What naughty videos have you seen recently?

Maids...and open sex?

Why the question form? What do you do when you watch naughty videos?

That's... obvious...

What color pants are you wearing today?

It's just regular... black.

Black!? That's so sexy.

It's... normal...

What's your name?

What is your age?

Huh? ... Futba Ren.

Just like you ... 17.

Yes, you got an erection☆

Don't give you an erection this easily!

What are you saying...

What!?

Ahh~☆

Would you be excited if I went out on the town dressed as a maid?

ふるん

Futanari is a sexual outlet for both men and women. That's why futanari hide their true identity.

Rine... at least take off the blindfold...!

It seems I was a futanari, a genetic child, and a week ago I had a spectacular futanari. And my childhood friend, Rine, found out.

Rine said she would train me so that I wouldn't inadvertently get an erection and expose the futanari... and she does this all the time.

This is not going to make it any easier for them to find out you've become a futanari, is it?

Blindfolded... restrained... all my nerves are focused on my cock...!

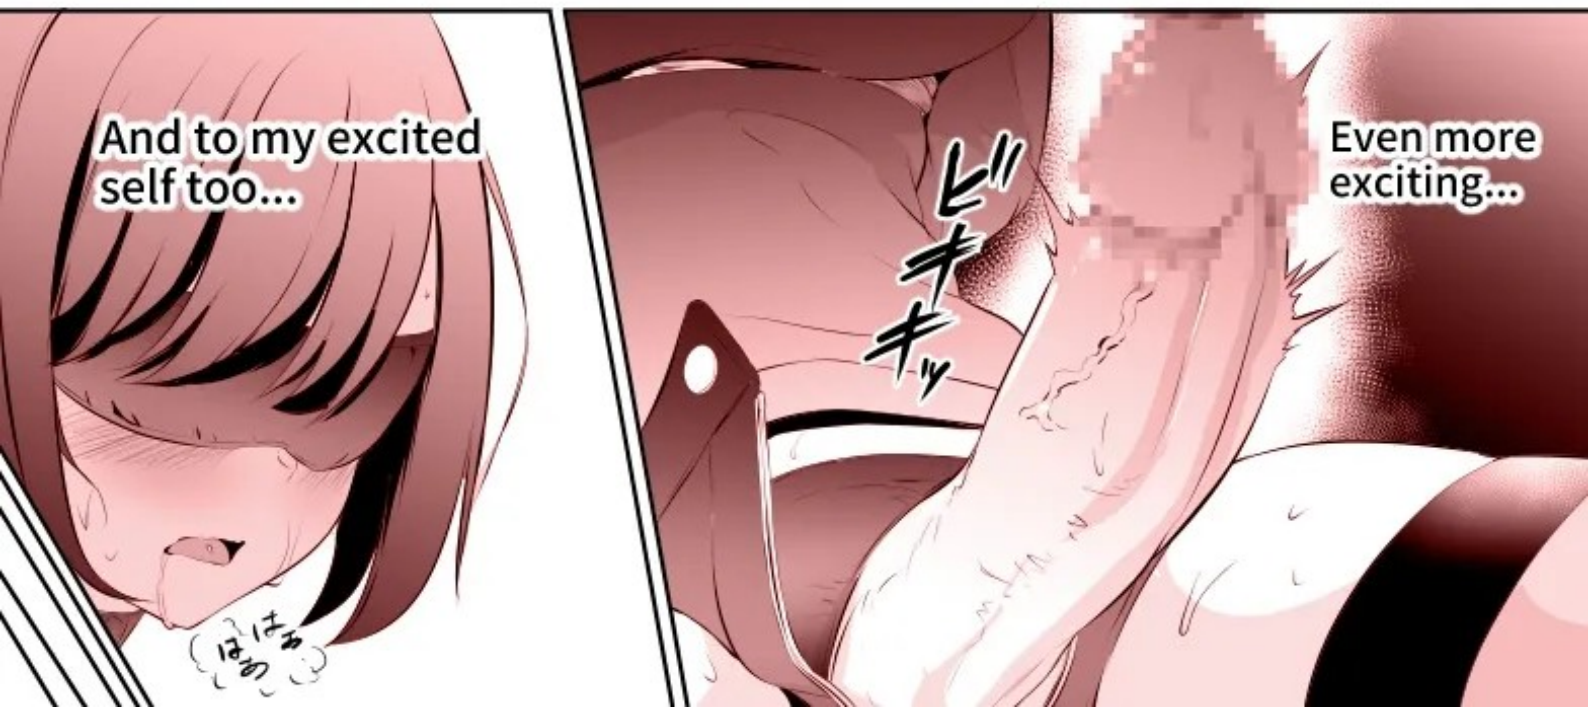

Seeing
that scene...

