They're talking about the manager again...

It's not like he's a virgin, though

Maybe he's a virgin
♡
It'd be nice if he was
♡

It doesn't seem like he does. It looks like his work is his lover

I get what you mean

...I wonder if the manager has a girlfriend or something like that

更衣室

It's a shame for them, since I'm his girlfriend

What? Is Riria-chan really into the manager?

Eh~ Yes, a bit~
♡

ば支しか配に人してつと!

What?!

He's gonna get attacked by Riria-chan!

ahaha

How dangerous
♡
♡

T...they're making a fool of the manager!

Riria-chan's big boobs will win him over, hands down!

I'll get serious, then
♡

I wonder if I should try seducing him next time~
♡

Even
though
they
don't
know
anything
about
him

● Minku

A bunny girl who works in a certain casino.
She's a jealous girl in a secret relationship with the manager.

● Manager

The guy in charge at the casino Minku works at.

It's bad to do this before going to serve the customers, isn't it? Even though you specifically changed your clothes

Sorry for the wait, Minku

Shut

Yup!

You're awfully close, aren't you?

Um... It's kind of sudden, but

At the last meeting, a lot of talk about your work manner came up

I wanted to show you, manager

Look, look! I bought a new costume! Is it sexy?

Yes, yes

I'll look at it after, so sit down We're going to talk about work, okay

Since you're the casino's important, most popular bunny girl, they've come to want the impossible from you

I think that they're stretching you out a bit, but

is one of the comments that came up

But if you worked a bit harder, it'd help out a lot...

I think Minku's always giving it her best, and the others thought the same

Just...

If you happen to have an idea or something... that can make your work easier

is just what the discussion is about

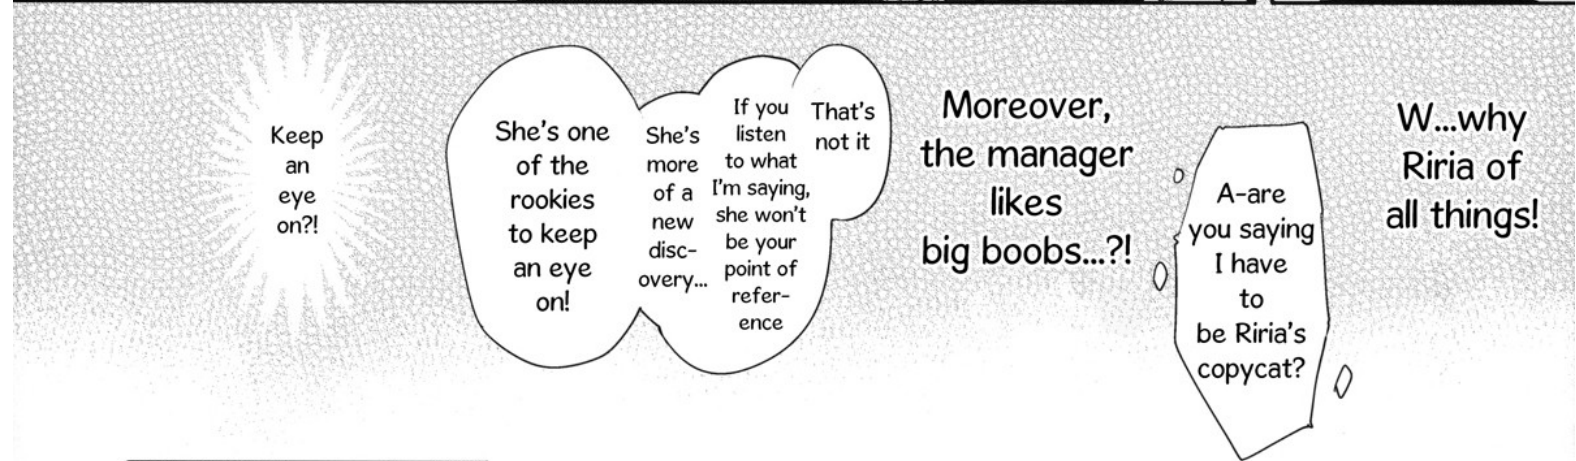

What do you think?

Hm...

If I work harder, he'll probably praise me more, right?

The manager praised me!

...though, is it troubling if I say it so suddenly?
Hmm...

Oof
Minku?

Do
you
prefer
girls like
Riria?

Eh?
That's
not what
I'm
saying...

"Riria",
"Riria"...

Don't
"hmp" me,
Minku

As far
as you're
concerned,
I think
Riria-chan's
no match
for you,
but...

You
only
love me,
right?

I
won't
hand
the
manager
over to
Riria!

