...my childhood friend Kenta's been shrunk.

Due to a weird charm i cast on him...

i wanna touch 'em so baaad... Ah-! i've got it!

Lie down on your back and let me climb 'em.

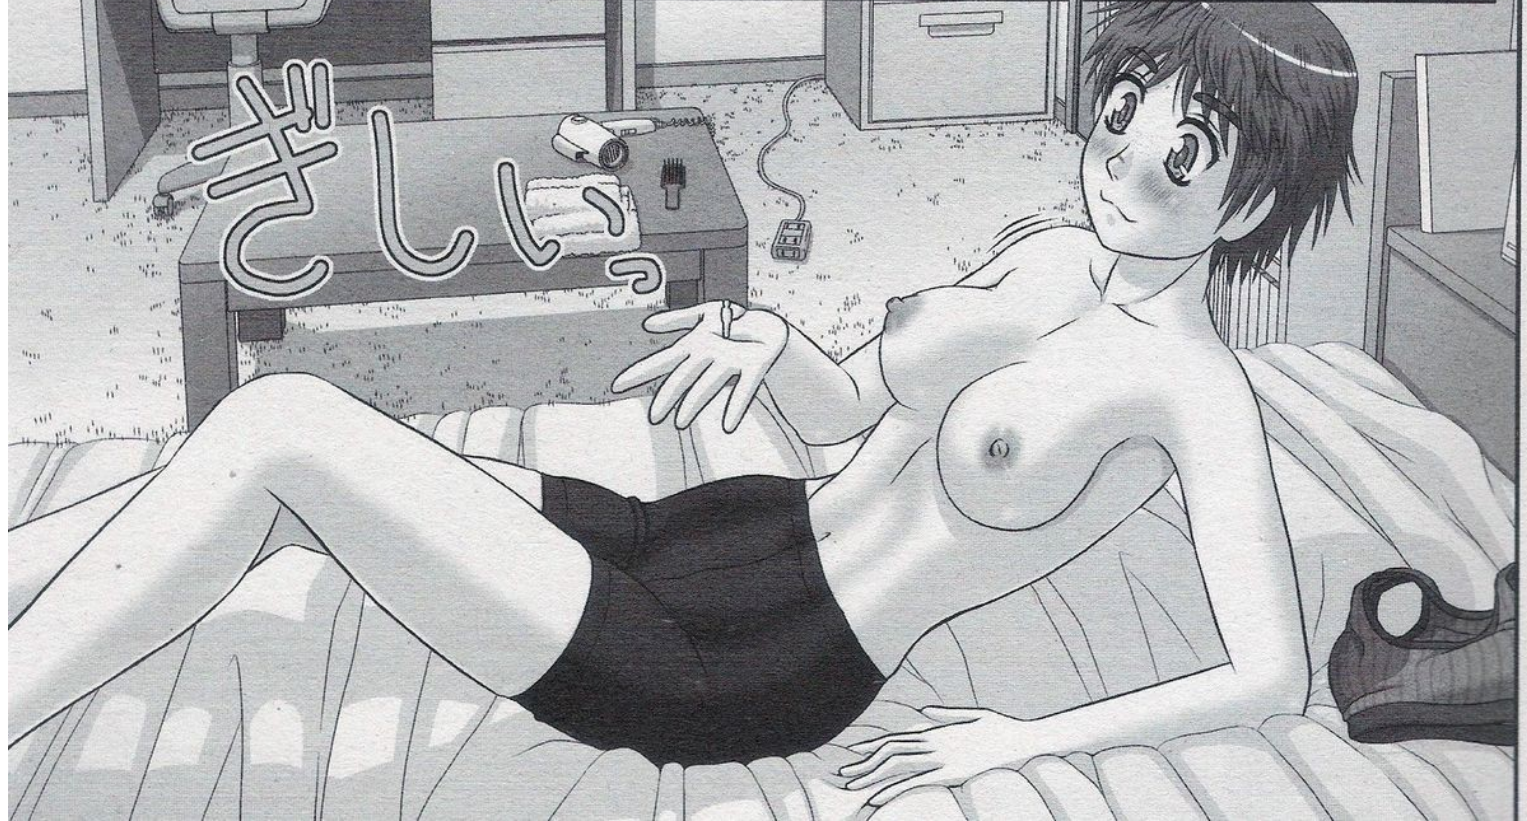

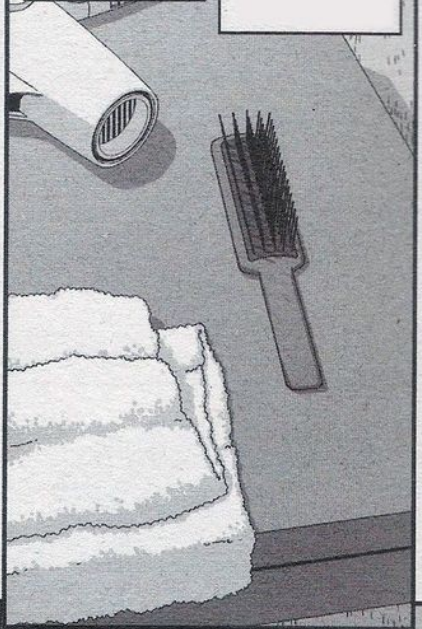

Eh..... 'K.

...but...

...thanks to that, Kenta and i have shared our feelings with each other.

it's turned into a pretty serious situation...

