

Don't go, Alice

Get out of the way

Alice!

Alice is...!

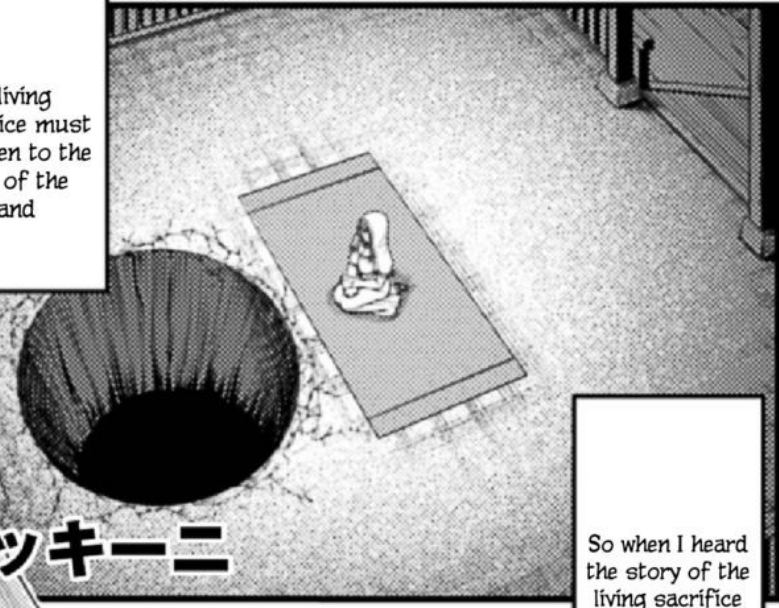

I'm sorry, Dino...

I decided to become the living sacrifice...

If we are to survive in this arid land

A living sacrifice must be given to the god of the land

So when I heard the story of the living sacrifice

蟻巣

漫画 / **ズッキーニ**
COMIC

As my mother did... before me...

I decided to sacrifice myself for the happiness of you and our people...

W...What is this monster ...?

Ahh ...

Stop, let go of me-

じいちゃん

Is this... the god of the land?

KYAAAAAAA

What is this place? There's so many... monsters...

Stop
Ku, let go me

And what about those women?

Are they here as living sacrifices, like me?

I don't want this...I want to go home

It's alright ...It'll be alright...

Welcome to our lair, sacrifices

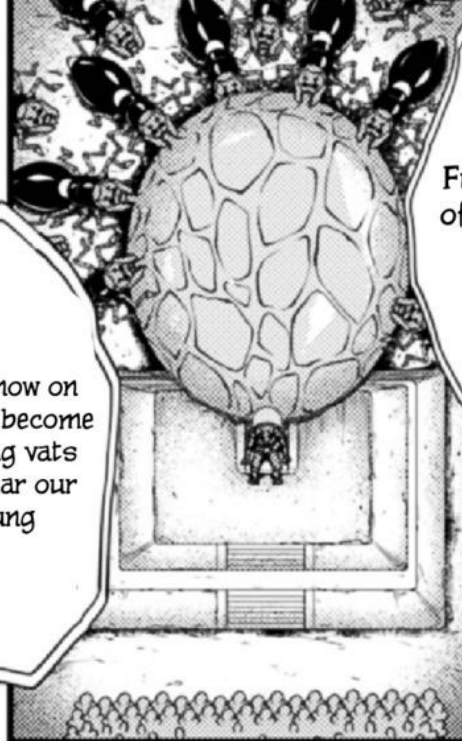

I am this lair's queen, Adil

What is this...I ...What's going to happen to me...?

From now on you will become birthing vats and bear our young

Fufu, think of this as a blessing

As you lay our eggs you will be infused with our poison and stay young forever

You have nothing to fear

You will give birth to our young in pleasure eternally as our birthing vats

Begin

Now, everyone

Kyaa!
somebody
save me!

Stop!
Mother..
Father

Heeek

excrement
is absorbed

creates the
fertile land
mankind
needs
to survive

And in return
mankind gives
us living
sacrifices

That is how
the world
works
