Divided by the number of days in a year, are we going to have a grieving session that many times like we did with that cat?

30,000 of our tax payers that is paying teacher's salary died this year alone

And didn't you just put on a show, flaunting about how sacred life was?

In that case, why don't you just die together with that cockroach you killed?

Didn't you kill a cockroach in a whim when you're cleaning up the other day, just because you felt it was disgusting?

By the way, Kaname

WHAT IS IT!?

Fatso

I knew it, Kaname, in the end you just wanted to grab this chance to show off around all of us

Alas, you're just a hypocrite, not a saint

Not very perceptive of the situation, are you~

Merely an intern, yet you have the guts to talk to your senior, Mr. Ishida like that?

IT'S YOU TWO AGAIN!?

IF IT'S TRUE, HURRY UP AND SHOW UNCLE WHAT YOU CAN DO

Kurea really wants to try uncle's chewy thing

JUST RIGHT  
WHEN UNCLE  
IS GETTING  
FRUSTRATED  
WITH LIFE~

UNCLE