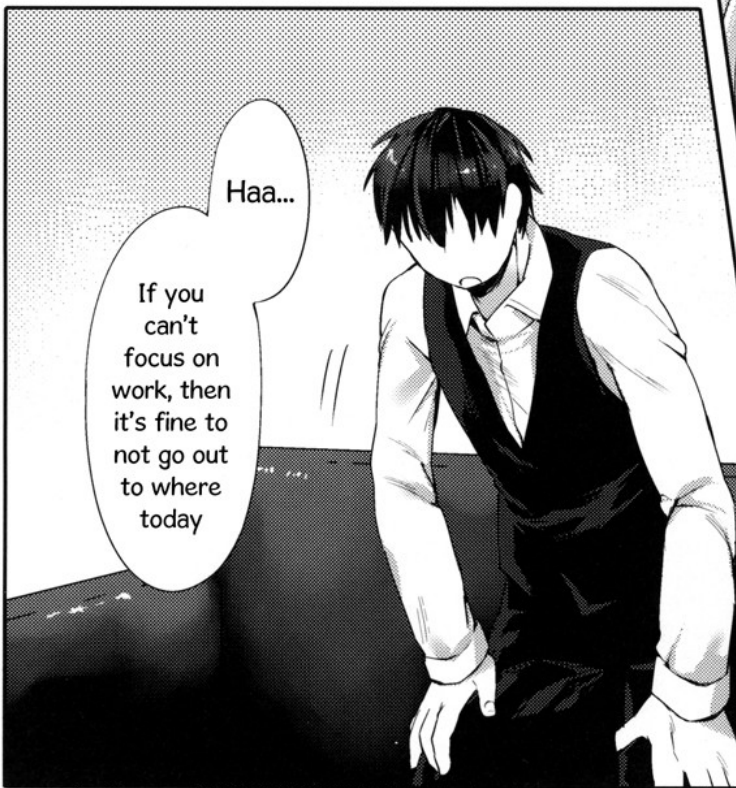

Right?

That's
what
you
said?

Manager
You're
not allowed
to talk
about
other girls
in front
of me...

Minku...

Hey,
Minku,
we're
talking
about work
right
now...

Um...

I....I'll
do my
best with
work!
So...

I'll
work
hard,
so don't
get mad...

Okay?
Manager

.....

Erm...
I'm
sorry...

Um...
Um...

I'm
thinking
seriously
about
work

You'll
do
anything
for
money?

Eh?
T-
that's
a bit
diff-
erent...

Y-yes!
Since
I'm a
hard
worker...

You'll
do
anything
to get
sales up?

Anything,
hm?

Mana-
ger...?

how about wearing something a little lewder?

For example
Your clothes today are really sexy, but

Eh?

Then, let's think together about what to do in order to raise your sales

Like a more transparent material around places like this

Ah

Ah

Is he not angry anymore?

O-okay...?

hey, hey

Ah...

Why do I have to wear this kinda lewd clothes?

Perhaps the drunk customers might feel you up

If your slit is fully visible, everyone will notice

Since you're doing this to increase the number of your customers

Even if they put their finger in and churn up your insides, resisting is no good

N...no! Minku is only the manager's...

Please stop...
Cust-omer-sama...

I... I don't want that kind of thing...

A lot of people would ask for you for sure

Those clothes are see-through, aren't they!?

Wish she'd come over here

Your customers will be delighted, and you'll be able to get new ones too

The prize is! One-day ownership of our most popular bunny girl, Minku!!

Or, what about being made into the casino's prize?

Minku-tan... I've always been a fan of yours...

Don't! Someone other than the manager...

The casino would get excited, too. There's so many upsides, isn't it a good idea?

It's like a dream, getting sucked off by Minku-tan!

W-wha?!

You got so soaked

You don't want anyone but me?

Even though you've gotten this wet?

You didn't get excited from imagining it?

C-
Can I put it in?

T... that's not... this is...
Because you were touching me...

We shouldn't before work...

Even though you've gotten this squishy

Ah...
No-
Don't...

Like I thought, he's still mad...

If I service him... will he forgive me...?

Ah...it's
no good!
I'm gonna
cum,
I'm gonna
cum...

Together
with the
manager...

Please

M-
mana...
ger...
cum...cum
inside of
me

Don't
take it
out--

Ah
Aah

Au...

out...
side...

W...

hy...

Hm?
Are
you
mad,
Minku?

I'm
not a
good girl
like Riria,
and I'm
selfish

Manager's
the one
who should
be mad
At
any rate,

It's
fine
even if
I'm not
there, right?
Let me know
if something
comes up

Yes...yeah.
Sorry, right now
I'm in the middle
of something...
yeah. Minku isn't
feeling well, so
she's taking the
day off. Have
someone suitable
fill in for her

My
boobs
aren't big
either

I
wasn't
eaves-
dropping,
it leaked
out

You
heard?!

Ah,
in the
locker room
Riria said
she'd seduce
me and such
with her
boobs,
right?

Even
though your
body is so
mature
you end up
crying when
I give you
candy

No
way!
You
were
teasing
me!

Stuff
like
doing it
on purpose
is
horrible!

I thought
you were
pretty fired
up with the
rivalry, so I
tried fanning
the flame

Manager,
you idiot
♡
♡

On a
sudden
impulse...
When
you let
out your
voice, your
crying face
was so cute
I just..

Because
your body's
so precocious,
I really did
mean to be
nice but

You're really really not mad?

Yeah

You're so persistent! Urya-

Manag...
Nnha

かき Manager's not mad...

There's so much semen

Aah...

You sure say embarrassing things so boldly...

Since I confirmed Manager's love, I'll do my best at work too!

There's still some... of the manager's...

Are you really going to go out to work? Even though you can take the day off...

Yeah...

Yes?!

So, when I can't give it my all, let's do lots of lewd things, okay!

It's your duty, Manager
