Every single day...

In the school bathroom...

Ever being like this when I'm doing it alone.

I don't remember

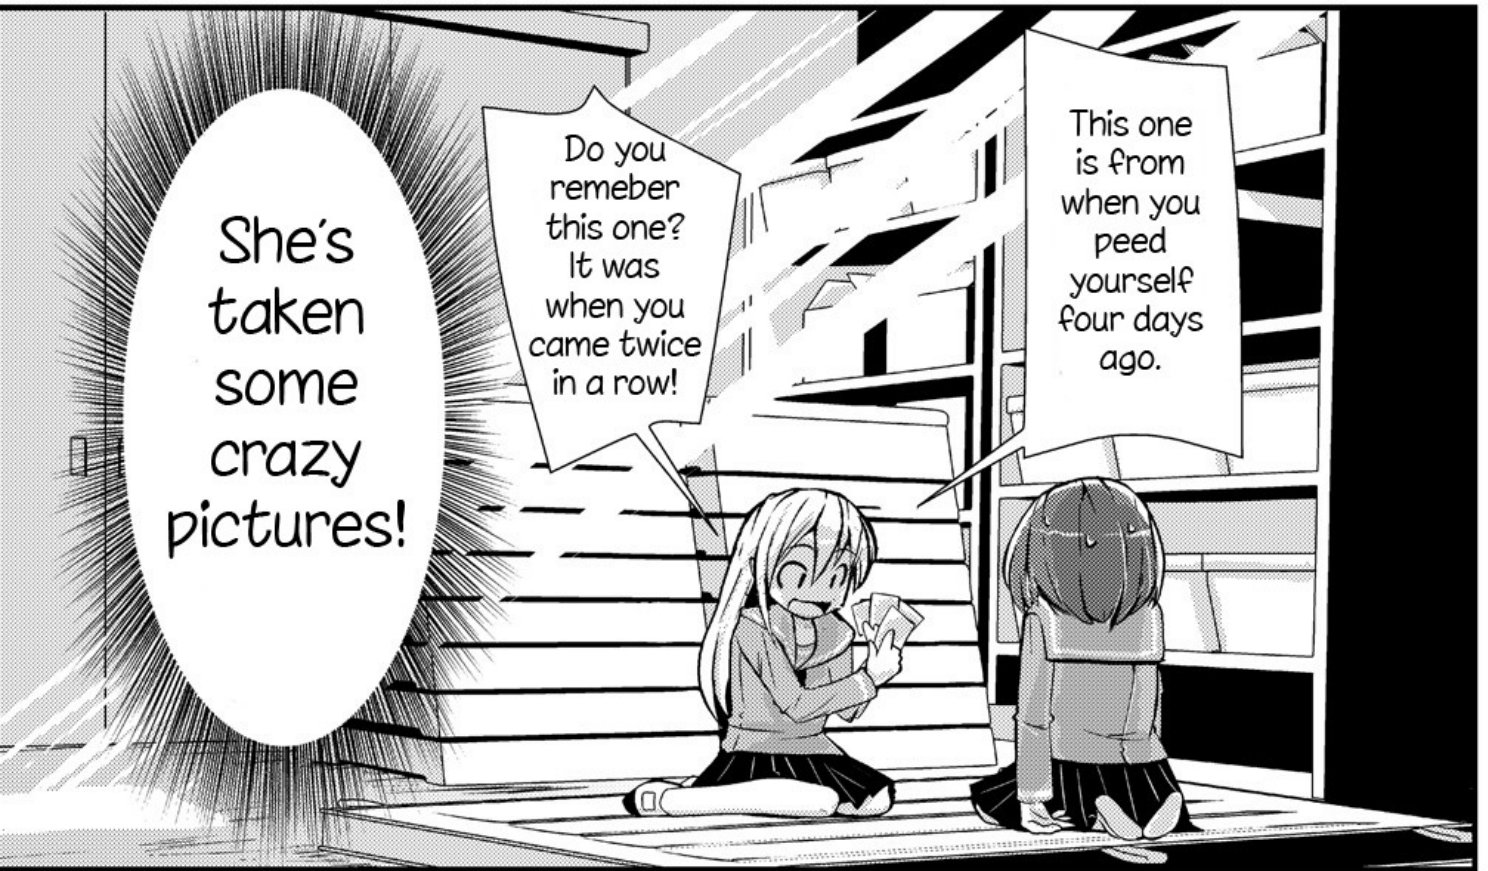

Someone might... see...me...

If I don't hold back

!

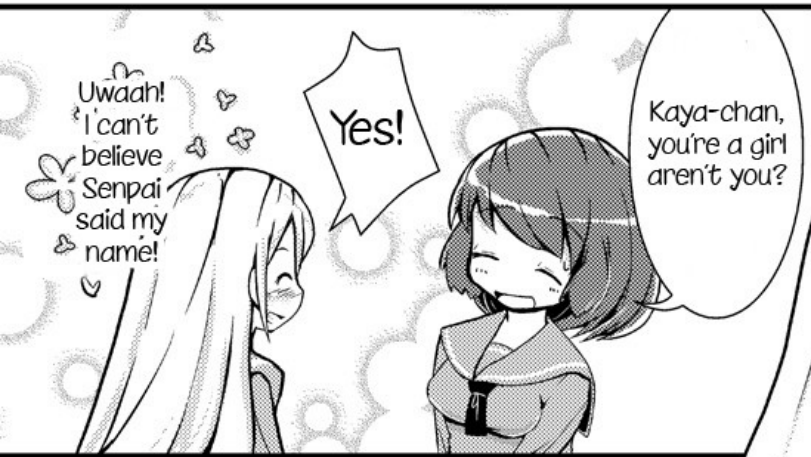

What do you want me to do?

Sniff...And? Since you're showing me all these pictures in a place like this...

The reason I invited you into a hidden place like this is...

Fufu... Senpai, isn't that obvious?

All these pictures
will get spread around the school!

B-b-but
if I upset
her right
now...

Y-Yes...

Really!?

I'll
be in
your
care...

Yes...

Hya!

I'm so happy!

Eh?
What?

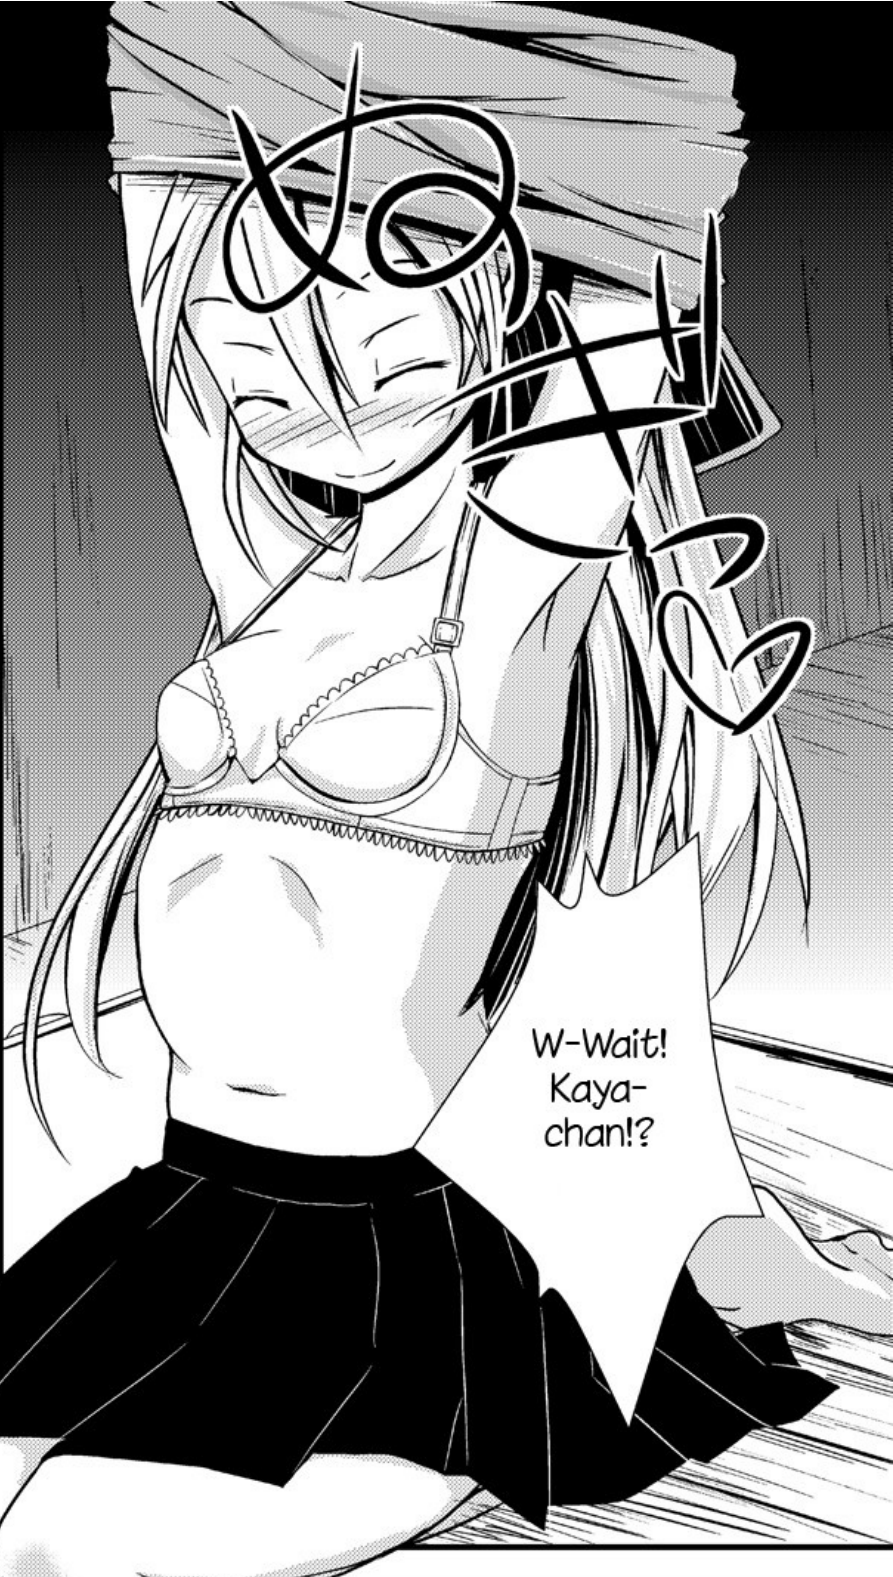

Senpai

Let's not
waste any
time.

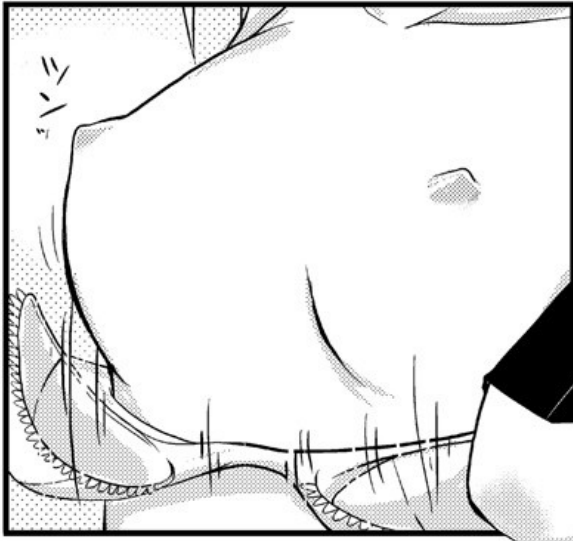

Becoming Senpai's partner has always been my dream.

Isun

W-Wait! Kaya-chan!?

Isun

Eeeeh!? No, I-I'm...

Senpai, hurry up and take your clothes off.

Uuuh...

It's okay.
How many
times do
you think
I've seen you
masturbate?

Fufu...
But,
Senpai...

Why do
I have
to...

If you
don't undress,
your clothes
will get all
dirty. That
would be
pretty bad.

Let me see
everything.

Don't
hide
over
there.

The person I've always longed for is completely naked in front of me...

Senpai... Do you think I'm able to hold back?

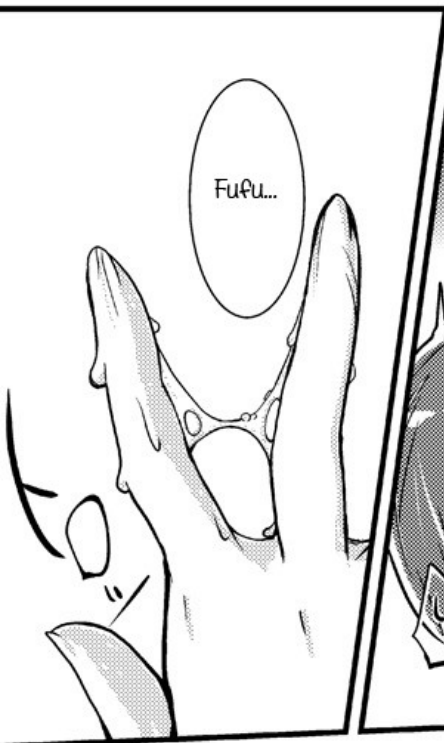

Kaya-chan's saliva...

Aah...

Cough

Cough

Cough

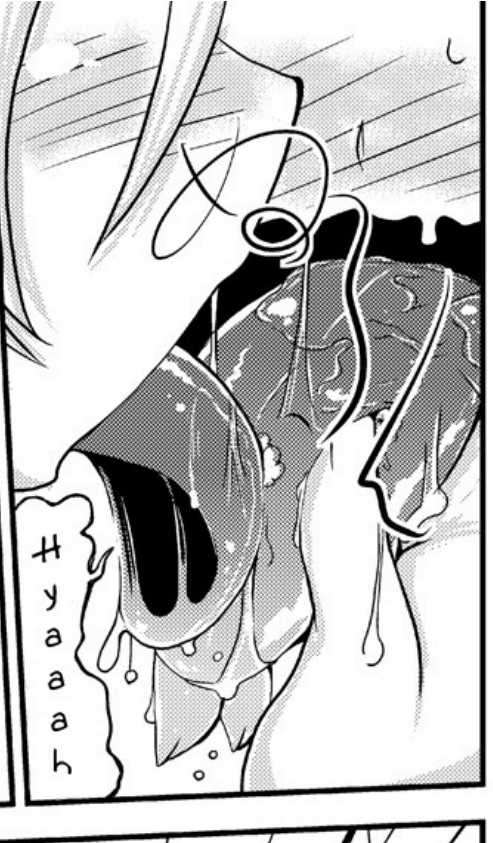

Fufu...

