

Go ahead,
Shiratori-san.

Who would
like to read
theirs aloud?

Okay, everyone!
Today is parent's
day!

Now, your
homework was
to write an essay
with the title "My
mom/dad".

I know
your moms
and dads are
here, but

don't be
nervous, just
behave as
cheerfully as
you always
do.

"My dad"
By Shiratori
Asuka, year 5
class B.

My dad always
walks around the
house completely
stark naked.

PARENT'S DAY

ジュギョウサンカン

雨と棘

ああ、大きな声で元気よく喘ごう!

I tickle it with the fingers in both my hands to hurriedly make it big.

I pick up dad's still limp penis and...

**Stop!
Stop!!!**

Stoop!!

and with my mouth, I...

I dribble some spit on his penis...

Hold on!

And once it becomes stiff...

Ho-!

I am Shiratori Asuka's father.

Dad~!

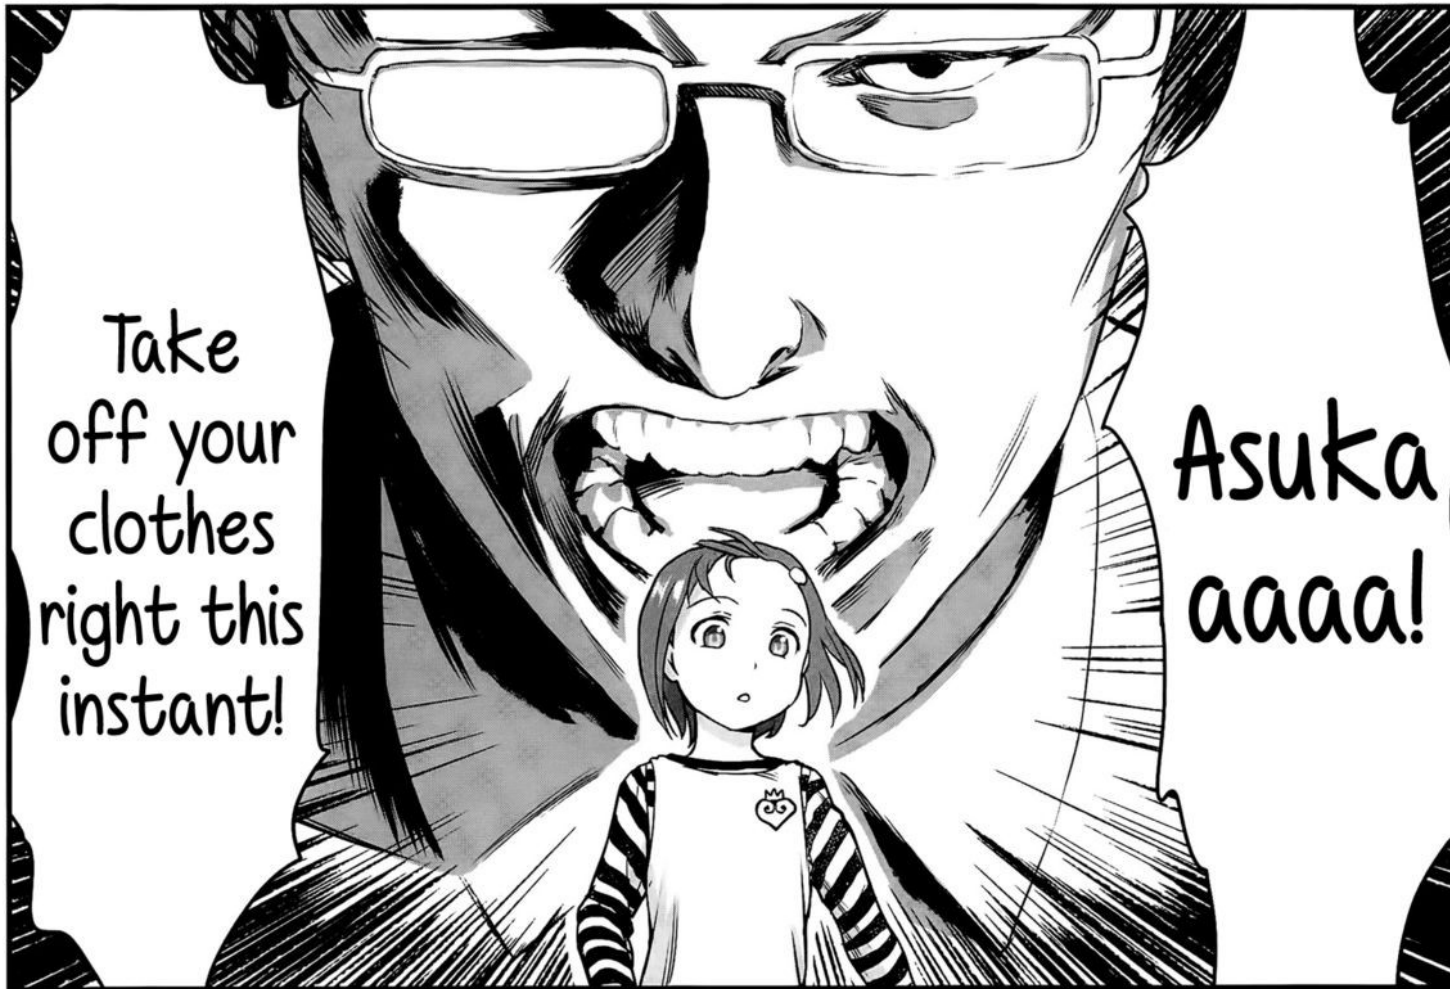

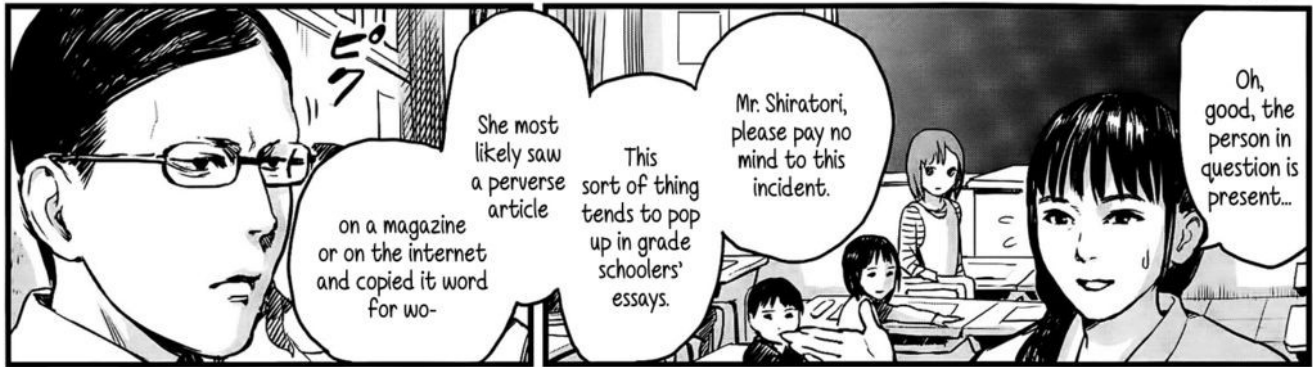

E-Excuse me...

Could Shiratori's guardian please step forward?

But stop reading and wait, okay...?

I-I'm extremely sorry...

Yes.

immediately
raise your hand
to the sky,
please!!!

Together
with a clear
reason as to
why and your
own personal
opinion on the
subject,

