You won't get away this time.

She escaped again..!

Are you two still in elementary school?

I'm leaving early~

I'll definitely have you pay the cleaning fee the next time I see you!

Wow,
this is
getting
fun~

Yeah,
let's do
that.

Let's
go
search
around
the
flower-
beds!

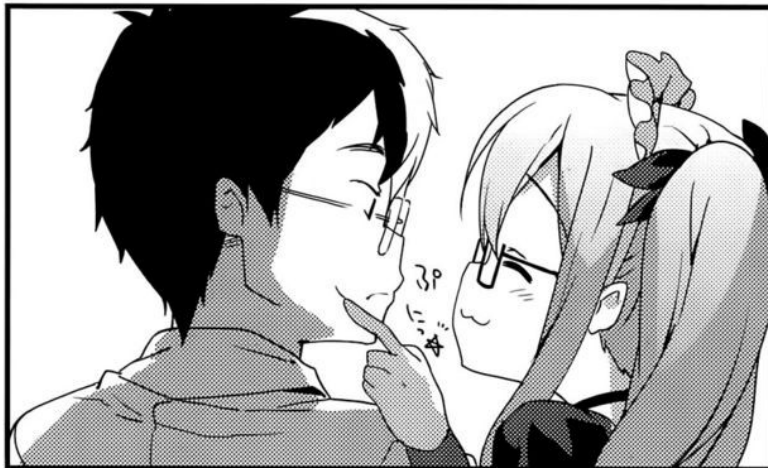

Damn
it...

Where
did she
go?!

And
Nakamura-
kun
disappeared
somewhere,
too...

Come
on,
this
isn't a
game.

