

For about a week now I've been having these wet dreams with girls with non-human features.

Come ooon~!
Have sex with us already!
♥

Fufufu!
♥

Now, now,
don't rush!
The night is still young,
after all!

Right now, I work as a lab assistant for someone.

Doctor, I am taking these documents too.

'kay, thanks!

CRAP!
I'm gonna be late!

And every time, at this exact scene, morning comes and I never get to see the rest. In a sense, a true nightmare.

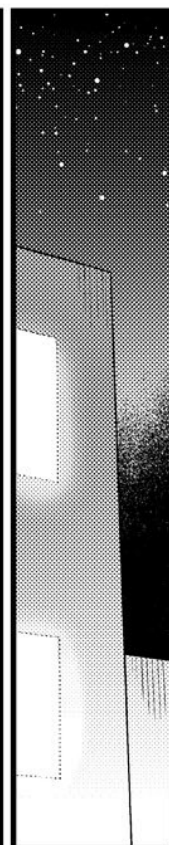

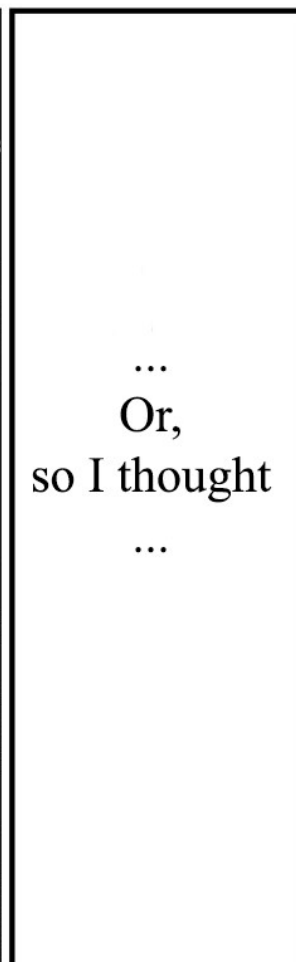

Currently, our research focuses on splicing together the DNA of different species to create so-called "chimeras."

