

I have a crush ...

On my childhood friend Ichika

I've always found her attractive ...

I couldn't stand it anymore ...

So during music practice ...

I told her how I felt

But ...

That's impossible

Eh Eh  
What ...  
Why ...

The reason I say that ...

Is because you aren't very masculine ...

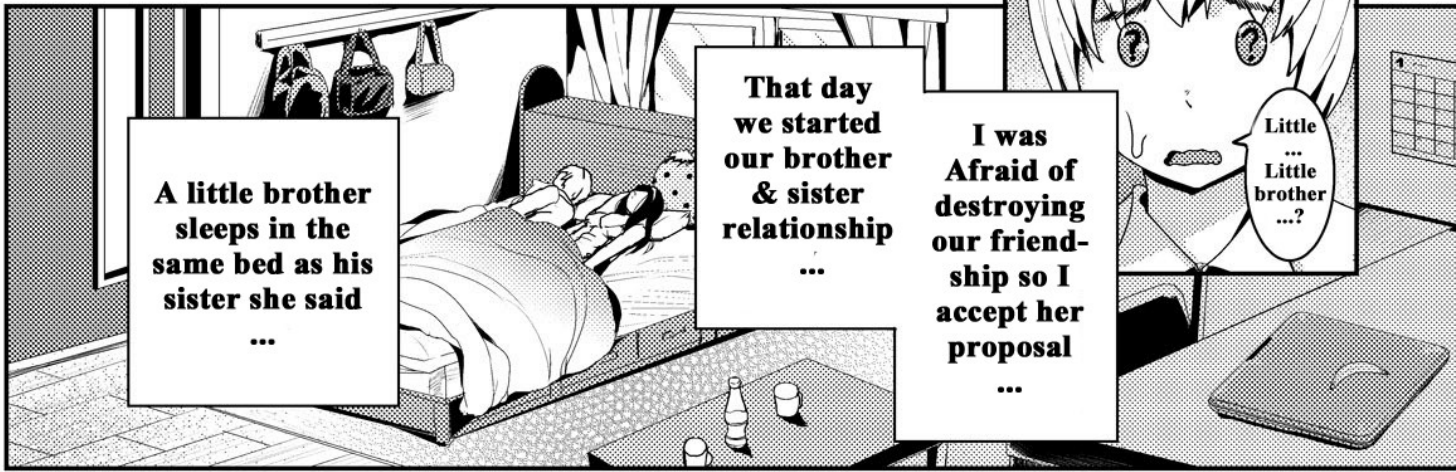

And in the end ...

I only see you as family ...

We can't be together so just be my little brother instead
