

Is what the guy who recommended me this "Liner" SNS said

Wanna play?
I'm in front of the station-

Ryo

Maria

I'm coming!
Wait just a little please ♡

You can totally devour a girl!

I wasn't too convinced when I started using it, but today, finally, I'm meeting the girl I've been after.

I'm "Maria"...
Pleasure to meet you in the real world.

Excuse me...
Might you be "Ryou"-san?

Today, I'm gonna devour this grade schooler...

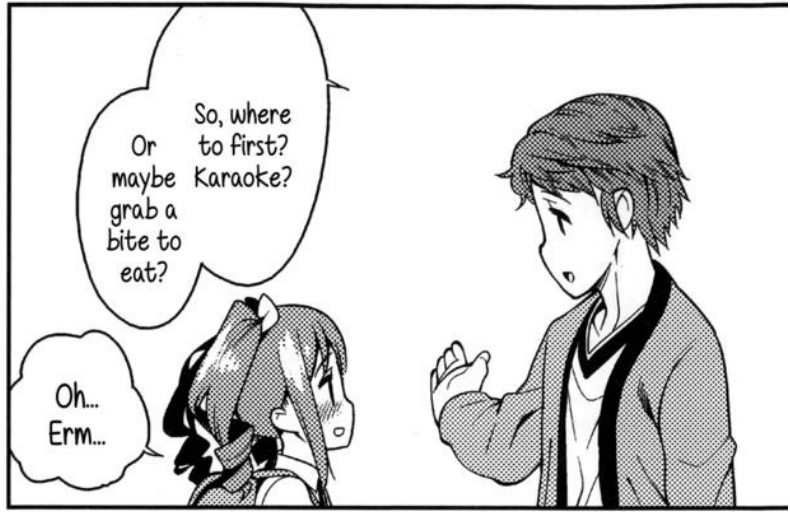

食べちゃうぞ
I'm Gonna Devour You

T-Then...

L-Let's go!

She came to me so carelessly. What a surprisingly naive girl.

So, where to first? Karaoke? Or maybe grab a bite to eat?

Oh... Erm...

I know a great place... Not too far from here.

Sweet. Lead the way.

I practically live there.

In that case, I'll have to make my move on her slowly and carefully...

Yep! I'm eleven!

You really are in grade school, huh, Maria-chan?

Is "playing" really all she had in mind..?

A love hotel?!

Actually, isn't she being way too forward?! Are all girls like this these days?!

Fourth floor, please~!

She's totally into it!

This place has an unmanned reception desk. Cool, huh?

What? Why?!

Wha-?!

...Watevs... This makes things easy...

Oh, I went ahead and chose the room; hope that's okay.

I'll push her down now and have myself a taste of elementary schooler-

Whoa. French kisses... are so soft...

It feels so good.

TL Note: Strawberry (Ichigo) is slang for 15 thousand yen. I=Ichi S=Go

Huuuh?!

Mmh~ Mister, you came here to get laid, did you not?

Ah. M-More.

Ehehe... Kissing's free!

If you wanna go any further, I'm gonna need a strawberry*.

A... A strawberry?

It's my service fee.

.....

.....?

Nh... Smells a bit sweaty, I think.

H-How would it feel to have that tiny mouth wrapped around my cock?

Your penis sure looks eager.

Whoa...

...Ah!

I-I'll do it! I'll pay you the money!

The day I get blown by a JS is here!!

Krkrkrkr

I-I'm cumming again...!!

Mister, you're a marvel... How can you still cum so much on your second time...

Whoa! An eleven year old is commenting on the volume of my cum!! That's so fucking hot!!

T-Thank you for cumming again...

Huff...

Huh?! You're kidding!

No, no, no! I'm serious!

Huh...?!

But the reason I'm so hard now is 'cause you yourself are so ridiculously hot and cute, Maria...

E-Erm... Why...?

Because! You've been rock hard this whole time!

Say! Are you a huge lolicon, mister?!

R-Right... Well, I'd say I'm partial to them, I guess...

So I was wondering if you were really into grade schoolers!

...Ryou-san, you can still keep going, can't you?

Y-Yeah...!

...Ehehe! Thanks.

...This time, do me from behind~

Whoa! Spread loli pussy! So hot!!

Your adult diick is... scraping so deep...!

Ryou-san, you're so biiig!

Ah! Ah! Harder!

Grade schoolers' butts are so tiny!

It feels amazingly good...!!

Hmm...

I love... the feeling of... being pinned down and fucked...!

Yes! Yes!

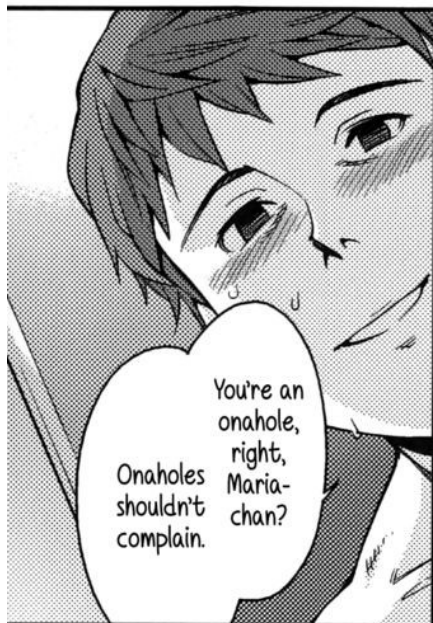

Pound me! Ravish me with your dick!!

Use my pussy like it's an onahole!

Maria-chan! You prefer to be on the receiving end?

Ah Ah

You're an onahole, right, Maria-chan? Onaholes shouldn't complain.

H-Hae? I can't... reach the floor like this...! Hold on...!

I don't think so.

Fueh?! ...Hop!

Ah! Squeezing so tight! Grade school onaholes are where it's at!

Hahyu! I don't like being upside down...! It's scary!

Ah

Ah

Eek

Huh?

Not really...

...Ryou-san, you're a good person~

...Yeah, I didn't have any smaller bills... Consider it a gift.

Wait. You gave me too much!

Plus, I did go pretty nuts there, at a certain point.

It's... a gift...

...Then this is a gift too.

Erm... Maria-chan?

End

Oh

The one who got devoured was me...
