異世界設定説明

①舞台はどこにでもよくあるファンタジー世界。人間やエルフ、魔物、そして勇者と魔王という概念がある。現実世界で不慮な事故に遭った人間が稀に迷い込む。
②そして異世界転生時にはその異世界を管理する女神と面接し、転生者(プレイヤー)はその結果によって勇者側か魔王側に割り振られる(基本的に善人は前者、悪人は後者)
③転生者には必ずチート能力が与えられるが能力の詳細については一切説明されない。能力の覚醒、把握についてはかなり個人差があり、能力には本人の趣味や嗜好、願望などが大きく反映される傾向がある。
④勇者側、魔王側のプレイヤーはそれぞれを倒す目的を与えられ達成時には女神に願いを叶えてもらえる事ができるが、現実世界へ帰還できるのは勇者側のプレイヤーのみである。

異世界転生チート能力
トカゲのしっぽ　LV1
相手にしっぽを寄生させて操るという一見シンプルな能力に見えるが、真骨頂は寄生した体のレベルや魔法、技術等を吸収する『オールドレイン』であり、生命体を渡り歩く度に強くなる。しかし、本体のしっぽ自体は戦闘能力はもっていないため、現宿主のポテンシャルに大きく左右される。どちらかと隠密行動向け。弱点はしっぽだが宿主の体内に潜伏させる事が可能であり、寄生されているか否かを判断するのは非常に困難である。尚、異世界転生チート能力もドレインの対象である。

Description of Otherworldly Setting **【Caution! This is a machine translated work!】**

(1) The setting is a fantasy world that can be found anywhere. There are humans, elves, demons, and heroes.
There is the concept of a demon king. People who have met with an accident in the real world rarely stray into this world.
When a person is reincarnated into another world, he/she has an interview with the goddess who manages that world, and depending on the result of the interview, the reincarnated person (the player) is either a hero or a demon.
(Basically, good people are assigned to the former and bad people to the latter.)
(3) Reincarnated players are always given cheat abilities, but the details of these abilities are not explained at all.
The awakening and grasping of abilities varies considerably from person to person, and abilities tend to reflect the person's hobbies, tastes, and desires.
(4) The heroes and the demon king are always given the ability to cheat.
The player on the hero's side and the demon king's side is given the objective of defeating each of them, and when he or she achieves the objective, the goddess grants his or her wish.
However, only the player on the heroic side can return to the real world.
only the player on the heroic side can return to the real world.

What happened to the soma!
Rest assured, we haven't killed that elf yet. I still have a use for it.
And I've been surprised to see what's going on in the women's heads when I spy on them.
...Lowest!
You're right. After Soma killed me, I awakened to a special ability, the ability to control others, and I became one with my beloved Lady Emilia.
Its tail is... gekko!
Well, you're not wrong.
Are you being controlled by Gekko? Wake up Emilia!
Is it any wonder I don't recognize you in this form♡
hmm♪