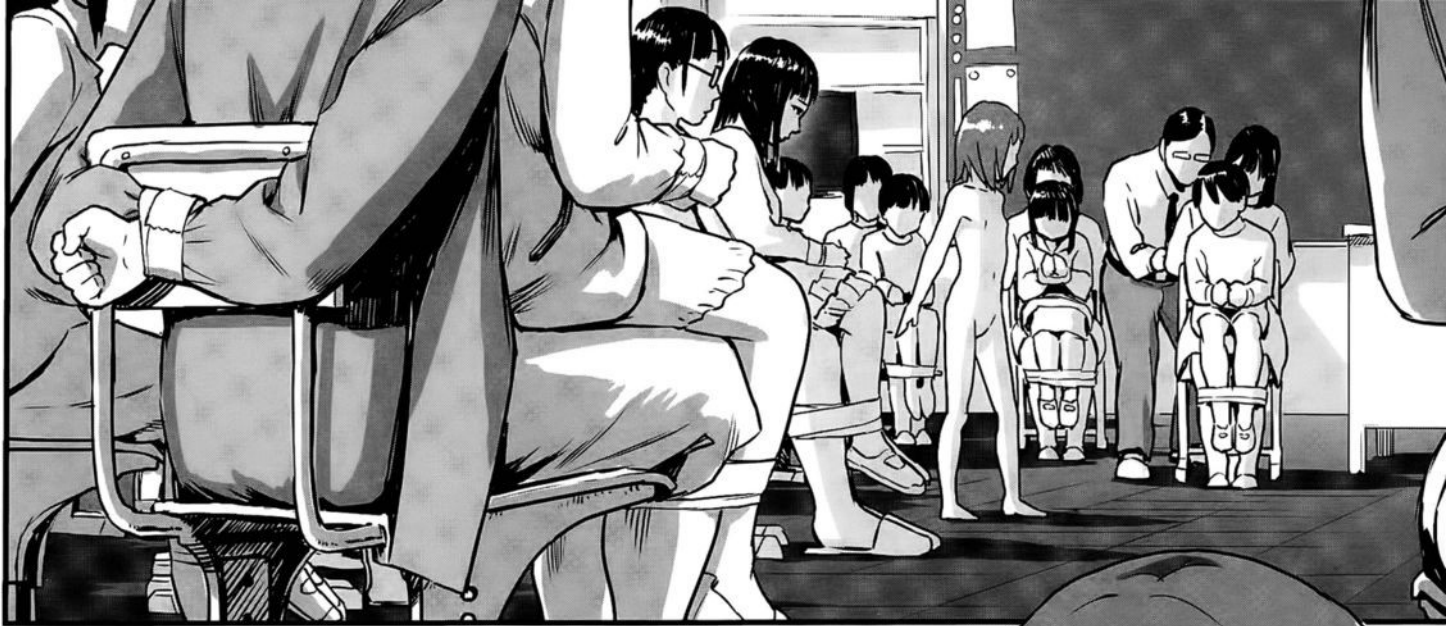

Those who
do not wish
to see our
father-
daughter
relationship,
raise your
hands!!

Okay!

If you
want to
get naked,
then get
naked.

Asuka,
I am not
coercing
you.

Think for
yourself, as
you always
do!

Even so, your best friend, Yui-chan is crying.

You see, they're not like us. They abhor this sort of behaviour.

Eh~?

Kh

Just imagine we're at home, Asuka.

I think it's fun to have everyone watch us!

Ehe!

let's start by letting everyone see you licking my penis and then ask them their oppinions.

no
k

Asuka... How would you react if I told you that

after today, we would quit doing what we always do?

Eh?! Why?! I would hate that!

....I thought so. In that case...

Anyone would love it if they gave it a chance!

I mean, it's fun...

Asuka, do you like sucking on my penis?

Yeah!

Sometimes, you say some really good things, Asuka.

I see. You might have a point, there.

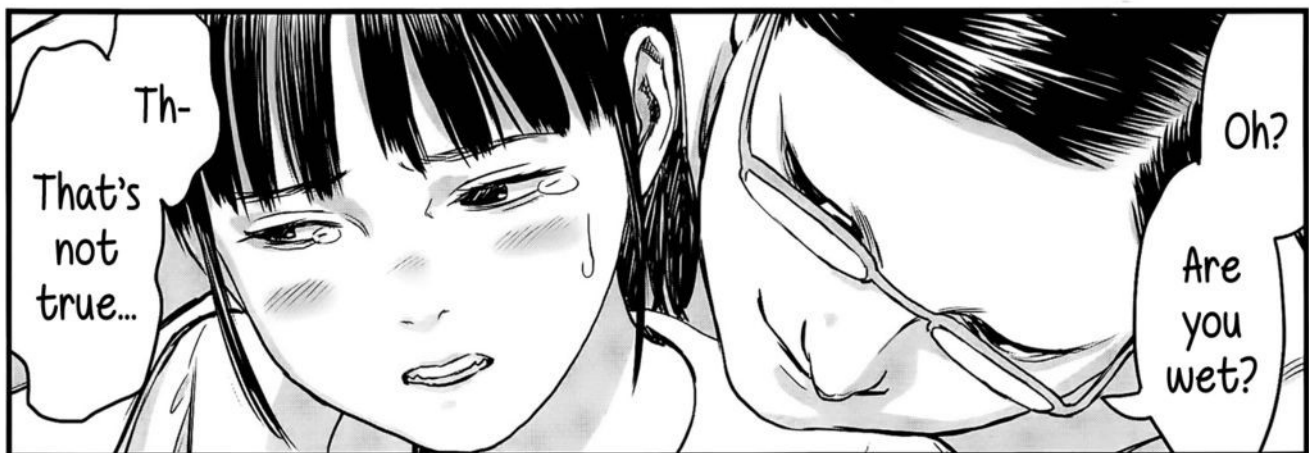

What?!

Yui-chan...

Let us test that out, then, shall we?!

S-Stop!
Asuka-
chan!

So, as you
can no doubt
attest to, she's
become quite
skilled at it.

