Well...

What
are you
doing?

.....

She's constantly crossing over the roof to my room's window to come hang out with me.

This girl is Karin-chan. She's my next-door neighbour and she's in the sixth grade.

...But today I got a bit careless.

...without warning... Wait...

What?

Wait a minute, didn't I tell you not to come in-

No! It's not what you think!!

Onii-chan! What happened to your penis?!

Aaa aah?!

It's being possessed by an evil spirit...

Lame! That was such a lame excuse!!

This is... Well... Y'know...

It's, like, crazy swollen!!

...Yes.

A-Are you okay, Onii-chan...?

It seems to be a type of Youkai that humiliates you, causes you to walk funny, and makes it difficult to pee...

Evil spirit?!

Yes... It took over my penis and made it swell up until it was hard as a rock.

Huh? She's worried?! She actually believed it?!!

Dr is she asking me if I'm okay in the head?!

She's really staring at it, though...

It's getting worrying now, Karin-chan..!

She's always been an innocent and obedient girl, but

Oh, man! I'm getting too horny!

He

Fondling them is good for the body.

Are you really okay?!

Whoa! It's, like, twitching!

Weakness?!
~

Just calm down and wait.

This thing has a weakness.

What should we do, then?!

...Wait, when did we establish that?

If we leave it alone, your willy's gonna explode!!

Are you sure?

It can only possess men's penises, so no.

It's not contagious, is it?

Well, try it. Touch my penis.

Yes, its weakness is girls.

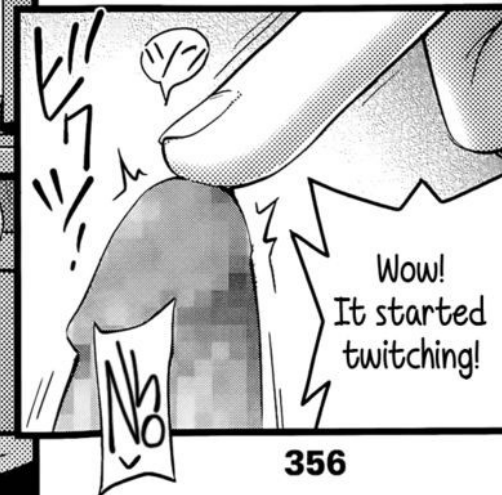

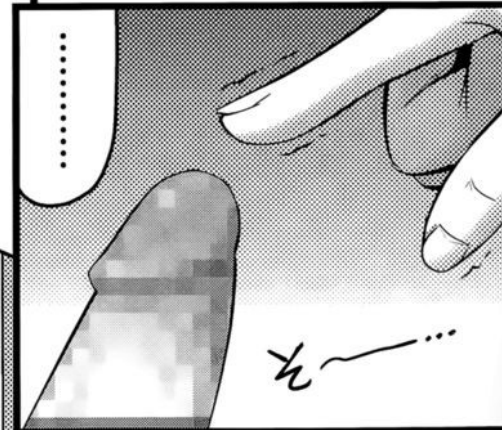

...In what way?

Oof!