The book said we had to have sex if he wanted to grow back to normal.

It made me super happy.

But, Kenta told me that he loved me too.

Ohhhh, her skin feels so good against me.

Alm~ight, time to scale this peak.

I guess that's obvious, huh!

Even your nipple is huge.....!

Ahn~!

is my body... attractive to you?

Hm~?

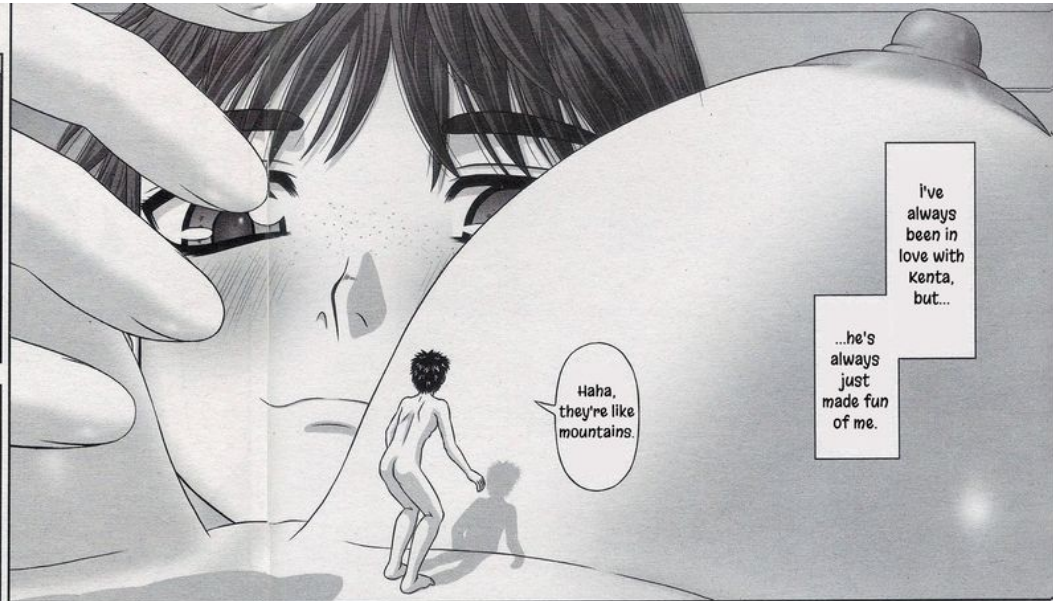

Hey~, Kenta?

