friends that
used to play
together
because our
we're neigh-
bors.

He's liked dressing like a girl for a long time now,

Taku-to!
This is so cute!

Because he's usually very quiet and introverted, he'll start chattering away when it comes to stuff he likes.

Right now, we're going to a school that lets you wear a male or female uniform.

Please consider becoming our circle's cosplay.

For some reason, he's constantly approached by other guys that should already know he's a guy too...

AH!

HEY,

WE'RE LEAVING, KAORU...

However,

But I think of that as part of his individuality.

And as a friend, I thought everything was just fine.

AH!
AH~

I always thought
all the guys that
tried to flirt with
Kaoru were just
dumbasses that
could only see
what was on the
outside...

but
now...

SO I CHASED AFTER YOU!

IT'S CAUSE YOU RAN OFF ALL OF THE SUDDEN...

WHAT... WHY ARE YOU OVER THERE?!

BUT...

YOU WERE MY CALL-NAME... ING

DID SEE
ME THAT