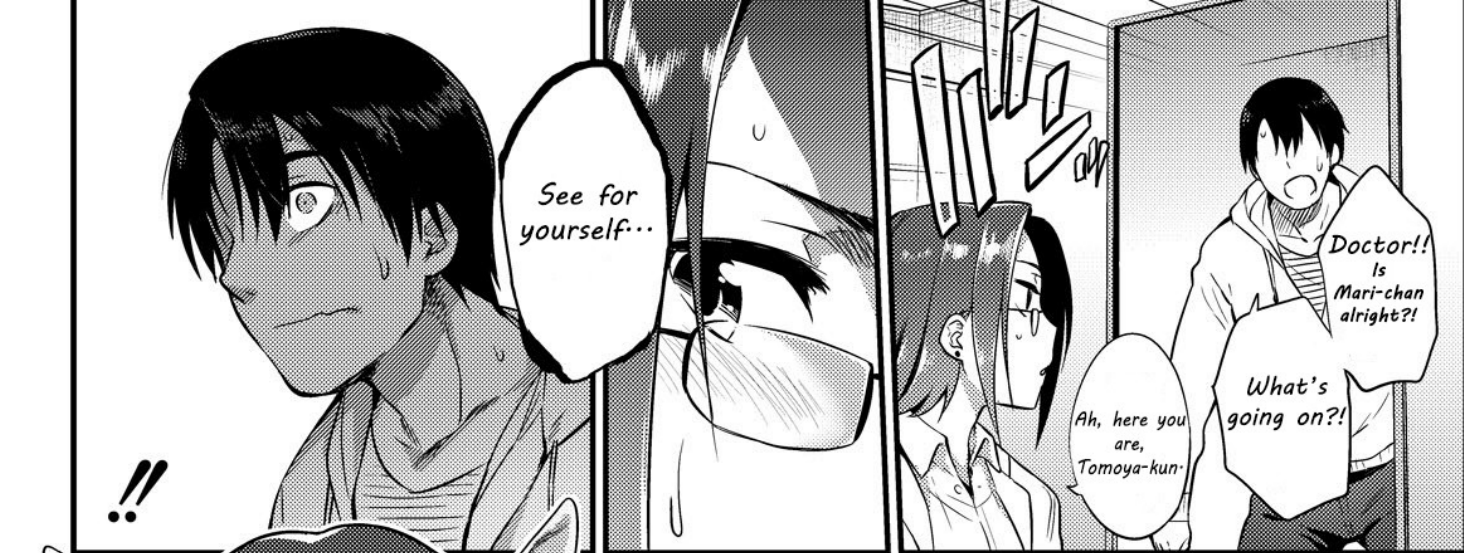

Fetch me a coffee while you're at it.

Got it!

And that someone is this biologist, DR. Inoue Rina.

The Forbidden Prescription

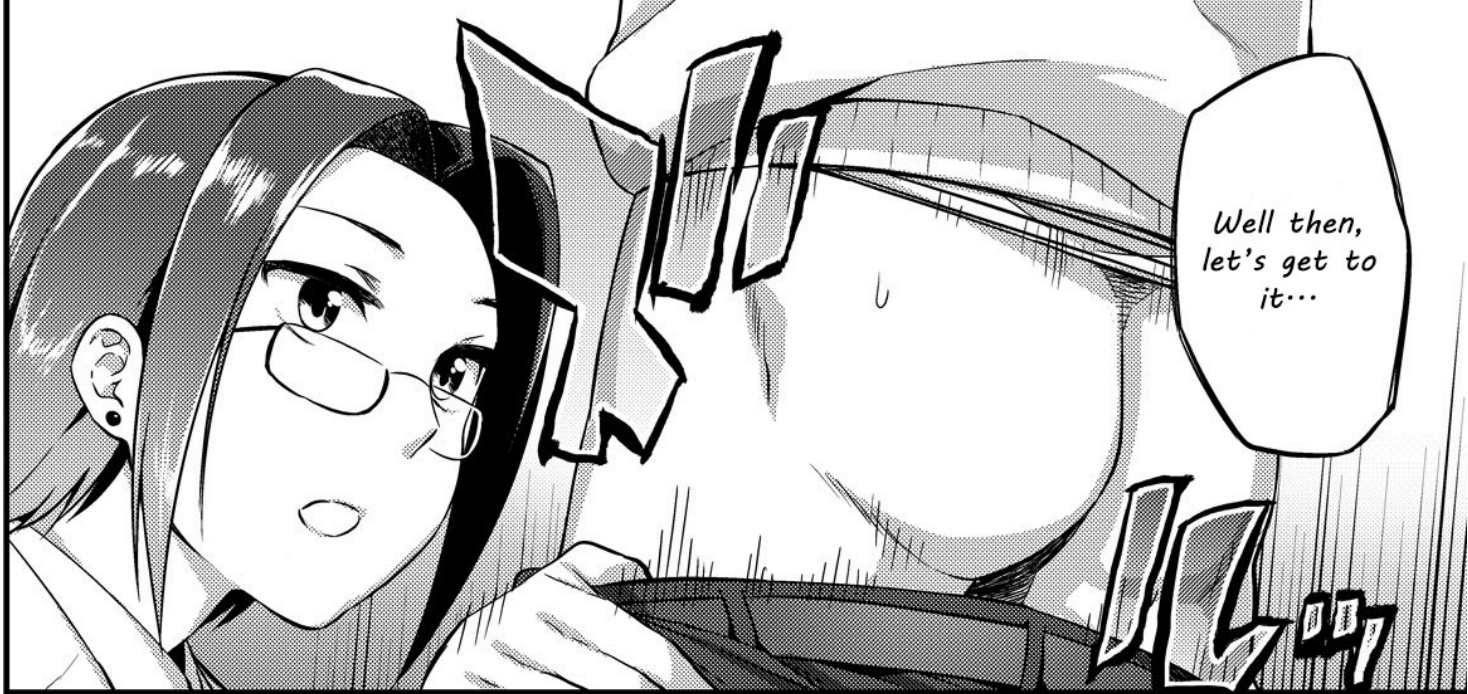

前編

Part One

After she accidentally drank from the experimental medicine, Mari-chan's lower half no longer looked human

みぞね

Well then,
let's get to
it...

