Now, Sensei, could you please repeat your response?

Quiet, guys~

I'm...
I'm very sorry...

Yokoyama-sensei...

Something got you down again today, Sakata-sense?

And that the main aggravator is the class president, Sasano herself...

Sigh...

There's no way I can tell anyone I'm being bullied by children.

Thank you, I appreciate that.

Whatever it is, you can load it all off on me if you need to!

Please cheer up!

Haha... Well... Things aren't going so well between me and the students...

I would've quit being a teacher a long time ago...

If it weren't for Yokoyama-sensei...

Sure, but in return, you're buying.

Really?

Would you like to go for a drink with me later?

You can complain my ear off if you want.

Hmm...

Knew you'd say that.

Aah... Alright, but go for the cheap stuff, please.

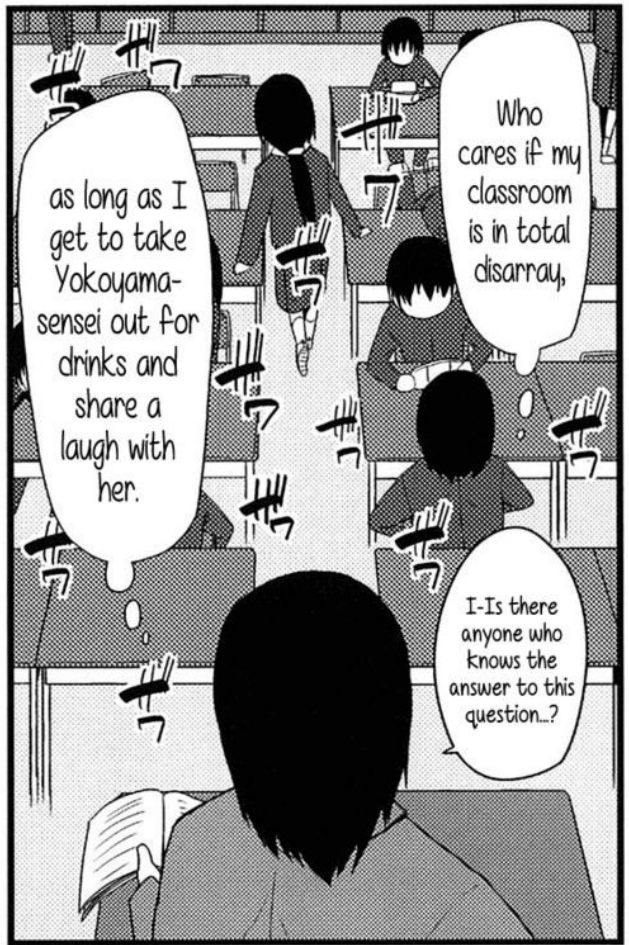

Did you watch Monday's 9 o'clock dramas?

Hm?

So, listen...

You simply multiply the integer by the dividend and...

When you need to multiply a fraction by an integer...

as long as I get to take Yokoyama-sensei out for drinks and share a laugh with her.

Who cares if my classroom is in total disarray,

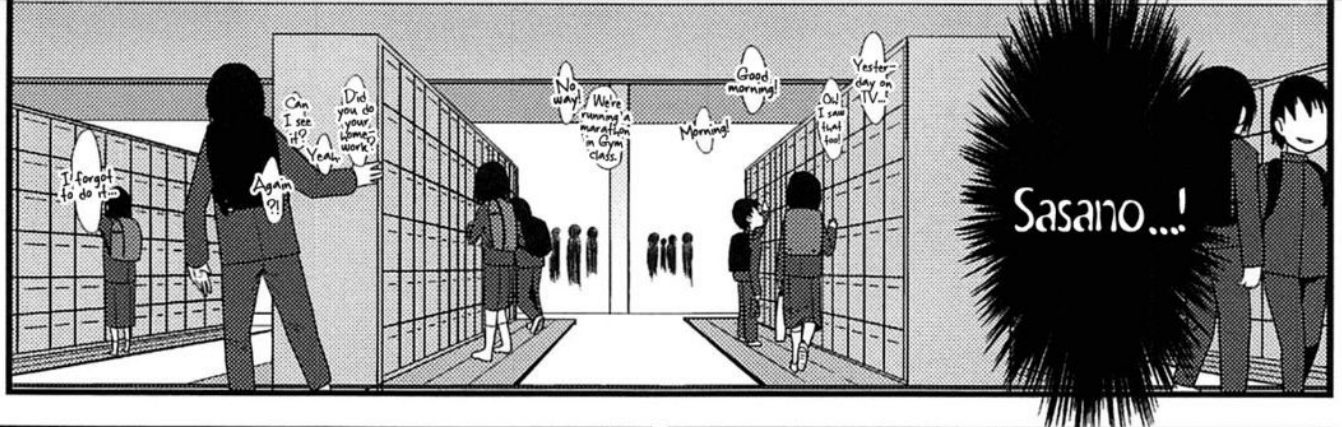

I-Is there anyone who knows the answer to this question...?

