ZERO-SUM GAME

It may just be flattery, but when they say things like that it makes me really happy.
I really love fucking your pussy, Hijiri!
Ah! Don't fuck me so hard!
NNAAH♡
But lately I think they feel a bit as though they're stuck in a rut.
It's so deep inside me!
NN
AH♡
I can feel your dick hitting inside me!

Hi, Nishiki.
I could hear you outside.
Yeah, sorry about that.
Keep it down, Hijirin!

Apathy is the greatest enemy!
And it shows in how used to having sex here you've all gotten!
...perhaps we all need some different excitement.
The bossy girl is the student president, Nishiki Toda.
I guess she picked up on how they're stuck in a rut too.

Huh? You get the jitters even in the club room?
You don't?

3-C TODA

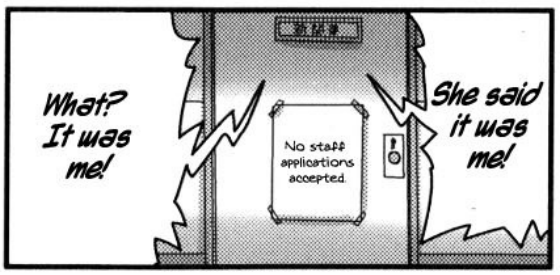

She means...
They came inside her in the clubroom in the morning
And she put all that disgusting semen on top of our lunch.
Nishiki sat in the classroom and calmly ate it all... she totally beat me.
...well, I ended up eating it too.
But the younger boys said that we absolutely had to try it...
Come on, let's go back to the club room.
To be honest... I was struggling to keep up with her.
I have sex with them all
And it makes me feel better, but...
I'll head back now...
They all get so excited with it all.
and I can't say I feel the same.

スタスタ
Oh, right... some stupid game with the idiots to relieve their stress or something, wasn't it?

Whew, I'm exhausted.
This is worse than studying for a test...
ぐでーん
Hijirin, we have to drop by the club room today.

A game? I've been stressed because I have to look after the student council... so I want some sex.
Oh, I see... and?
I bet they're all pretty happy about this too, right?
The dirty slut!

Usually they're too busy doing nothing at all.
This is unusual for them...
So, what's up?
I'm the student president, and even I can't fight at school.

What? It was me!

Some of you pick Hijiri.
I said I would today!
Is your body ready?
Damn you!
That's not the point!
Wait! That's too quick!
Give me time to get myself mentally prepared!

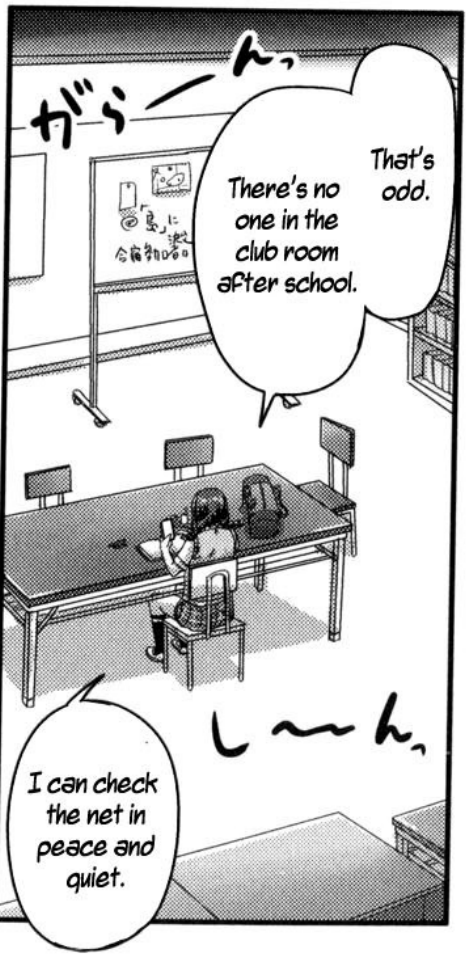

Nishiki's always ready, mind and body.
That's our dirty little student president!
Yep! I spend all day thinking about your cocks. I can't think of anything else.
♡