This place is already drenched.

You've really been masturbating everyday.

H y a a a h

Feel me more!

More!

Aaah!

But it's still not enough!

Hyah!

Let me hear it more.

Senpai's lewd voice.

Hya

That voice

Hii Ah

I love it!

Ugh...
Kaya-
chan...

Going at
my Breasts
like that...

If you
keep...

Kaya-chan
stop...

Ah...
Aaah!

Nnh

わんわん

んんん

んんん

んんん

んんん
んんん

んんん

んんん

んんん

んんん

んんん

んんん

Eh?
Ah, Senpai
you just
came.

Nngh!

Leave
everything
to me!

I know!

Haa
Haa
Haa
Yeah...
I did...
So
please...

That's not it!

ガッパ!

Nooo!

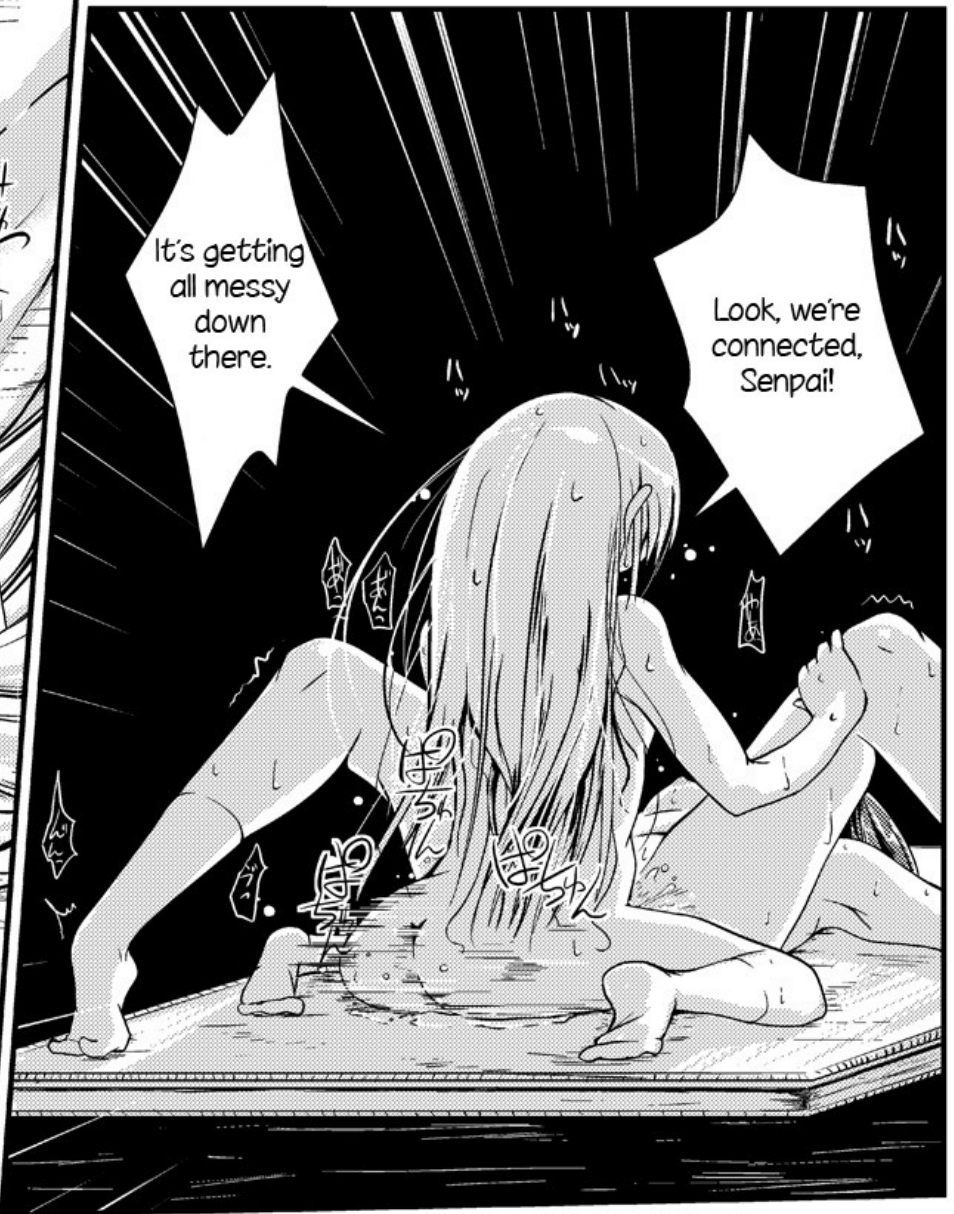

Stop!

Nnh... Senpai...

Senpai...

It's getting all messy down there.

Look, we're connected, Senpai!

Whenever

We feel like doing it!

Can we keep doing this from now on?

あ
あ

Doing it however we please!

Always!

Everyday!

Tomorrow!

And the day after as well!

カキカキカキカキカキ

キキキ

カキカキカキカキカキ
カキカキカキカキカキ

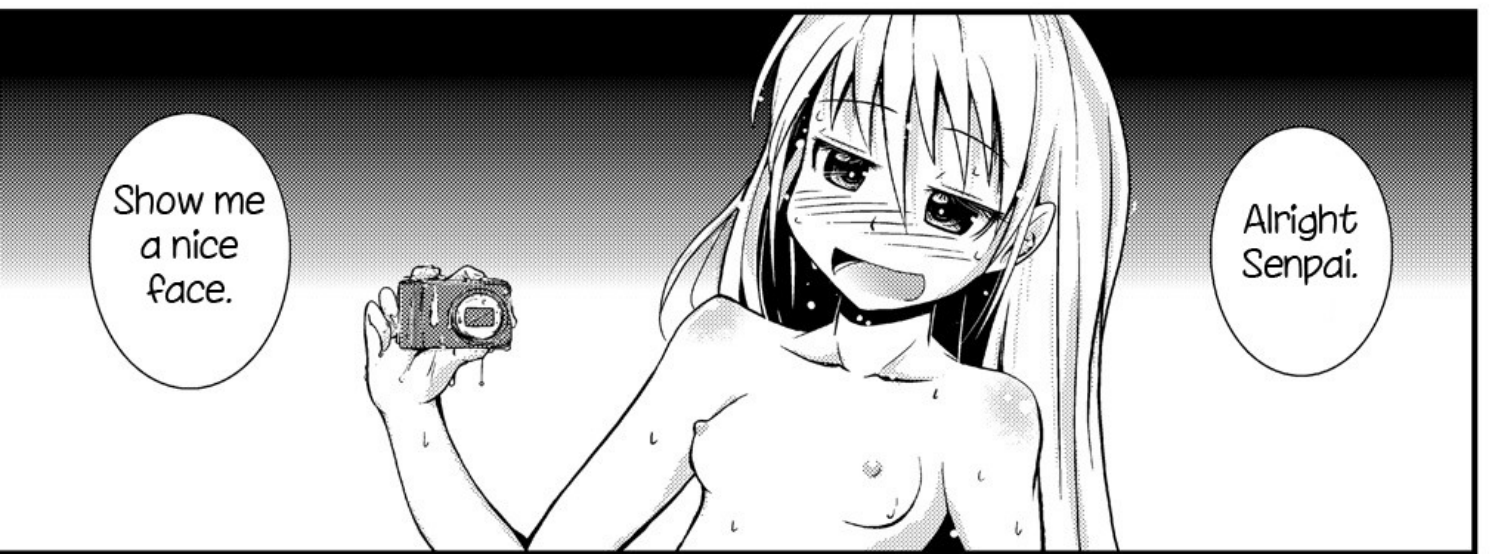

カキカキカキカキカキ
カキカキカキカキカキ

Nnngh!

Nnnh

Nh

I masturbate to them of course!

...Kaya-chan, what do you do with all those pictures you take?

I have to make room in my collection for even more now.

Since I'm finally in a relationship with you

If you have those I can't go against you.

Because I don't want anyone else to see those pictures...

Why?

Huh?

I guess I'll have to do what you ask...

You're right...

And...?

You know
I love you
right?

Senpai

I see...

...

Senpai...

I have a
request
to make...

I also will
never force
you to do
anything
you don't
want to.

I'll make it
perfectly
clear...

I will never
show these
pictures to
anyone else.

If there's
anything
you don't
like, please
tell me.

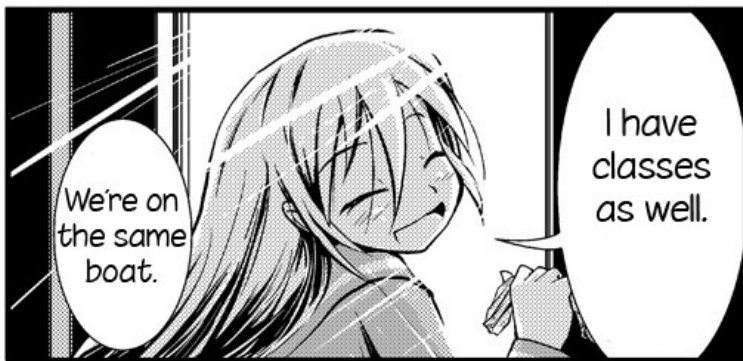

Please let
me borrow
your panties
for a night.

No.

⋮

We're on
the same
boat.

I have
classes
as well.

But
I said
I didn't
want
to...

Uuh...

It's not
fine
at all!
I still
have
classes!

It'll be
fine, I'll
return
them
tomorrow.

Hey, come over here quickly, you have a visitor.

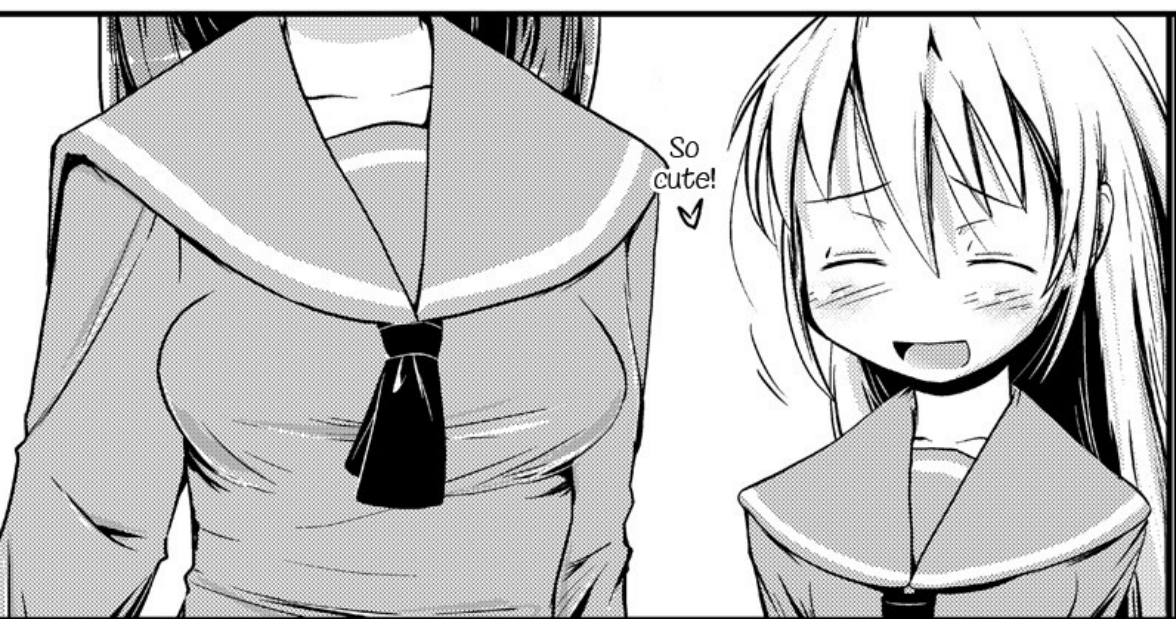

They look like a doll. ♡

I do?

Who might it be?

The following day.

So cute! ♡

Excuse me...

Senpai!

I came here to return what I borrowed.

Kaya-chan!?

In fact,
I just came
back from
doing it in the
bathroom
once.