She'll slide
her tongue on
anything and
everything...
Haha!

Asuka has
been a big fan
of the act of
licking for
many years.

No...!
Stop...!

That's
my...!

Yui-chan's
downstairs is
so pink and it's
twitching so
much!

Yeah!

Asuka,
be sure to
peel back
the skin to
give her a
good lick.

Ah!

Yui-chan,
you're so
funny!

What the...
She went
psssh...!

Huh?!
Really?

Although
actually,
Asuka...

I've already
made you squirt
many times
before.

That's called
squirting.

It's proof
that you made
Yui-chan have
a very good
time.

Yes, but
you always end
up in a daze
so you never
notice.

Ah

Eek

uh...
uh...
uh...

Dad!
I wanna go
psssh too!

Ooh!
Good idea!

Or maybe here...?

Hih!

Where are you most sensitive today, Asuka?

Is it here?

Fuah!

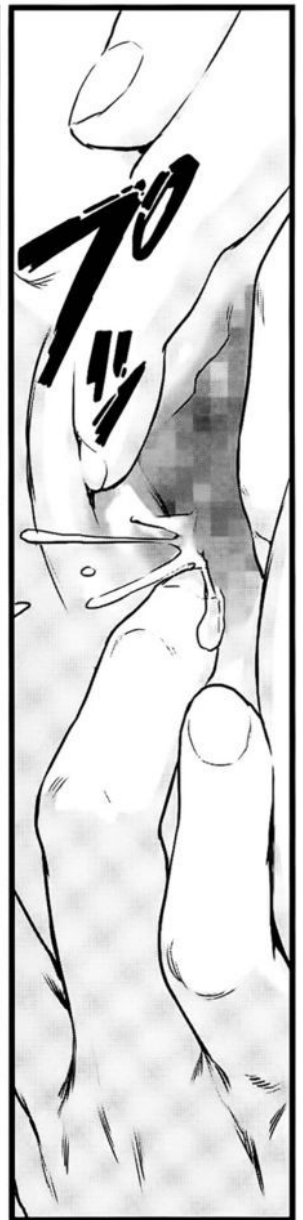

Oh, is it... here?!

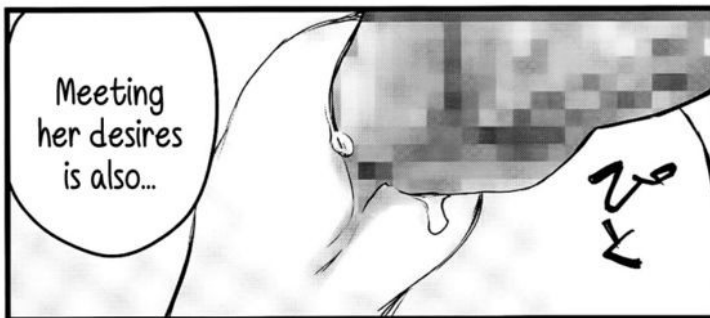

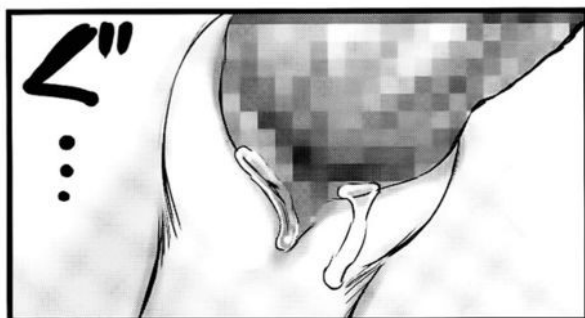

Yes...! There...!

Your body responded by stiffening up!

Rino-chan
and her mom
are as elegant
as advertised,
aren't they?

It's
Sae-chan
and her
mother.

Could I ask
you to get along
with my Asuka?

Kana-
chan, you
little
rascal.

I hope you'll
accompany
Asuka to the
pool again one
of these
days.

It's been
too long,
Mari-chan
and mom.

And who
might you be?
Good day.

Doesn't anyone have an opinion they'd like to share?!

H-Hey, dad...

Yes?

W-Why is everyone so quiet...

You're right. I wonder why no one is saying a word...

As you
can see
we're both
consenting
parties,

having
our fun
without
hurting
anyone!!

But out-

People like
us may well
be in the

However,

your values
onto us as

But if
you, in the
majority,

then we,
from our
standpoint
as the
minority...

will do as
you do, and
convey our own
values onto
you!!

Open
your shut

So we can
build a society
where we can
coexist!

You, who
are trapped
by the narrow
set of values
you learned!