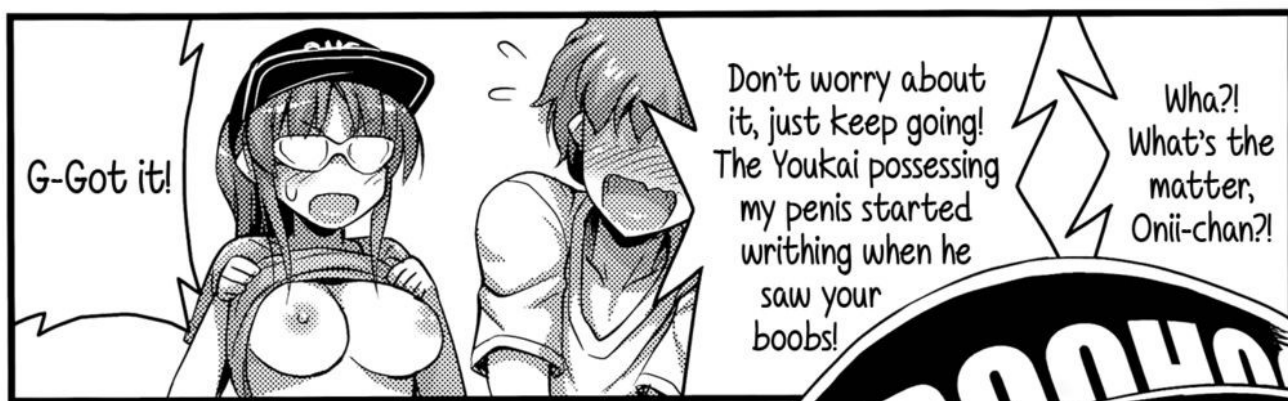

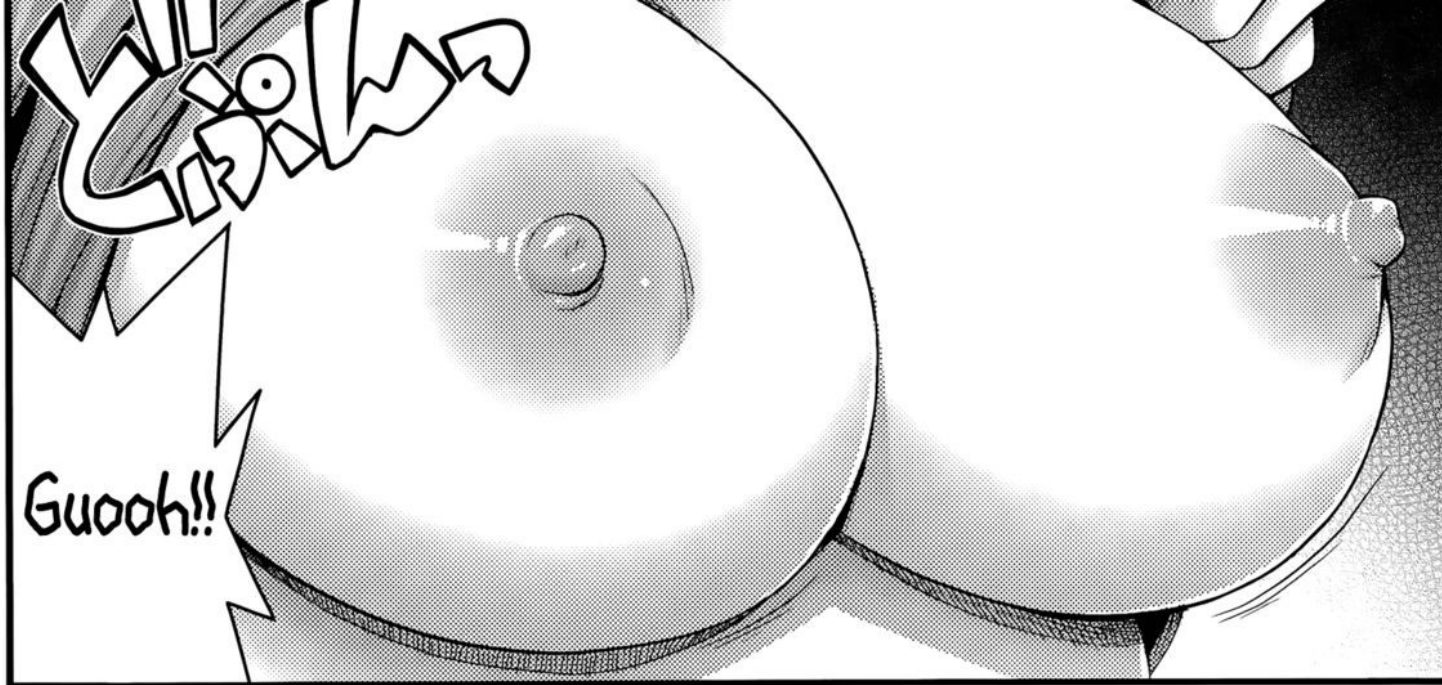

Ahaha! This is fun!

Hold o-...!
Ohoo!
♡

Wow! It started twitching!

