Thank you.

I can give you some clothes if you want, if you don't mind rags.

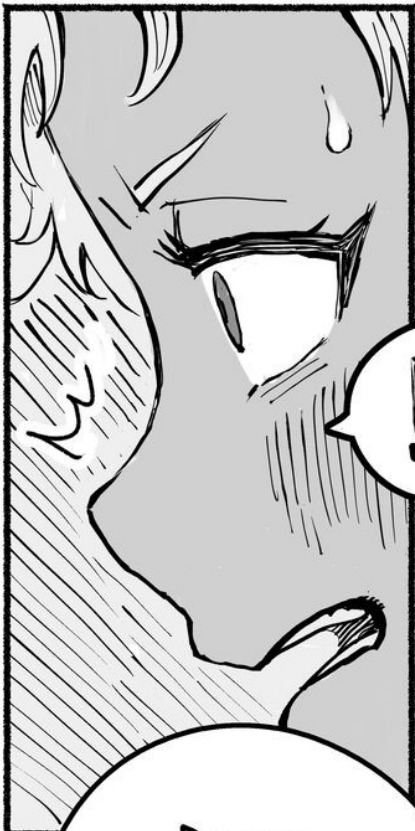

5000G

No, let's keep it that way.

!!

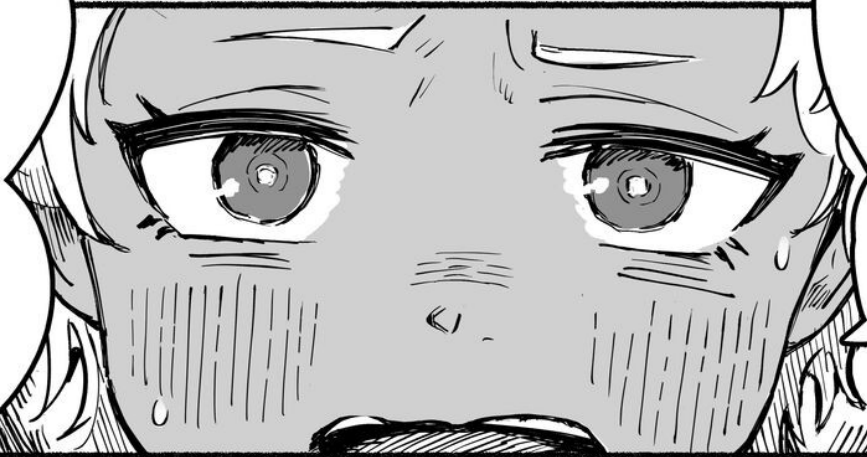

Do you think slaves can wear clothes?

As is?

Let's get the hell out of here.

I don't believe this...

Wait a minute!

By the way, was that guy a woman?

I've had some stored food stolen from our warehouse as well!

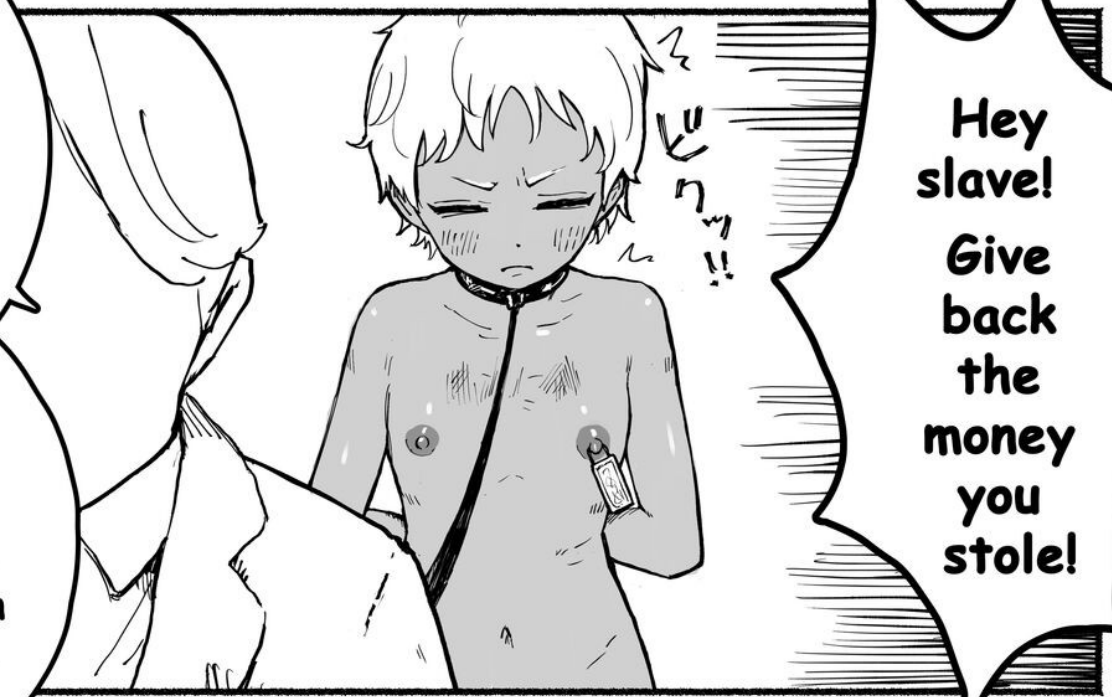

Looks like that brat was finally caught.

