You are, right? We're in the same class!

Sato-kun?!

Erm, Sato-ku...

Get on with it, take off your bra and skirt.

You agreed to let me have sex with you, didn't you, Yamada?

キ...

Hold on!!
Stop!

Why are you complaining now?

Fine, you can stay like that, then!

You think I'm gonna be gentle with you?

Please don't be rough.

You heartless demon!!!

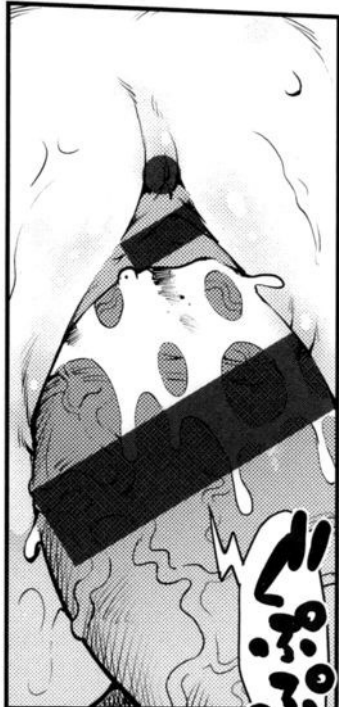

And you fucked it all up...

Do you know how scary death is?!

Do you have any idea how stomach wrenching it was to commit suicide?

all your pussy

It's

Suck it

Hold on until I'm done with this set of problems.

No, you and your ilk are just dumb.

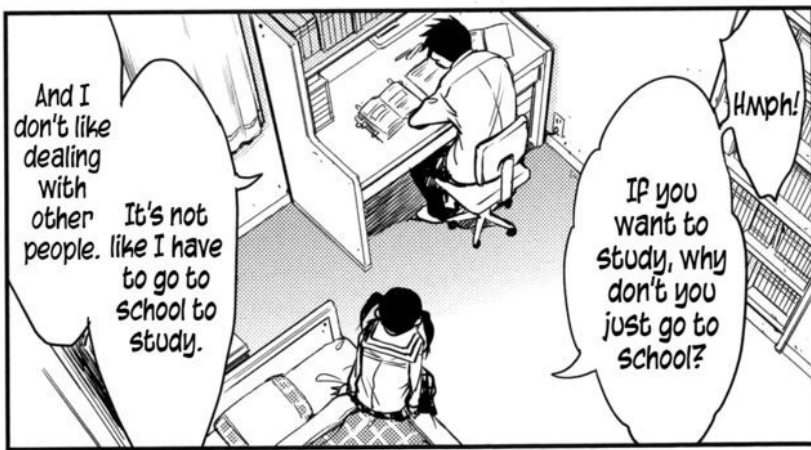

You must be pretty smart.

And isn't that a set of problems to prepare you for exams for highly selective schools?

I'm surprised you study every day, Sato-kun.

You deal with me every day just fine, though.

And I don't like dealing with other people. It's not like I have to go to school to study.

If you want to study, why don't you just go to school?

Hmph!

Y-You're not a person! You're the same as a Dutch wife!

I'm about to die...

Ha

Hey! Yamada!

It's an illness. I've known for a while.

I'm sorry I can't come visit you anymore, Sato-kun...

Let's have sex!

Listen to M-!

Whod?!

How can you refuse now after ravishing my body for the past five days!

Why not?!

What are you saying?! You do realize we're-

Huh?!

Turning my insides into a slushie every single day.

I'm old enough to be able to get pregnant, so you have definitely planted a baby inside me by now.

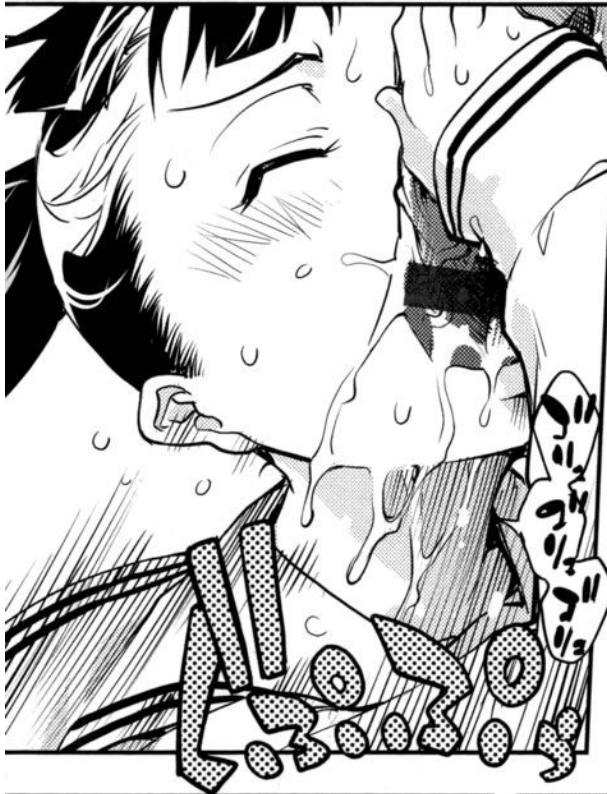

Oof!

Are these the naughty balls that came so much inside me?

Look how much I made your penis grow!

Hngg
!!!!

As if you weren't the one who made me like this.