You're too tiny, i can't see you very well!

Of course. Here, look at this.

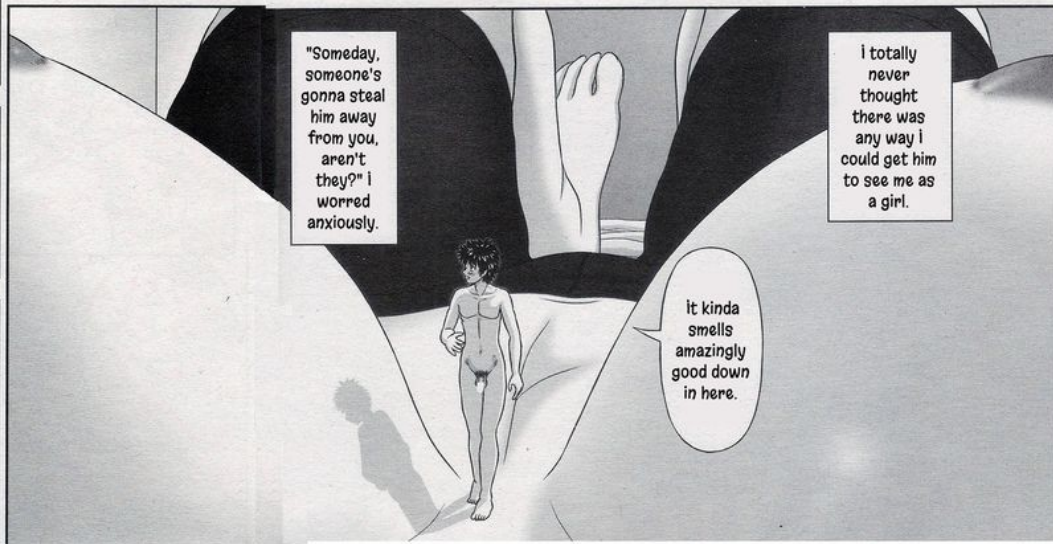

Boing!
Boing!

I've always been in love with Kenta, but...

...he's always just made fun of me.

Haha, they're like mountains.

"Someday, someone's gonna steal him away from you, aren't they?" i worried anxiously.

I totally never thought there was any way i could get him to see me as a girl!

It kinda smells amazingly good down in here.

Uwaaaaagh, why's this so humiliatiing?

Oi, knock it off!

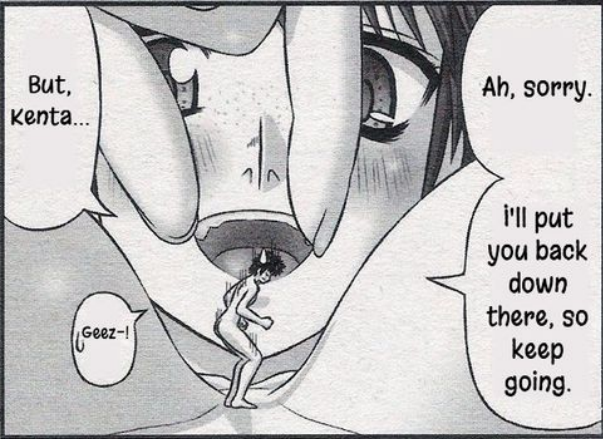

it's so teeny and cute, fufu-!

Ah, it's true.

Lend a hand?

is there anything i can lend a hand with?
i wanna do something for you too.

But, kenta...

Geez-!

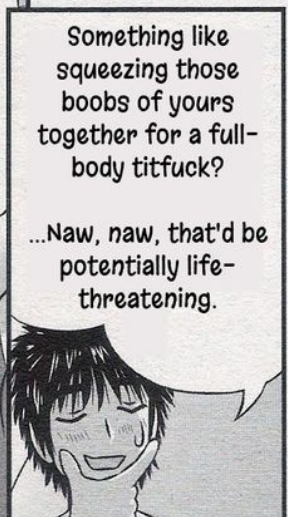

Ah, sorry.

i'll put you back down there, so keep going.