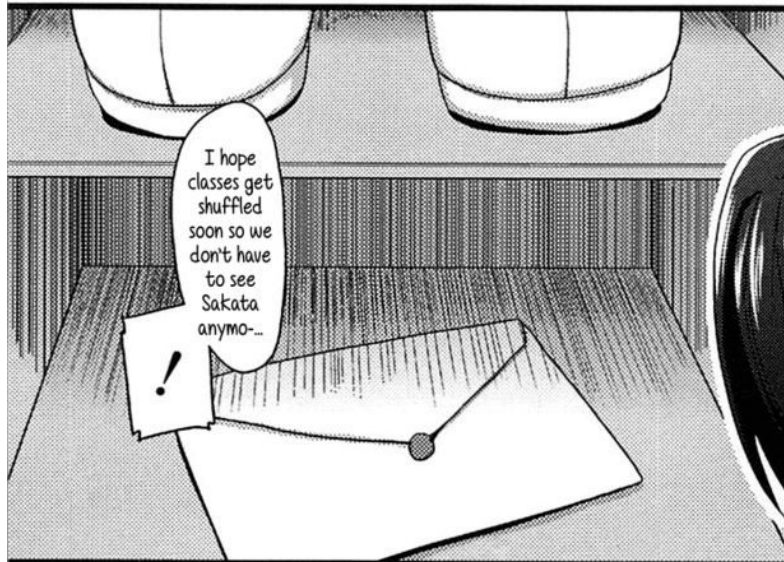

Guess that's the best I can muster.

Guess not...

Sasano...!

I hope classes get shuffled soon so we don't have to see Sakata anymo-!

...and Yokoyama really believed me! It was hilarious!

Ahaha! Poor Sakata~!

Nothing! Nothing at all!

What is it?

I hope Sakata gets fired before that.

I wanna be in the sixth grade already!

Lol!

Right here.

I-I'm here!
Where are you?

ハ
ラ
…

It's me,
Sasano.

Sa-

Saka-
ta?!

Why
are you
here?!

S-
Stop!

Kh...! Stop sniffing me, you fucking pervert!

Your stuffy tights smell so nice.

What'll happen to me? Do tell.

Y-You know what'll happen to you if you go forward with this, don't you?!

Do you wipe yourself properly? You have a stain here.

But you know, Sasano.

A-And the police will get you!

Really, now? How scary.

Y-You're gonna get fired from school...! And Yokoyama will hate you!!

Those threats come a bit too late!

Guh...
Ugh...

Yokoyama-sensei is too honest, so she believed your every word.

Because of you, she already...

hates me!!

Nge

Ha

Ha Ha Ha Ha Ha

Are you sure you're not blinded... by anger?

N- No, it's... because you're gross...

D-Don't blame it on... me...

For an aggravating brat like you...

You're pretty relaxed for a grade schooler... being raped by force... Aren't you?

this might not be enough to cut it.

S-So...?

Reproduction, I mean.

You learned about it in science class, right?

Like, when a sperm fertilizes the ovum, it produces a child, and all that.

Ha Ha

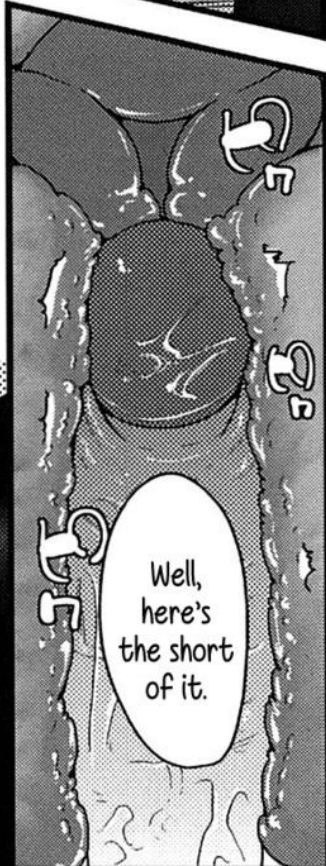

W-What's this, all of a sudden...?

Say, Sasano.

You're a bright kid, so you should know.

You... are going to give birth to my child.

Well, here's the short of it.

Pissing yourself in the fifth grade. You're still such a kid, Sasano.

I'll have to educate you more strictly from now on.

Oh, brother~
