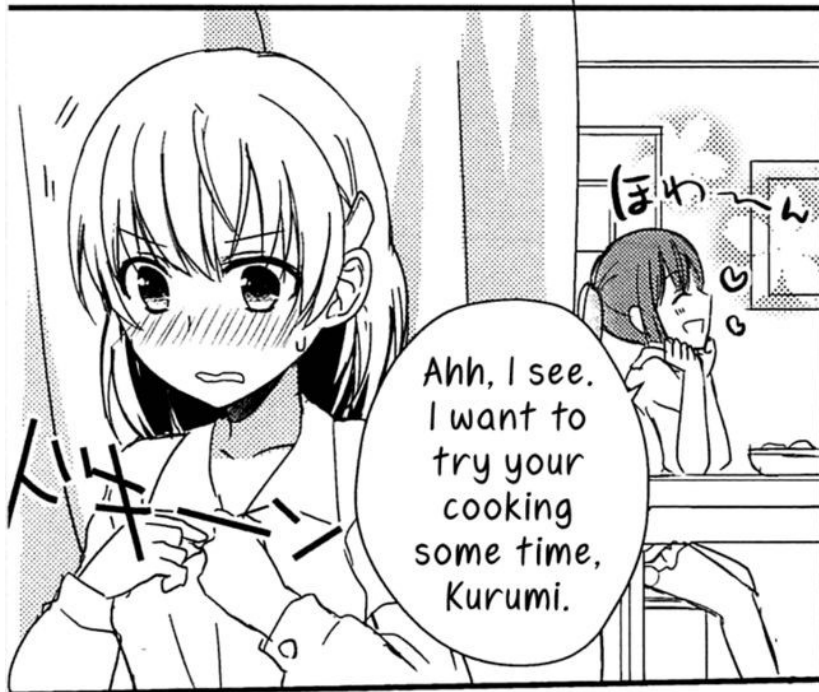

Nami-chan!

Ah. Nami... chan.

Sure. Th-Thank you, Hasegawa-san.

And that's how you take them to their seats.

You can go next.

We've never kissed...

BLUSH

Kurumi!

Thanks for helping me today, I'll be leaving now!!

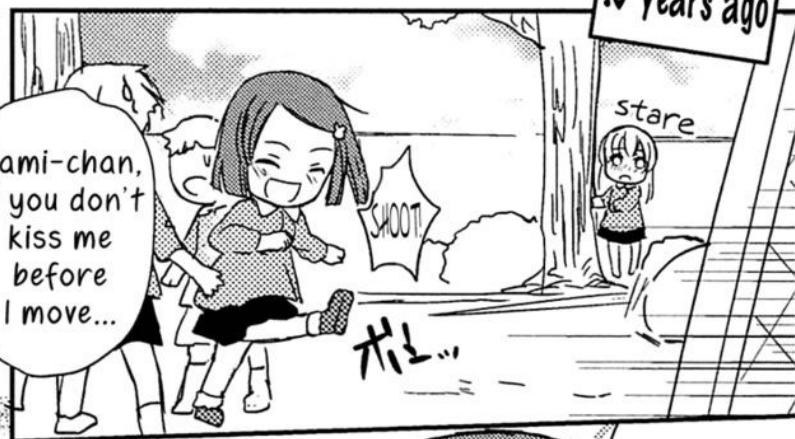

Kurumi-chan?

ワッ!!!

WAHHHHH!!

I'm going to die!!

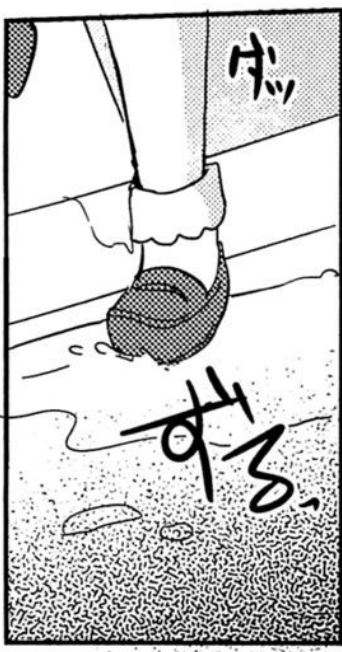

Nami-chan, if you don't kiss me before I move...

Nami-chan... she thinks the two of us kissed back then.

Nami-chan?

WAAAAHHH!
NAMI-CHAN'S GOING TO DIE!

Welcoming Party

After I made her get injured, too.

She should be angry with me, but she seems to like me...

I had to move, making it look like I was running away.

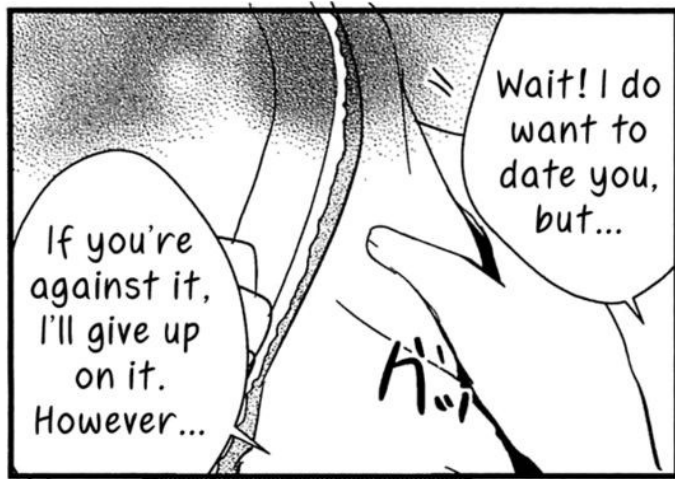

Great work out there today.

The manager gave me a bra that will fit you, Kurumi.

I have to apologize.

And I... like her!

Thanks.

No one will get to see you if I wait until after work.

How's that? I'm pretty good at doing up people's hair.

Huh...?

I have to tell her right now.

Yeah, you did always wear it down.

Thanks, it's tough to do it myself. I can cook, though.

GAHHH!

WAHHH! I was trying to appeal to you, but I ended up falling for you even harder!

Hyah!?

poke

But... I can feel a breeze on my neck now.

You have a lot of shorter hairs mixed in, Kurumi. If you used spray...

Maybe I'll take back what I just said.

Kurumi... your neck is sensitive.

I just learned one of your weak spots.

Tell me if you don't want to.

I'm going to get serious.

Hyah...!

Nami-chan is so close!

back away

Ah, sorry!!

... I'm gonna go on home.

It's late, I'm worried that-

That's not it!

I'm really sorry. This time I'll stop.

I have to tell her.

Ahhh, so that's what happened. My memories of back then aren't very clear.

WE NEVER KISSED!?

Jeez...

Aha-haha...

astonished

I... I'm in love with you, Nami!

I loved you a lot back then, Kurumi.

But I was happy you asked.

I wanted to do it for real back then, not as a farewell.

Really...?

Nami-chan...

Good. This will be our first kiss, then.

It's different, now. I feel... an even deeper affection.

Ahhh, amazing...

You're squeezing down on my fingers.

I'm glad.

You must be getting off on this.

Mmm

Mmm! Hey...! You can't...!