Hold it gently
in your hand
and rub it up
and down
like you did
with your
boobs.

Onii-chan,
are you
grinning
a bit?

My
hand?

Finish
him off
with your
hand.

Yeah...
We're
nearly
there...

Guoooooh!!
Almost there!
The Youkai is
writting in
pain too!!

It's just
about
to come
out...!!

It's
gonna
come
out!!

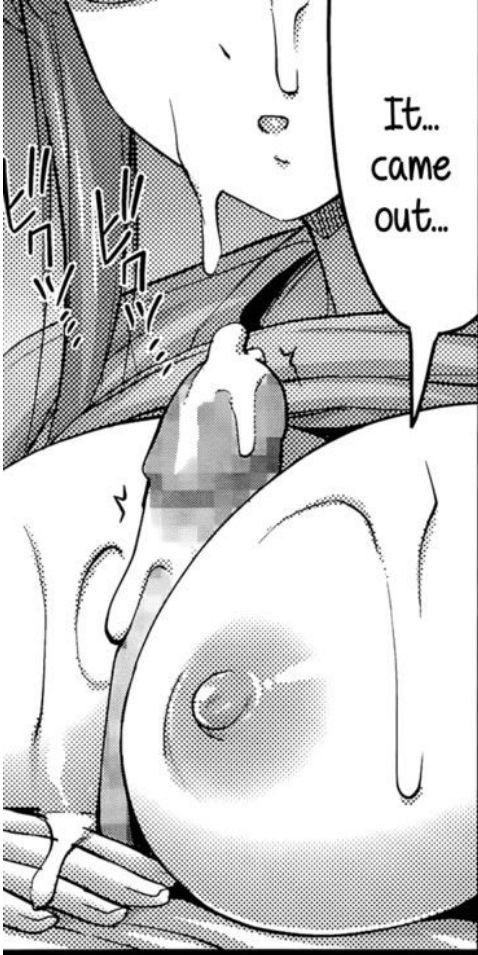

D-Don't
give up,
Onii-

Did we
get it?!

Uh...
So soft.

Yaay!

That's
great,
Onii-
chan!

It's talking?!

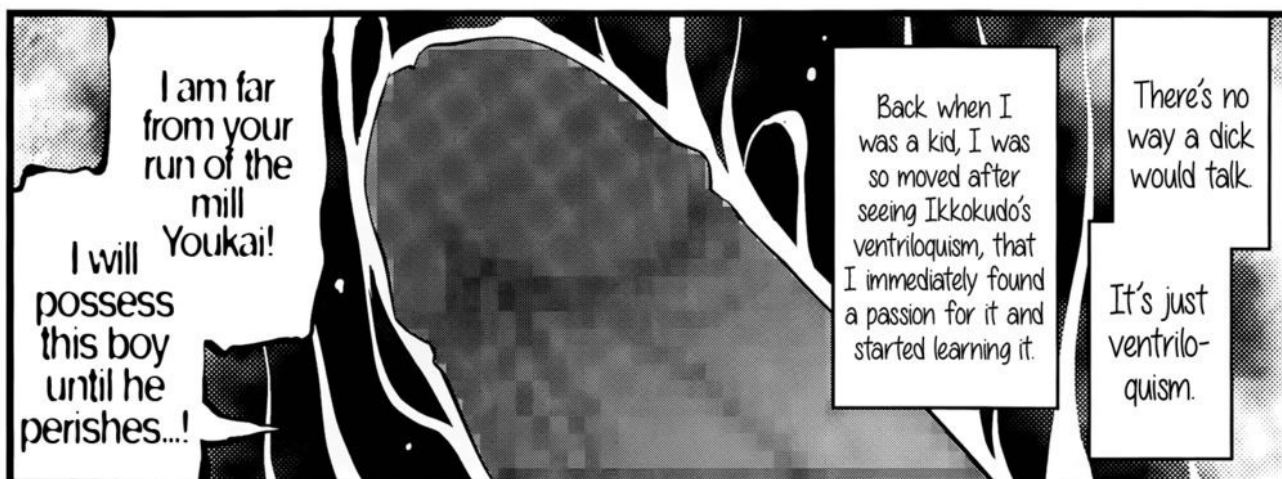

...Fufu fufu!