Just bear
with it
for a
little
while...

Only semen
can save
Mari-chan
now.

Blood
won't
cut
it.

...If
that's
how it
is...

Then,
I'll do
it...

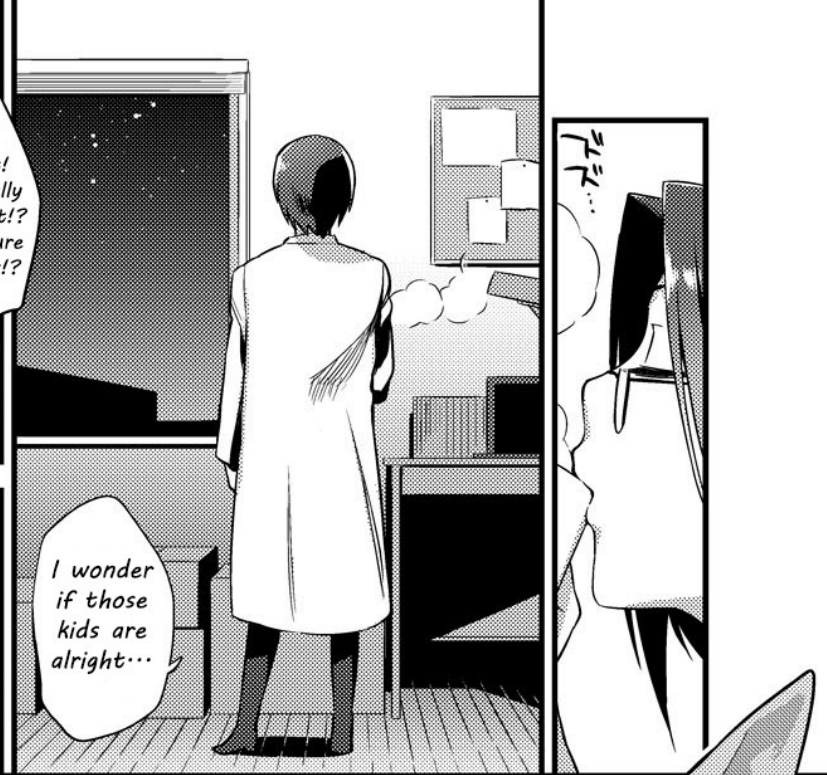

I mean, it's
my fault I
drank the
thing in the
first place
and all...

Uwaaaaah...
My first real job
as an assistant...
is this?!

Mama,
wait!!

Those soft lips
and that small
tongue!
They're
wrapping
around me...

Oooh...
Uuuooohhhh...!!!

It's like my
penis is
being
milked!

In fact,
it kinda
feels
too
good,
so...

No, it's
not like
that...

Puhoo

AHE?
It doesn't
feel good?

Mari-chan,
you don't
have to go
that far...

Really?!

MARI-CHAN,
I AM
CUMMING
INSIDE YOUR
MOUTH!

BRACE
YOUR-
SELF!

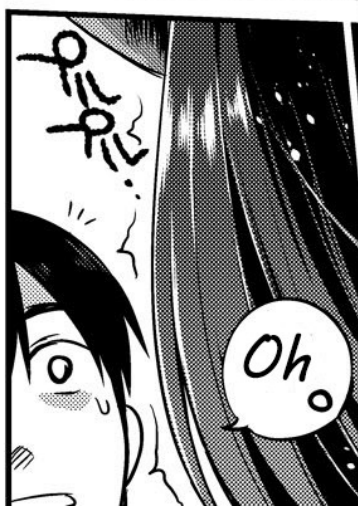

If she's
sucking on it
so happily...

