Eh..?

Were we supposed to meet today..?

And what happened to our appointment?!

You never showed up so I had to wait in the freezing cold!

I rang it like a thousand times and you didn't come open the door! That's why I came in!

Don't scare me like that again. You made me get one-shotted.

What the hell... It was just you, Aoi... At least ring the doorbell if you're coming in.

Were we supposed to meet today..?

Anko!

We're going to the movies next weekend!

Really?!

I might want to go see this.

Hey, I like this series too... So this is the latest movie, huh.

Hn?

You're such a busy-body, Aoi.

Eeh... Even though we're hanging out like this today..?

No, you're just a slug...

I'm actually bothered about it, so isn't taking my weight into this discussion kinda mean?

...Hey wait a second now...

But it's the truth!

You weren't that plump when we started dating!

おーん

It's turned your body into daifuku!

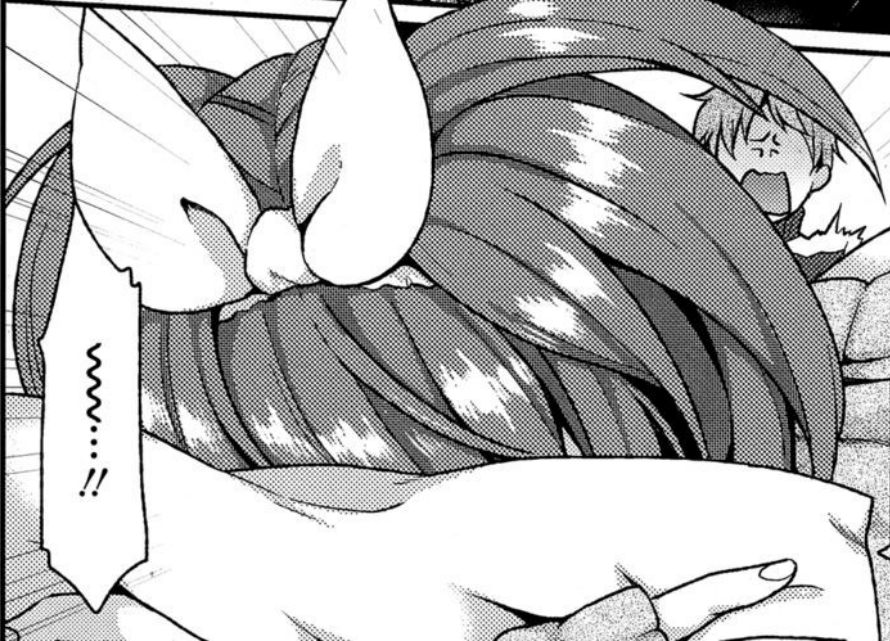

And look at what that lazy life-style has done to you...

You do nothing but roll around in your bed from day to night!

!!

おーん

おーん

I'm not gonna talk to you any-more, Aoi!

I've had enough!