Did you really think I would be defeated that easily...?

...O-Onii-chan...?

Your penis isn't fixed...

I am far from your run of the mill Youkai!

I will possess this boy until he perishes...!

Back when I was a kid, I was so moved after seeing Ikkokudo's ventriloquism, that I immediately found a passion for it and started learning it.

There's no way a dick would talk.

It's just ventriloquism.

There is only one method to remove me from this boy...

There must be something I can do to get you to leave him alone!

I'd be awful if Onii-chan's penis stayed like this all his life!!

You can't!

My pussy...?!

And that is for you, Karin-chan, to rub me like you did before with the insides of your pussy!

Karin-chan is having a conversation with my dick...

Wah!
It's working
super well!!

Guoo
oooh!!

It's the
crack in
your crotch,
Karin-chan.

...What's
a pussy?

And for Pete's
sake, Karin-
chan, there's
defenceless and
then there's
this!!

Hairless!!
Her titties
have grown
like crazy, but
her pussy
hasn't grown
at all!!

...This?

ズルッ

You
have my
sincerest
gratitude,
Ikkokudo!

Let's
try it!

Okay...
got it!

**But its
worth
trying!!**

if a penis
is gonna fit
inside here.

But I
don't
know...

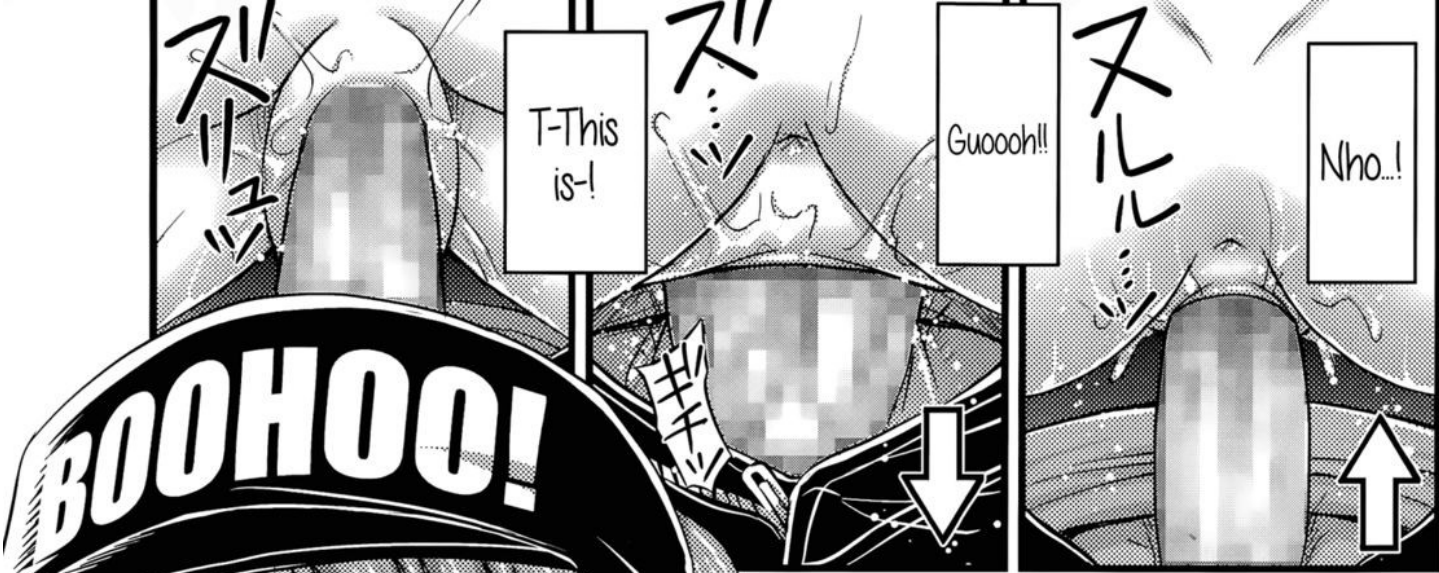

Neither
do I...