PHAA!

Mmm~

Wha?
Her pussy
became so
tight...!

It did
really
hurt,
after
all,
didn't
it?

Could it
be that
you
came?

Jusht...
Whait...
Jusht for
a little
bhit...

Ah...
I'm
shorry...

I have to
restore her
right away!

Is this also an
effect
of the
medicine?

Most likely,
her
sensitivity has
temporarily
increased.

NO..
NO
WAY...

NO WAY!!
NO WAY!!!
If we do it
now, I will...
Again, I
will...
♥

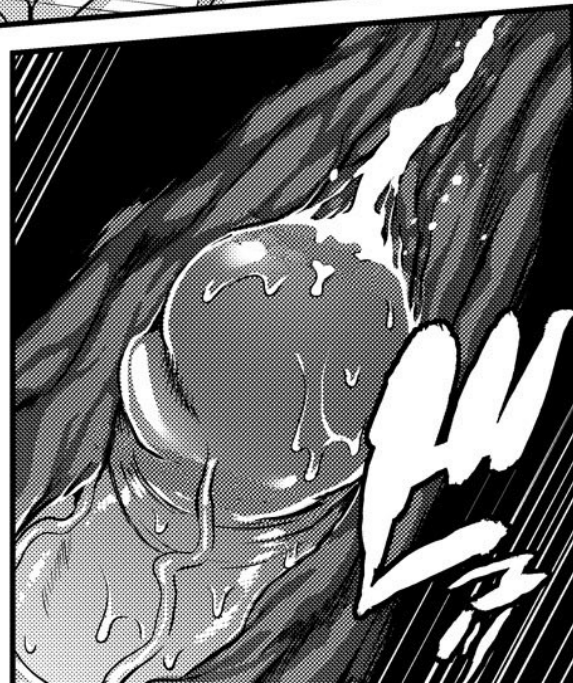

Nghu?
The
semen is
coming?
No,
wai...

Any
more,
and I'll
die...

... Any
more of
this...

CUMMING
INSIDE!

She's
getting
even
tighter
again...!