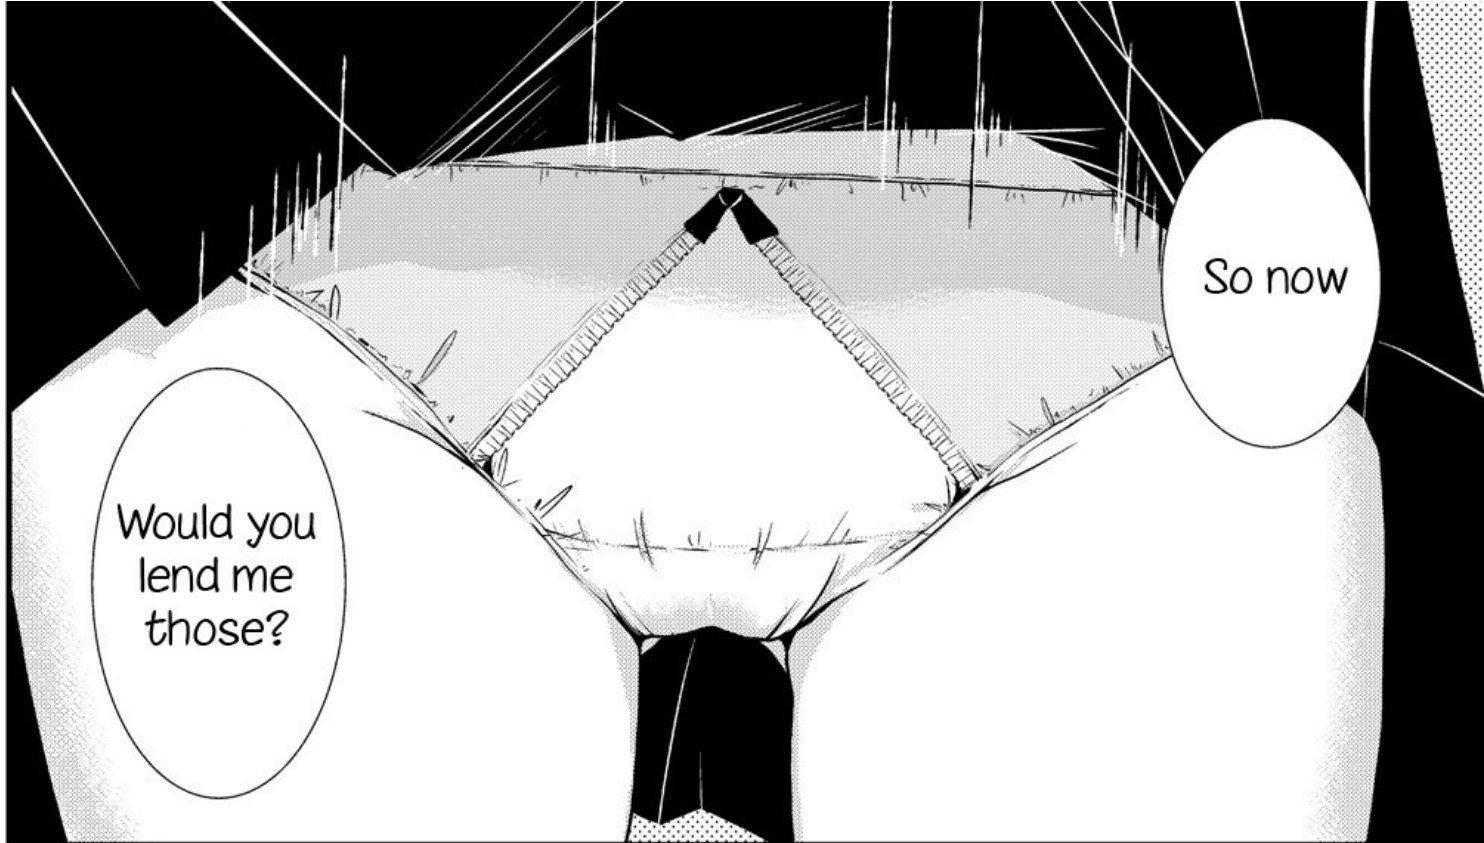

Because
of them I
ended up
doing it
in class once.
It was very
troublesome.

And when
I got home
I did it all
the way
until
morning.

That's
already
in the
past.

Well

Would you
lend me
those?

So now

After
all...

You don't
have a
reason
to decline
do you?

You can
just
switch
them.

You
have
those
panties.

Kyaa!

How did it
come to
this...

Masturbating
using Senpai's
desk.

I've always
wanted to
try this
once.

At least do it in a place where I can't see...

Sorry to make you wait.

It really feels

Totally different.

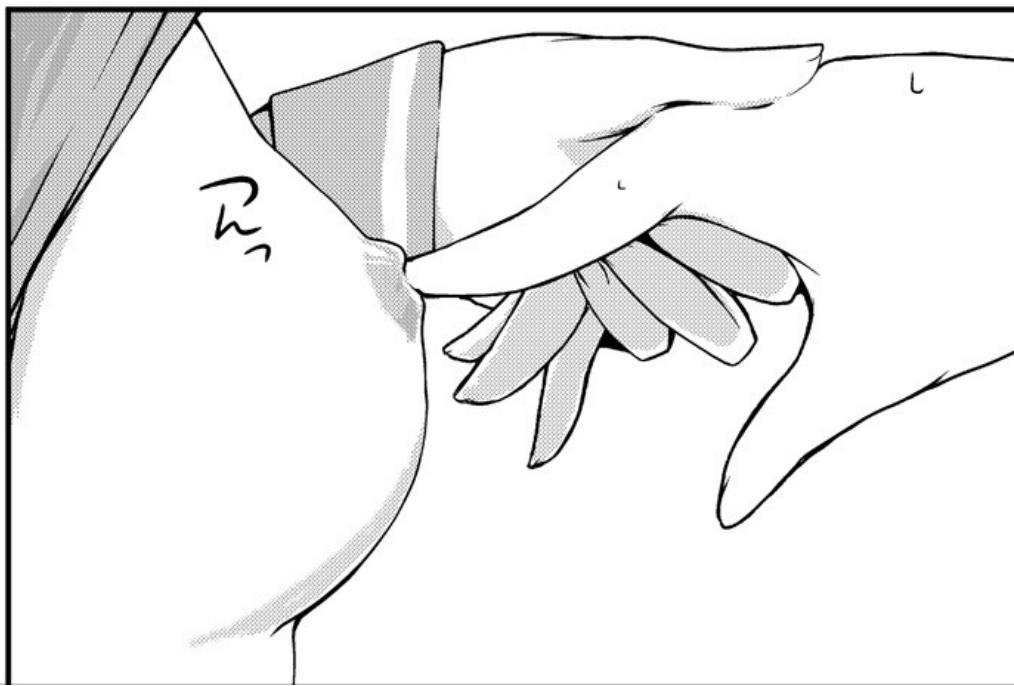

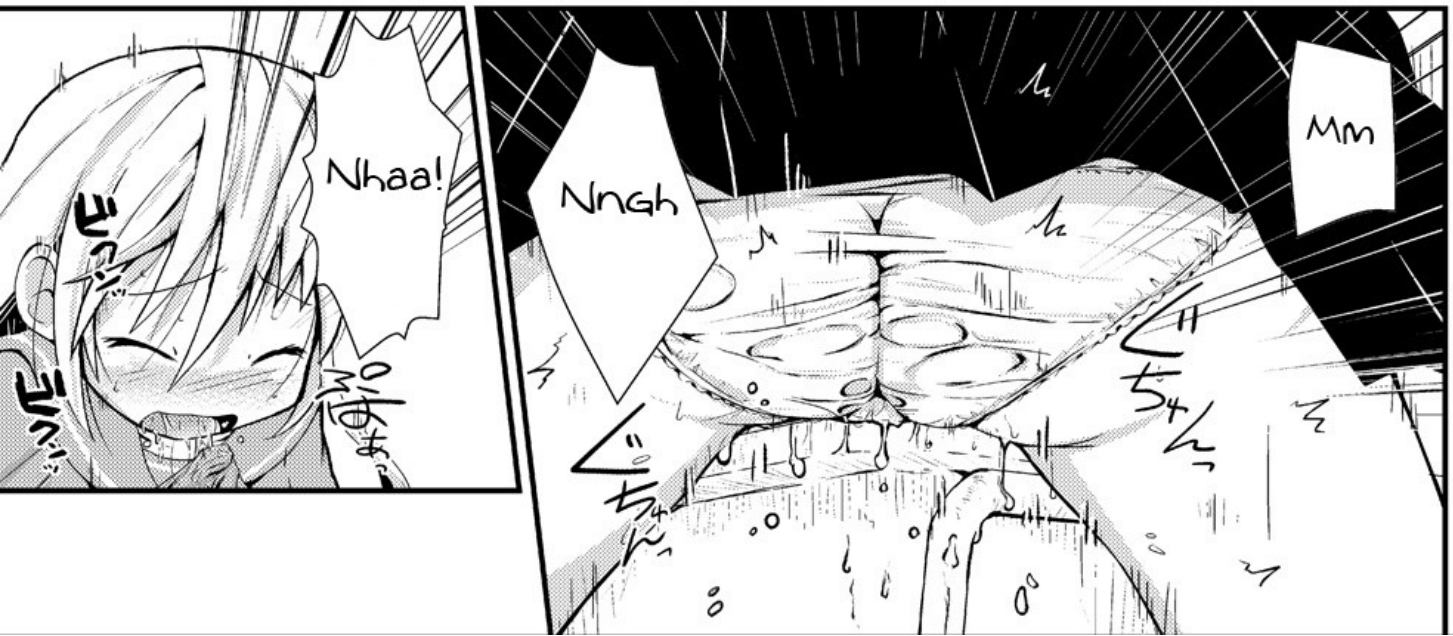

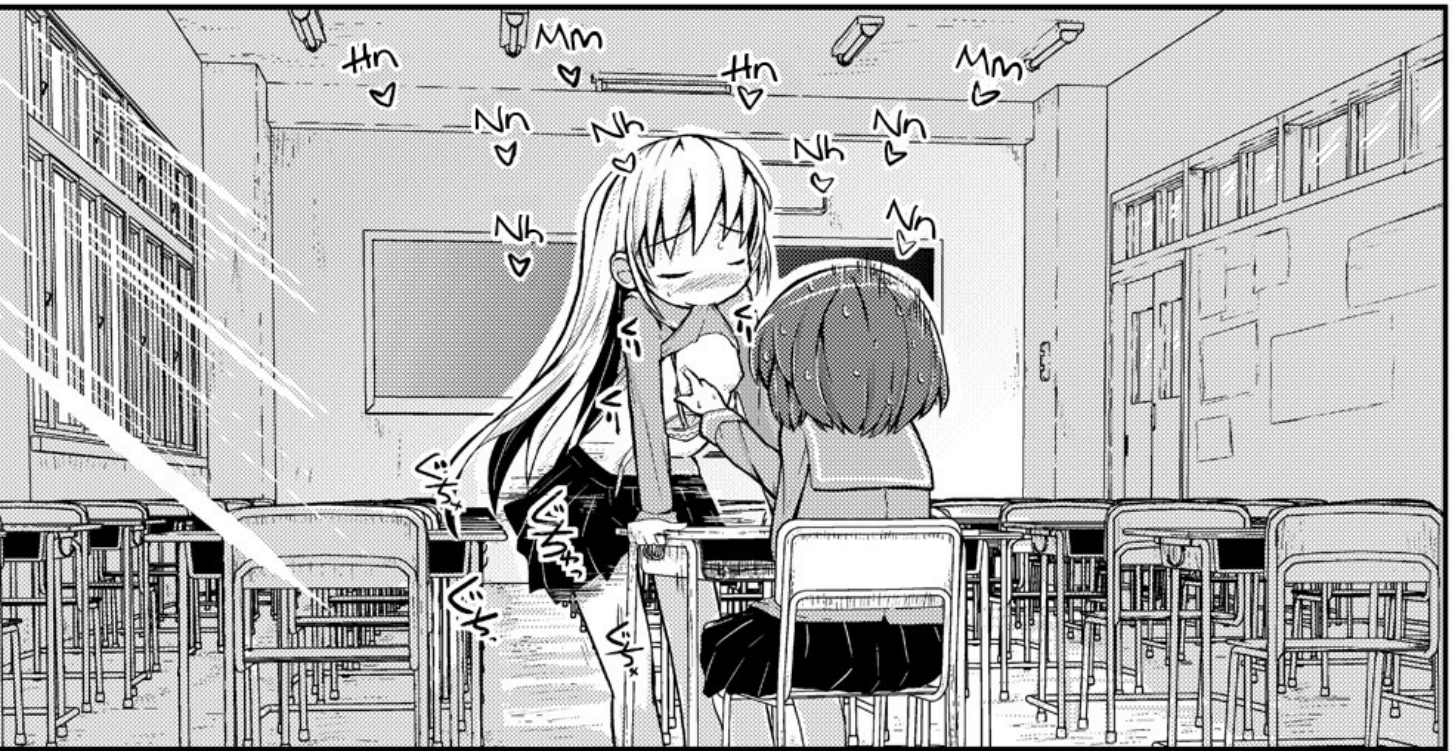

Uhm... If possible, before I finish all by myself...

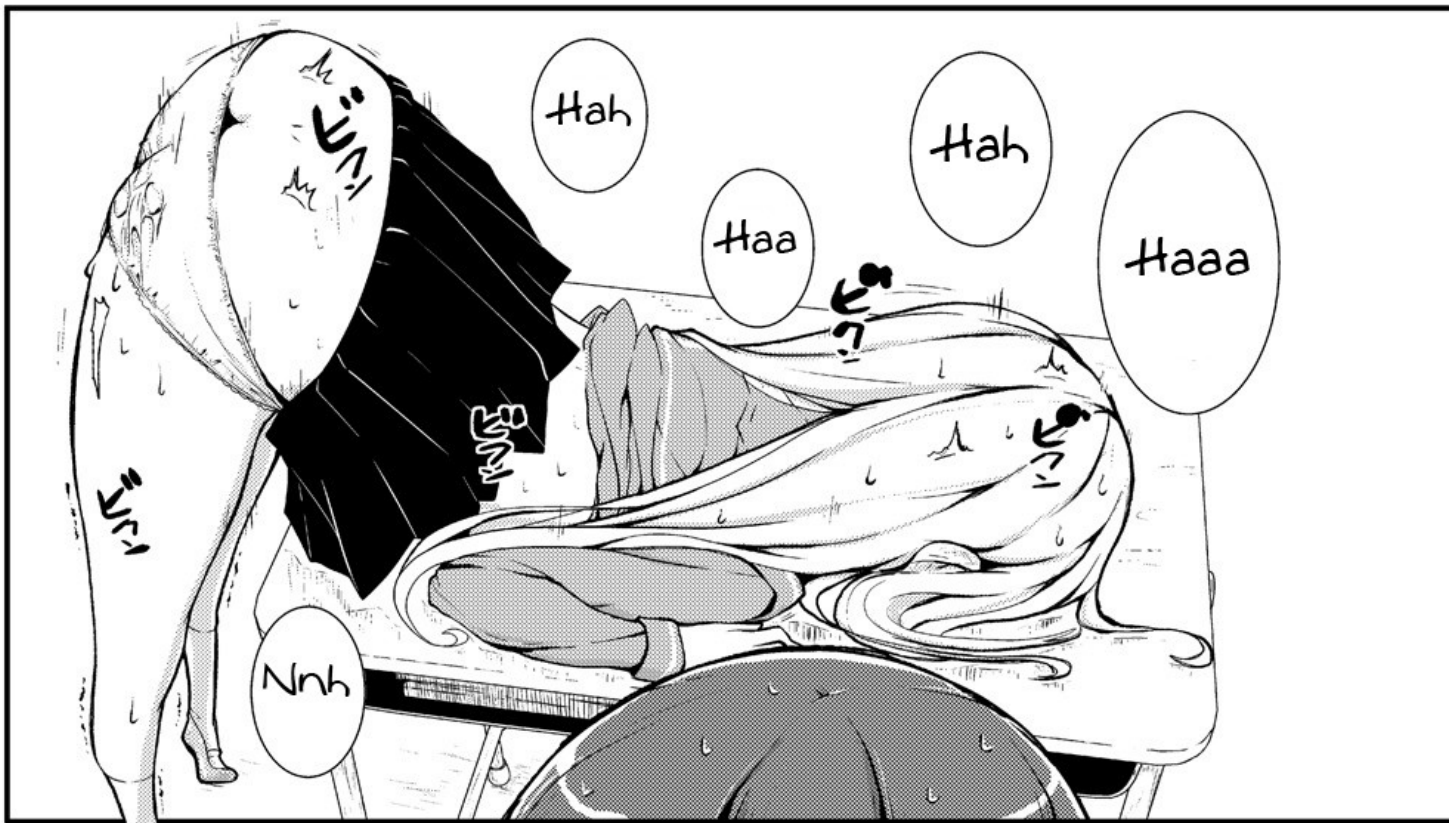

Kaya-chan?