Eh-?

So i've just got to smooch my breasts around you, right?

Something like squeezing those boobs together for a full-body titfuck?
...Naw, naw, that'd be potentially life-threatening.

H~mmm, that's a good question~...

Yeah.

No...
Wait a-

ズン

I wanna do
whatever I
can for you if
it'll make you
happy, Kenta.

Ahh-!

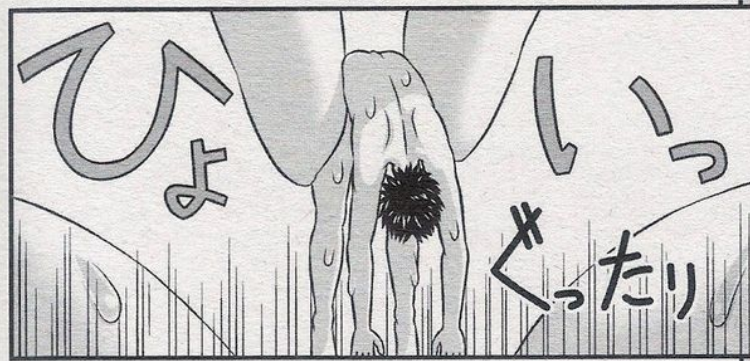

I love
you,
Kenta!

Do you really understand? Next we're finally gonna try down there, but...

I'm sorry, I get it. I'll be careful.

You need to understand already that right now I am small and fragile!

