

Now, if you would kindly fill these up.

You must get along so well with your little sister to go on a trip with her.

Oh- We're heading straight to the room, okay?

Onii-chan.

Can I go look at the pond?

Huh?

What?

Okay~

I'm not that comfortable sharing a bath with people I don't know, though.

I heard the female bath area is more spacious.

You should have tried it as well, Hikari.

Man, open air baths are the best.

I also enjoyed having a dip in this room's bathtub, so really, it's okay.

But they're still strangers to me. I can't even strike a conversation with them.

Even though they're girls as well?

This inn is also very nice....

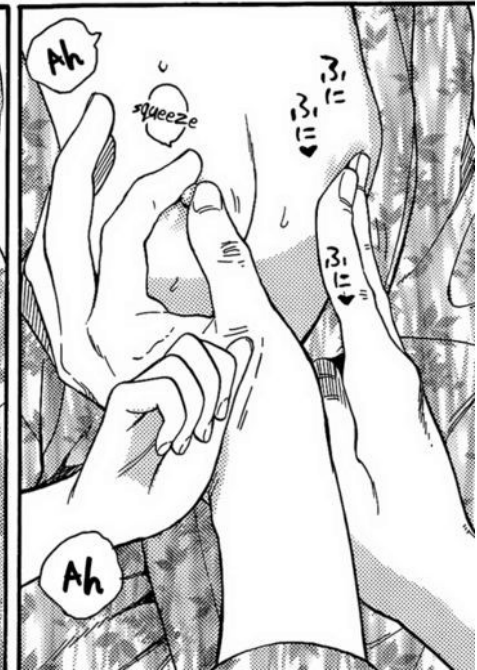

Don't worry, I always wanted to go here together with you...

Um, Tetsuji-kun... Thank you for taking me along with you on this trip...

Ah

It had more room than...

I can smell the hot springs in you.

Ah

suck

Kiss  
Kiss

Ah...

Ah

Sorry... I got carried away.

Hah

Hah

That's-

That's okay...

scary...

It kinda looks

I-

Were you

thinking of this when you...

were in the bathtub?

rub

rubrub

I was...

Hah

uh

ah

Hah

Hah

stroke

Does that feel good?

Just the two of us...

I've always thought about doing this...

First time I heard you cry out like that...

Ah

Yeah

Ah

I can't get enough of your reactions.

spish

spish

spish

spish

Ah

That's...

I've always wanted to do it with you...

Ah

I kept imagining how you would feel like...

but that wasn't enough for me.

roll roll

spish

Ah

Ah

Yeah

Yeah.

You...

You've always thought of-?

spish

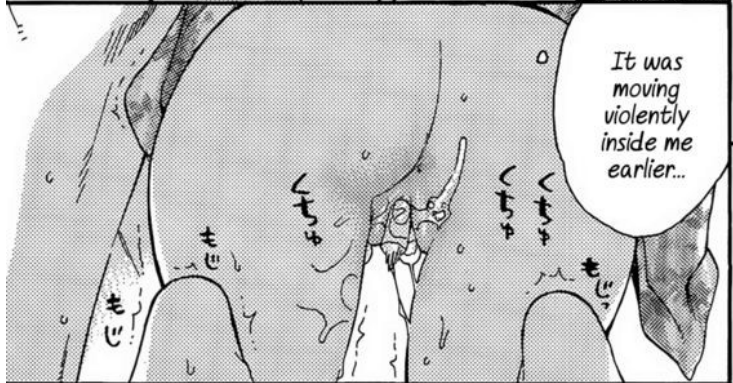

spish

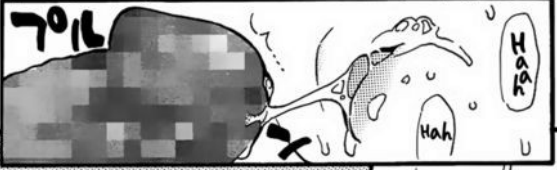

mh  
can't  
splish  
splish  
hold it in!  
Hh  
I...

I can't-  
You're so hot-  
huff  
huff  
huff  
huff  
If you keep on doing that-  
Tetsuji-kun...  
Te-  
I won't be able to keep quiet-  
Is it too much for you? Do you want to cry out?

If he keeps on pumping into me like this...  
It's... grinding against me...

It's-  
thrust  
thrust  
Again...

I'm going numb from the pleasure.  
I can't feel anything anymore...

That's a lot of souvenirs.

I have a shift after this, I'm really sorry...

Okay, see you later.

It's fine.

I'm going on ahead, okay? It really wouldn't be good if anyone we know would see us.

I'll text you,

promise!

Let's go somewhere else next time.

ONII-CHAN!

Tetsuya-kun isn't really my brother, nor are we family.

Back from your club field trip?

Fancy seeing you here.

Crap

I never really get the chance...

Because of our daily lives...

Can I have these?

Quit it!

to have him all for myself.
