

Minami,  
what's  
wrong?

Papa...

The  
two of  
us live  
together  
as a  
single dad  
family

I  
had a  
night-  
mare...

My  
daughter  
Minami  
is a  
second  
grader in  
elementary  
school

Papa's Good  
Luck Charm

I'm  
still  
scared...

There,  
there

No  
need to  
be afraid  
any-  
more

Despite  
her  
age,  
she's  
still  
childish

When she  
has  
night-  
mares,  
she  
comes  
to me

Papa...  
do that  
"good luck  
charm"  
again...

In order to calm her down,

I started fooling around with her in various ways and called it a "good luck charm"...

Ah...

Nnh...

Fuah...

12

Papa...

There... wriggle around there...

Does it feel good, Minami?

It seems she's gotten addicted to it...

Nnh...

Ah...

Nhu...

Ah

Nh

Before, I was into lolis a bit, but

I never expected to get aroused by my daughter

Ah...

It feels good...

Around here?

Fuah

Ah

[illegible]

Touch me more...

Papa...

More...

And her love juices have begun to come out as well

It's reached the point that nowadays she can feel it when I play with her pussy

More...

And her  
love  
juices have  
begun to  
come out  
as well

Up till  
now,  
she's been  
satisfied  
with this  
and would  
go to sleep,  
but

You  
came,  
didn't  
you?

Haa...

Ah...

Papa...

Lately,  
she isn't  
satisfied  
until we  
do lewd  
things

Then,  
then if we  
do it once,  
I'll go to  
sleep!

Okay?  
It's fine,  
isn't it~

I don't  
wanna!

Eh...

I  
want to  
do more~  
...

You're  
not  
scared  
anymore,  
right? Go  
to bed  
now

You  
have school  
tomorrow, don't  
you? You'll  
end up going  
to bed late

Good grief...  
you're such  
a helpless  
daughter,  
aren't you...

At first  
I hadn't  
thought  
about  
entering  
such a tiny  
hole,  
but

Papa...  
hurry...  
put it in

Even  
though  
this is  
something  
for  
adults, I'm  
inside of  
her

So  
tight...

She's  
plenty  
wet, so  
if I  
loosen  
her  
entrance  
a bit

Uwah...

Papa's...  
is  
inside...

Ah...

Ah...  
Nnh

Raise  
your butt  
a bit  
more

Fuah

Ah...

Ahh

Papa...

It looks like she likes it when I rub her entrance

Hup

Fuah...

Ah...

Ah...

Hyaaaa

Don't

There-

Seems like it feels good, judging by how it twitches when I thrust here

Papa

Ahh

Ah

No

Ah

Hey, hey. Don't pull your hips away

Nuh

Papa...

Are we...  
going to  
do that...?

she  
always  
tightens  
up so  
lewdly

That's  
right

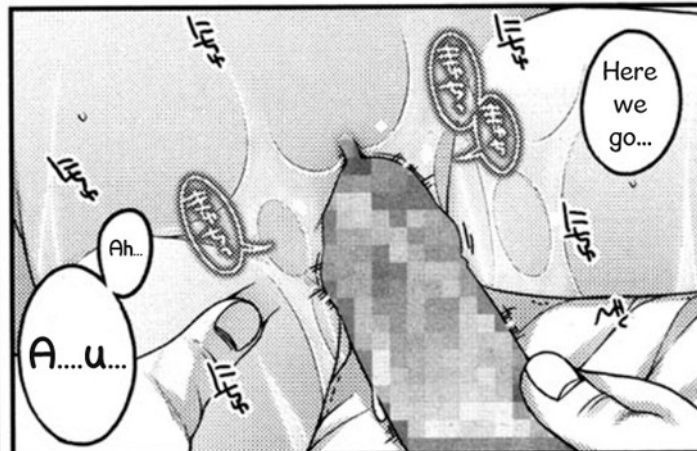

I'm going  
to pound  
the spots  
that feel  
good for  
you

Hey  
now, sit  
up a  
bit

Ah...

Are  
you still  
going to  
mo-  
hya...

Here  
we  
go...

Ah...

A...u...

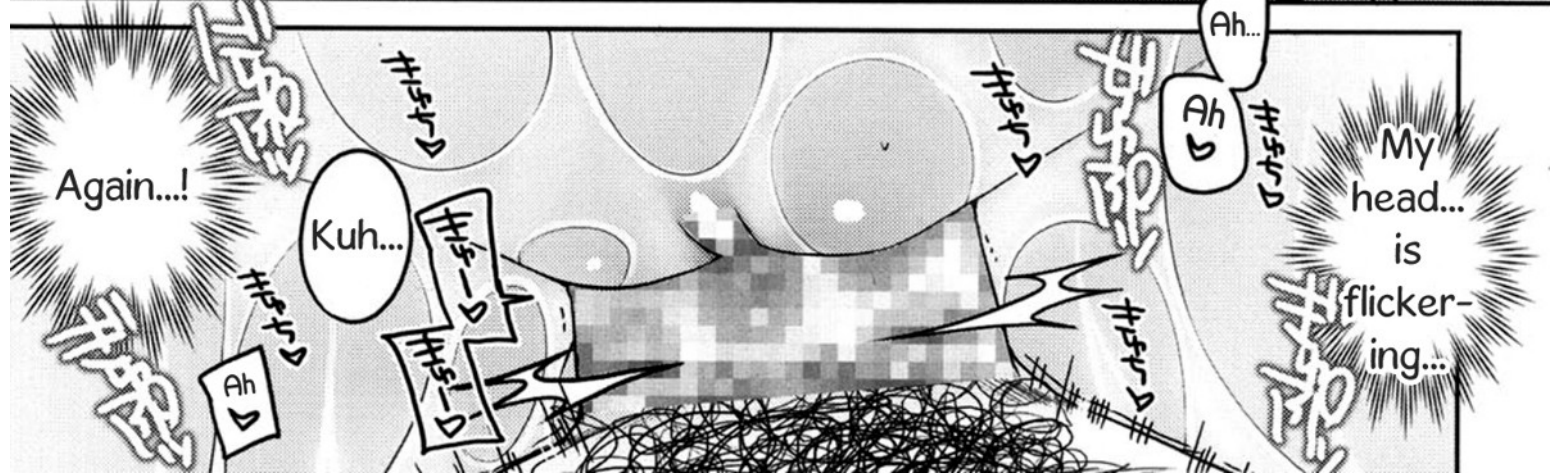

Papa...

Let's...  
take a  
quick  
break...

Nhaaaa

Not even 10 seconds later, she ended up cumming right away

Well, it's fine...

Minami... are you oka...

--she's sleeping?! Again?!

I wonder what kind of "good luck charm" we'll be able to do tomorrow... I'm looking forward to it

**End**