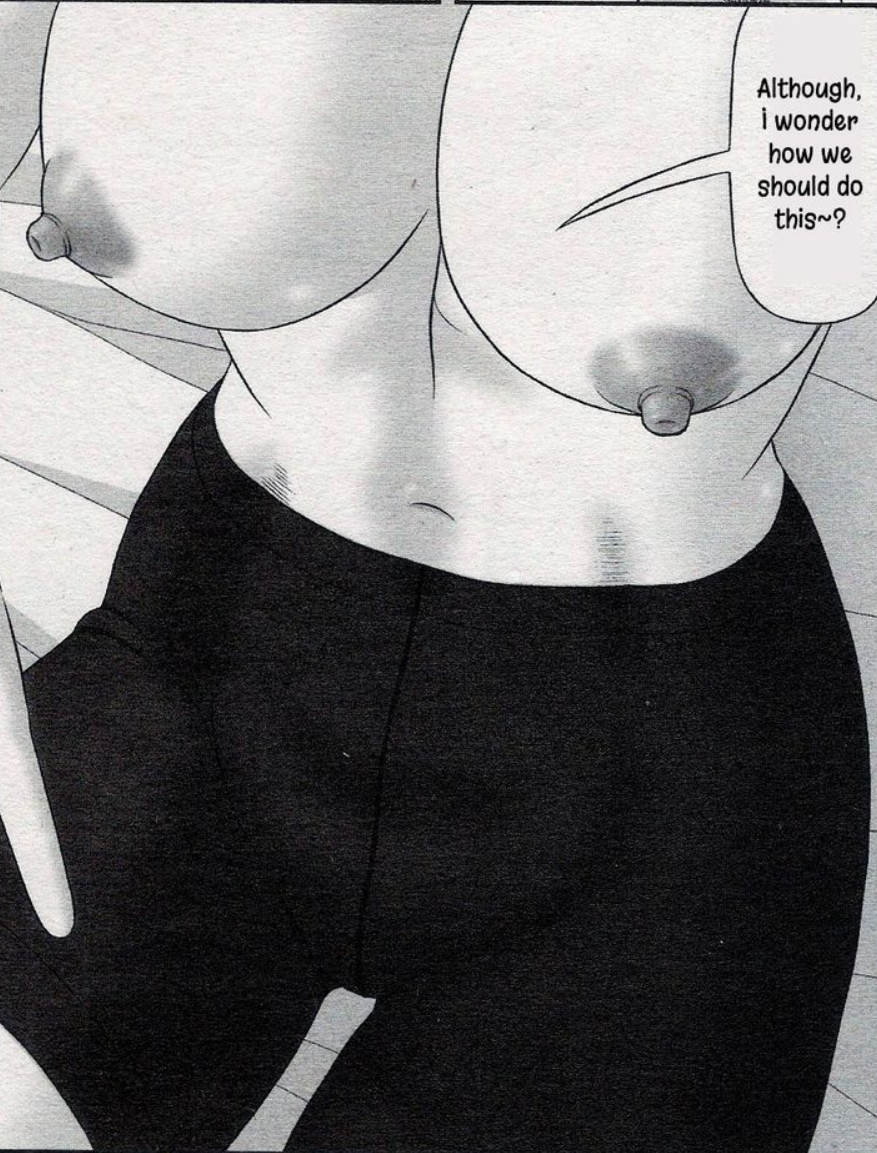

Thought I was gonna die at the end there, ya freakin' moron!

Like I t~ooold you before...

Body and all? No, no, no way, that's impossible.

Although, I wonder how we should do this~?

Yup, it'll be fine. You can count on me.

in the first place, you are a virgin, right?

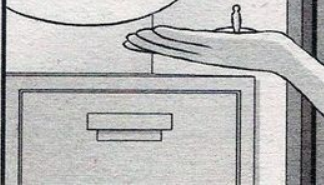

Don't do ANYTHING outside of what I tell you!

Listen up, alright? I'm about to give you instructions on exactly what you need to do.

If I go in you like that as little as possible, I'll feel m~uch better about it.

Just "thlipp" and right in!

Yeah, but I use tampons so I think something your size should be a piece of cake, Kenta.

