The social problem that was 'compensated dating' took hold, and became little more than prostitution. This led to such immorality becoming accepted in the wider community. In 2017 a few pragmatists introduced 'moral education'. This was an educational reform aimed at the general acceptance of such immorality. It was a practical moral education, one of the facets of which was the establishment of the 'duty system', which was compulsory prostitution within schools. Training in prostitution has the effect of instilling a sense of virtue into the girls. Each week the girls would sell themselves at the school store. And in the fourth year after the introduction of this system...

Girls on duty are offered cheaply, at roughly 1 to 10 dollars each.

This practical moral education was expected to have two major outcomes.

Second, removing the sense of financial worth from the female school students, so that they might gain a sense of their own innate worth.

First, equalizing prices for sex while removing comparative advantages between the sexes. This could be described as the commoditization of sex with young girls.

This meant driving the price for young female students as low as possible.

Once a semester they spend a week being bought by men. All day the boys show contempt for their financial value.

DON'T I FEEL GOOD....?

HA

To bring out the girl's sense of innate worth...

HM... YOU'RE TIGHT ENOUGH...

HAAN

HOW... HOW AM I?

BUT YOU NEED TO FUCK ME HARDER.

AM I NOT DOING IT RIGHT? CAN'T YOU COME?

YOU'RE COMING?!

In one day they'll serve between 5 and 20 boys depending on how busy it is. In a week they'll be fucked by about 100 men.

HA!

MNNGH!!

In retrospect, the hope that young girls would attain an innate value of themselves through the destruction of their sexual value was a complete failure. Many young female students came to associate their innate value with their sexual prowess. And so, after 3 years practical moral education was abolished.

HOW ABOUT THE PLEASURE?

YOUR TECHNIQUE IS SHIT, SO 4... NO, 3.

HOW WOULD YOU RATE THE TIGHTNESS OF MY PUSSY OUT OF TEN?

TIGHTNESS IS A 10.

TOO HIGH.

AND WAS THE PRICE REASONABLE?

HAA

THANK YOU VERY MUCH.

WOULD YOU ANSWER A FEW QUESTIONS?

HAA

SURE.
