In order
to find a
treasure

Adventurer:
Megu

There
it is!

I've come to
the deepest
part of this
cave.

I have a
good
feeling
about
this one!

Fufufu,
you fell
for it.

Where
did
they
come
from!?

Desert predator:
Sound Worm.

You seem like a tasty one. This should be fun.

I'm the ruler of this place.

Kuh!
Let go of me!

What are you getting close for!?

Come here, I'll make you feel really good.

An aphrodisiac effect is spreading through my body!

Looks like you've noticed.

What!?! This is...

Don't worry, soon enough you won't be able to resist.

I make my prey feel pleasure before I eat them.

No way! Doing something like that here is just..!

Shit! The effects have already started!

Stop it! Don't come any closer!

Mmmgh!?

Let's get even closer to one another.

We can feel good together.

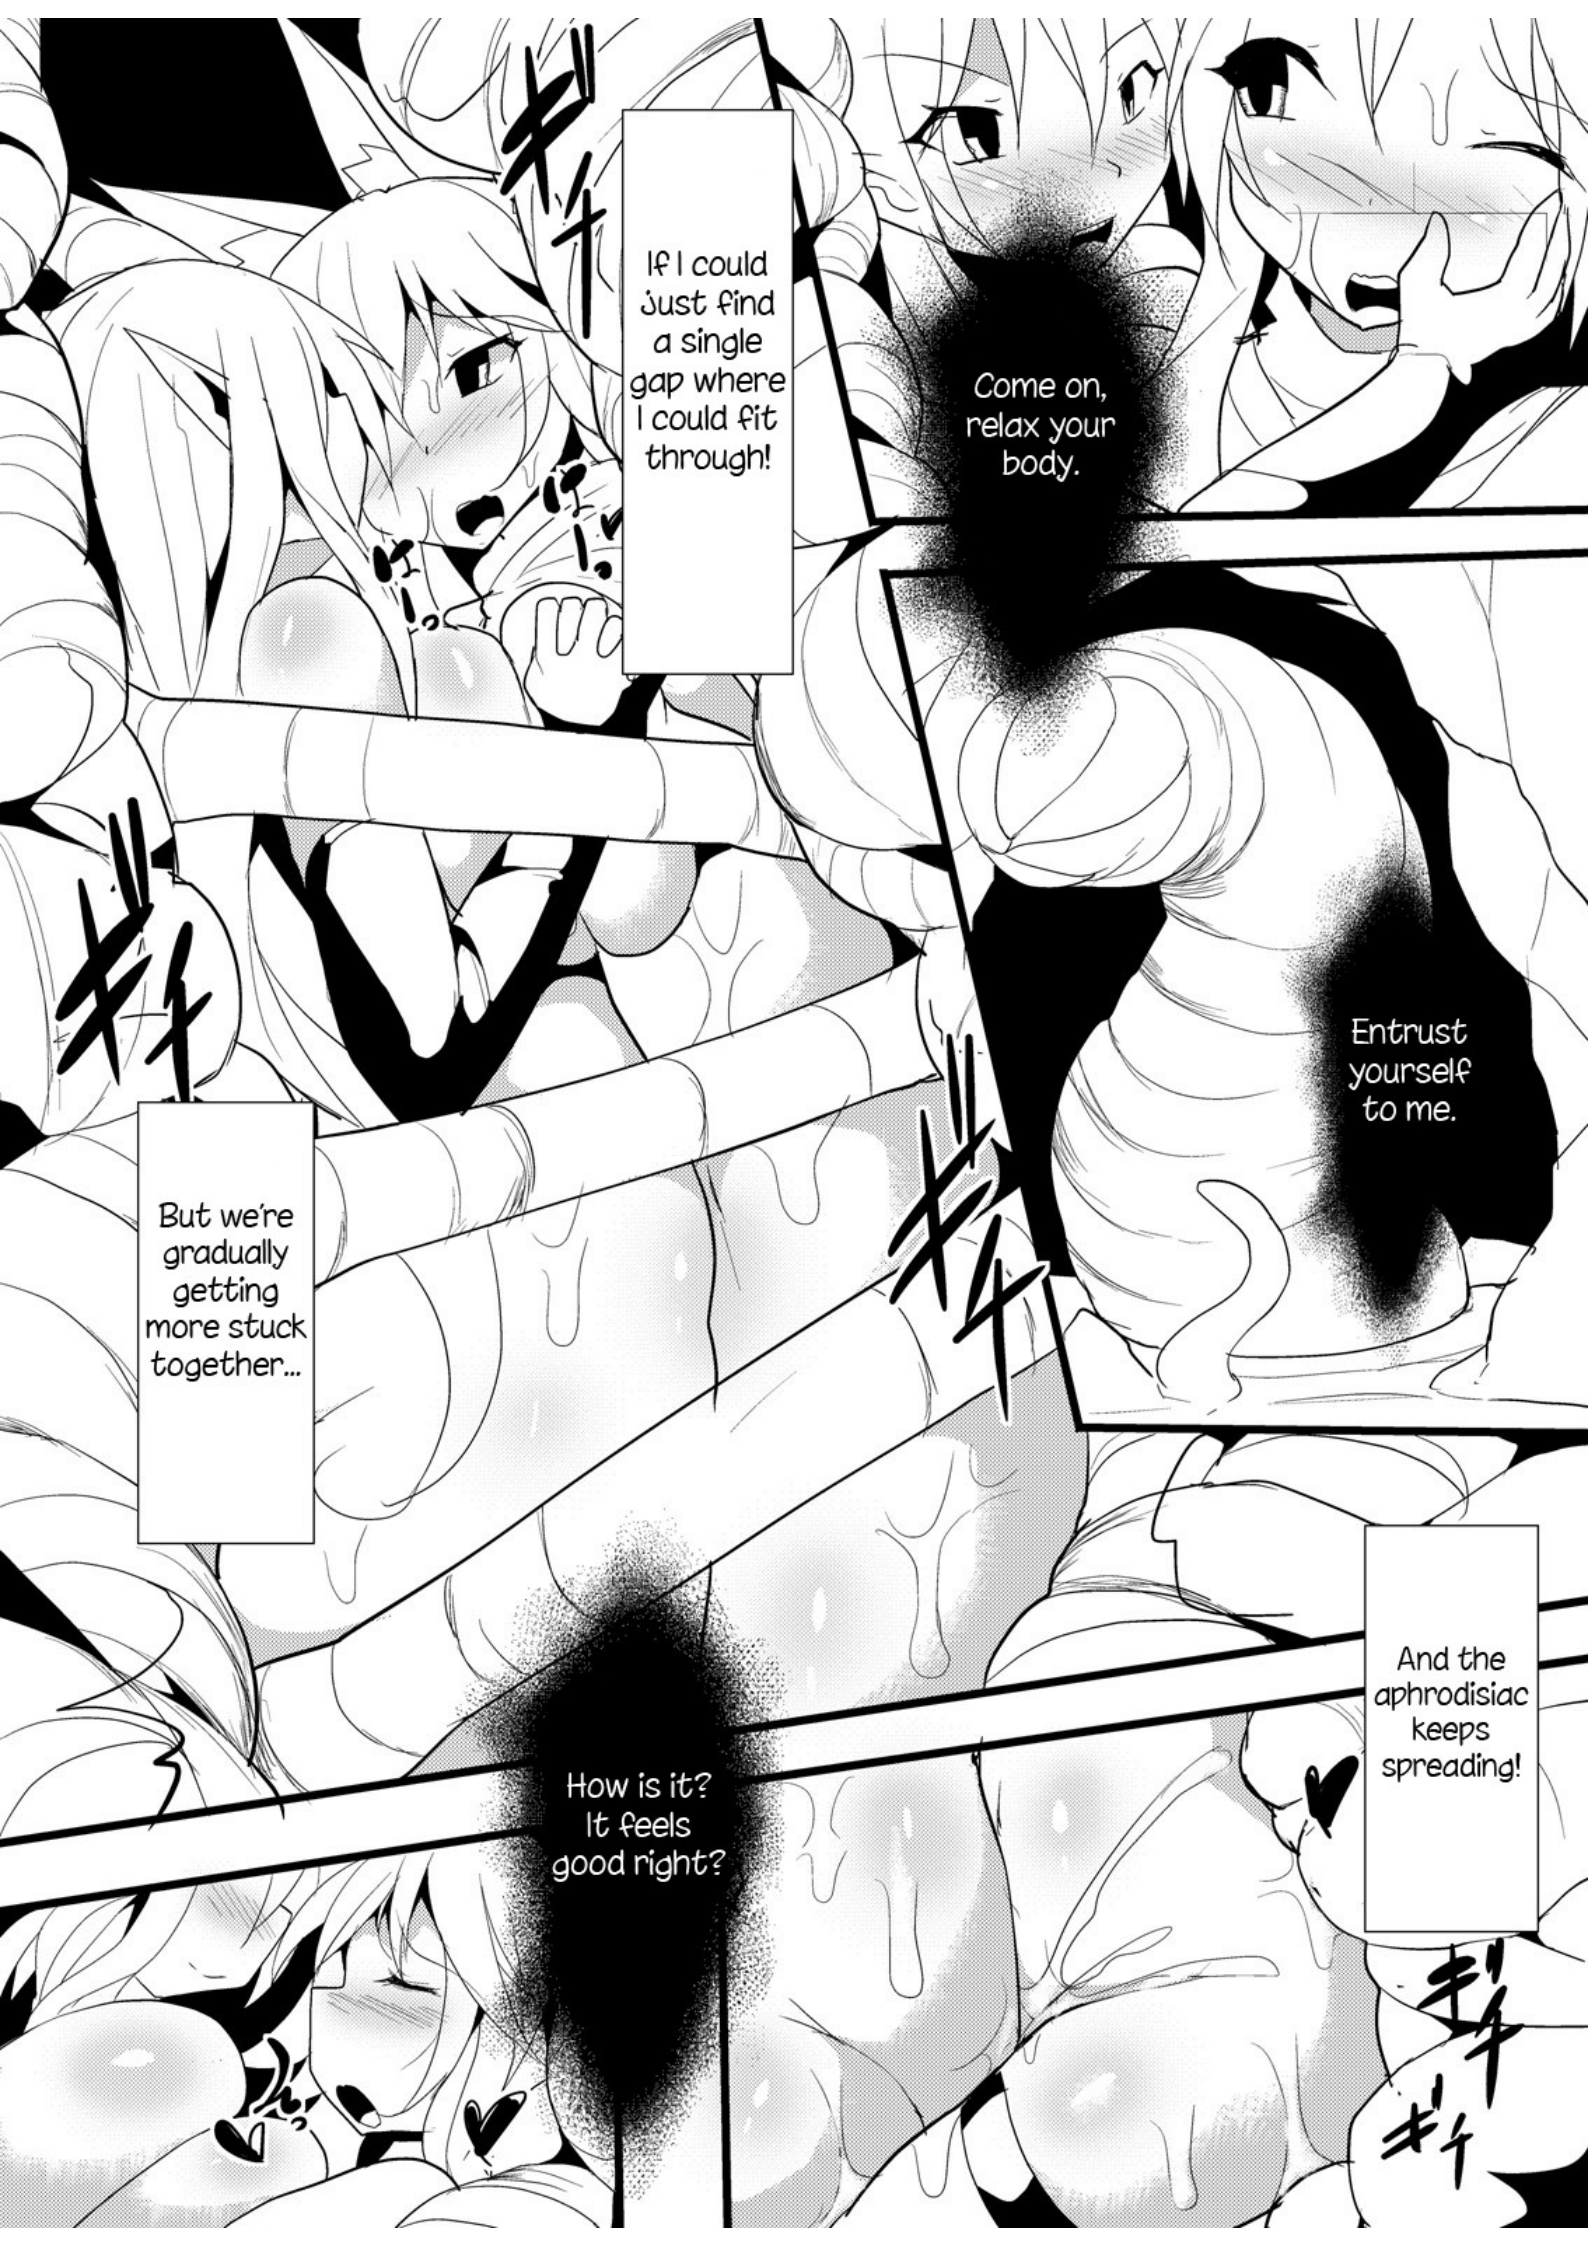

You can't