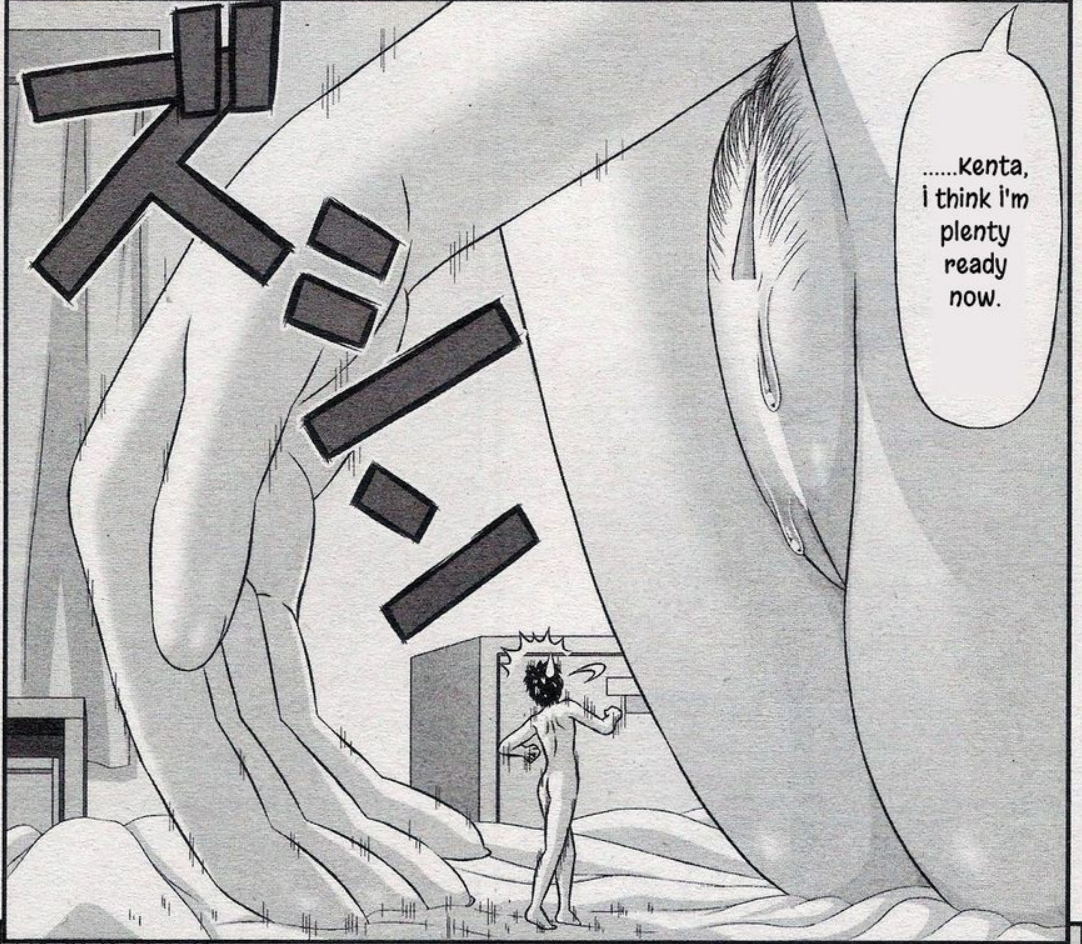

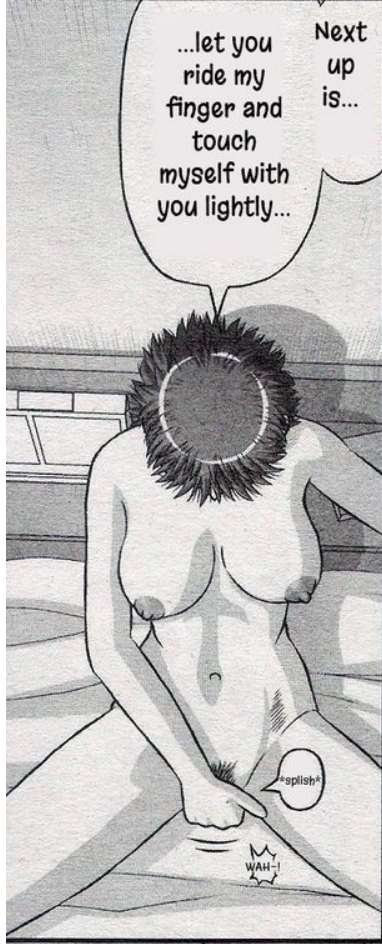

i wonder if it's enough already?

...the truth is i've been totally drenched down there for a long while now, but...

...let you ride my finger and touch myself with you lightly...

Next up is...