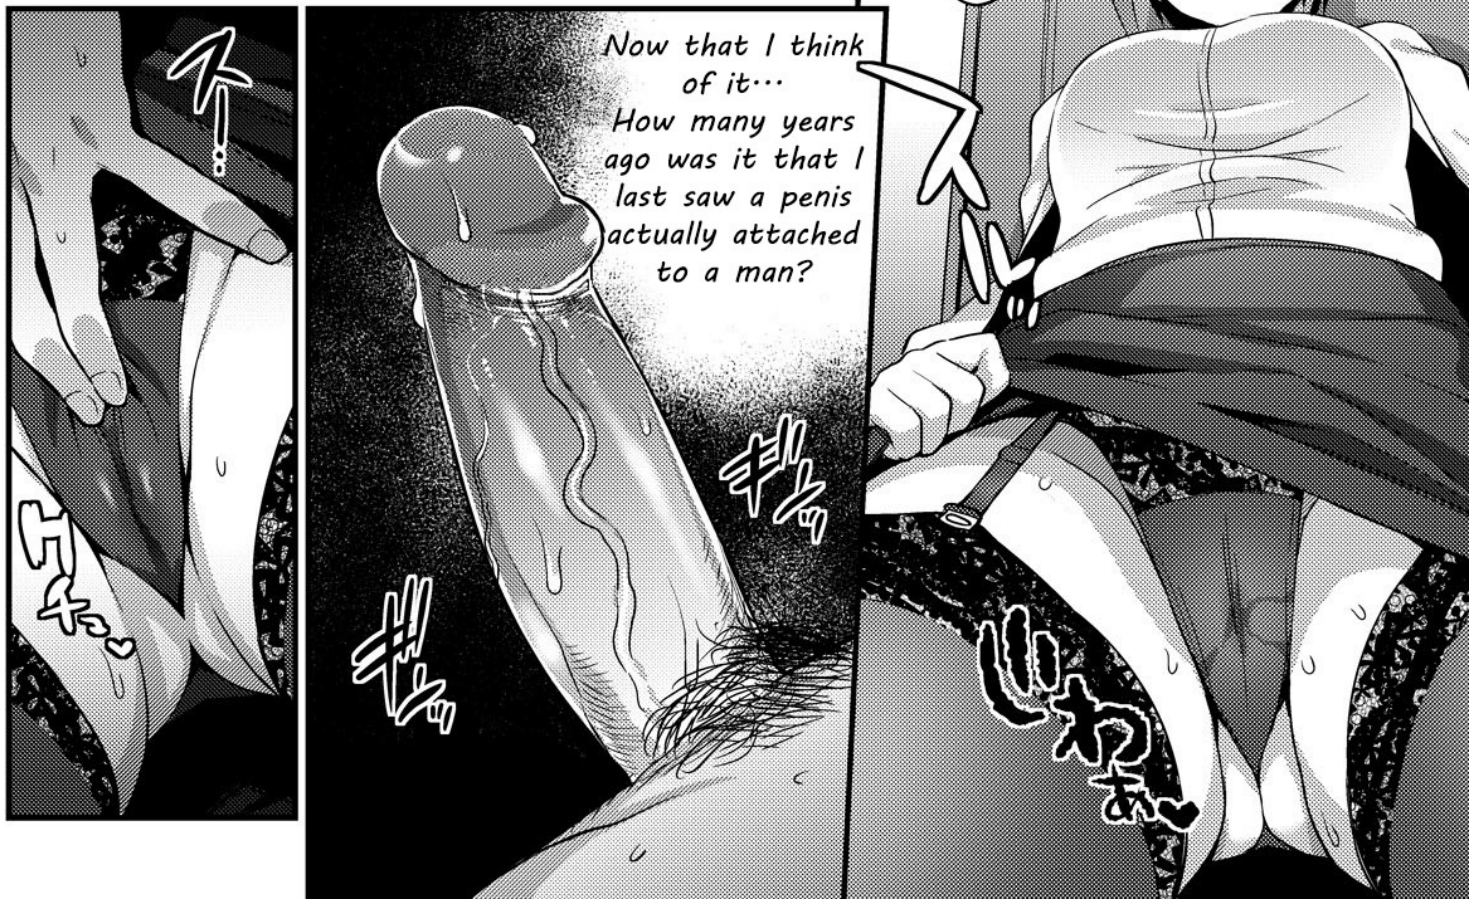

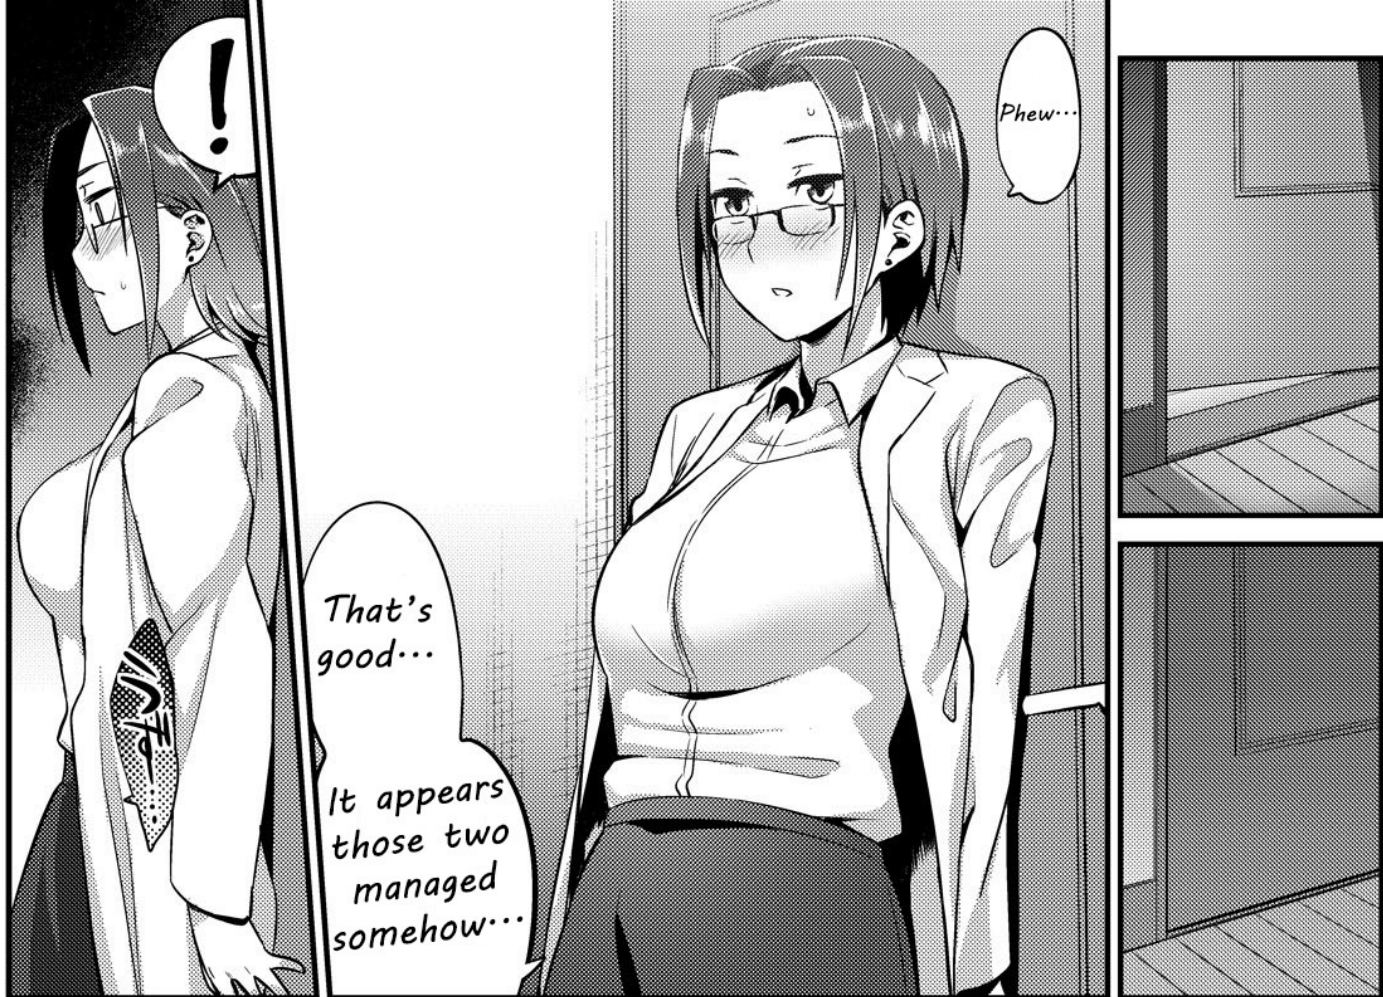

Mee
too...
I'm
about
to...

And after that, in a few hours...

Mari-chan's body returned to normal.

Me too....
I want his
penis too....
In heere!

Good
morning
kiss~!