Whoo♥
That's too much♥

Rine... I ejaculated
in my best friend's
mouth, and I...

はぁ?

うん?

And to my excited
self too...

Even more
exciting...

ぐっ

I wonder what
would happen
if I could see them♥

Even for free,
you stand out
dressed like that...

Hey! If you move
that much,
can see your!?

No pants, no bra, on a date.

Ren is kidnapped
along with me,
and might be exposed
as a futanari, and suffer
a terrible fate♥

Maybe they'll
take me...

Mmm... oh... ♥
kuhhh...

Yes☆

You got a
erection☆

...into a back alley
and rape me☆

Oh...Mnnn!

Hey...!
You shouldn't be here.

Ohhhh, they'll find out
right away at school
or something like this,
won't they?

Hey? Did you get off on
imagining me being raped?
Or you being raped yourself?

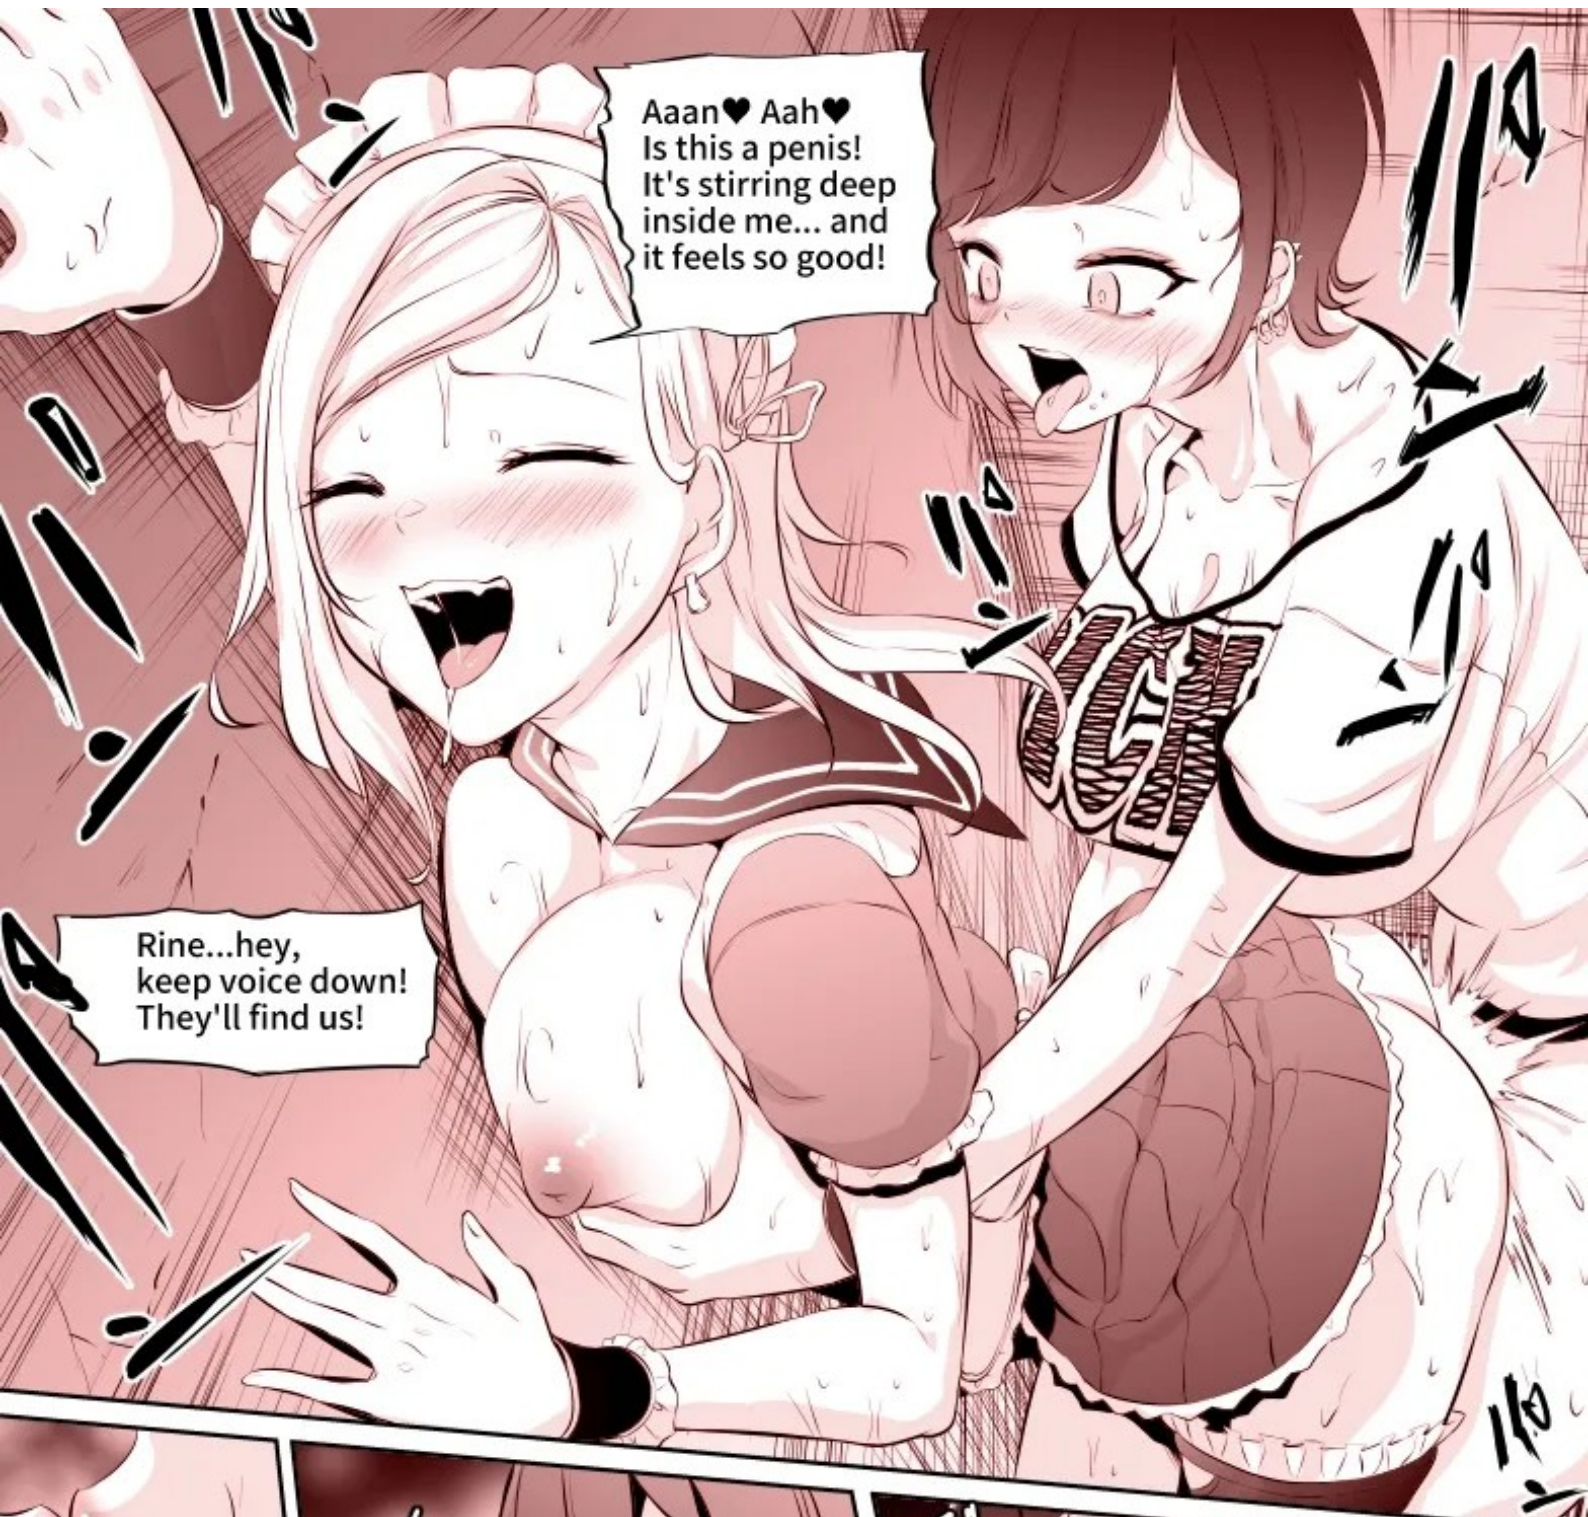

Len...
what do you
think?