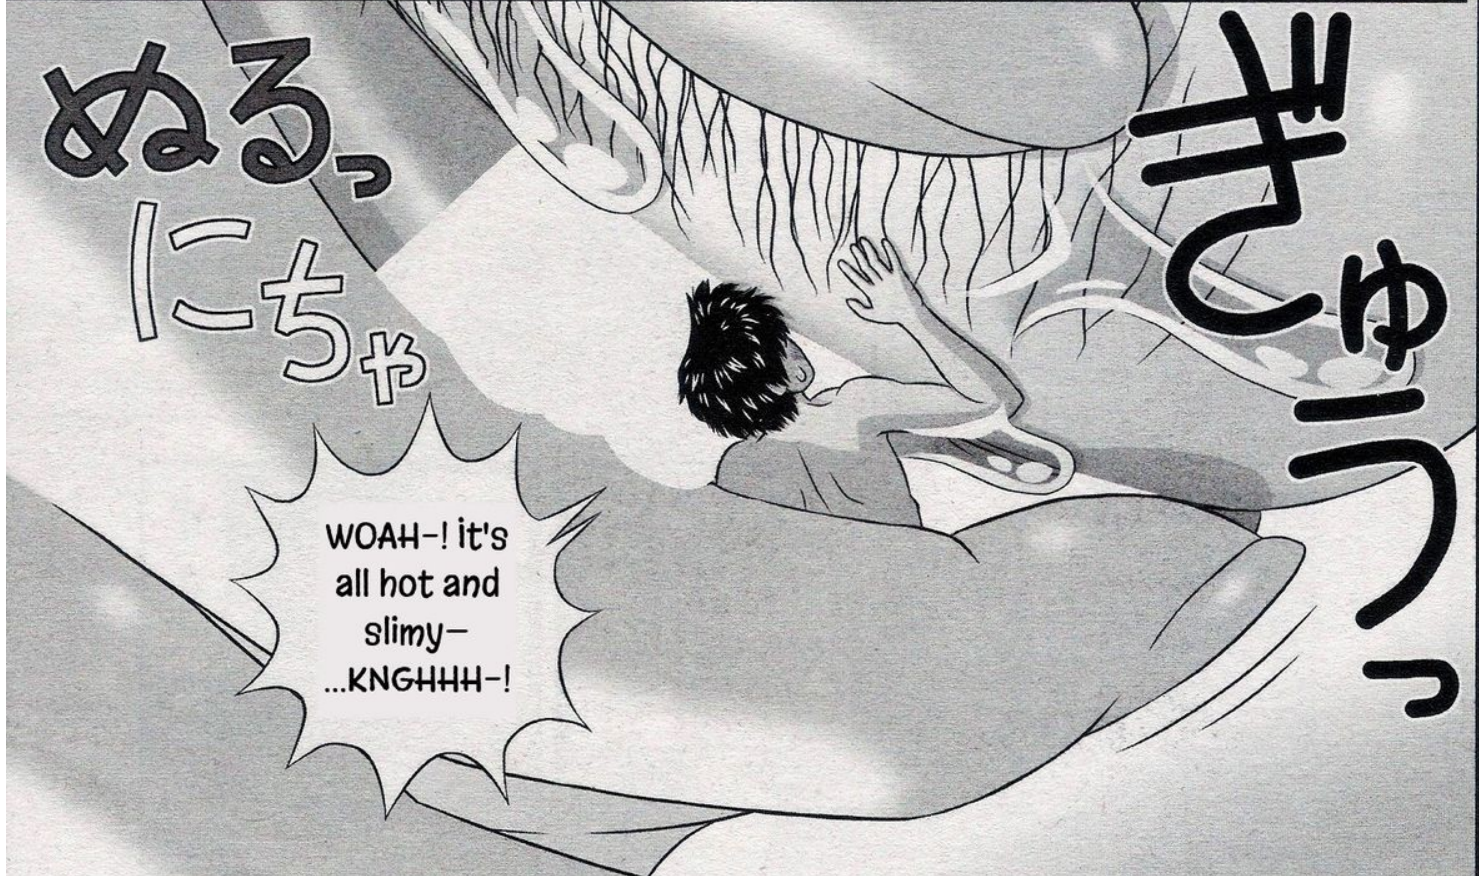

.....kenta, i think i'm plenty ready now.

I'm so sorry.

But, how'd you even get me out?

My dead Gramps was tellin' me to turn back from the light....

I thought my life was going to end inside a woman's snatch.....

...it didn't grow me back to normal either? What should I even do from now on...?

.....Oh well, I'm glad I got through that without dying, but...

it has such pinpoint charms in it-?!

Used this.

Y..... YOU'RE WRONG!

It'll be as two lovers living together!

So in the end I'm just gonna become your pet, huh...?

I... I'll take good care of you, so c'mon, cheer up.

What the heck're you even talking about.... Ugh, I'm worried after all.

Yup, just leave it to me. I'll be your sumptuous banquet of earthly delight! <3

I see... Oh well, that might be all that bad then.

So it's... well... You're going to be fine.