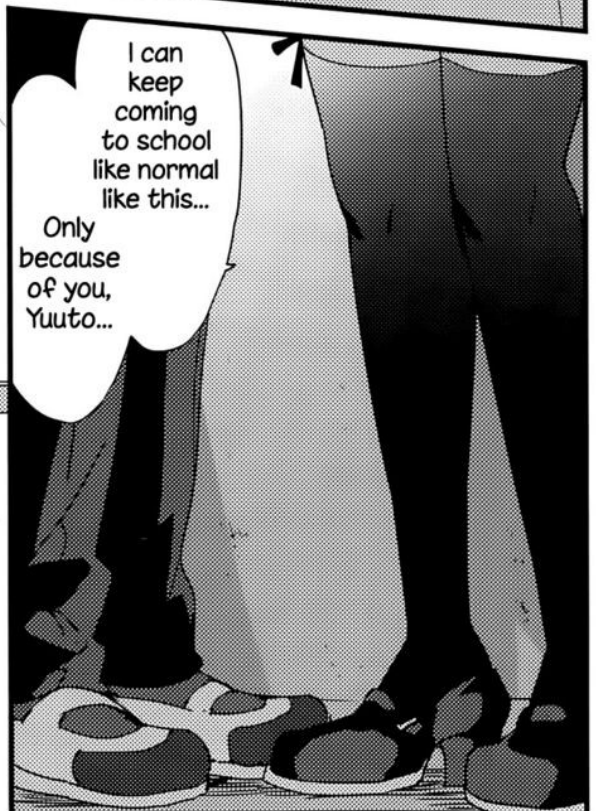

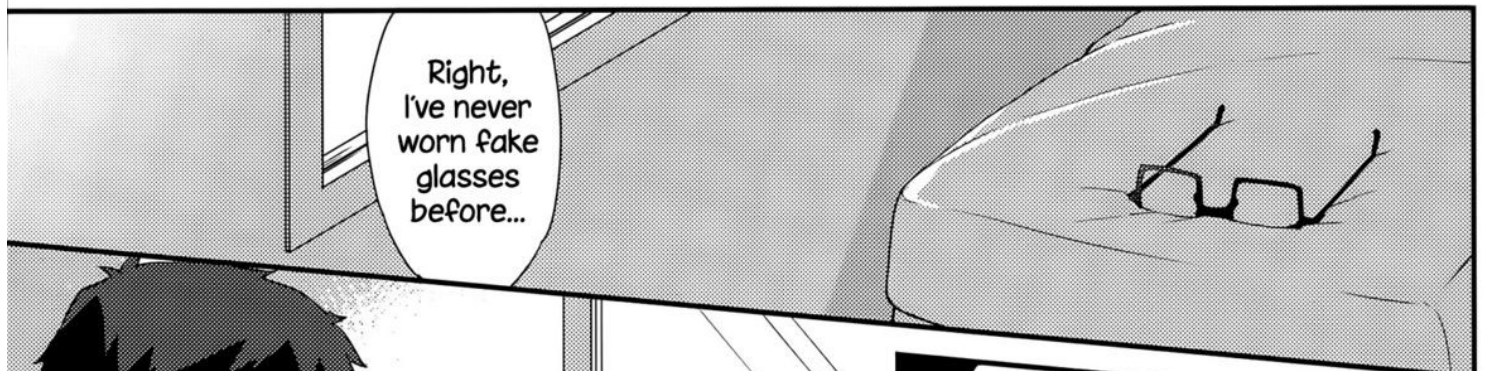

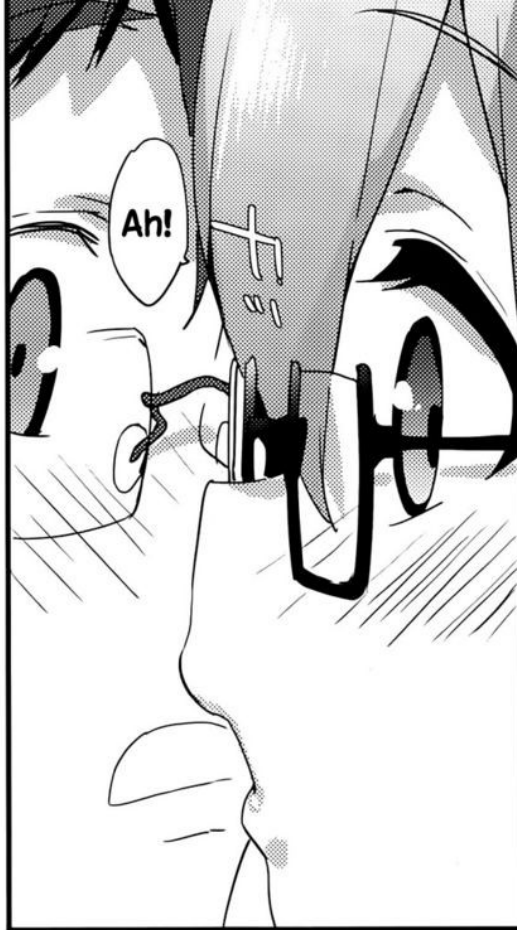

Yuuto...

Your
smell
always
calms me
down and
feels good~

What
are you
thinking?
Look
where we
are...

Hey!

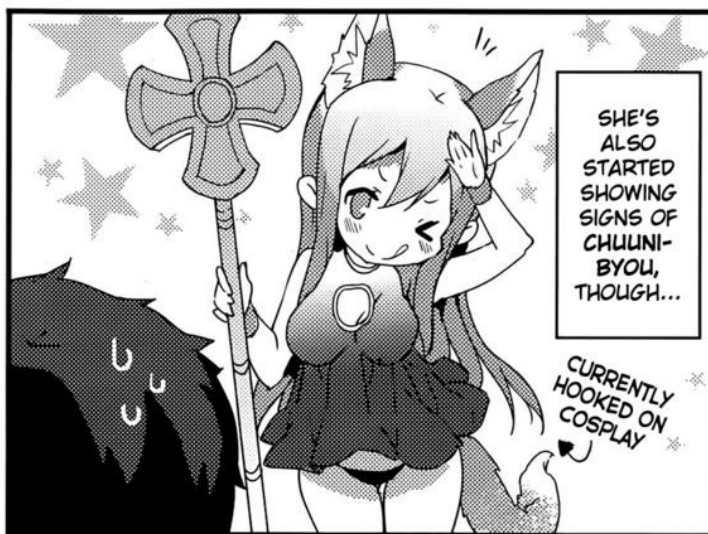

IT WAS ONLY RECENTLY THAT SHE STARTED GETTING MORE CHEERFUL.