Hey, is that Brat in the slums?

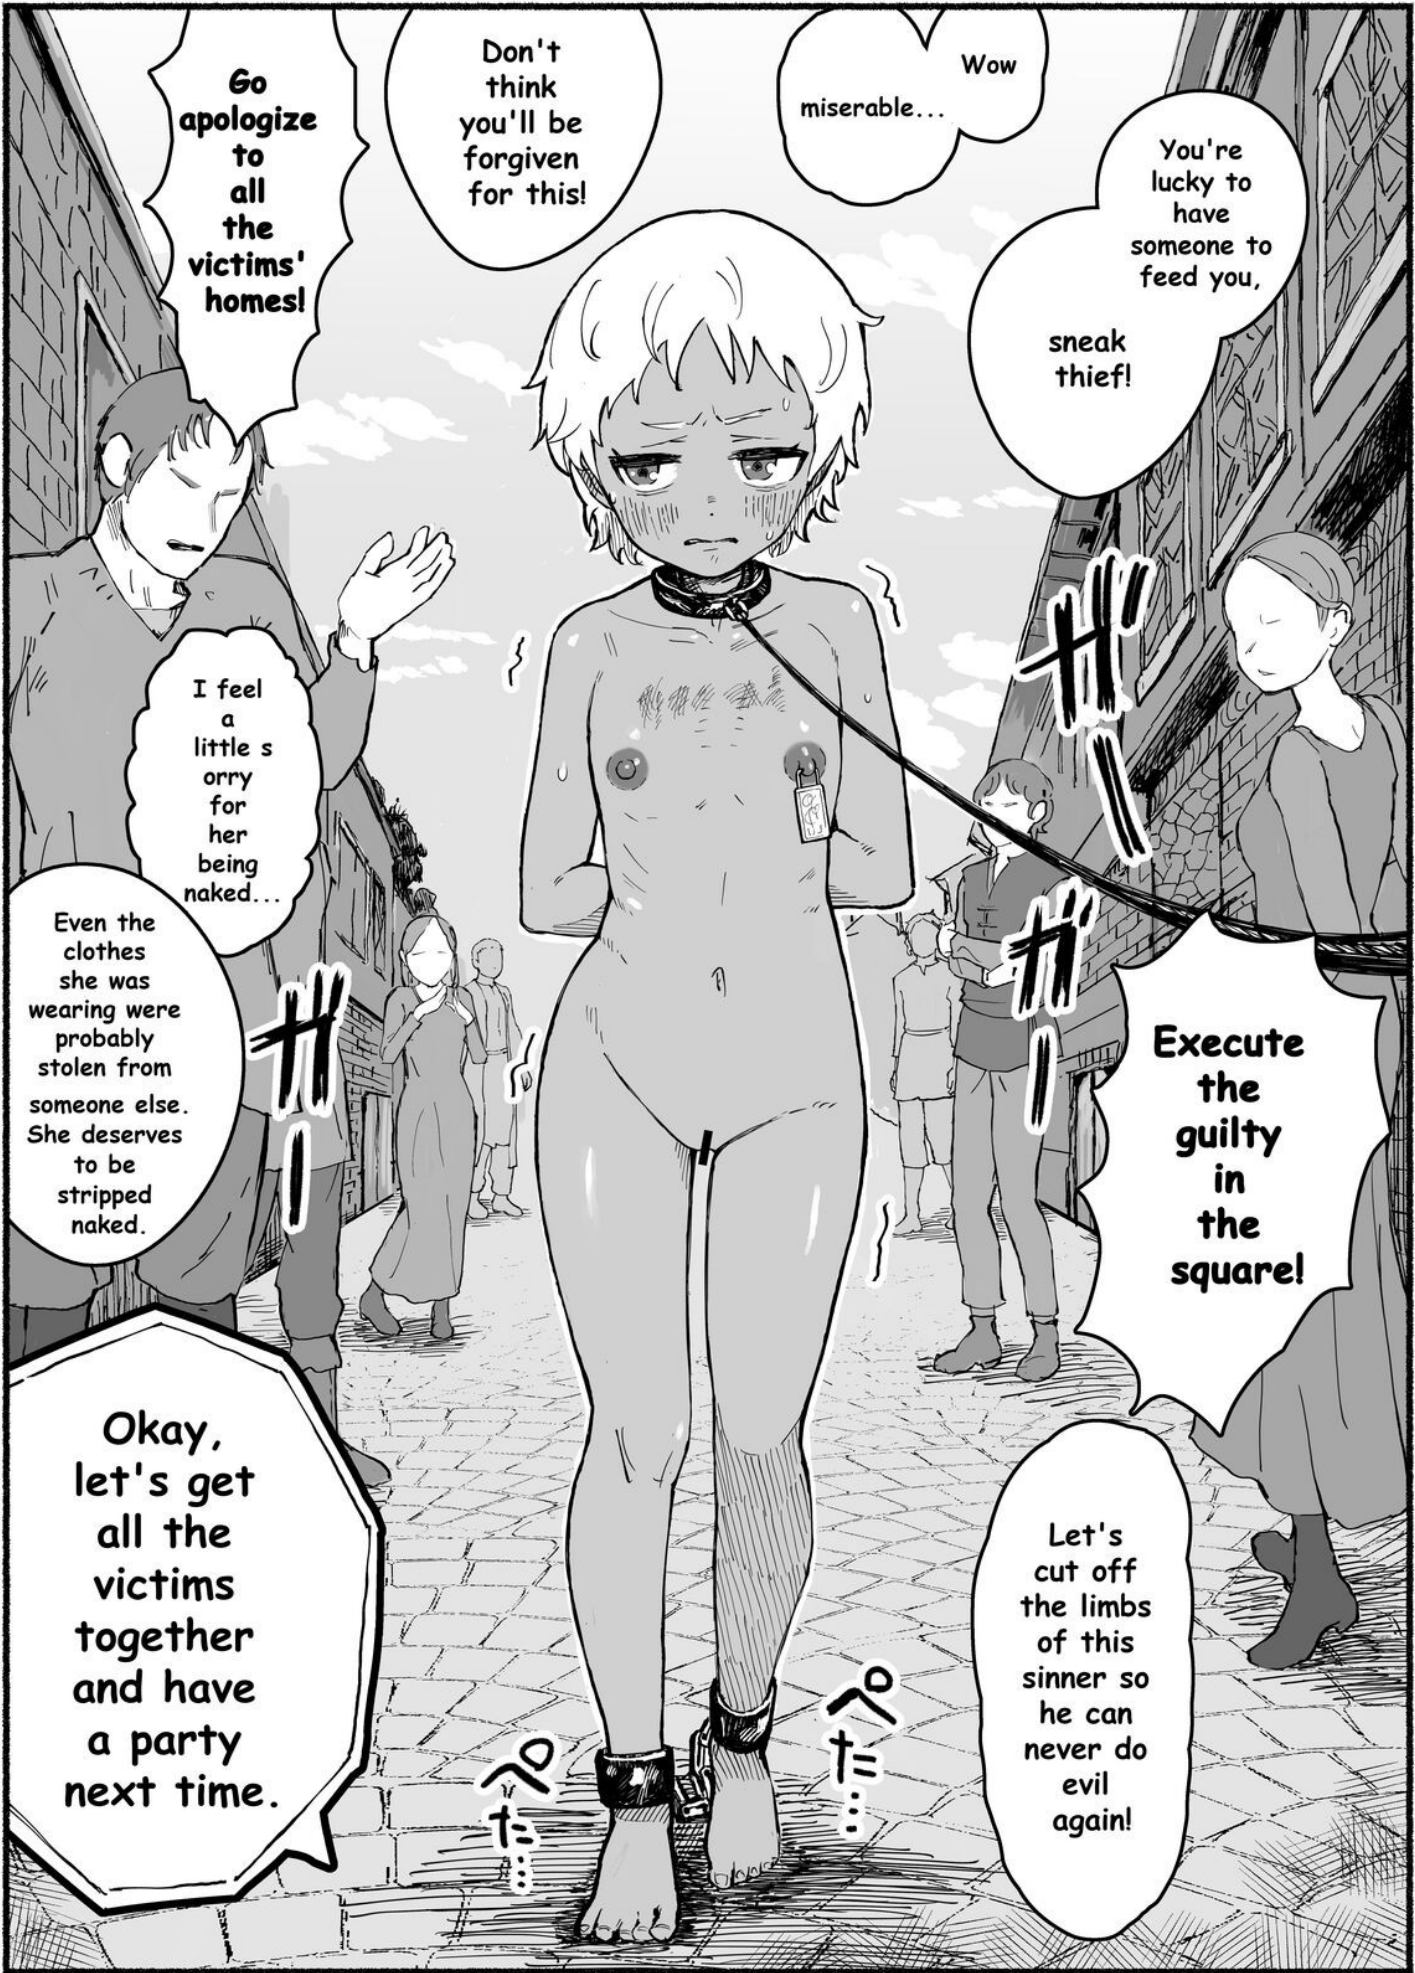

Naked and exposed... She had it coming.

You seem to be very popular.

All right. Let's take a leisurely stroll home until the sun goes down.

Hey slave! Give back the money you stole!

Go apologize to all the victims' homes!

Don't think you'll be forgiven for this!

Wow miserable...

You're lucky to have someone to feed you,

sneak thief!

I feel a little sorry for her being naked...

Even the clothes she was wearing were probably stolen from someone else. She deserves to be stripped naked.

Execute the guilty in the square!

Okay, let's get all the victims together and have a party next time.

Let's cut off the limbs of this sinner so he can never do evil again!