So bitter!

Yamada... That was kinda sexy...

and then you made me have sex with you over and over again!

You stole my virginity,

ぬぎ

ぬぎ

What, that's set in stone now?!

Nnh!!!

Even girls get really horny sometimes.

Come on.

I thought you liked it better this way.

By the way, why're you only half naked?

Nh!

Nh!

Haha

Cu-?!

Because you're really cute, Sato-kun!

W- Why're you laughing?

Giggle!

おは

Y-You don't know the first thing about me!

Boys can be pretty cute.

Like when you cling to me so tightly as you thrust inside.

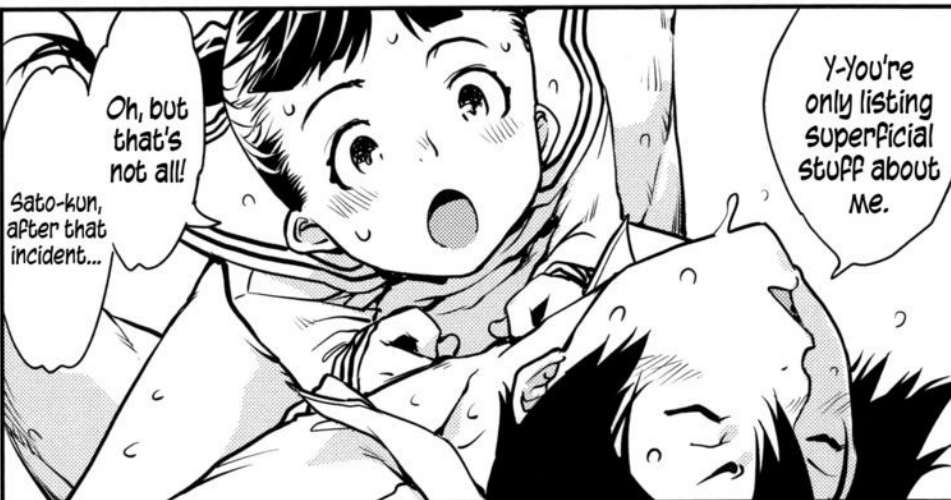

Yeah, ever since it stopped hurting I've thought that.

Although sometimes you can be a bit of a slacker.

You're surprisingly tidy for a boy, which is very valuable in a man.

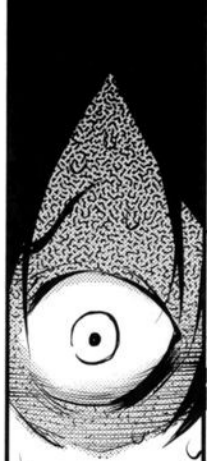

You're smart, but you don't act like a bookworm, so you're easy to talk to.

I've said it before but, you like doing it half naked, right?

Oh, but that's not all!
Sato-kun, after that incident...

Y-You're only listing superficial stuff about me.

You fell in love with me, didn't you?
♡

And I couldn't be happier!

Yeah... It feels good!

Take that!

it actually feels good, doesn't it?!
You said otherwise before, but

Ah
In fact, stupid as it might sound, I was glad.

Ah
So when I heard I was going to die, I didn't feel any sadness.

My parents and friends were all so kind.

I had a happy life.

Ah
I think... that was... the lingering tie keeping me from ascending, but... it's gone now...

Ah
But I...! Didn't feel like I ever gave anything back...

But you know... People have done so much for me...

Do you love me?

So I'll ask one more time...

But I still have one more...

Eek

W-What do you think?!
Feel it with your body!!

Like we
Merged
together.

Let's stay
connected
like this
forever.

Hey,
Yamada...

That was
the narrow
world within
my grasp.
My true
world.

And school,
and Harumi-

Kanakano-
chan.

My
world
is made
up of my
dad and
my mom.

And now
you.

If you're
going to change
the world, I want
it to be because
you lived to
do so.

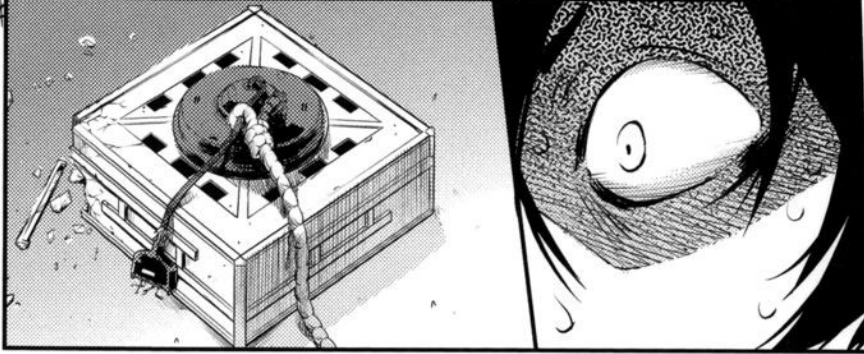

Gasp!

Cough!

**I'll get

**Don't
PUSSY OUT Fuck!!
now!**

I'll give the notebook to your parents and tell them what happened.

You want to go home, right, Yamada.

Hah... Hah...

I'm gonna see it with my own eyes. The true world you saw with yours.

Sorry for being so pushy. I know you did.

I'm so sorry...

I'm sorry I couldn't tell you sooner...

I loved you.