Eh?

Fufu...
Senpai.

I was hoping
if you'd leave
it like that
my smell would
stay there.

It's your
turn next.

And when
you're in class
tomorrow
you'd feel like
masturbating.

Uuh...

So it comes
down to that
in the end...

Whenever you're masturbating that is.

Should I show you all those pictures again?

I am always looking though?

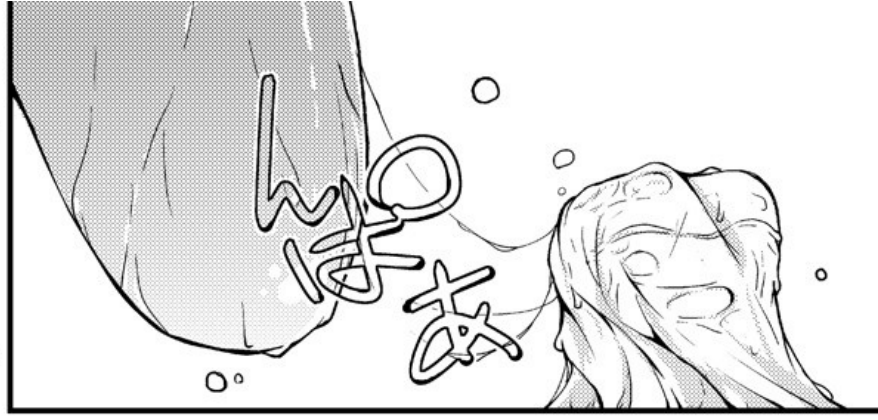

Don't say it like you're always looking at it...

What a nice scent.

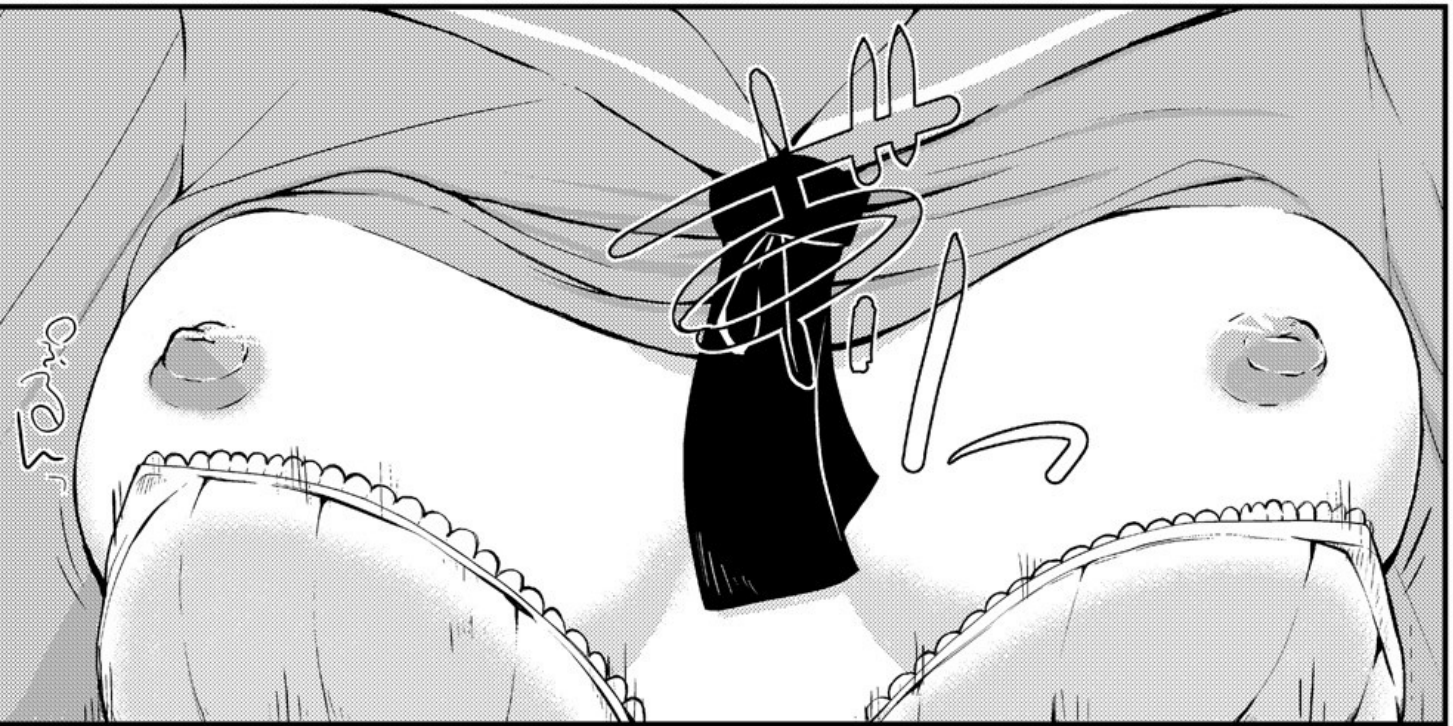

Awawa!

Wait, those are my panties!

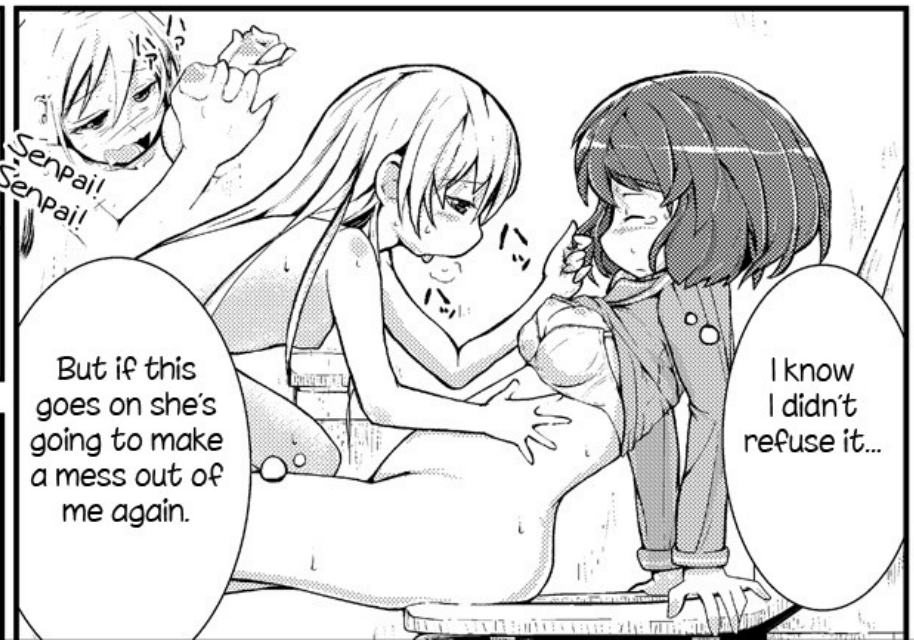

Her saliva went in again...

Here it comes...

But if this goes on she's going to make a mess out of me again.

I know I didn't refuse it...

Today she's being more docile...

Huh...?

I guess she's thinking about me a little this time?

Then I'll continue...

I'm glad.

Yeah...

Does it feel good?

Fufu

These breasts belong to me.

Watch out.
You're going to fall.

Senpai!

Of course not.

Then have you ever had anyone else suck on your breasts?

I see!

Senpai, have you ever done it with someone else?

Of course I haven't...

Personally speaking, I am quite satisfied.

Today we each came three times.

And that one extra time on the desk!

Huff

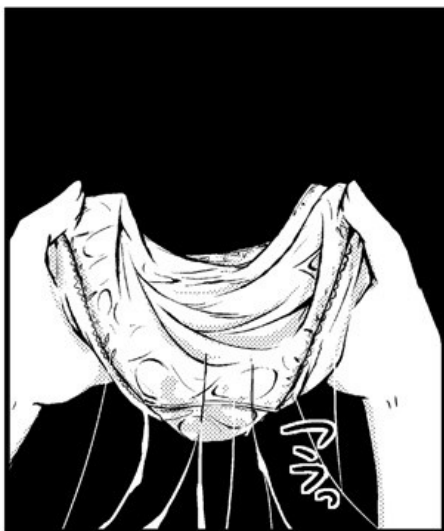

Thanks.

Here Senpai. You can wipe your face too.

That's not surprising after all that...

I have to hurry up and head home...

Hm?

It's already pretty late.

I'm currently borrowing your panties.

That's because

That's not a valid reason!

Those are my panties.

Eh?

Why?

You can borrow my panties for today.

Eeh!?

These panties will be staying over at my place tonight.

Let's sleep together tonight

You can just put them on.

But... I have to go home...

Also my panties aren't candy

These won't fit!

No way!

Our sizes are totally different!

⋮

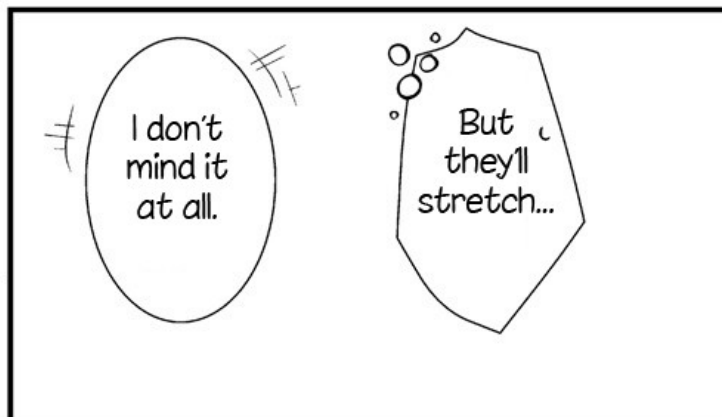

They're not going to fit!

Let me give you a hand.

