FAREFALLA ARMONIA

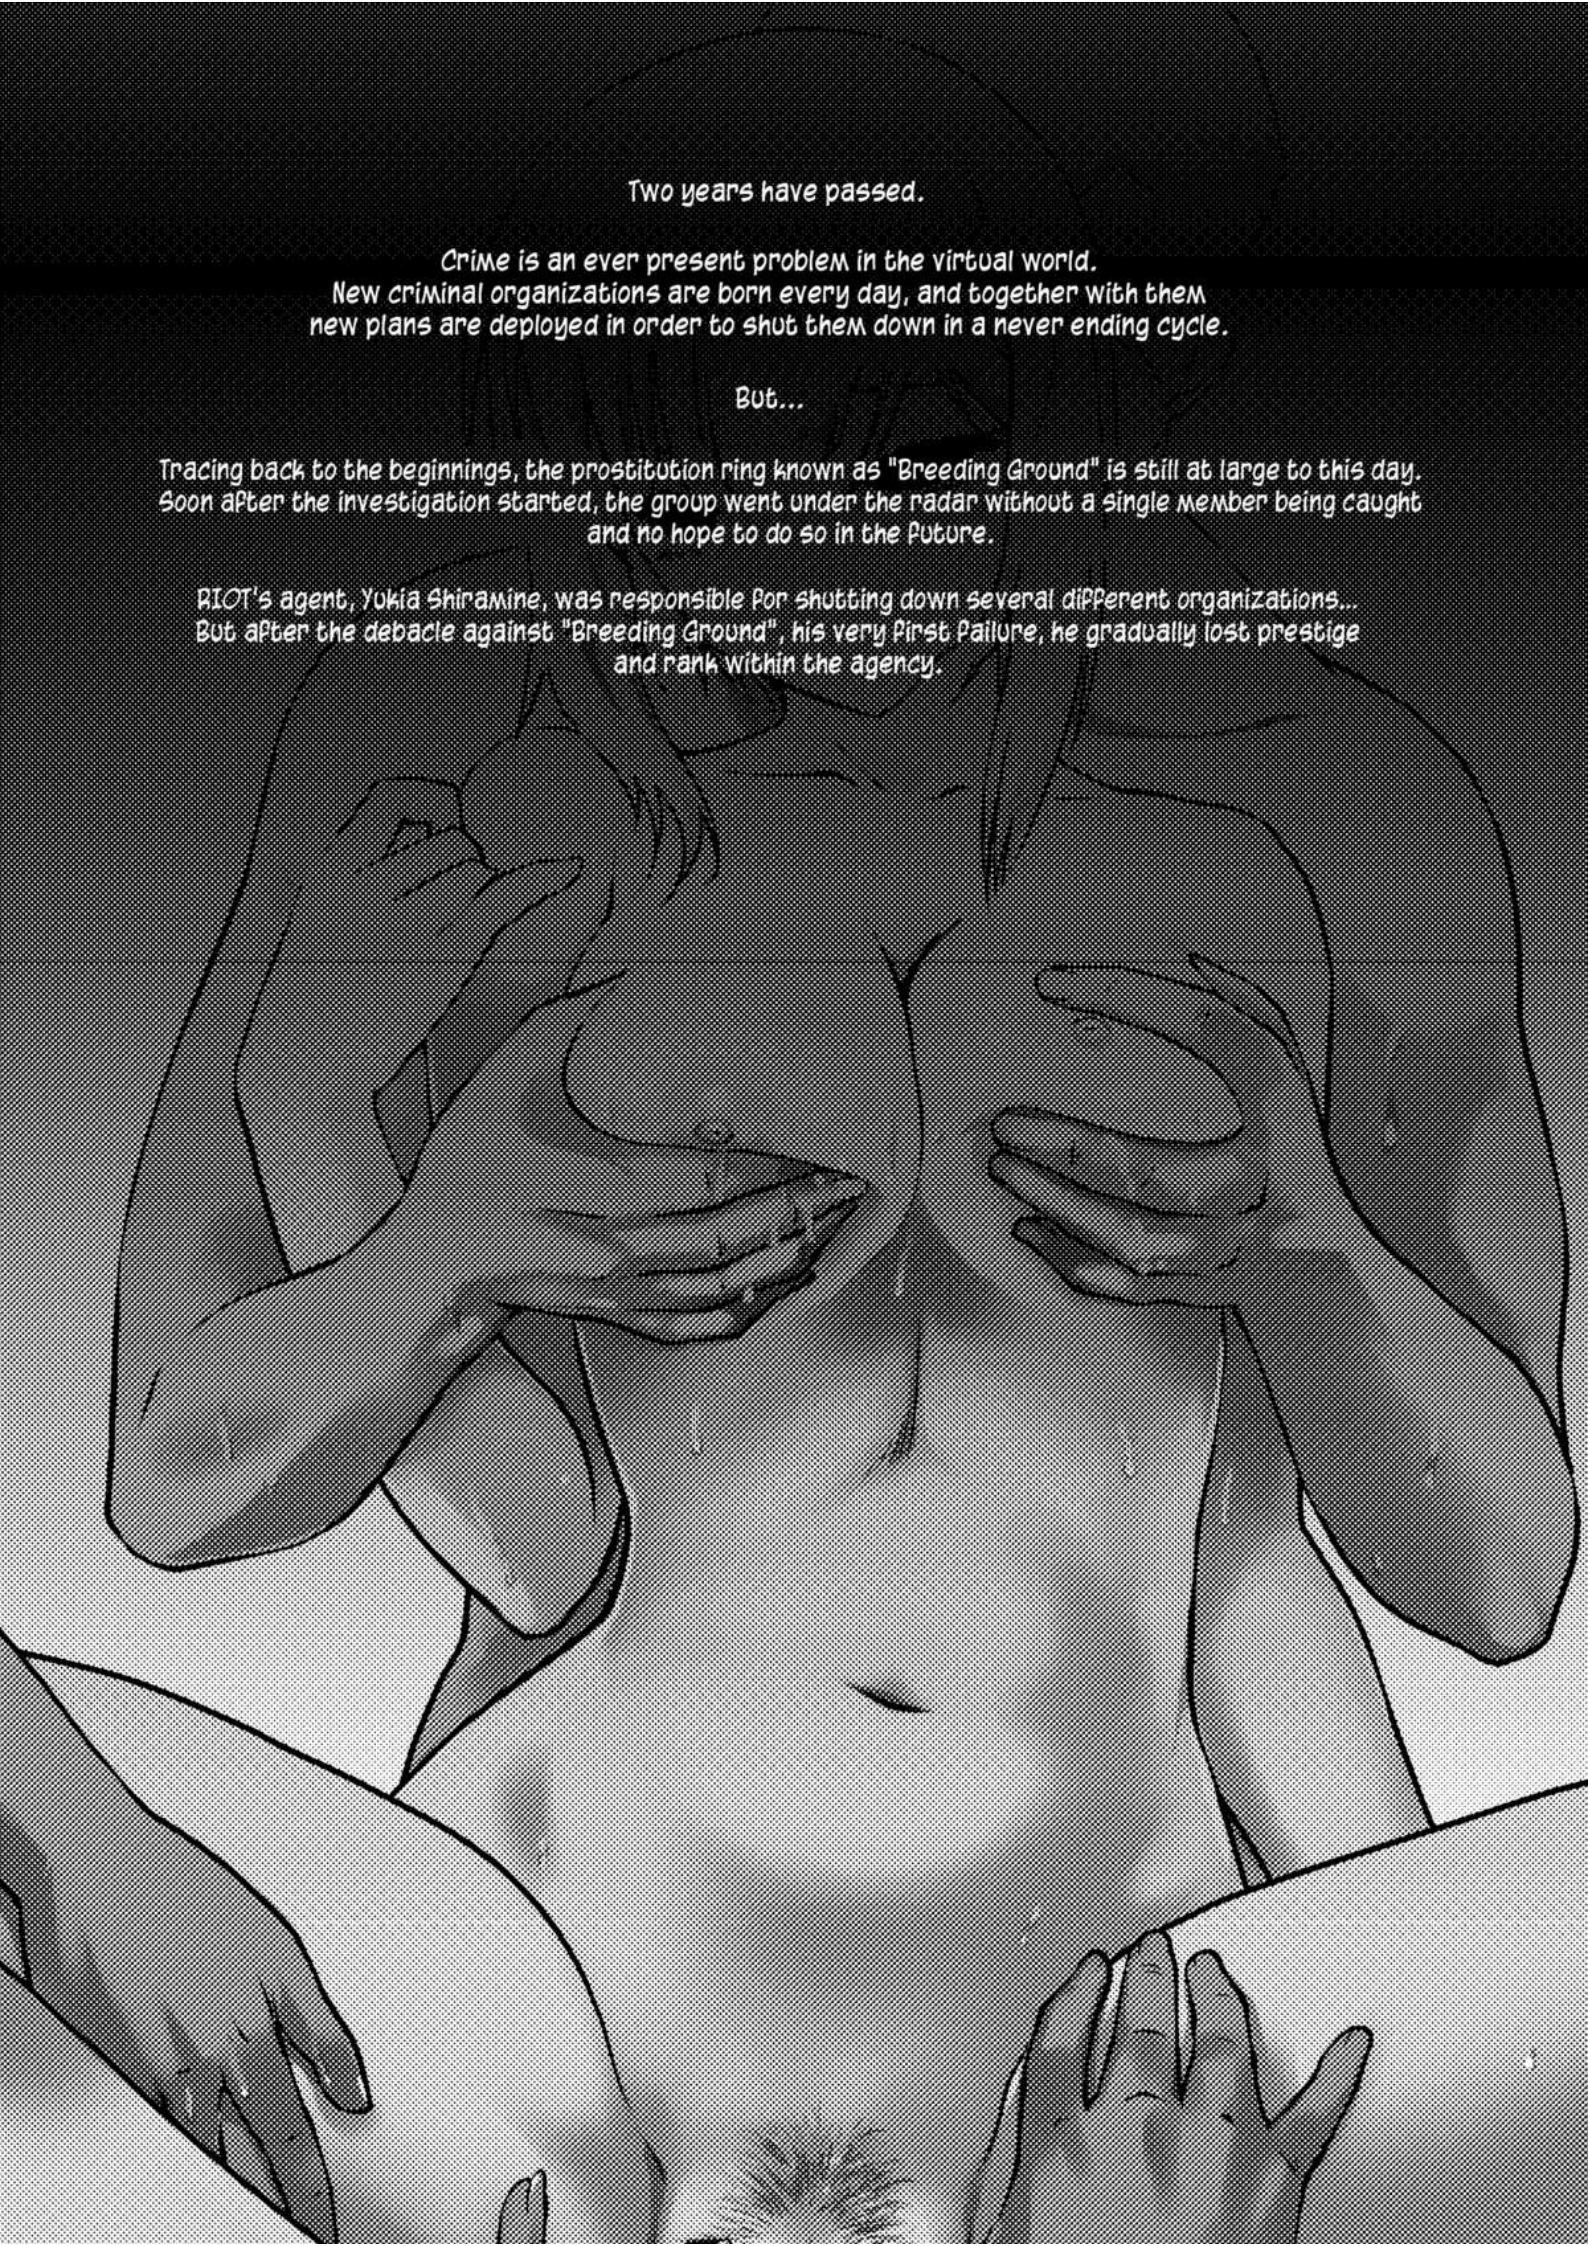

Two years have passed.