run away
anymore.

Nhaaaa!

I'll make
sure to
thoroughly
satisfy
you.

On top
of that
she's even
making
me feel
good down
there.

Ugh!
Because
of her
flesh walls
we are
completely
stuck
together!

If I could
just find
a single
gap where
I could fit
through!

Come on,
relax your
body.

Entrust
yourself
to me.

But we're
gradually
getting
more stuck
together...

How is it?
It feels
good right?

And the
aphrodisiac
keeps
spreading!

If we
rub our
breasts
like
this...

But you
know...

We can
feel even
better.

We're both
girls but...
Because
of the
aphrodisiac
this feels
strangely
good.

Nhaaaaaa!

It feels
really
good!

Her
entire
slippery
body
keeps
rubbing
against
mine.

I'm going
crazy
down there.

I'll let you
feel the
greatest of
pleasures.

It's time
to finish
it now.

What are
you going
to do now!?

Go on
and cum.
I'll even
help you
out and
rub my
body on
you.

It's
gotten
even
tighter
than
before!

Aaaaah!

Please...stop!
I can't take
any more
than this!

But the
truth is
you want
more.

You say
that...

I can't
hold it
any
longer!

Cum-
ming!

Cum-
ming!

Agh....

!!?

The background of the entire image is a dark, cavernous space with large, reddish-brown rock formations. In the center, three anime-style characters are depicted. On the left, a pink-haired girl with red eyes and small horns is smiling, with her hands on the chest of the girl in front of her. In the middle, a blonde girl with red eyes and a headband is looking surprised. In the foreground, a smaller pink-haired girl with a white fox mask and a sword is looking towards the viewer. The title '魔洞亭' is written in large, stylized, colorful characters across the middle, with 'マクツテイ' written in smaller characters below it.