SEIRA HAS BEEN BAD AT DEALING WITH OTHER PEOPLE FOR A WHILE NOW.

SHE USED TO BE REALLY GLOOMY 2-3 YEARS AGO.

SHE'S ALSO STARTED SHOWING SIGNS OF CHUUNI-BYOU, THOUGH...

CURRENTLY HOOKED ON COSPLAY

ANYWAY...

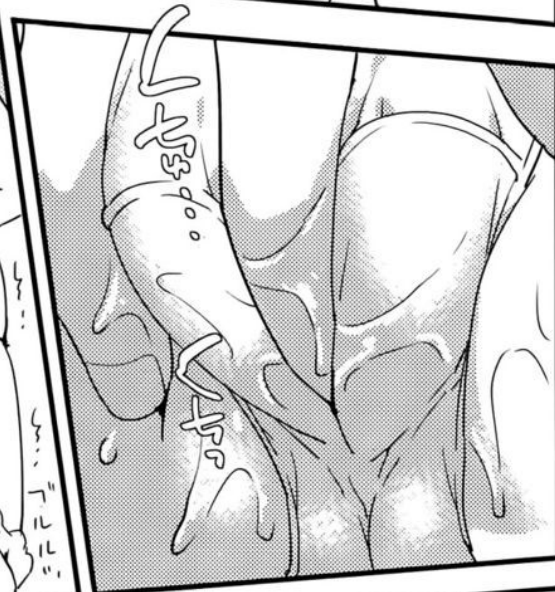

IT'D BE STUPID TO EXPECT HER TO BE ABLE TO GET ALONG WITH OTHER PEOPLE JUST LIKE THAT.

BUT WHEN SHE STARTED PLAYING GAMES...

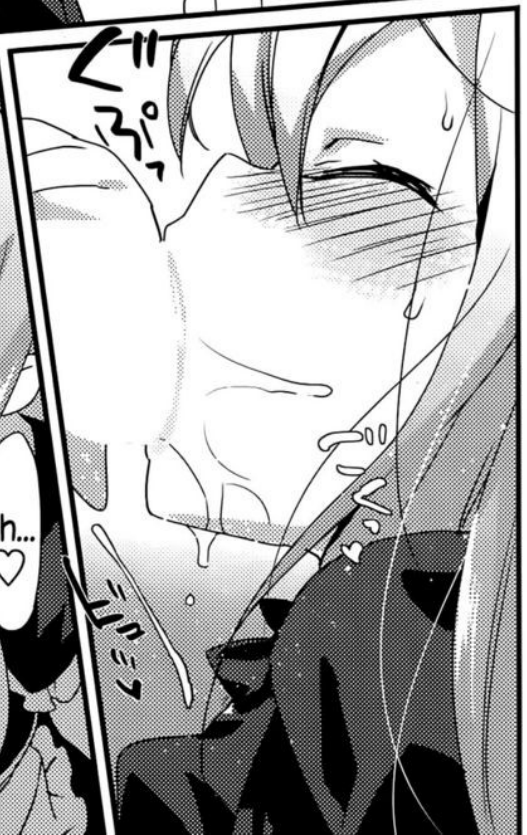

HER MONOTONOUS LIFE SLOWLY BEGAN TO BE FILLED WITH FUN THINGS.

SEIRA'S LIFE USED TO BE NOTHING BUT STUDYING...