Crime is an ever present problem in the virtual world.
New criminal organizations are born every day, and together with them
new plans are deployed in order to shut them down in a never ending cycle.

But...

Tracing back to the beginnings, the prostitution ring known as "Breeding Ground" is still at large to this day.
Soon after the investigation started, the group went under the radar without a single member being caught
and no hope to do so in the future.

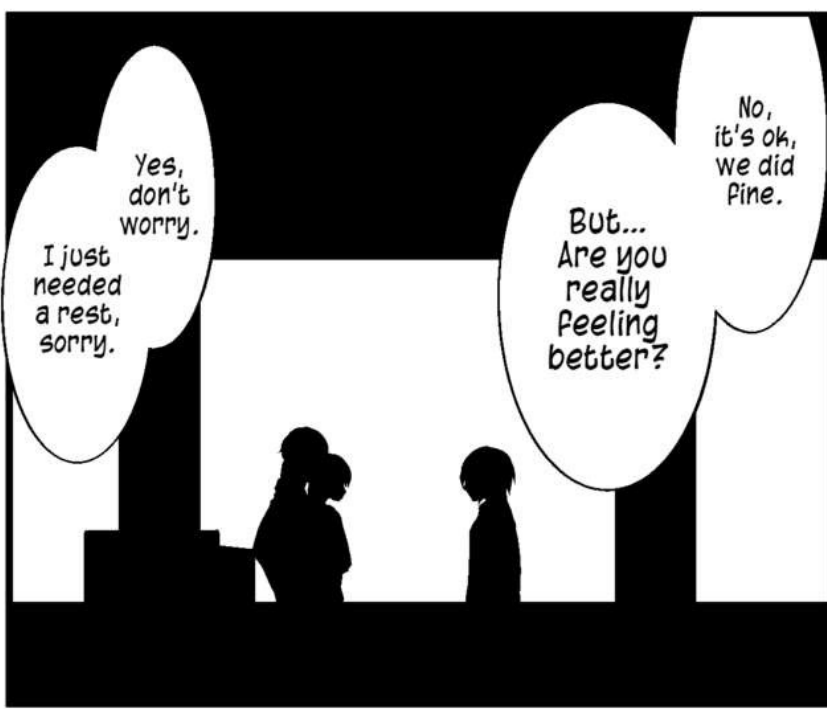

RIOT's agent, Yokia Shiramine, was responsible for shutting down several different organizations...
But after the debacle against "Breeding Ground", his very first failure, he gradually lost prestige
and rank within the agency.

Are you ok? Shouldn't you rest?

...ah, chief!
Good Morning!

Yes, don't worry.
I just needed a rest, sorry.

But... Are you really feeling better?

No, it's ok, we did fine.

She's right!
You're not on your own anymore, we're all working together here!

You don't need to overwork yourself!

Morning, Mr. Tou.

Miss Ishida.
Sorry for leaving so suddenly the other day.

FARFALLA ARMONIA

Thank you, guys.

Being sent here to the archives must've been quite the hard blow.

The failure on that case cost him his seat in his old section.

I wouldn't be surprised if they laid him off for good one of these days.

I still think it was too much for a single person. The stress is still affecting him now, he's always sick.

Hey, check it out... He's going over those two year old files again!

Really? Still an open wound, I suppose.

He always looked harsh to me, the kind of person you don't want to work with.

But thank god he's much more friendly now!

I'm feeling under the weather again, I'd like to go home early.