ぐい

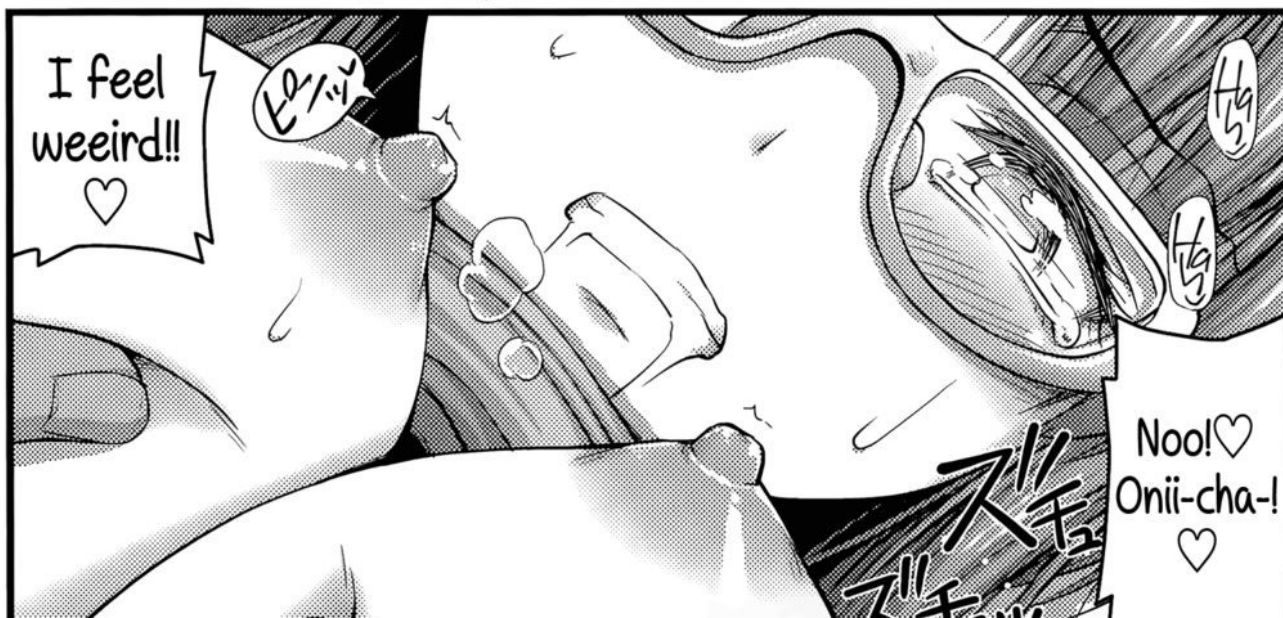

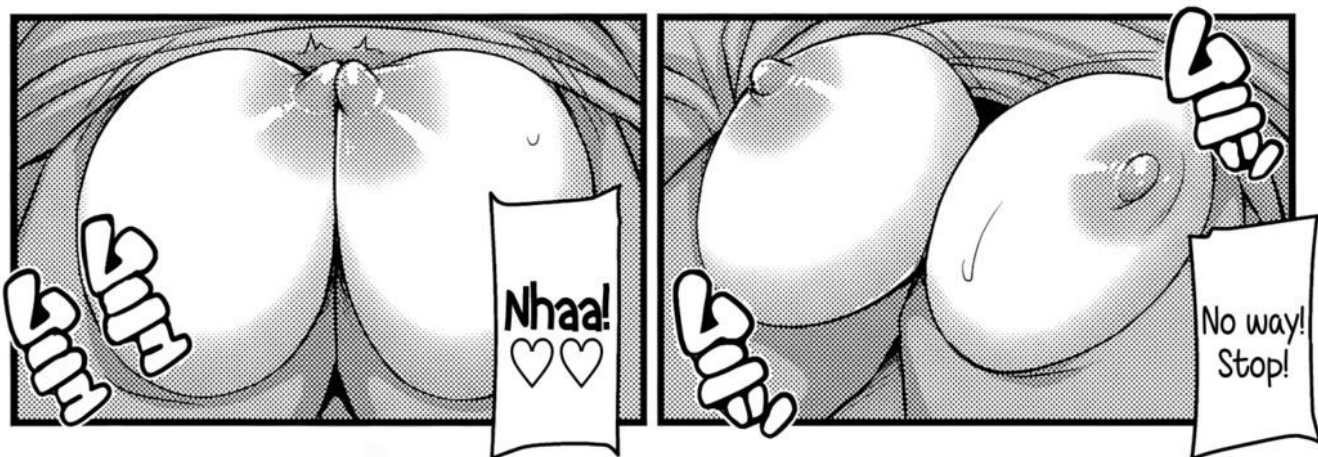

Don't push yourself.
Take your time.