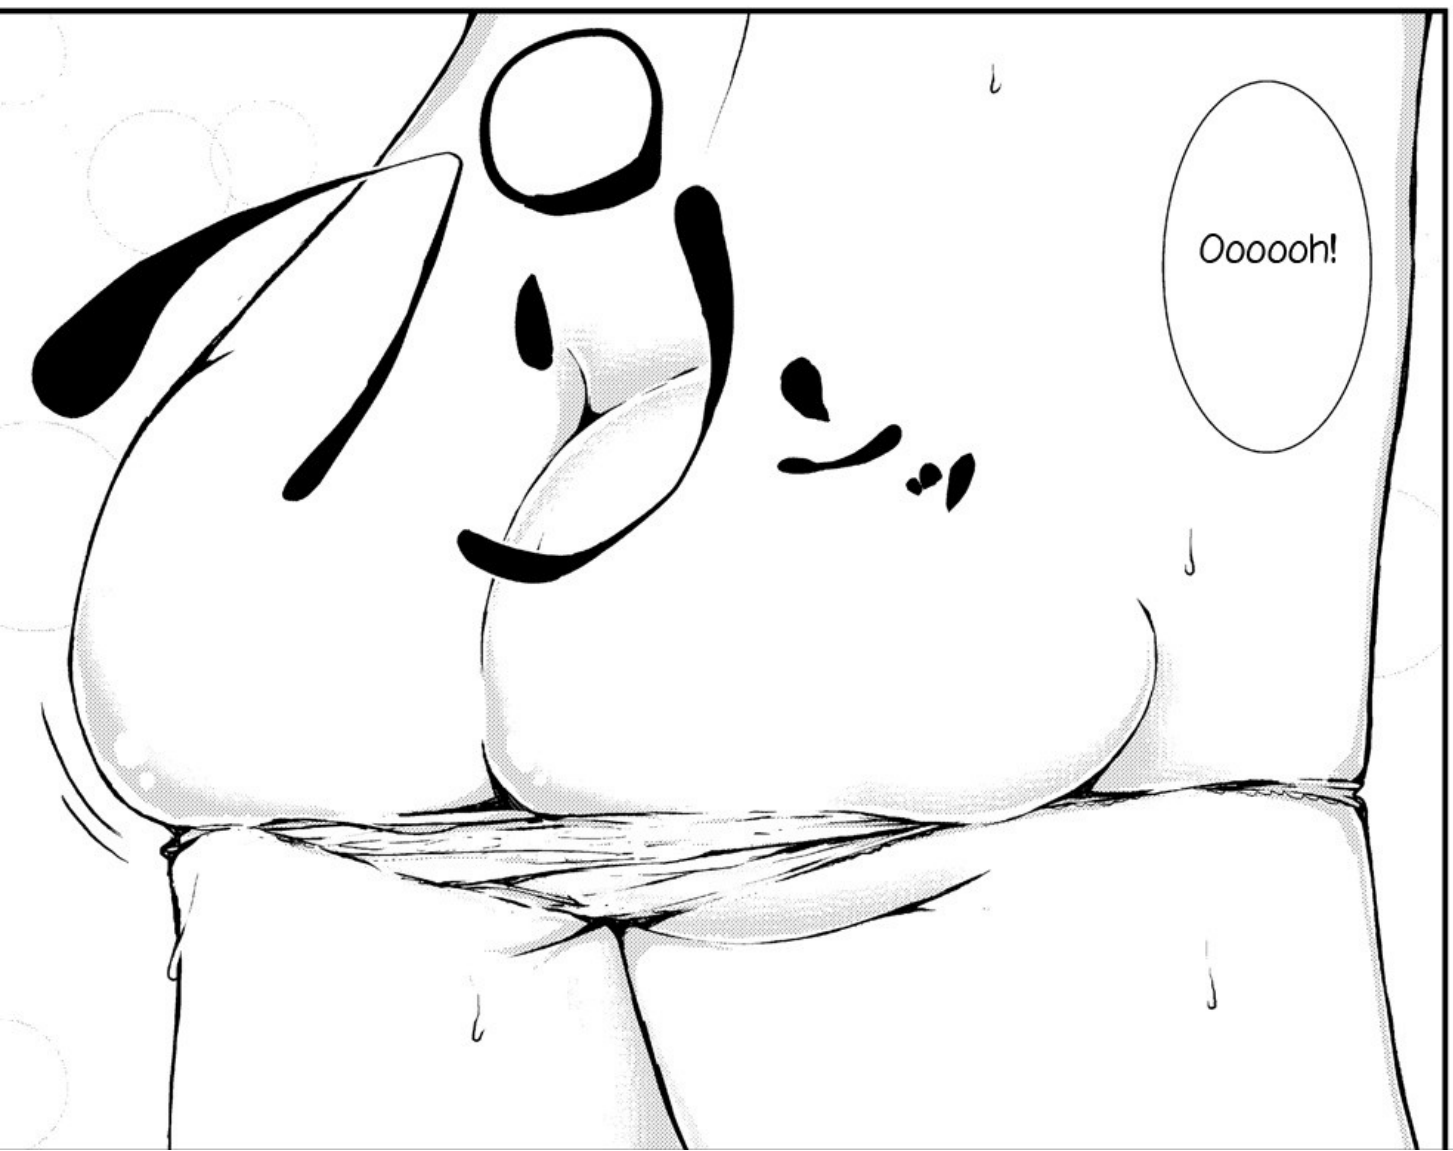

It'll be fine so go on and wear them.

I don't mind it at all.

But they'll stretch...

I don't think I'll be able to hold off on masturbating until I get home.

Uwaah this is amazing.

Nooo! I don't want to go home like this!

Don't take pictures either!

オハハオハハオハハオハハ

キタビキタビ...

Let's hurry!

Senpai!

How about...

We do it while we're walking?

Please don't.

Wearing each others' panties really feels strange.

It's hard to walk...

Kaya-
chan...

She's not
listening
at all!

Hey
Kaya-chan...

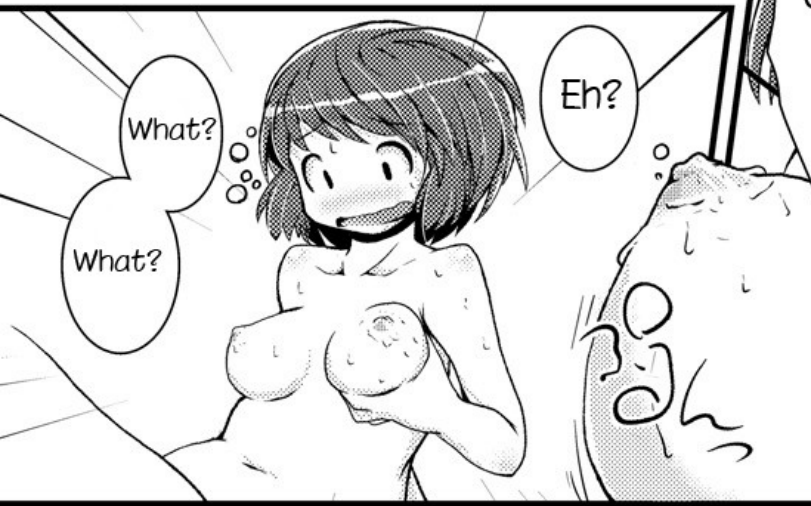

Fuwa?

Bite

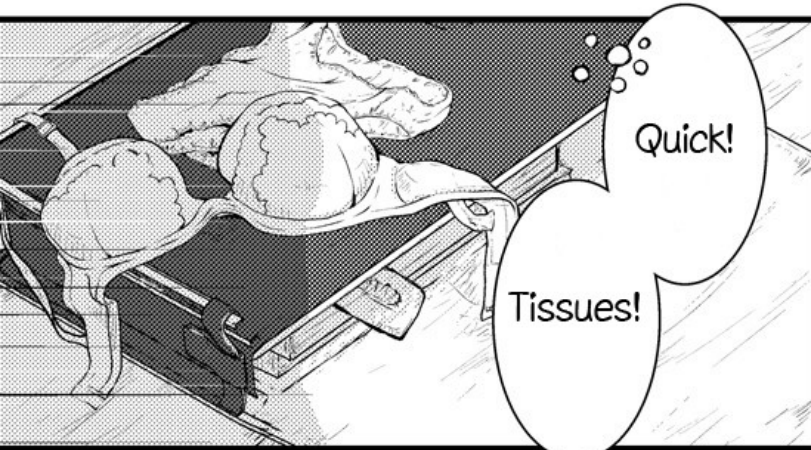

Uuugh!

What?

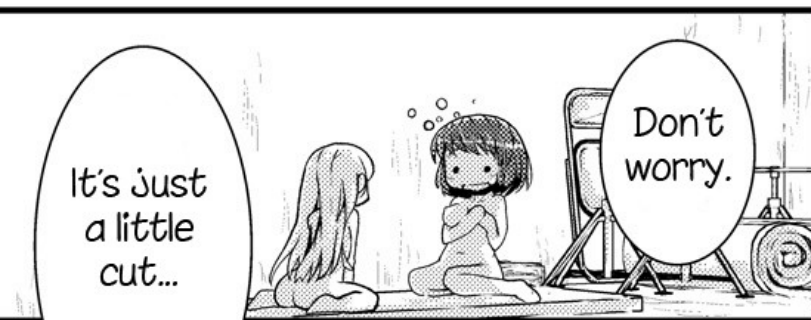

What?

Eh?

Quick!

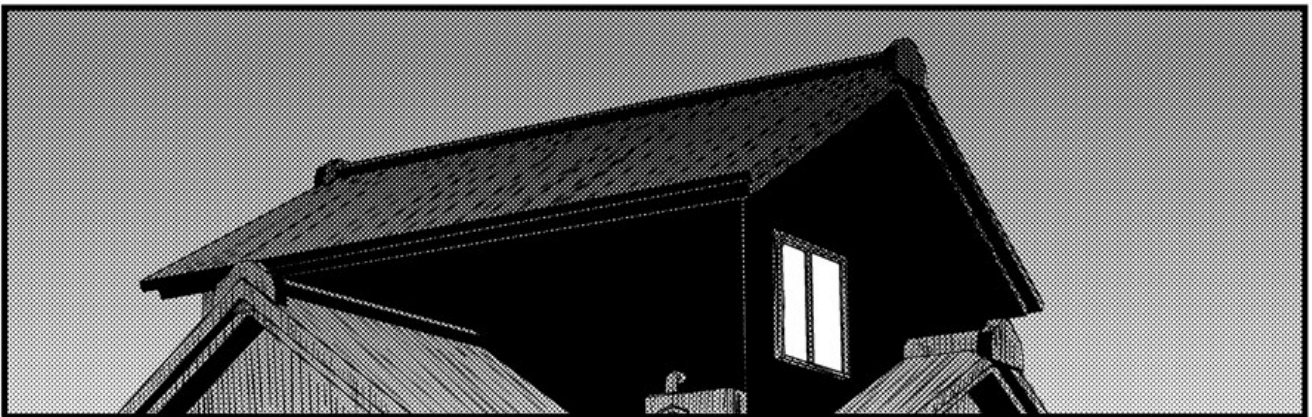

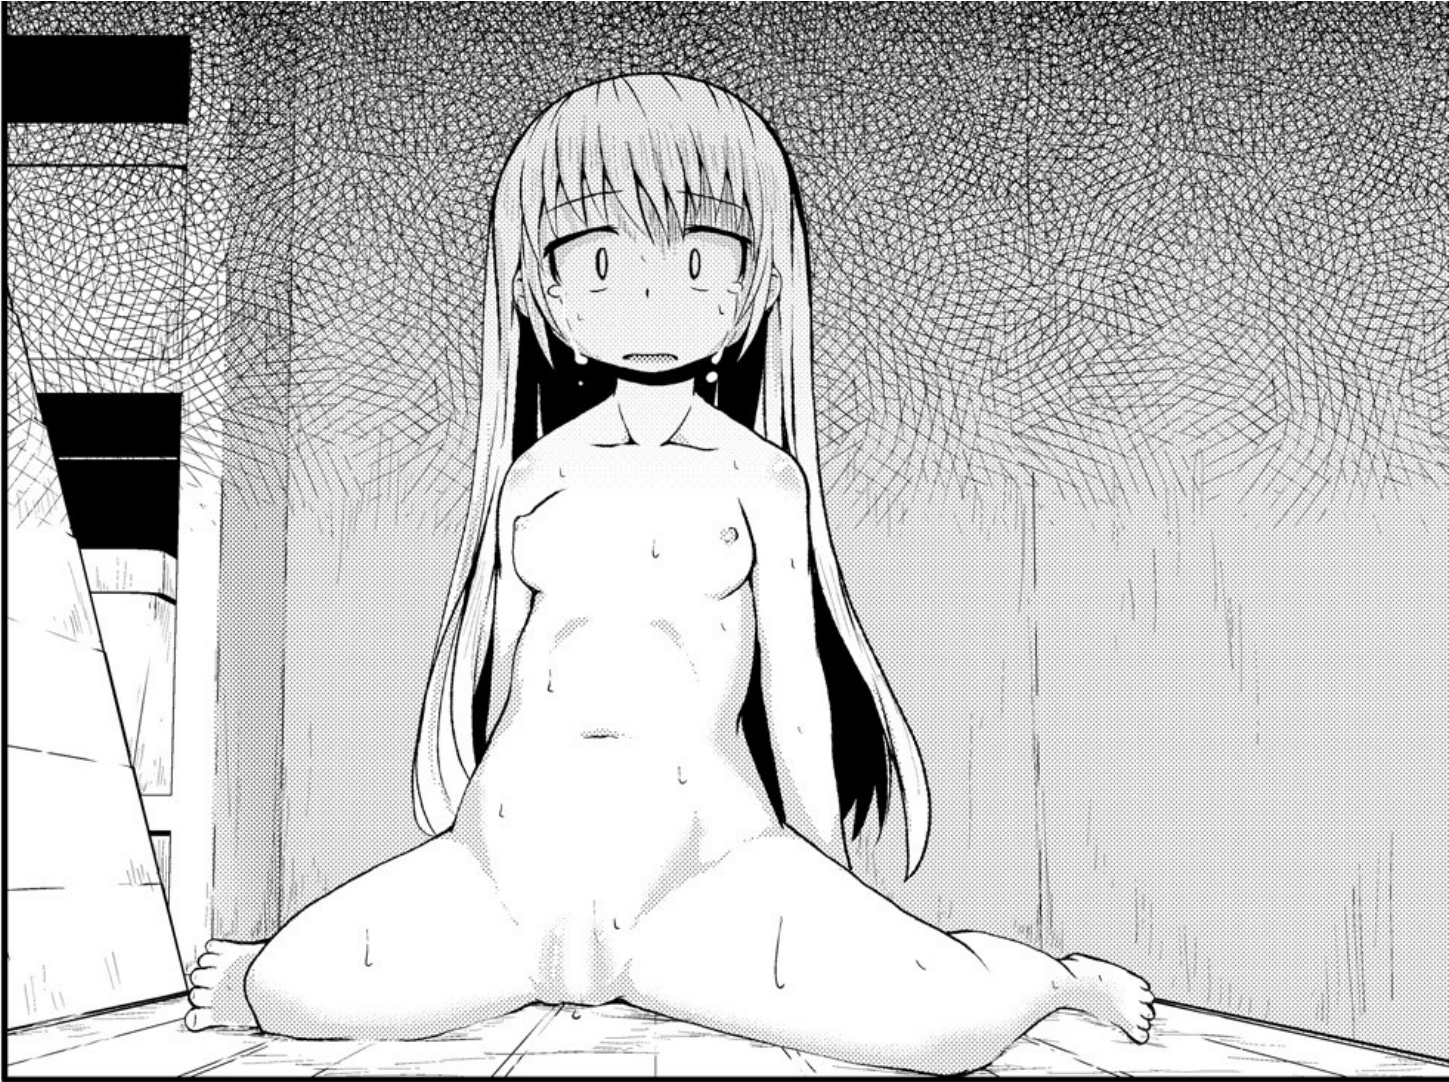

Tissues!

It's just a little cut...

Don't worry.

Nngh...

Huff...

No more homework left.