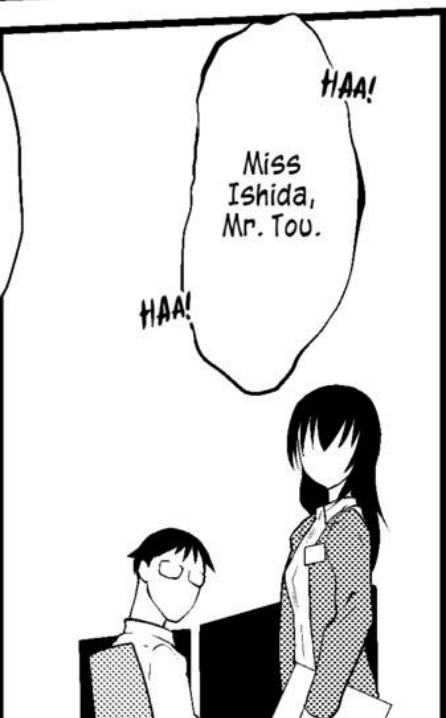

HA!
HA!

I'm so sorry. Haa...

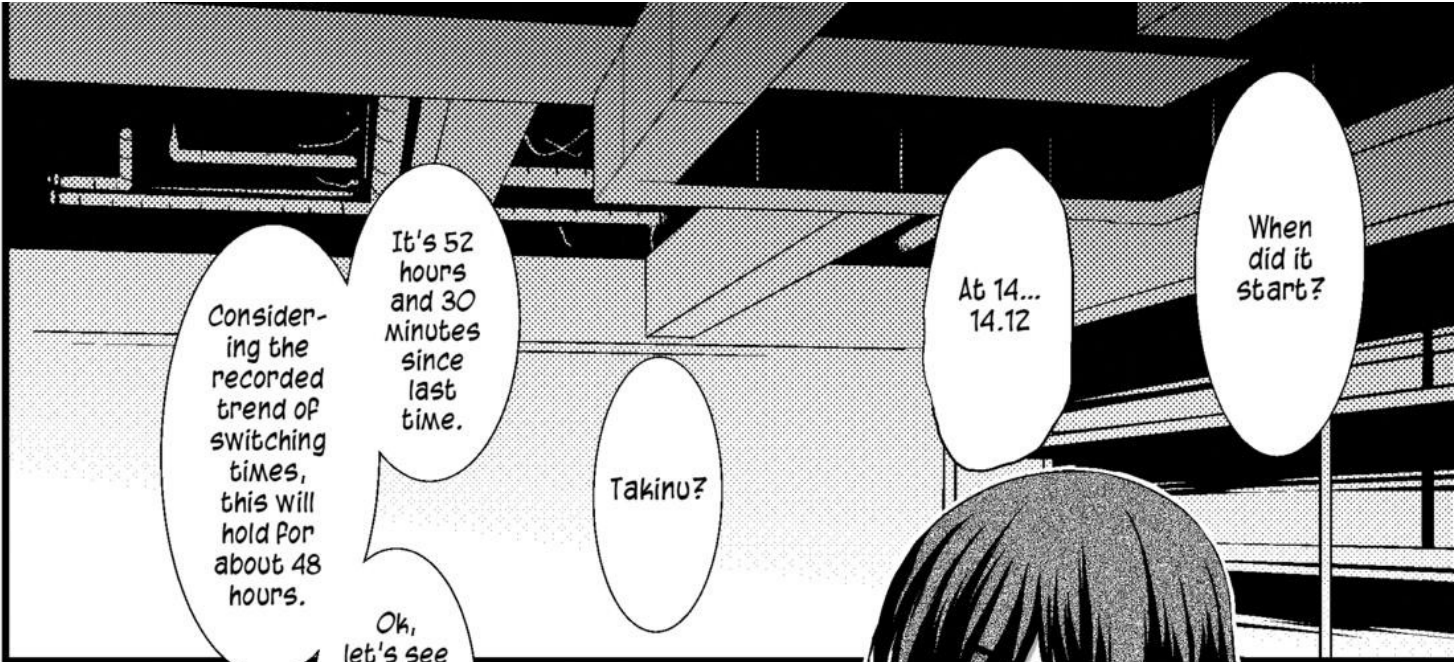

HAA...

Miss Ishida, Mr. Tou.

HAA!

HAA!

When did it start?

At 14... 14.12

Considering the recorded trend of switching times, this will hold for about 48 hours.