Hey...Ren.

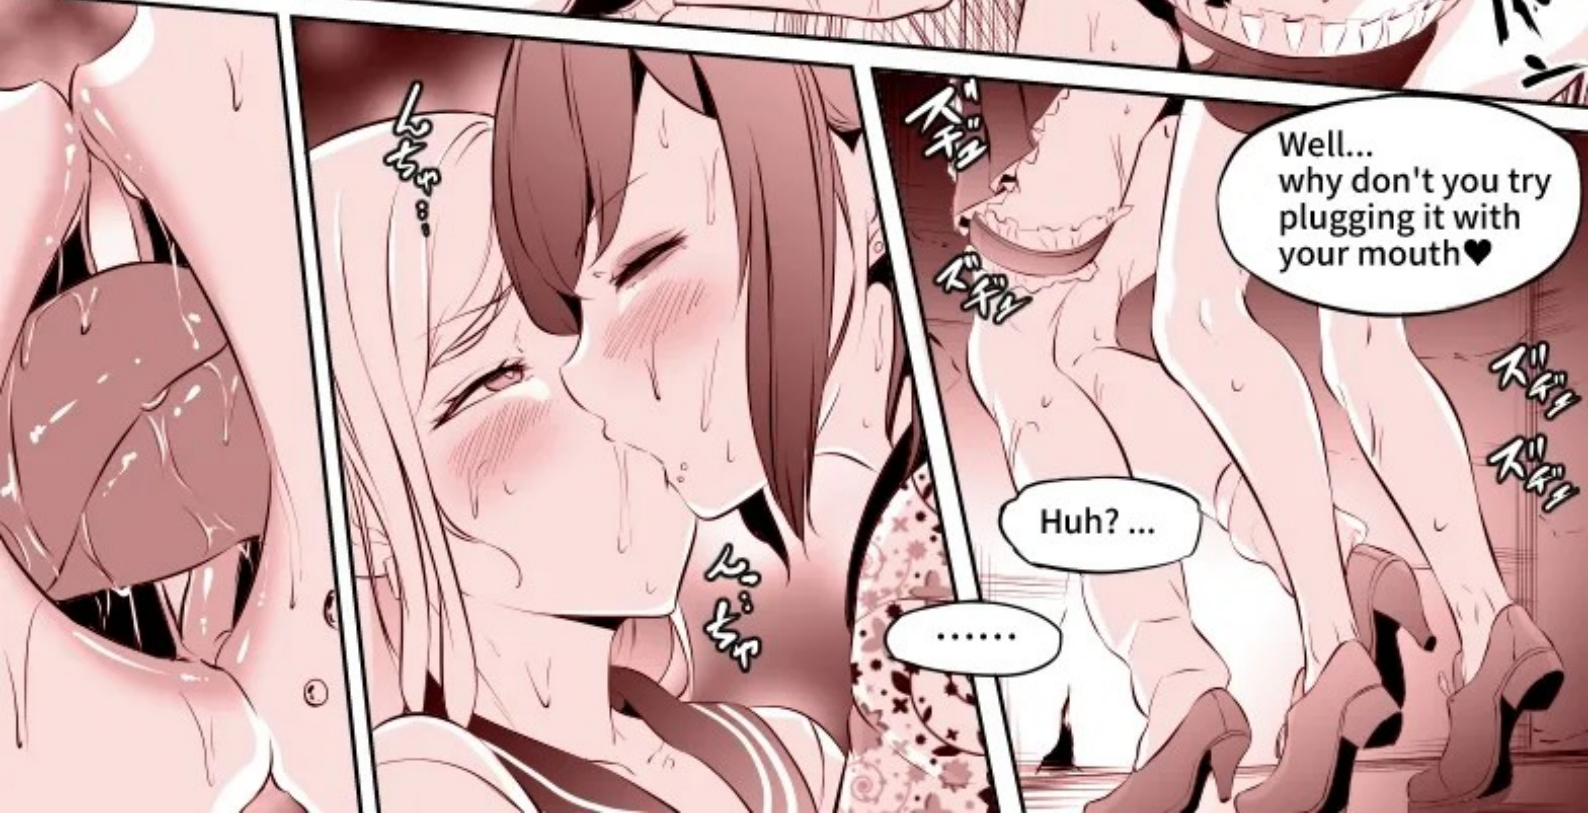

Maybe you should experience
the most awesome stimulation.