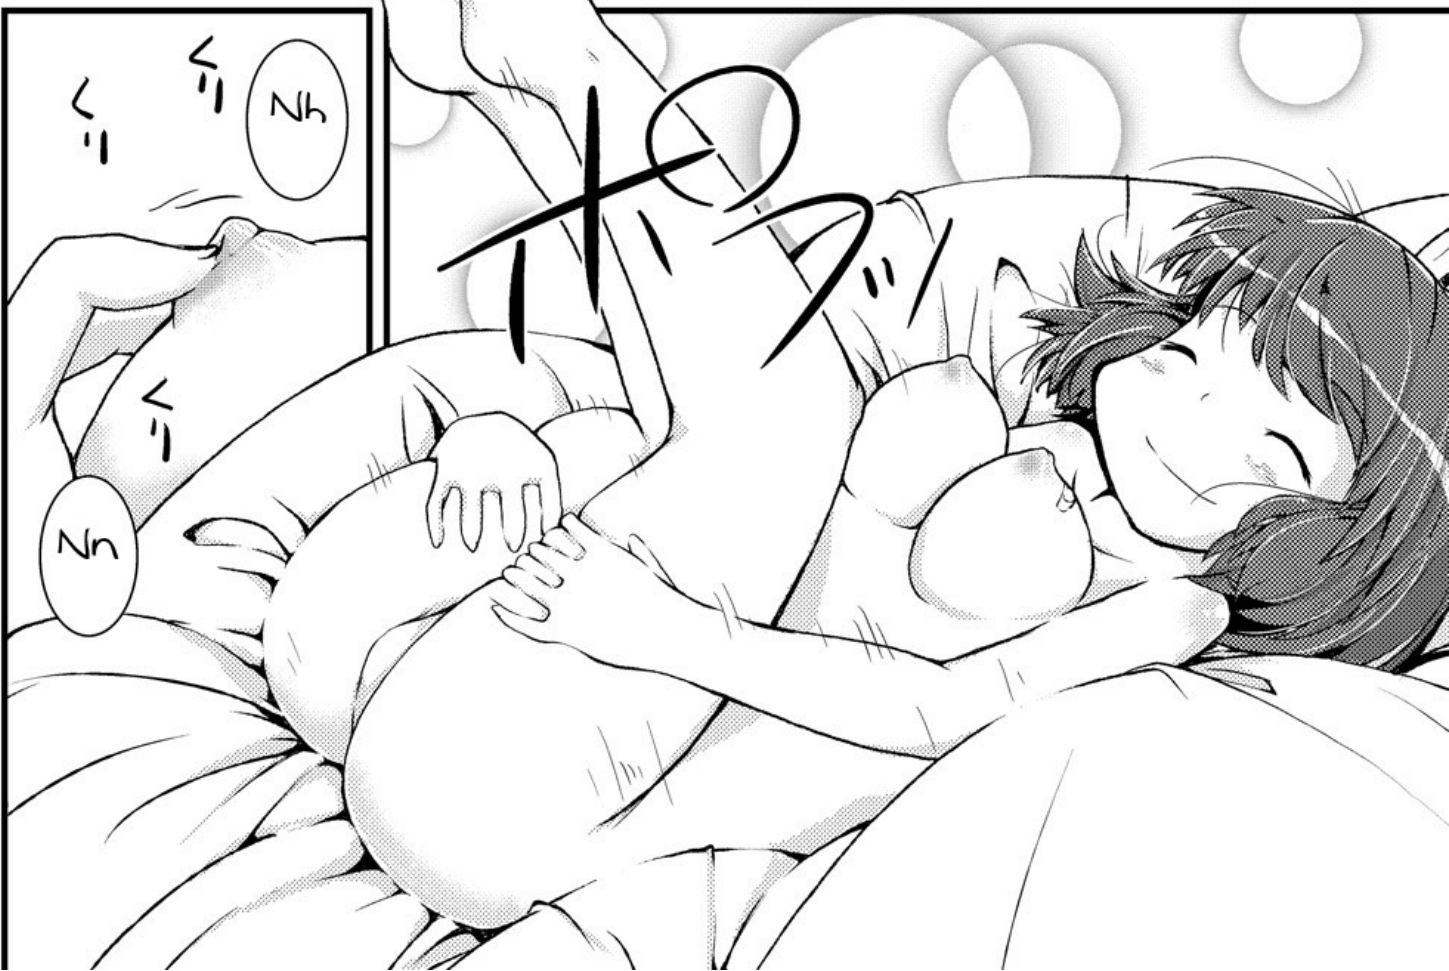

ほあああ

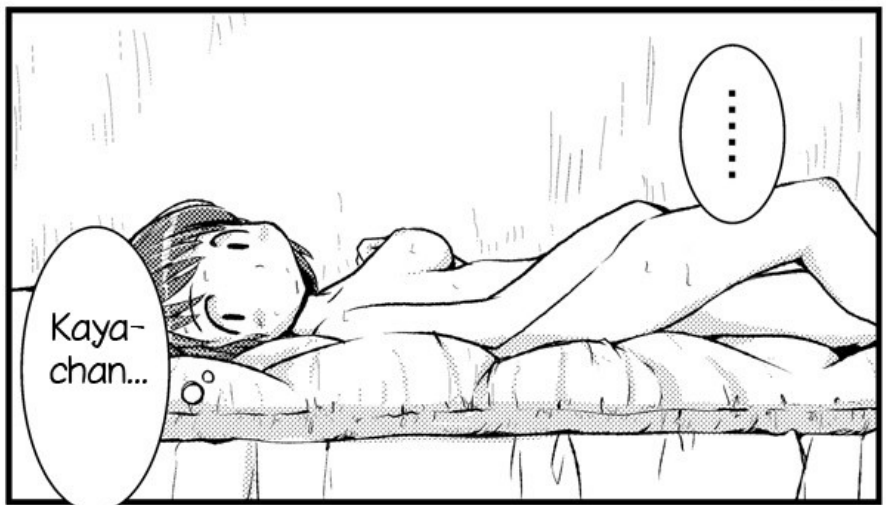

Before sleeping..!

Then...

かあ

For me to hurt Senpai like that...!

I'm sorry!

I'm sorry!

I'm sorry!

Senpai... Here.

I would never ever...

Even though I said...

Do that...

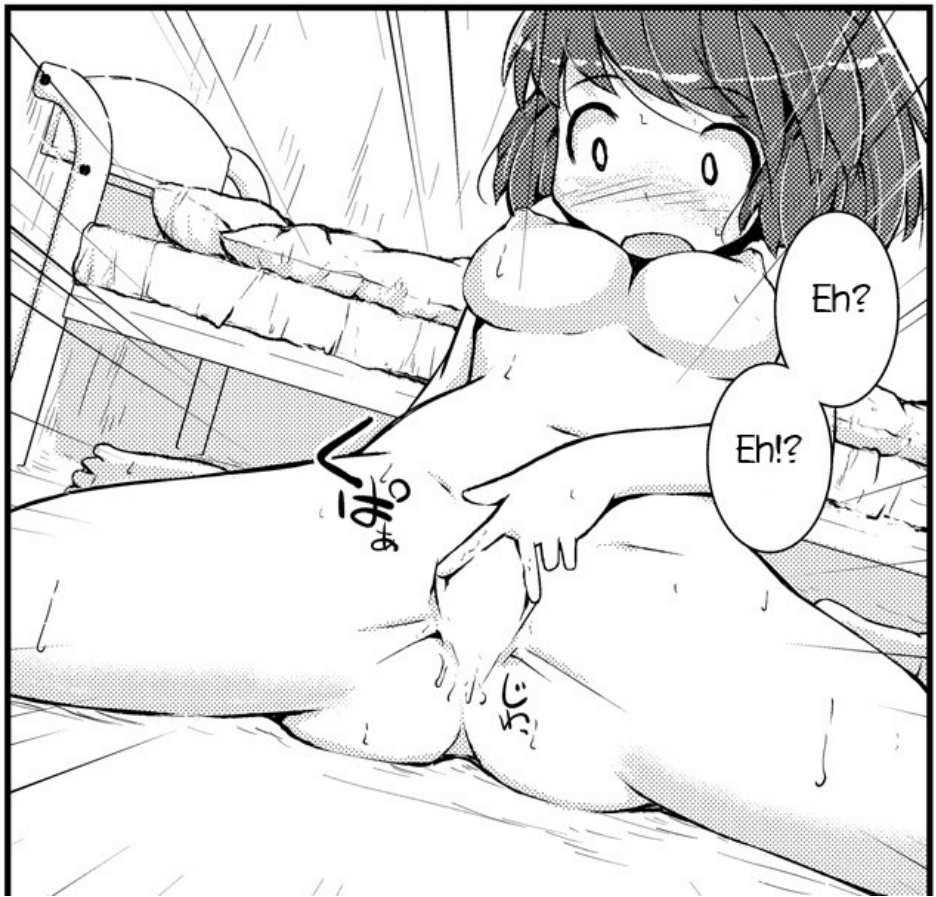

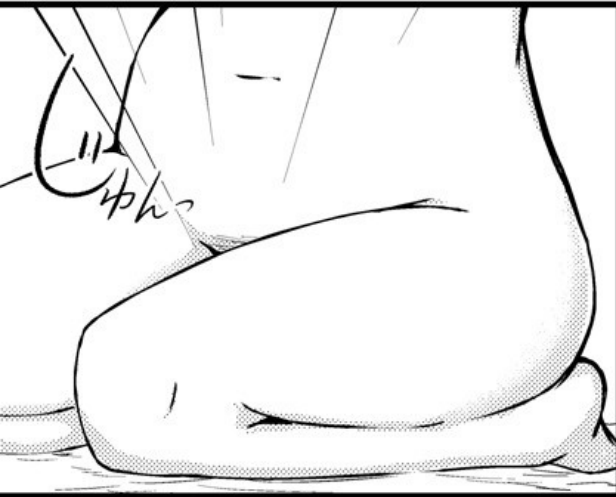

Yeah... Thanks...

As an apology gift

They're my panties.

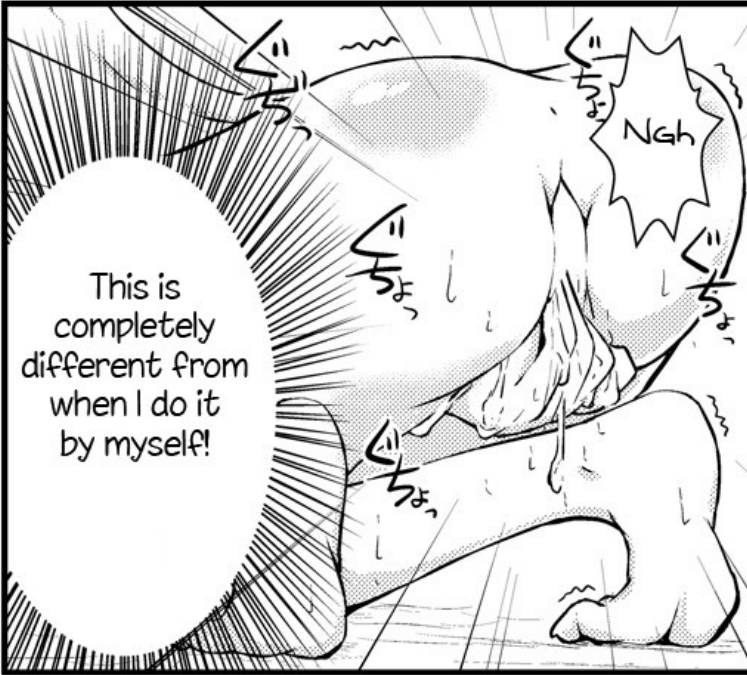

You don't have to be so worried about it.

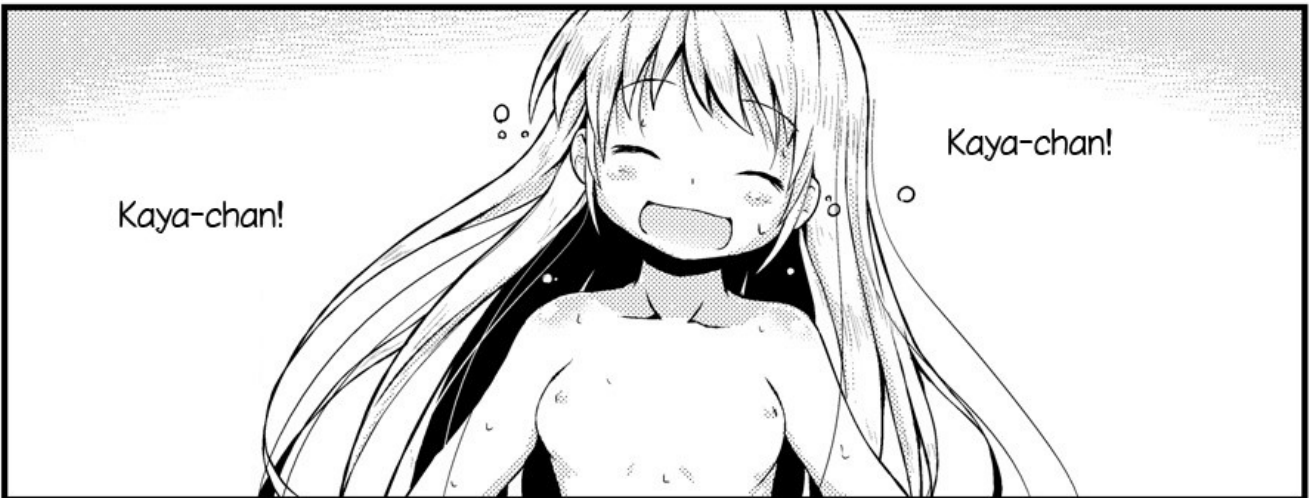

This is Kaya-chan's smell from when she was masturbating!

This is completely different from when I do it by myself!

Kaya-chan!

Kaya-chan!

To
Kaya-
chan.