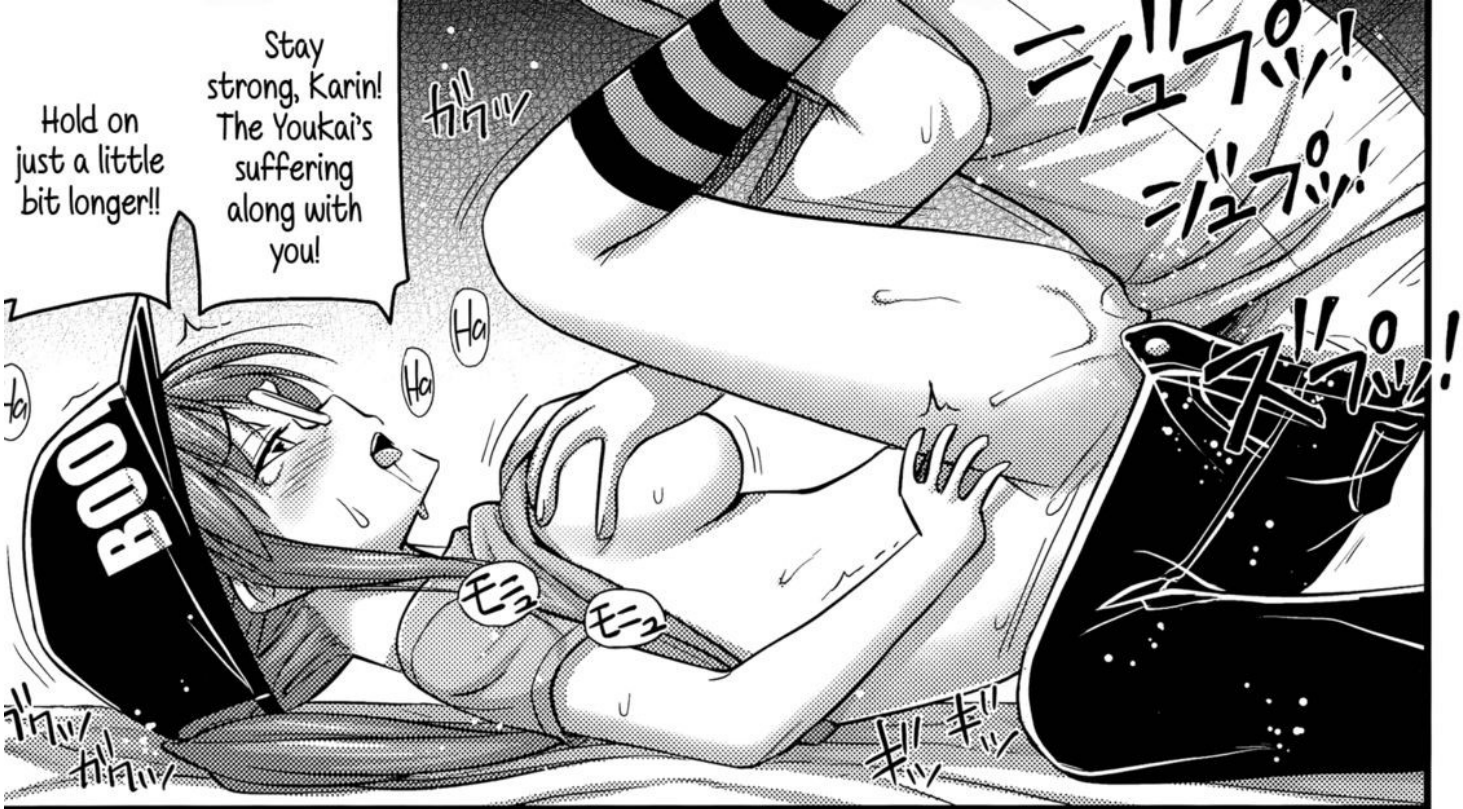