I'm new to this too,
but... if it's with Len...
it's fine with me, okay?

Aaan♥ Aah♥
Is this a penis!
It's stirring deep
inside me... and
it feels so good!

Rine...hey,
keep voice down!
They'll find us!

Well...
why don't you try
plugging it with
your mouth♥

Huh? ...

.....

We will probably
be raped...
and videotaped...
and threatened
for it, you know?

If they find out
we're doing this...
we're...
we're doomed♥

We are forced...
to ejaculate inside...
our uterus is over-
flowing
with semen...
and they keep shoving
their dicks in us
one after the other...

We are called in
every day...
and made to
suck a lot of
cock...
and a lot of
cock...

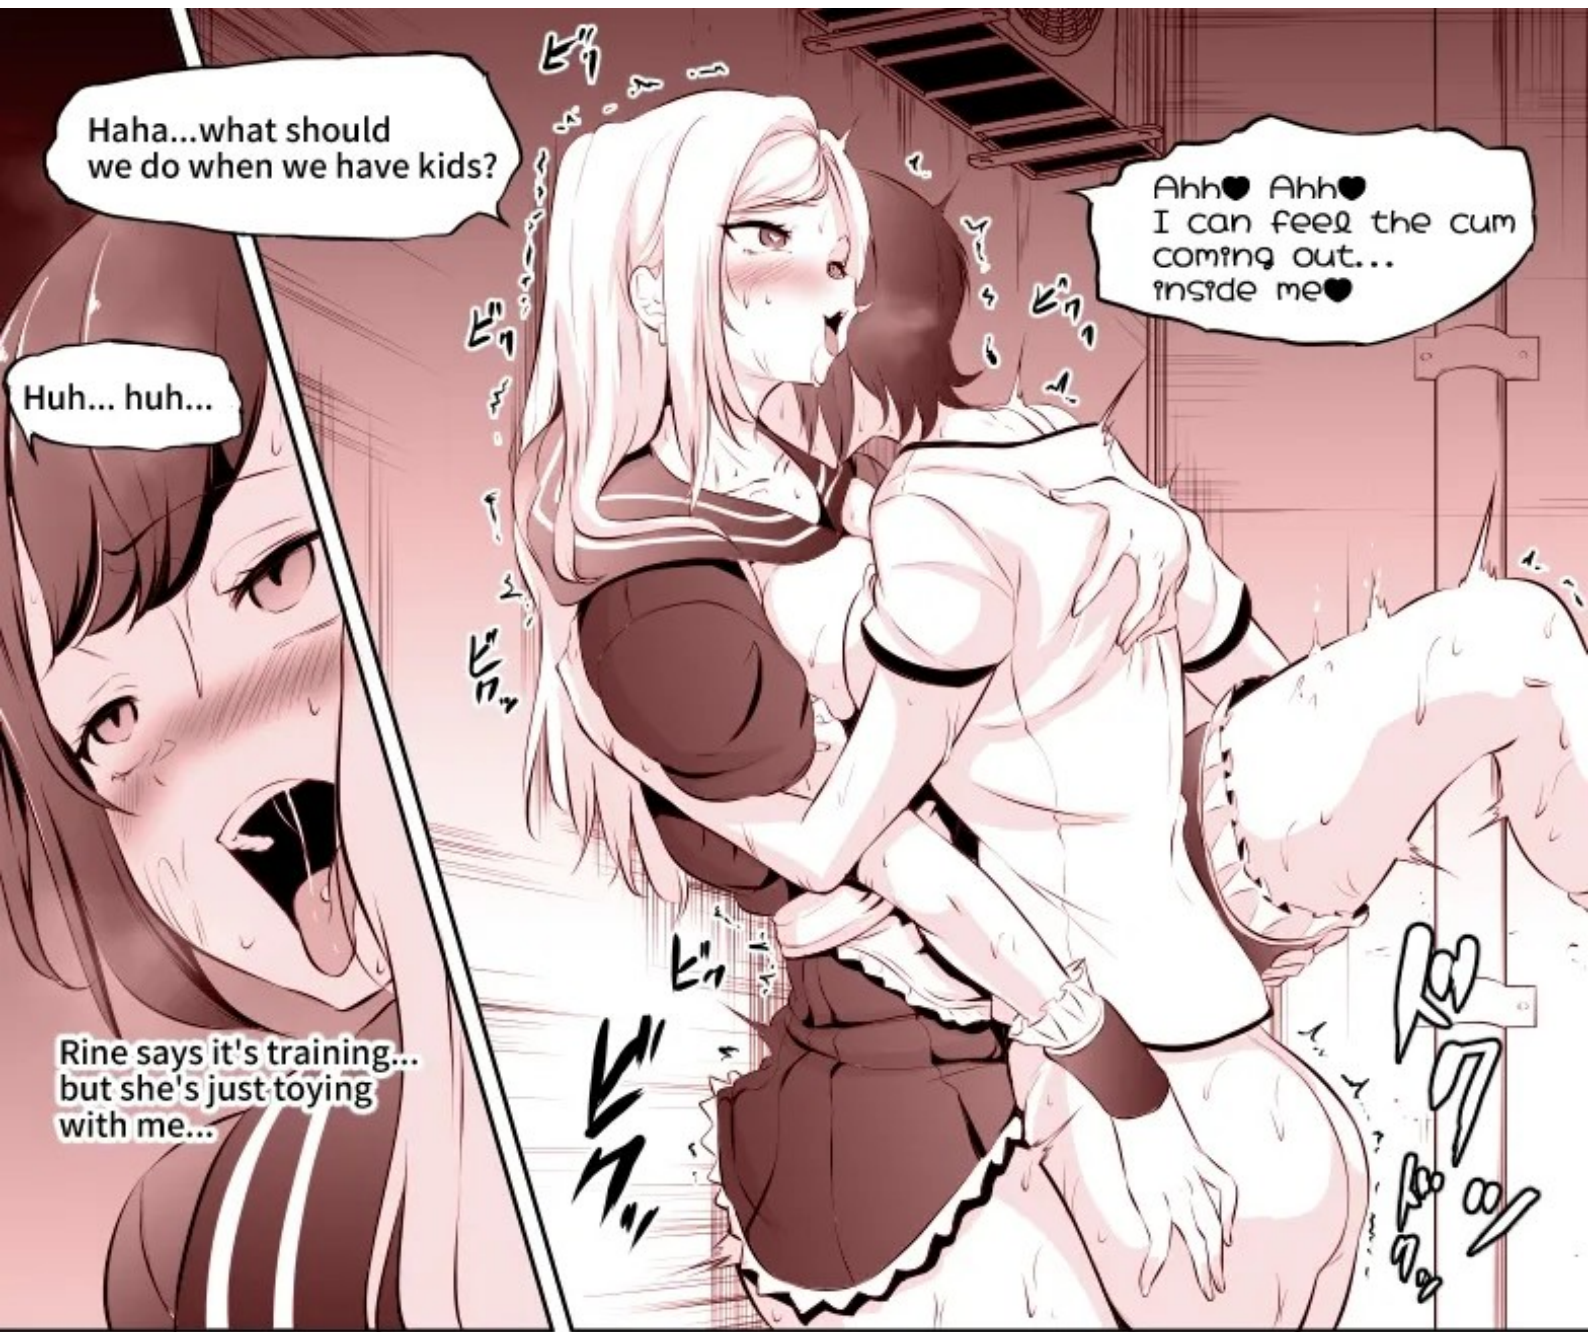

They're going to
put it inside us♥

But still with
a cock
that's wet with
cum and
love juices...

and more
pussy fucked
and inside..!!!

We doesn't
want to... ah♥

Haha...what should we do when we have kids?

Ahh♥ Ahh♥
I can feel the cum coming out... inside me♥

Huh... huh...

Rine says it's training... but she's just toying with me...

Just kidding!
It's an okay day and I have my meds, so I'm fine☆

If that happens, Len will be responsible ... right?

Well...I wouldn't mind being toyed with by Rine...