カッ

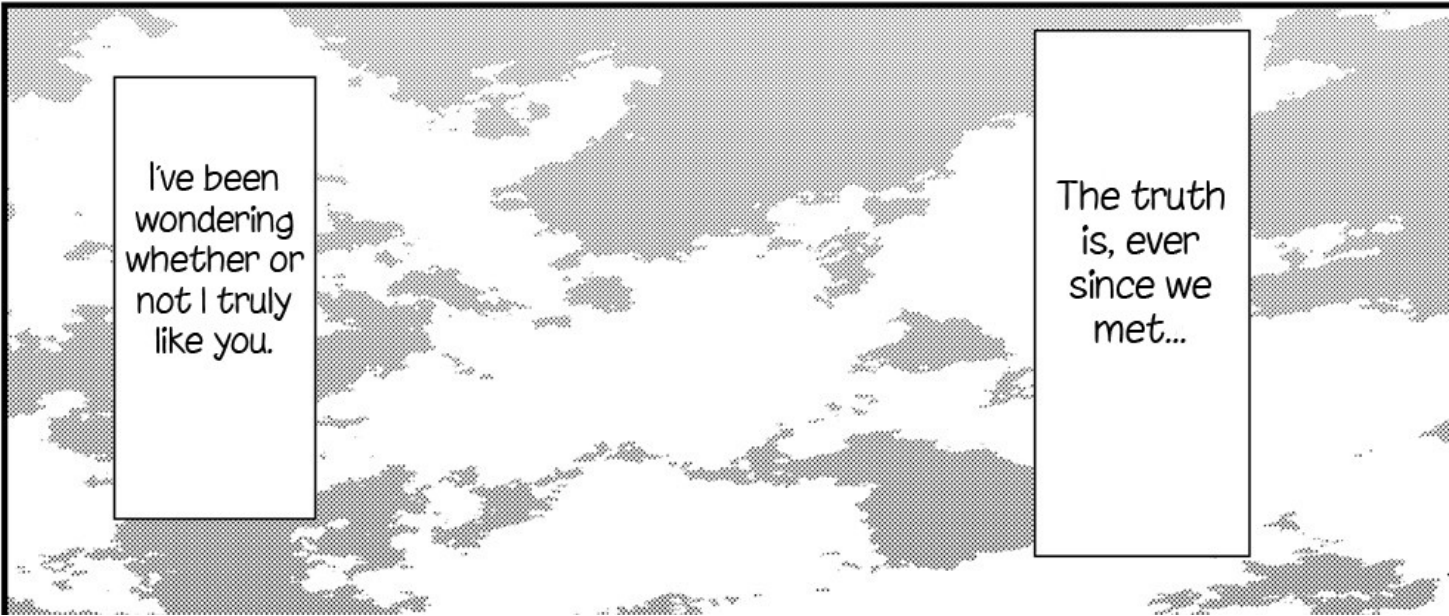

The one
who
should
say
sorry...

Should
be me.

In fact
it made
me happy
that you
were so
concerned
about me.

Don't
worry
about
yester-
day.

I've been
wondering
whether or
not I truly
like you.

The truth
is, ever
since we
met...

Finally went away.

But those feelings of fear...

That was the only reason.

At first I was scared because of all the pictures you took.

But yesterday I realized something.

I'm really sorry.

If it's okay with you...

No... I love you.

I like you Kaya-chan.

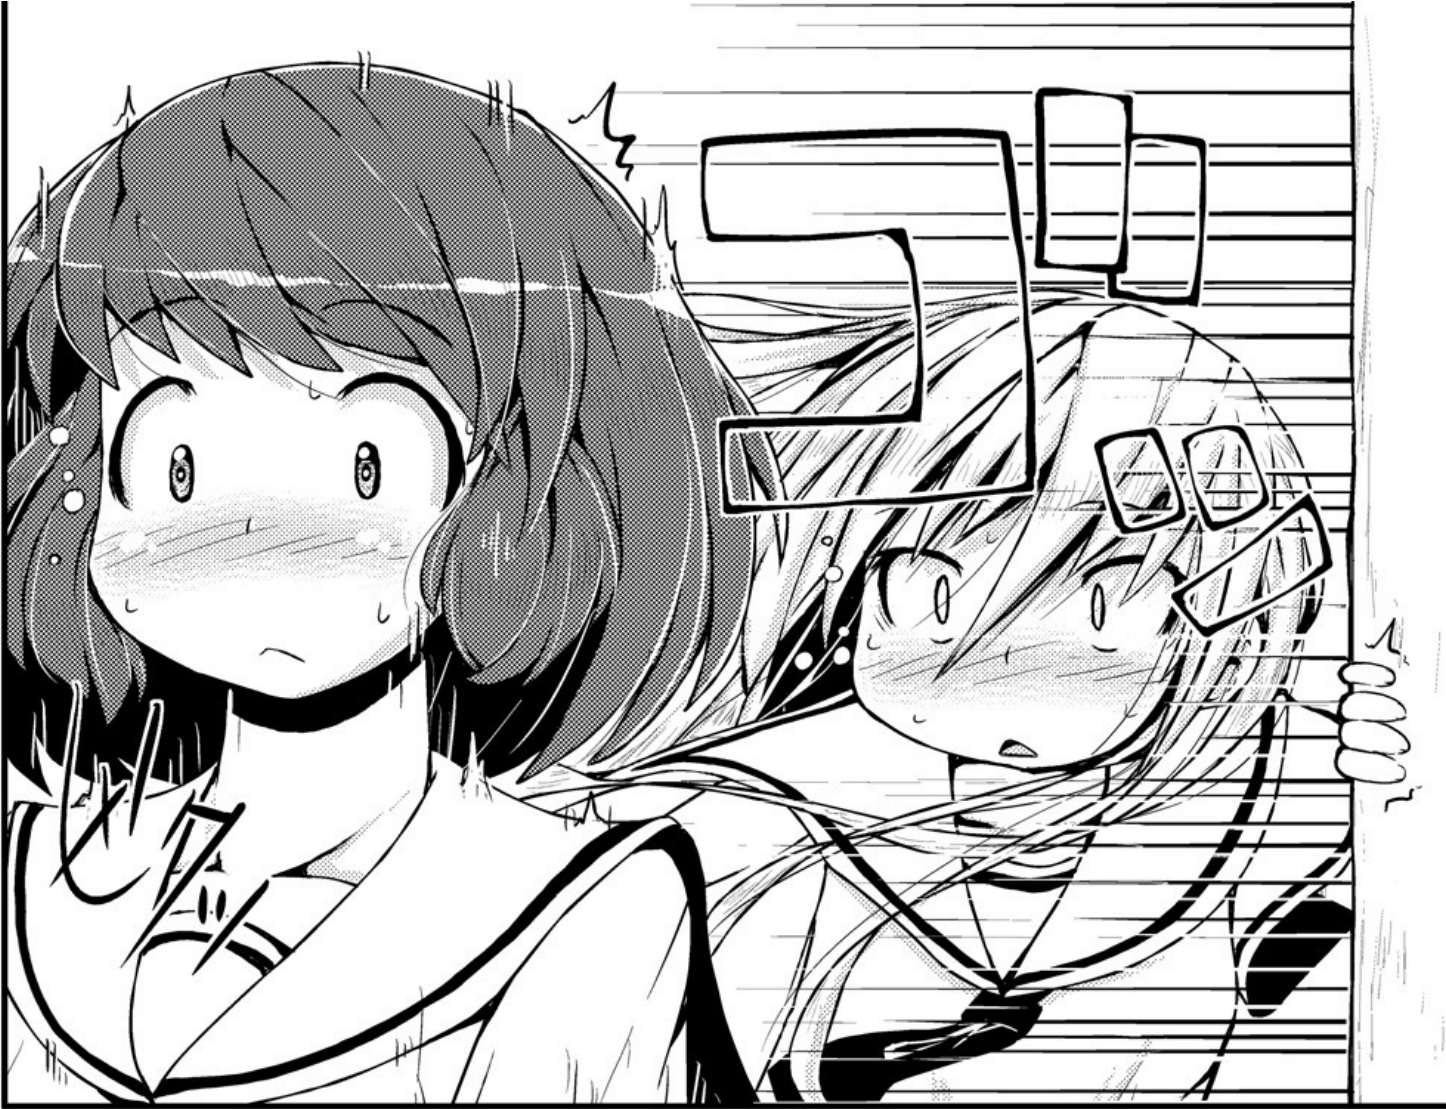

Haa...

Start from the beginning again?

Could we...

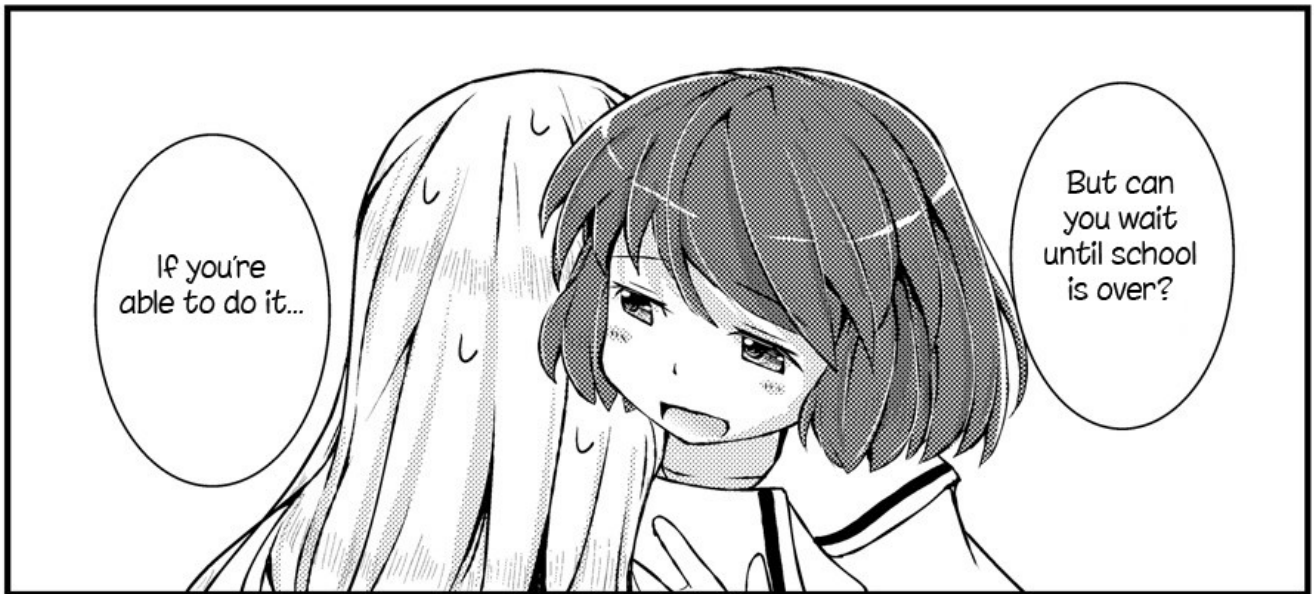

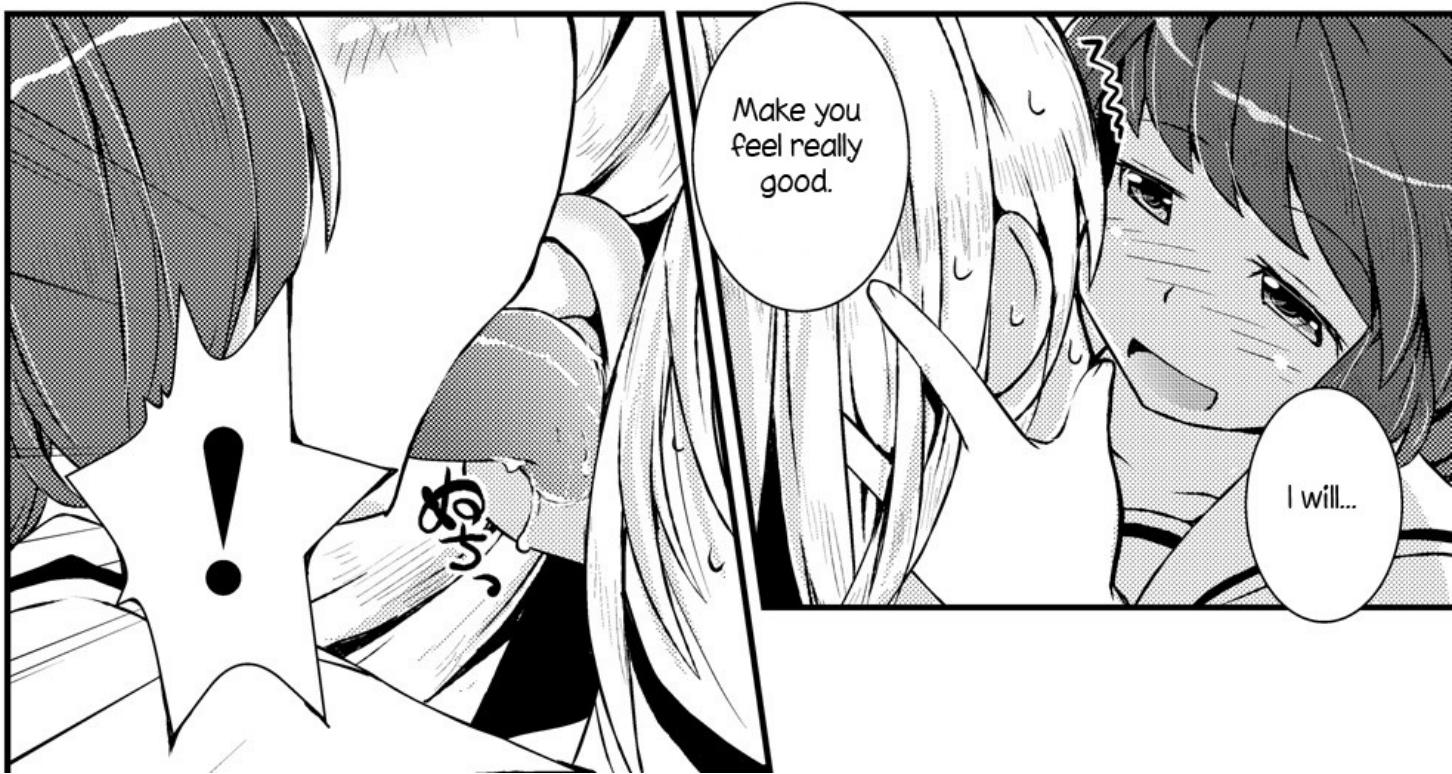

Your feelings
make me
really happy.