It's 52 hours and 30 minutes since last time.

Ok, let's see what you've got this time.

Things like dropping my hips on his dick, feeling the pleasure of my contractions as he pries me open...

Everything I do nowadays helps overwriting my male self.

The pleasure I get from what used to be my dick, all shrunk now.

The sensation of my freshly grown breasts being savaged by his hands and mouth.

And then...
And then!

being torn apart each time like it was the first.

My freshly grown hymen

A Few More cycles and you'll stay a woman forever.

Huh? Her again? I bet we're close...

Hey! Are we late for the party?

HA!
More!
Gimme more...!

I want it!

Feeling My own body... no

I want to feel My old body being broken down.

Looks like they won't grow past E cups though.

Have they gone up a size again?

HN!

Fuck yeah... Former Men give the best head!

NGH!

MGH!

HN!!

OH!

Not being a man anymore, leaving all of that behind Me...

Go ahead, all the holes! Bury it in there!

I still prefer the back door!

That damn firmness when you put it in!

I know you, I'm sure you can

take it!

AH!

Ah, not yet! I'm not ready there!

Wait!

Not there, not yet...!

AH!

NGH!

Hey, c'mon, your mouth ain't busy!

Double penetration is the Pucking best!

I can feel you rubbing it back there, mate!

Burned down and broken

After that, I'll be just holes.

in the blink of an eye.

WHOA!
It feels like her ass is vacuuming me!

Why don't you show your colleagues your blowjob face?!

Meat holes and nothing more.

HFF!
HN!

I'd keep Pucking you even if you changed back to a Man right now!
Any problem?!

SO MUCH!!

Just break me even more...

うん!!

46
hours
before
she
turned
back.

It's not
as
stable
as we
thought
...

There
you
are,
Snow
White.

Wanna try?

We've replicated his brain waves, the key.

I have no idea whether his "boost" would be compatible with your body and actually work.

But we found one more who could maintain the changed state.

Out of all the people who saw the dream like you, only one actually experienced these sex changes.

"It can be dangerous", right?

But...

You know my answer won't change.

HEHE!

I figured. You haven't said no to anything so far.

Will you ever grow up?

Look at you and your stubbly unshaven face...!

I'm never gonna stop until I can get pregnant with your baby.

Fin.

あとがき

最後までお付き合いいただきまして
本当にありがとうございました。

本作のラストは結局この二人の
イチャラブで締めさせて頂きました。

これ以外にも完全に悪堕ちモードで
若い子を誑し込むしらゆき、
というネームも考えたのですが
そちらはもはや男だった頃の名残は欠片もない
単なる悪堕ち熟女だったので
ネーム的には面白くないと感じて
今回の変身過程を描く形にしました。

