

Would you like to go somewhere with me on Sunday?

Yes?

Hey, Suzuki-san.

You never know unless you try, right?

Give it a rest, man, It's never gonna happen.

No way would a quiet girl like her go out with an oaf like him...

Huh? Why is Tooru interested in Kyouko of all people?

地味っ娘はチョロい? それとも...? だっだっすら押しの手

Really?! No shit! Hell yeah!!

ヤレ!!

...I suppose I don't mind.

May I ask why? I believe this is the first time we've ever even spoken to each other.

...Me?

Yeah!

And that's why I want to start developing a friendship between us!

That Sunday.

Eeh~...

Does she actually know what that means...?

Whuh...? Kyouko-san actually agreed to it...?

Yes!!

Can we meet up in front of the station on Sunday, then?

Sure.

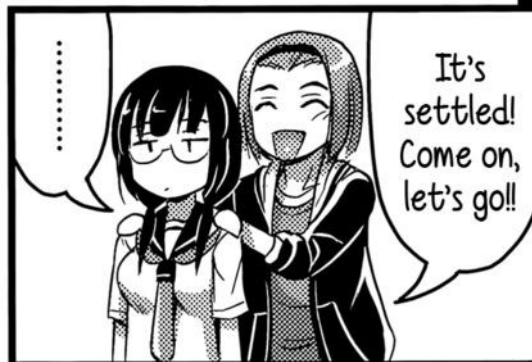

She has to, right...?

Let's make clothes shopping first on our list, then! New duds!

Don't worry about the money!

I never considered we'd be doing this at all, so I didn't bring any money to buy clothes.

It's settled! Come on, let's go!!

How does it look? Kyouko-chaan?

って制服がいい!

まあ、メカネがあればいいんだけど

Not at all!
They look
fantastic
on you,
Kyouko-
chan!

...Do
I look
weird?

...I'm
not so
sure.

We'll get
all of these!
She'll wear
them out of
the store!

Very well.
Thank you
for your
purchase,
sir.

I never
knew she
could make
a face like
that!

Whoa...!
She's mega
cute...!

...That's
embar-
rassing.

Yeah,
you!

Cute?
Me?

That's 'cause
you look so cute,
Kyouko-chan!
They can't take
their eyes off
you!

It may just
be me, but
I feel every-
one's eyes
gazing at
us...

I'm really grateful that you agreed to go on a date with me.

She never shows this side of her at school!

Man! She really is a cutie!

I'm so glad to be on a date with her!

I'm not used to... things like that.

I-I'm sorry!

Are you okay, Kyouko-chan?!

Waah!! Super mega cute...!!

And it doesn't look like she disliked it, either...

You don't know that, you idiot!!

...Wait, she's not mad I suddenly kissed her?

It's all right, I'm sorry for losing my composure too...

Sorry for the sudden peck!!

R-Right! Of course you're not!

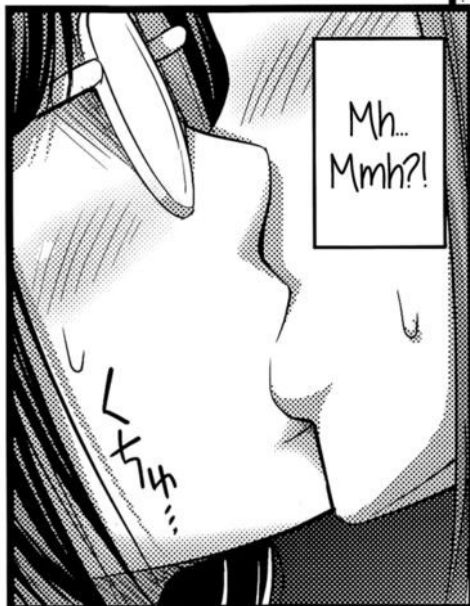

you could
just... get
used to
them
now?

But as a man,
I can't fall
back now!!

B-But,
y'know...

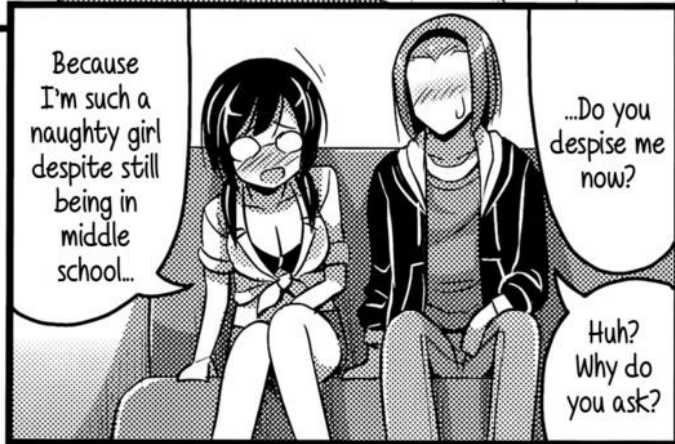

Mh...
Mmh?!

She's
accepting
my tongue
into her
mouth?!

Nh...?!

Because I'm such a naughty girl despite still being in middle school...

...Do you despise me now?

Huh? Why do you ask?

