

It's just an overnight trip for the newspaper club.

「アイエッ!!」

I can't believe you'd be late to a sleepover with girls!

...that's how she thinks of it.

What the hell were you doing? You're late!

Yeah, sorry about that.

Go by Creampie!

I know that. But I picked where we're staying.

I don't think you get it. Or else...

It's just an overnight trip.

Why are you doing that?!

The real pleasure of travel is the time spent reaching your destination.

Gotta have a good time.

We're not at school.  
What if someone  
else sees us...?

Makes it  
more  
exciting,

think?

So  
what  
if they  
do!

I  
suppose...  
  
It does

So relax and have fun, Hijirin!

I can't believe I'm the only one worried about this!

Listen to the people talking!

But this is way more risky than what we normally do!

Is there a toilet in this car?

Huh?

Do you want to stop, Hijirin?

That's not what I meant...

I think those people that just walked past saw us!

Hey! I think those people that just walked past saw us!

Yeah. Are you OK?

HAAH!  
More!  
More!

But no one's  
ever come  
inside me  
outside of  
school  
before!

We can't  
do this!  
But!  
But!

You're  
coming  
inside  
me?!

Then  
keep  
going!

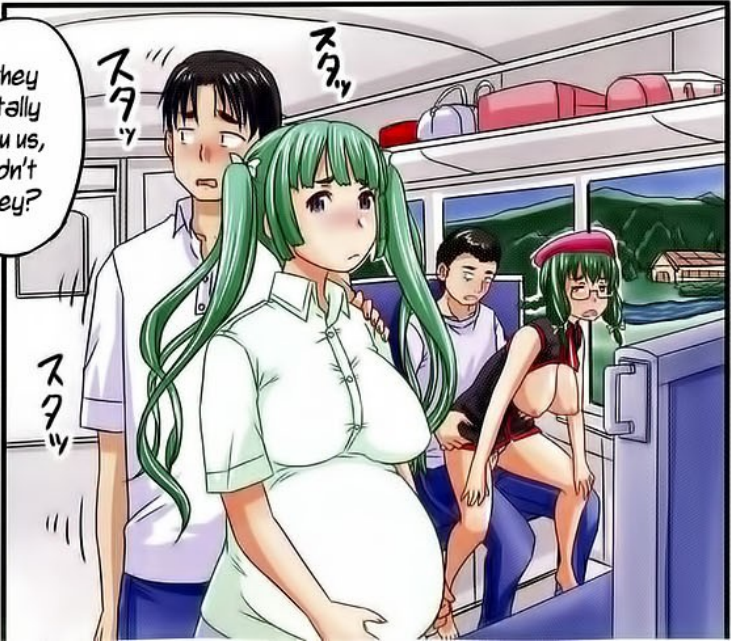

I can feel  
your heat  
deep inside  
me!

Why is  
this so  
good!  
It feels  
amazing!

Who  
cares?

...they  
totally  
saw us,  
didn't  
they?