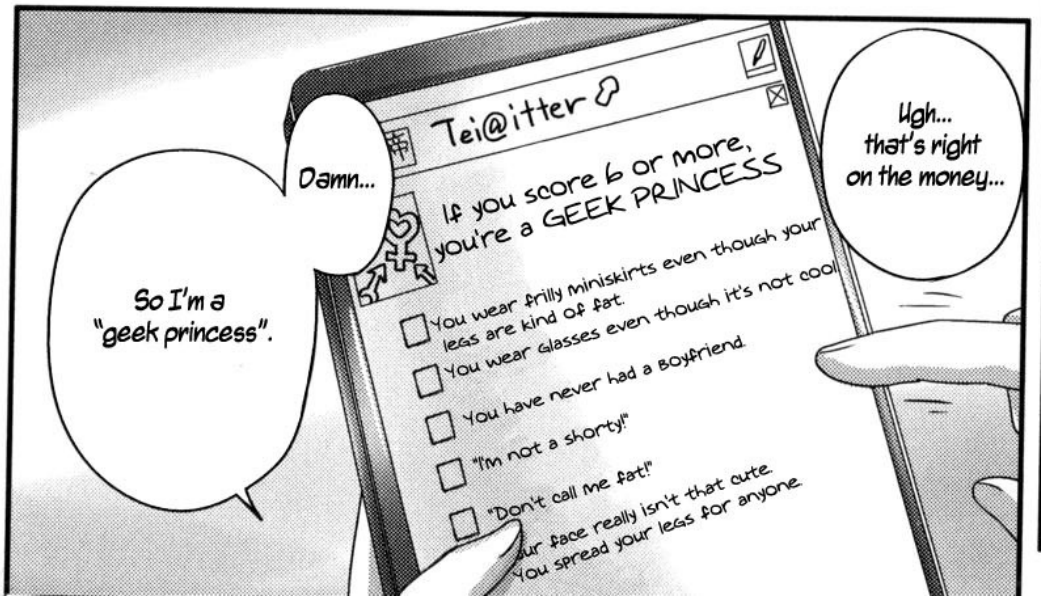

They've all... changed so much...
AH...
MNN...
But you're just as sexy as her, Hijiri...
Follow Nishiki's example and fuck me even harder!

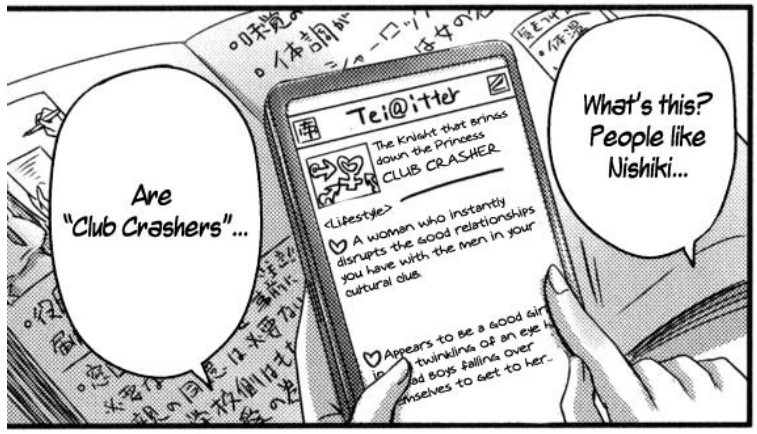

...this is...pretty tough...

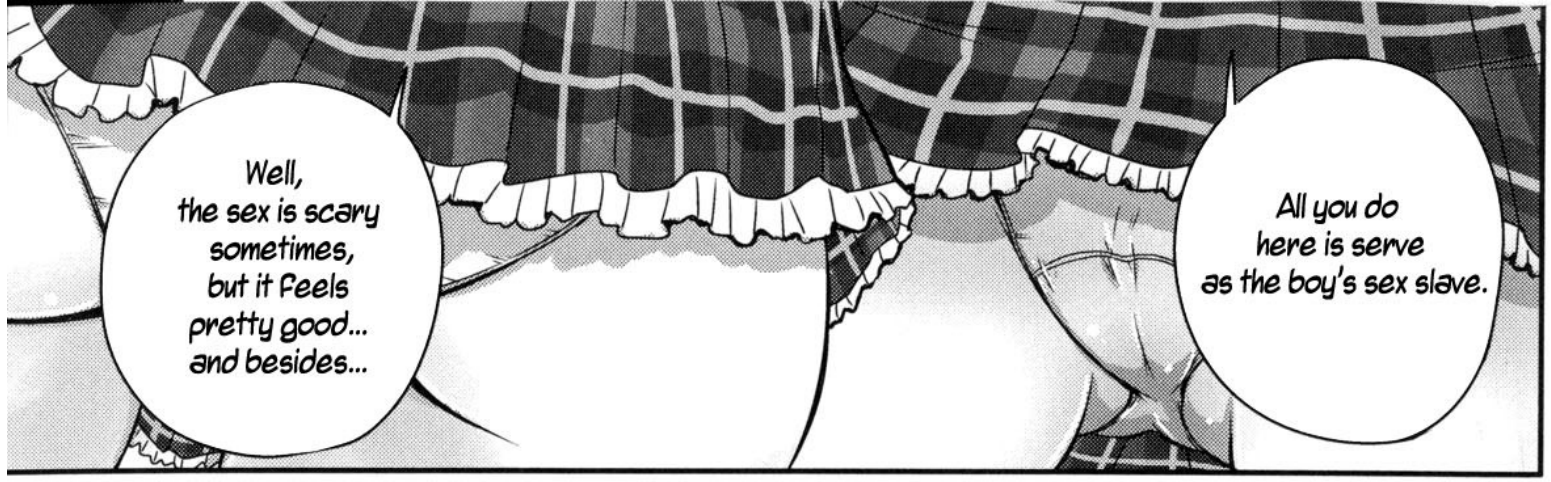

So that's why the atmosphere in the room was always so nice.
Somehow I was the centre of their little world.
But when Nishiki started coming around that all changed.
Just because she said the club won't be shut down, she's still the Bad Guy. I'm the one who saved us.
