

So you want to play that game, huh...

Ohh, I see...

Rio-chan...

ゆ ろ

You're really an evil dark lord, Takeru-chan~

Nooo waayy~ This is my personal paradise~

Ahh, damn it! You're still young and full of energy...

So get out of there right now!

But to tell you the truth, even I wouldn't want to leave!

Stop that! I knew it! You're a demon, Takeru-chan!

GYAA

I'll let all the warm air escape!

FU HA HA HA

In that case, I'll do even meaner things!

I went too far...

You alright, Rio?

Sorry about that.

Ah.

Ha...

Huah...

CHOO!

Still...

I see.  
Mm.

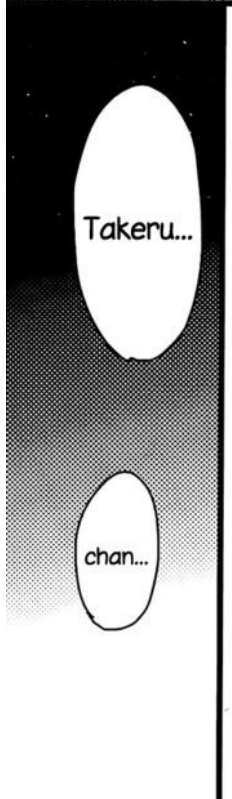

Geez~  
You're like  
a mom,  
Takeru-  
chan~

It was  
just some  
dust,  
that's all~

Love that  
part of you,  
Takeru-  
chan...  
♡

I really...

Takeru...

chan...

...Rio.

Ah...

.....

Or some-  
thing...

Hehe...  
You're  
so  
warm~

We already did it once in the afternoon...

Do you really want to do it again?

Yeah.

I do.

Takeru-chan...

Ah-

I feel like  
could do it  
like five  
times a day  
if it's  
with you,  
Rio.

Eh-?!

Eh-  
No way...

Ah-

Takeru-  
chan~

Don't  
you think  
you like  
this stuff  
a bit too  
much?

Anyway,  
even  
though  
you're still  
saying  
things like  
that...

Well,  
you  
know...

All guys  
are like  
this.

Your  
body...

Sure  
seems to  
be ready  
for it,  
Rio-  
chan~

AH-  
///

You're  
so wet  
that my  
fingers  
could  
just slip  
right  
in.

Fueh?

Yes, I see...  
It seems that you might be even more perverted than I am, Rio.

Let's see if it's true. Keep your eyes peeled now.

I could tell  
There's no way...  
about this...

I bet you had the most "adult" New Years out of everyone in your class.

You had a dick inside you.  
The very moment the year changed...

Uu...  
Okay...

You should have come out of the kotatsu when I asked.

You have only yourself to blame, Rio.

Hah...  
Takeru...  
chan-

Ahh...  
That's good, Rio...

Now, let's see what's going on at Meiji Shrine...\*

Happy New Year, everyone!

\*A Shintō shrine dedicated to Emperor Meiji and his wife.

Have your breasts... Rio.