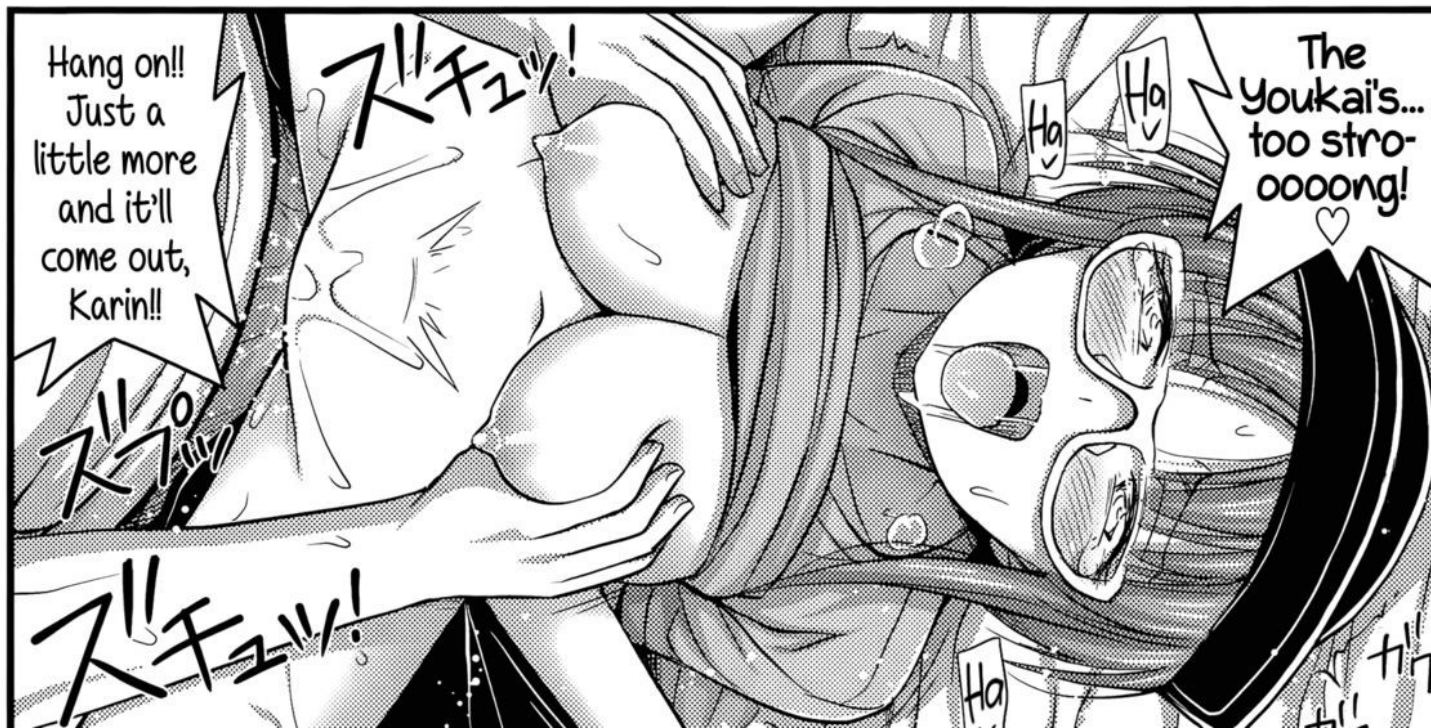

Oh!
Did she just
cum? She's
shuddering.