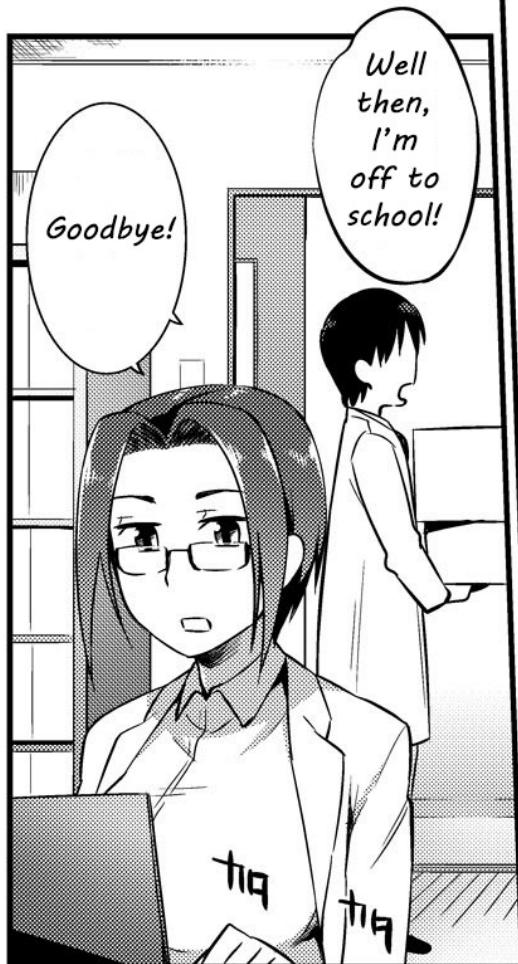

No,
actually...
Our
relationship
did change
a little.

Hi!

Good morning~
Tomoya-san!

After that, there
hasn't really
been anything
unusual and
everything
returned to
normal...

Goodbye!

Well then, I'm off to school!

Next time, have sex with me in this form!

E!!

It seems all is well now.

But this event was merely the beginning.

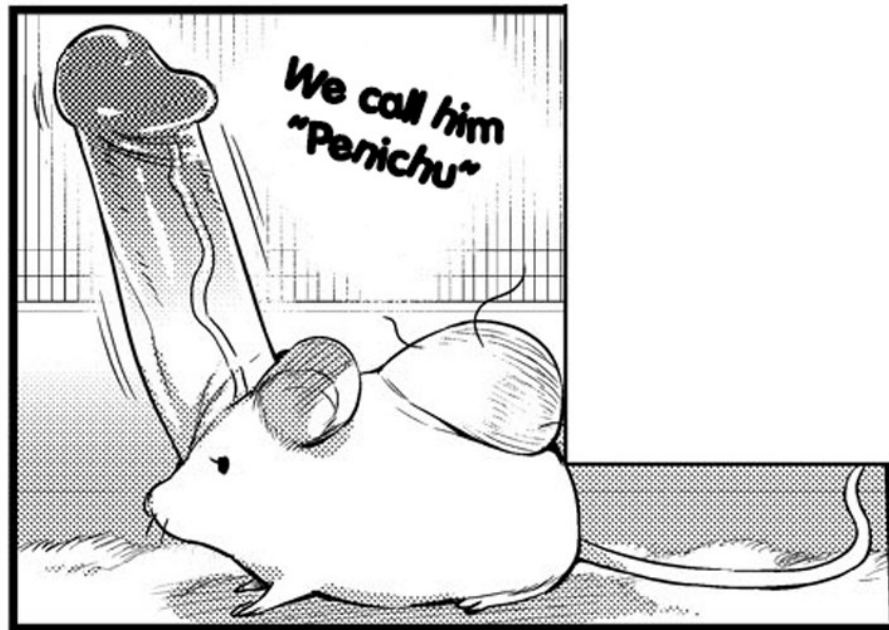

Doing both of us at the same time! How luxurious!

But at that time I did not yet know that it was no wet dream, but a premonition!

On the night of that day I saw the usual dream again.

Okay, you mean like this?

To be continued

*Buckle up, Ash! We're
gonna need two balls for
this one!*