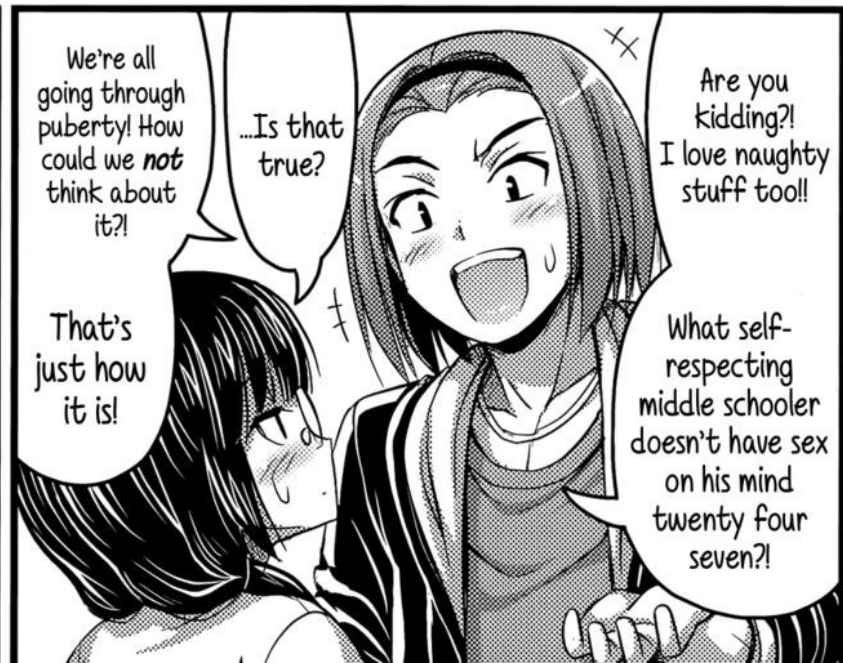

...Huh?

Kyouko-chan, did you just... cum?

...I see.

We're all going through puberty! How could we *not* think about it?!

That's just how it is!

...Is that true?

Are you kidding?! I love naughty stuff too!!

What self-respecting middle schooler doesn't have sex on his mind twenty four seven?!

I can't take it anymore, y'know...?

You're just too adorably cute, Kyouko-chan...

Then, would it be okay if we...?

...We what?

Well, I wouldn't say I love it...

That you also love naughty stuff!

I, for one, couldn't be happier!

We shouldn't do such things in here...

H-Hold on, Sasaki-kun...!

ちゅっ

Ah

I'm sorry,
Kyouko-chan,
but after get-
ting this far,
it's impossible
for me to
stop!

But...

Maybe we
should stop,
Sasaki-kun...
If someone
caught us
doing this
here...

Don't worry!

Now I want to be with Kyouko-chan for the rest of my life!

I want to know more about her! Have lots more sex with her!!

When I first fell in love with her, it was only because I thought she looked cute reading a book, but..

Oh, man! Kyouko-chan is seriously the best!

Marry me, Kyouko-chan!!

Fueh?!

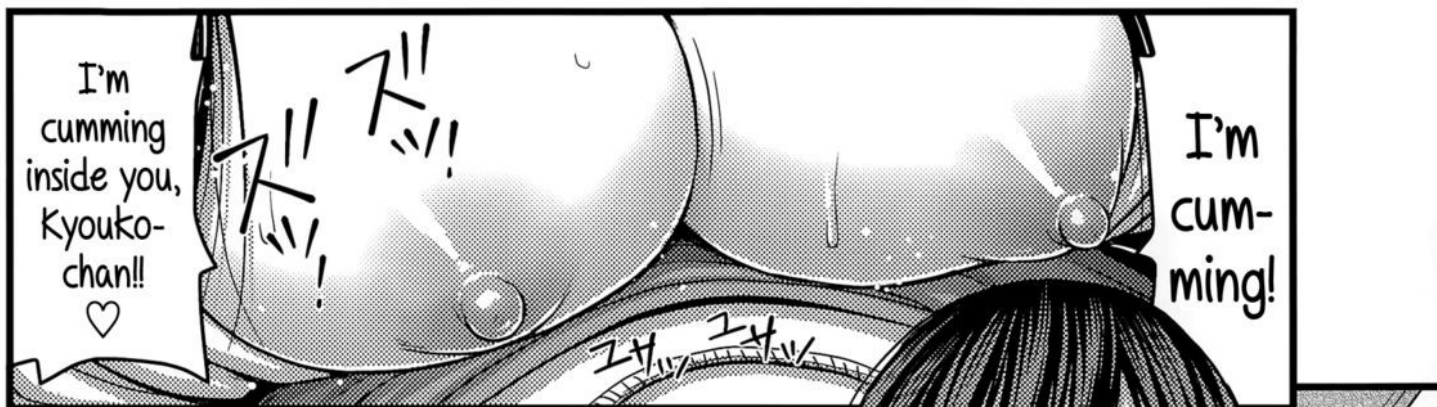

Let's have a bunch of kids!!

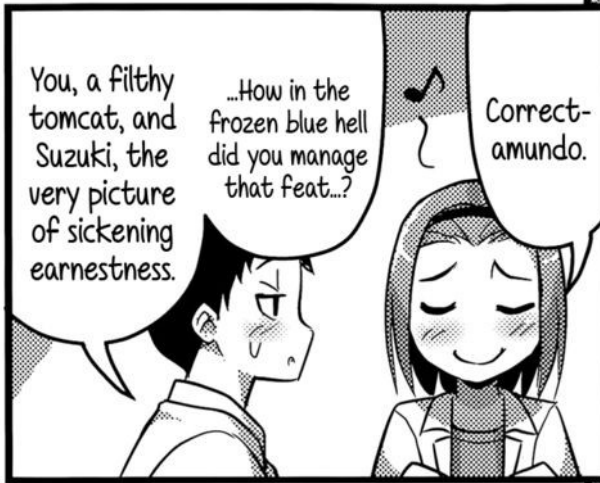

Let's get married and build a happy family!
