

I got accepted into college, and was now finally living alone, which I'd wanted for quite a while!

ALL THAT'S LEFT IS TO GET MY FURNITURE IN ORDER.

THAT'S ALL MY STUFF.

Let's go back in time about three months ago...

But then I found some mysterious creature living inside my room!

AH! I HAVE BEEN DISCOVERED!
♡

Kururu-sama just sits there all day and does nothing!

YOU'RE JUST A NEET...

I EVEN MADE FIVE HELPINGS...

アハハハ!!

SATOSHI!
PLEASE OFFER ME ANOTHER HELPING OF DINNER!

THESE VIDEO GAME THINGS ARE ALWAYS SO ENTERTAINING!

He kept talking about protecting the home, but forget about that, all he did was lay there and make a mess...

Is he even a real god..?

AND HERE YOU ARE AGAIN, MAKING A MESS...

HELLO, SATOSHI!