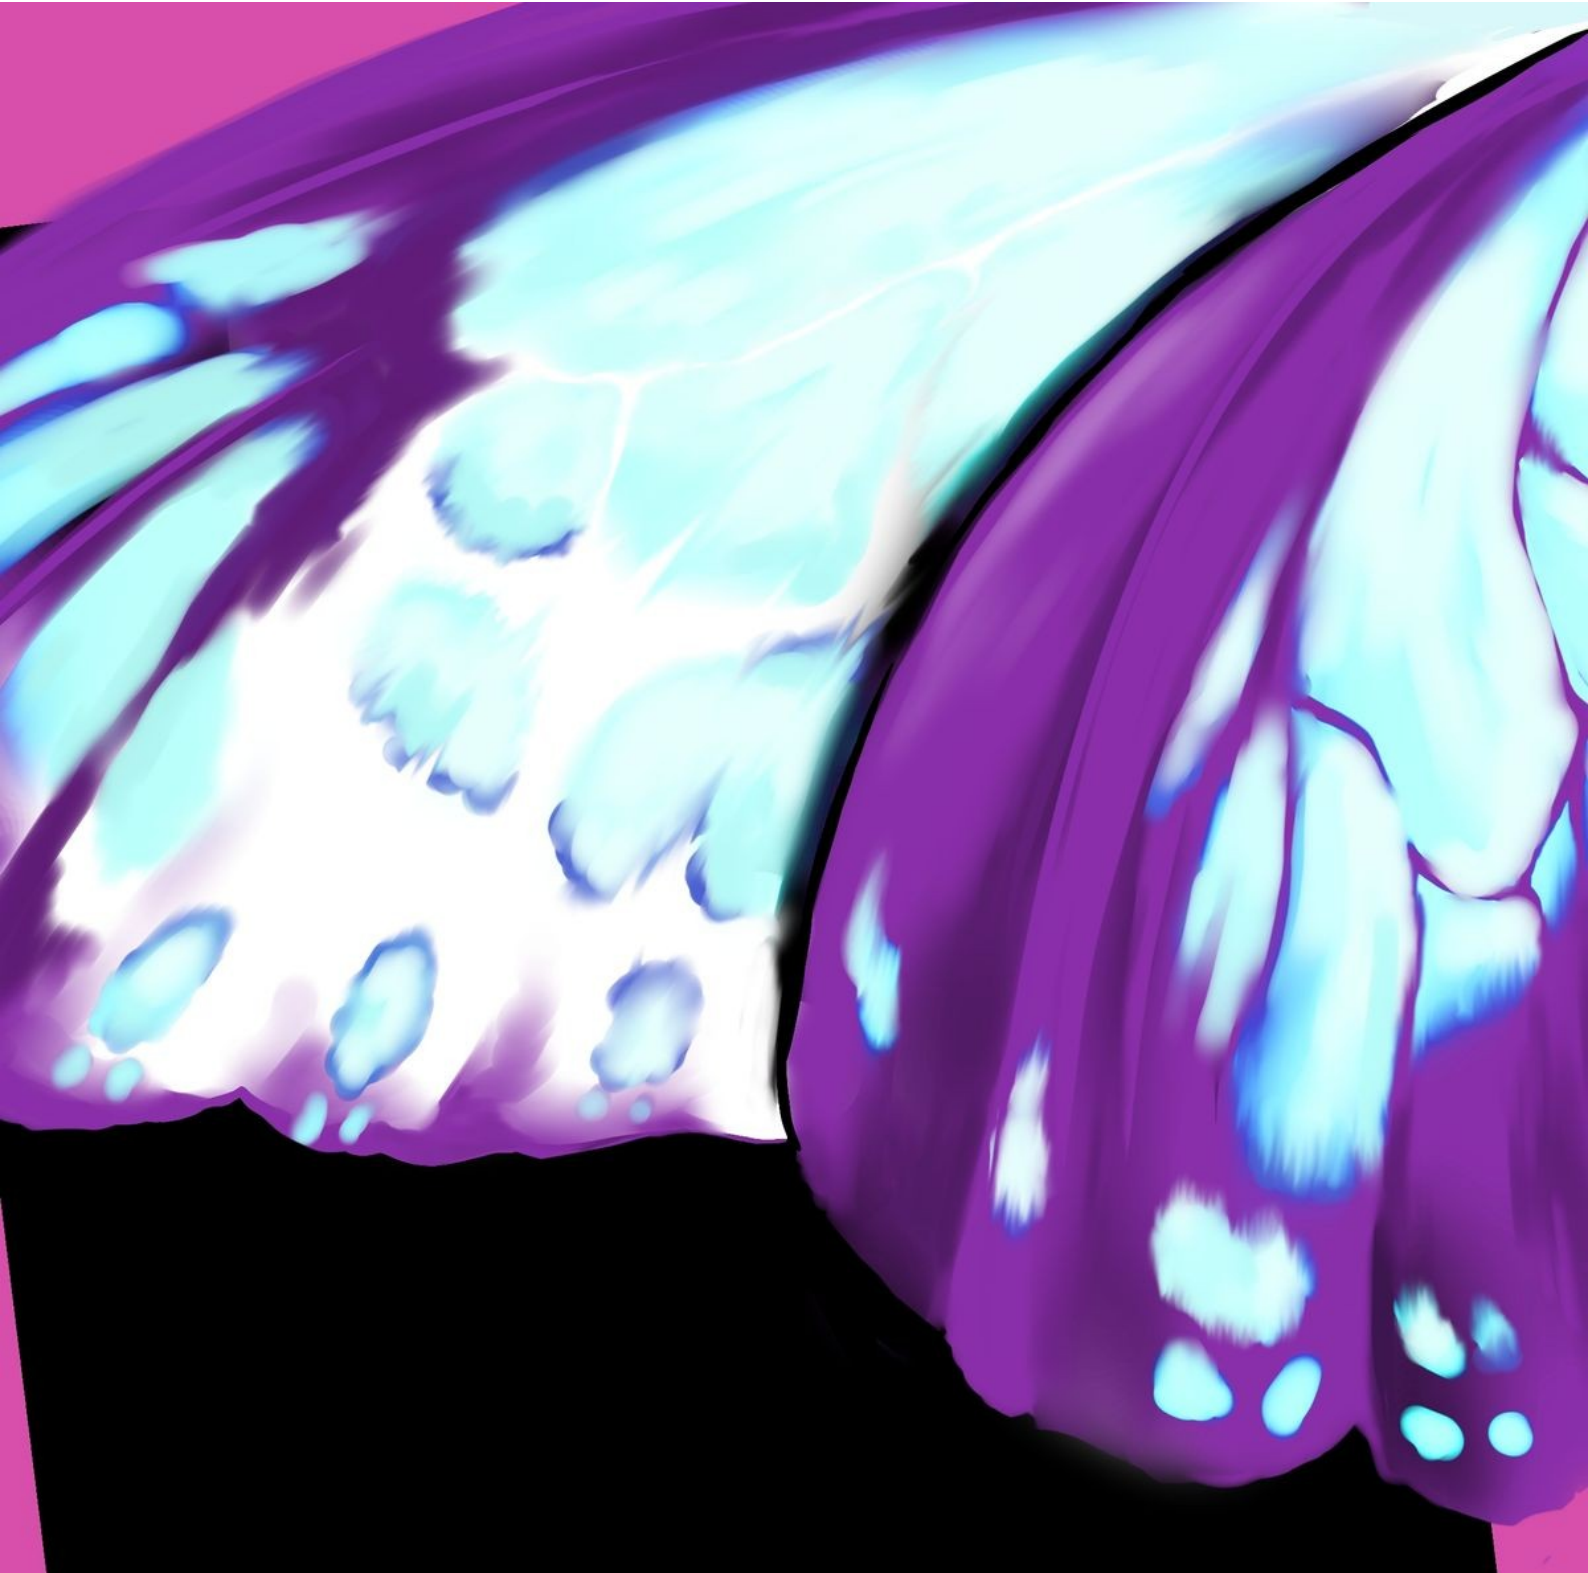

思えば「アルケミラの雫」が2000年頃の作品で、
自分のデビューが1989年…大体25年の作家人生で
半分以上の時間、性転換というジャンルに
触れてきました。
やはり女性(異性)に対するあこがれが
強いんでしょうね。

今までは肉体変化物が多かったですが、
少し前に青年向けで憑依物を書いてみて、それまでの
「異性に変わってしまう不安(&期待)」ではなく
「憧れだった人の体になっている」という
球筋の面白さに気付きました。
これからも機会があれば性転換物で
何か残せていけたら
そして「お気に入りだ!」と言って貰えるような
作品を一つでも多く描けたら幸いです。
出来ればまた青年向けで描かせて頂いた様な、
感情部分を掘り下げる
つくりを目指してみたいです。

ではでは、また皆様とお会い出来る日を
楽しみにしております。