Kaya-chan.

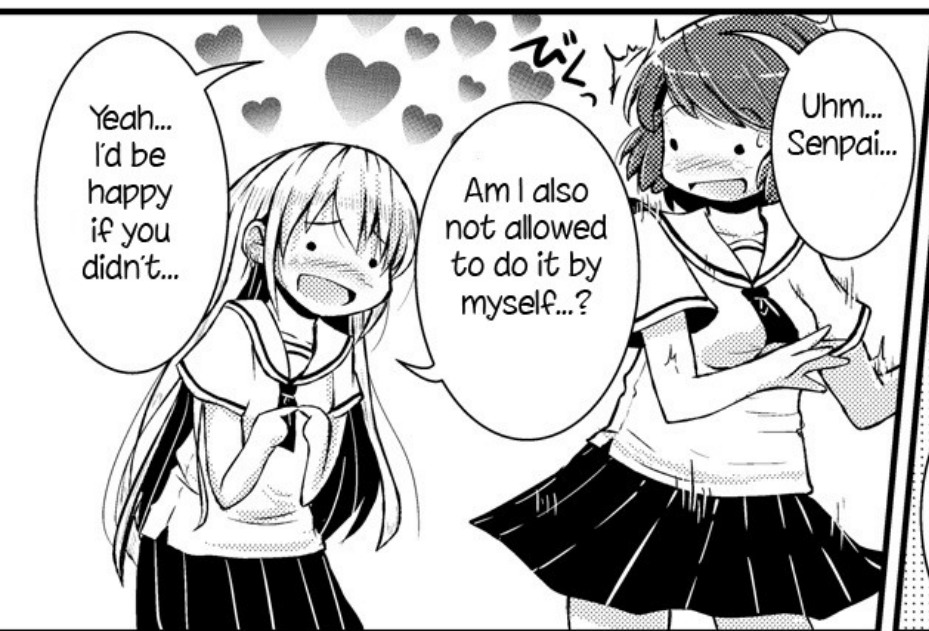

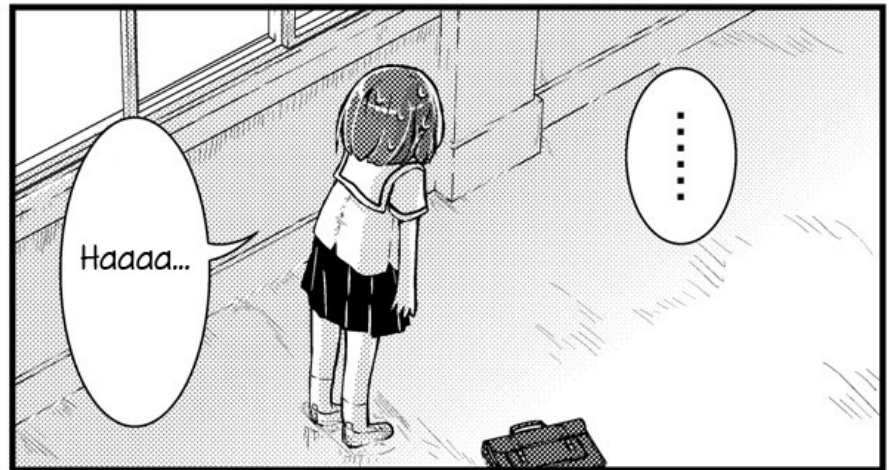

If you're
able to do it...

But can
you wait
until school
is over?

Make you
feel really
good.

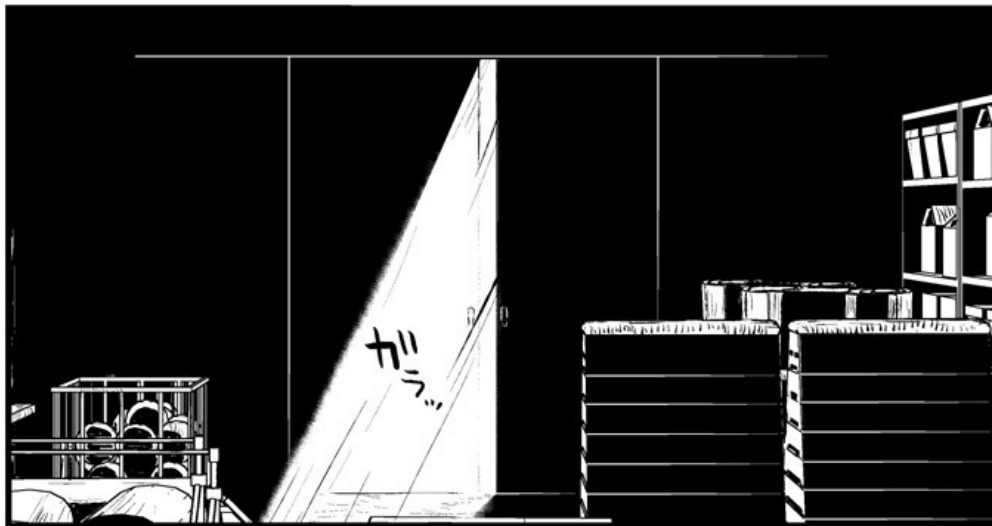

I will...

Are you in here?

Kaya-chan?

Kaya-cha..!

Waah!

Hurry! Please!

Sorry...

Making me hold back all day after what you told me was so mean.

Alright, I have to do my best!

I can't hold it anymore! I really can't wait any longer!

That scared me...

?

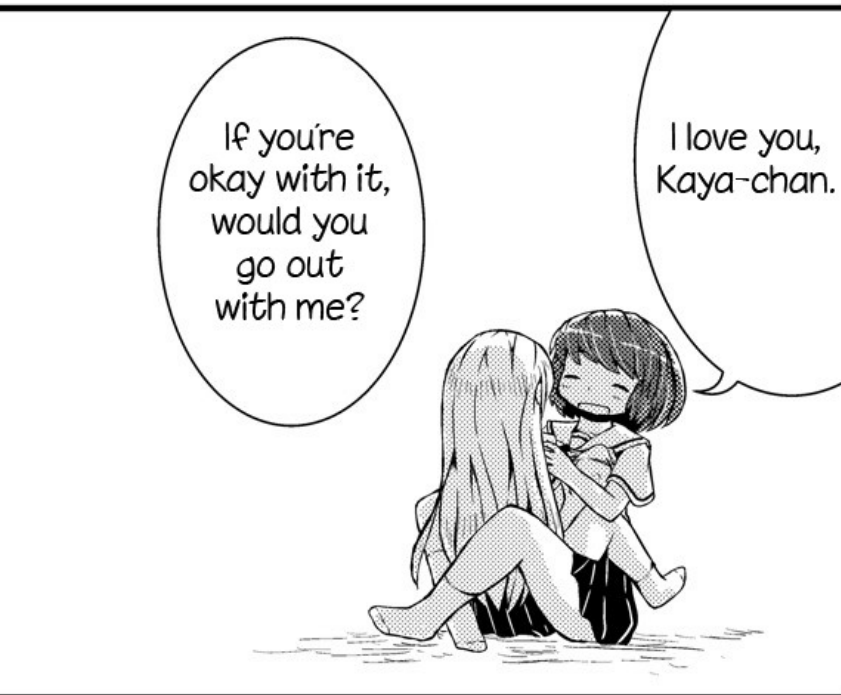

I still haven't heard your reply to my letter.

Can I say something before we start?

Kiss Kiss Kiss Kiss

Kaya-chan...

If you're okay with it, would you go out with me?

I love you, Kaya-chan.

.....

I guess I made her wait for too long...

There goes the mood...

Yes! Let's have sex!

I love you.

Ahaah

Aah

Ahn

Just as promised, today I'll be the one making you feel good.

I'm Senpai!
going
to cum!

Nhaa!

Nngh!

Kaya-chan,
spread
your legs.

Haah...
So there's
no breaks?

Then one more time...

Yesh...

Are you satisfied..?

And then we can have sex before bed?

We can take a bath together...

Of course!

...Ah.

Senpai, would you like to stay over at my house the next few holidays?

Sounds nice. I'd love to.

Sure.

Let's
kiss
while
we
cum.

I think I'm
about to
cum...

Senpai,
before I do,
could you
hug me really
tightly?

Haa...

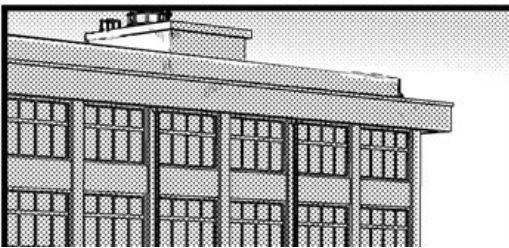

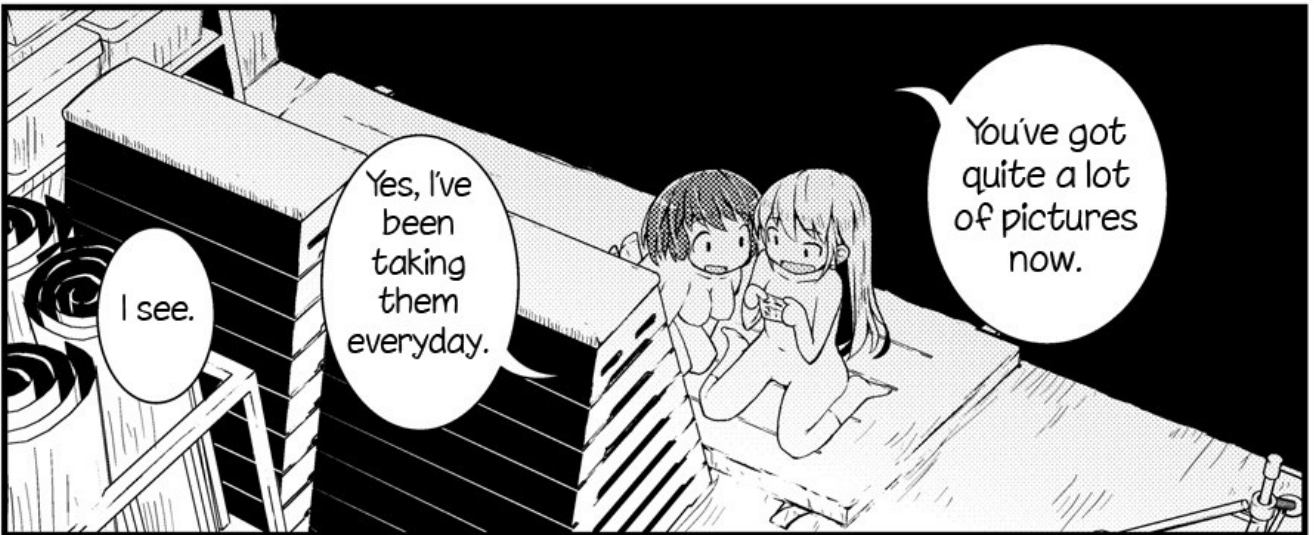

Mmh

I felt
good
too!

I think
I've grown
fond of
this casual
sex.

And these are my panties and my favorite sports bra.

These are the panties I was wearing today.

We can't, today is masturbation day.

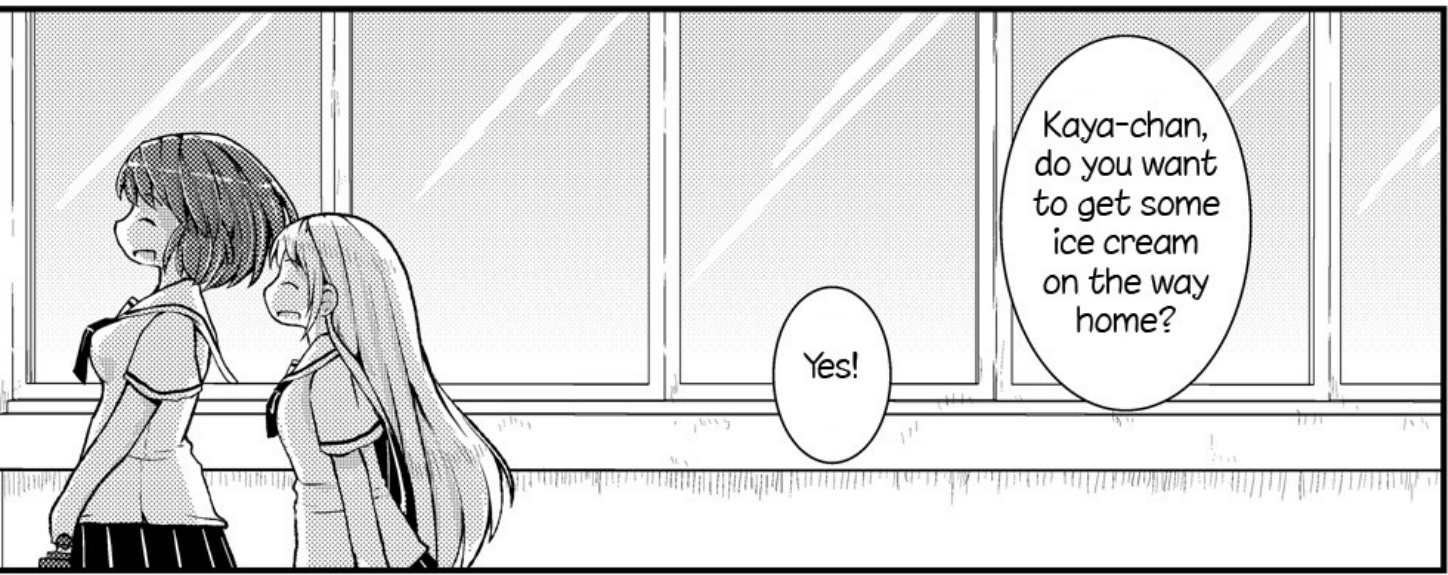

How about we just have sex after all?

I do.

Ah, new panties!

I didn't put my bra in there, do you want it?

Kaya-chan, do you want to get some ice cream on the way home?

Yes!