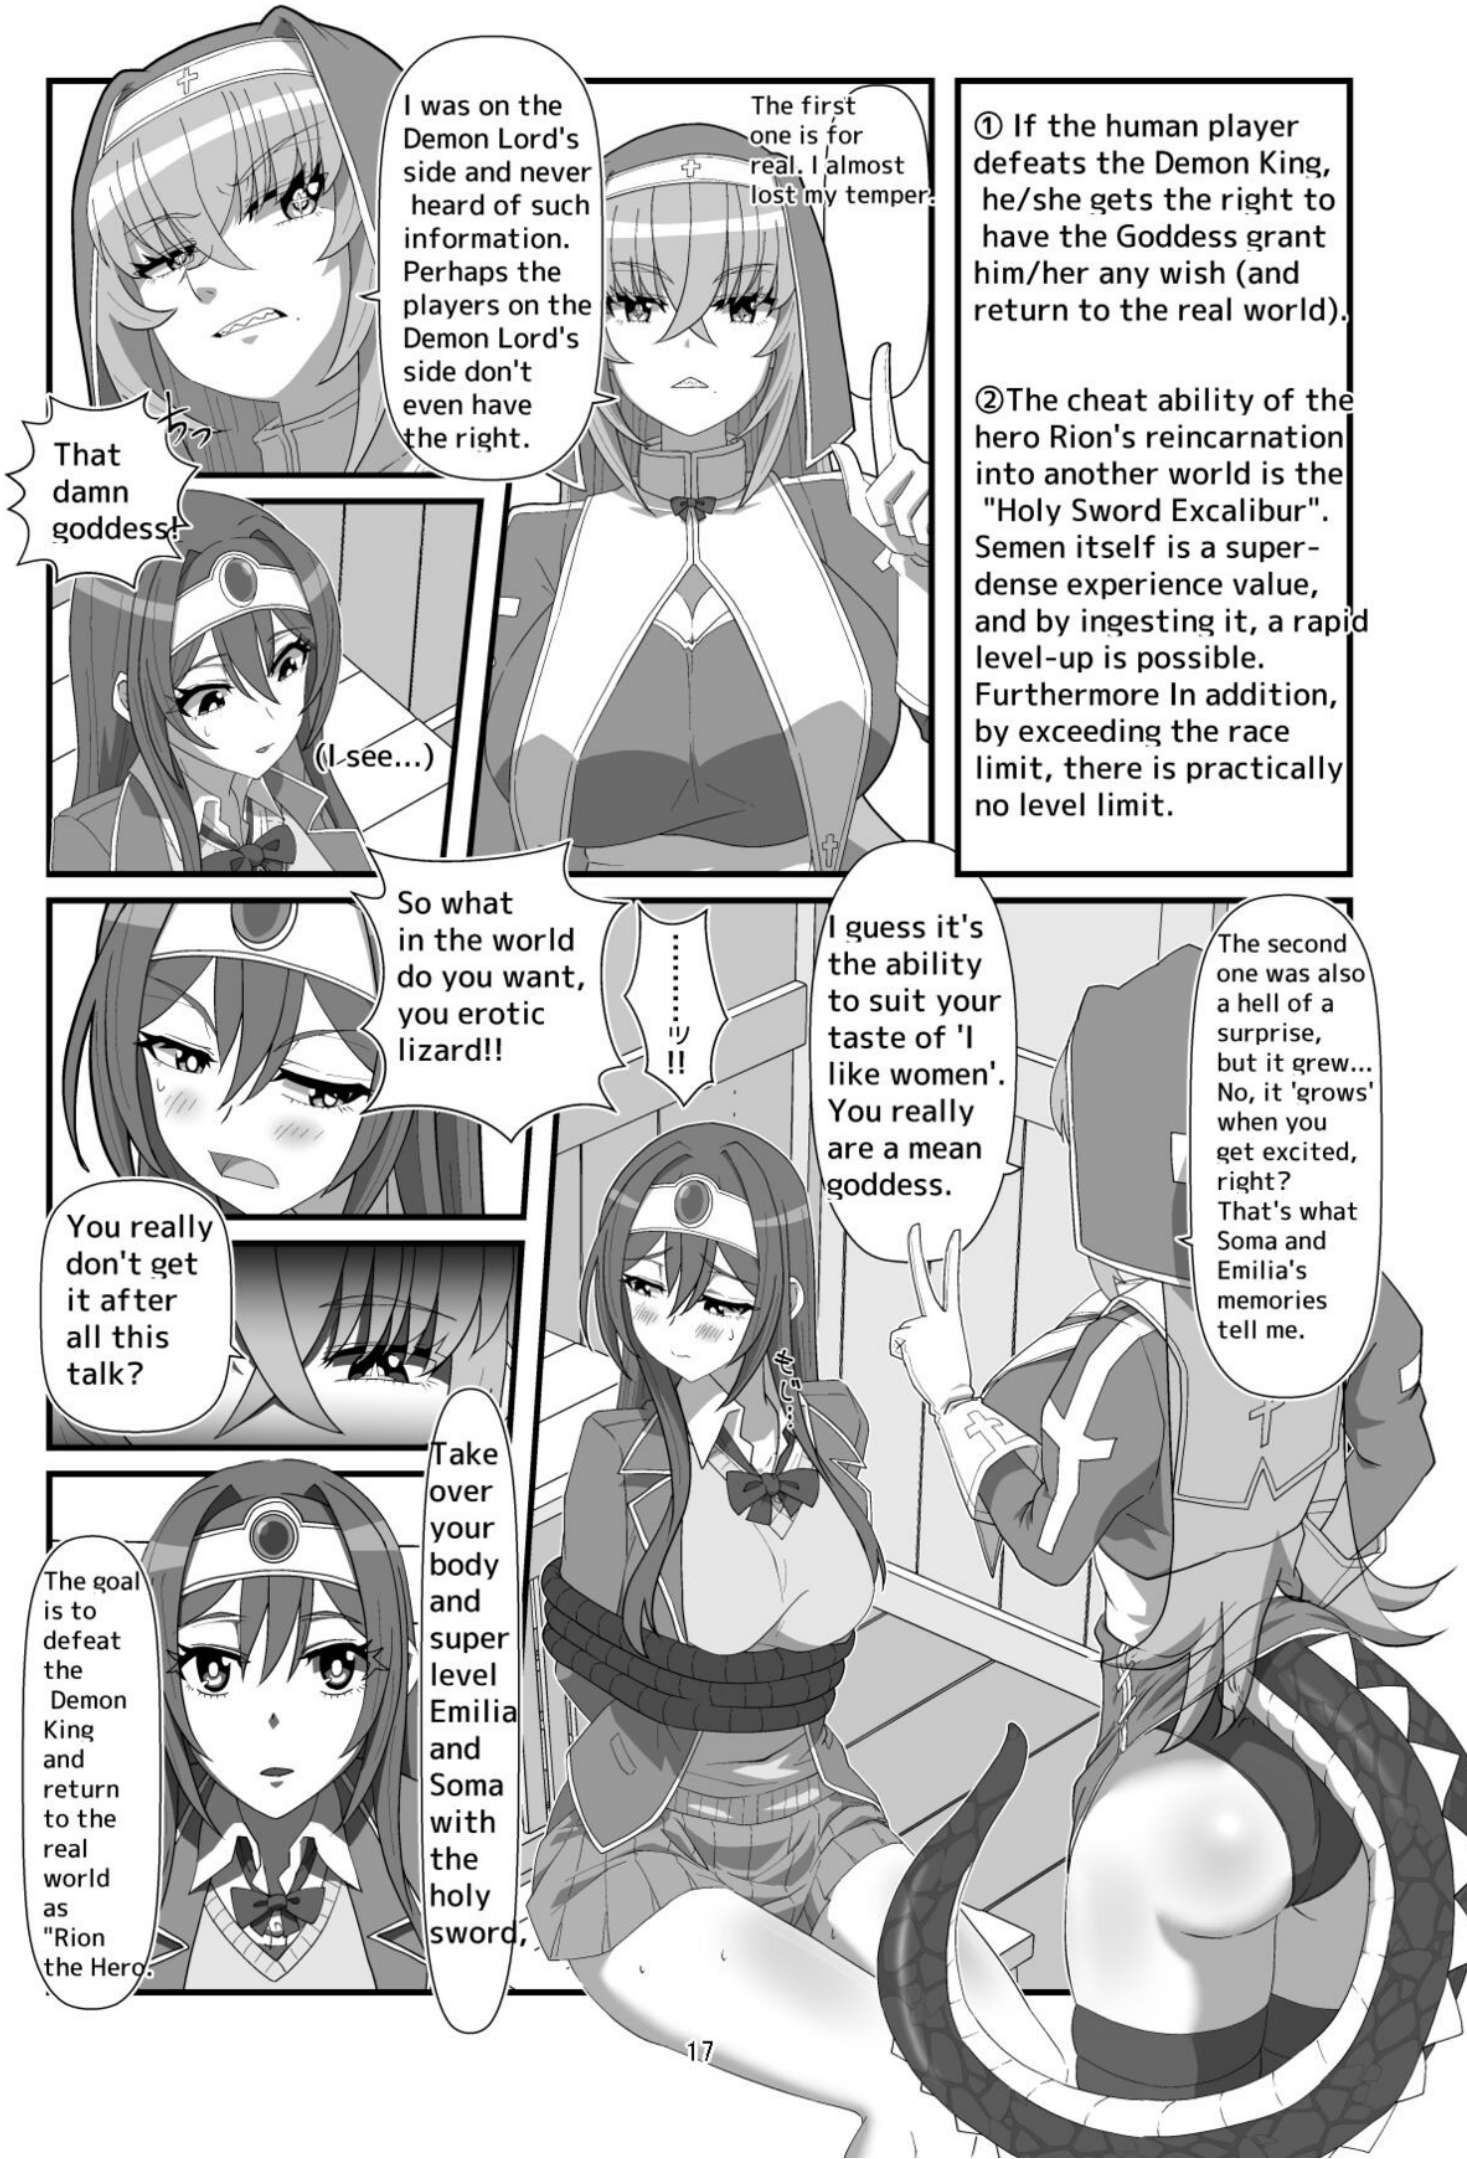
Now do you get it?



I was on the Demon Lord's side and never heard of such information. Perhaps the players on the Demon Lord's side don't even have the right.
The first one is for real. I almost lost my temper.
That damn goddess!
ちっ
(I see...)
① If the human player defeats the Demon King, he/she gets the right to have the Goddess grant him/her any wish (and return to the real world).
②The cheat ability of the hero Rion's reincarnation into another world is the "Holy Sword Excalibur". Semen itself is a super-dense experience value, and by ingesting it, a rapid level-up is possible. Furthermore In addition, by exceeding the race limit, there is practically no level limit.
So what in the world do you want, you erotic lizard!!
……ッ!!
I guess it's the ability to suit your taste of 'I like women'. You really are a mean goddess.
The second one was also a hell of a surprise, but it grew... No, it 'grows' when you get excited, right? That's what Soma and Emilia's memories tell me.
You really don't get it after all this talk?
Take over your body and super level Emilia and Soma with the holy sword,
The goal is to defeat the Demon King and return to the real world as "Rion the Hero.

No! Don't do it!
I've absorbed the levels of Soma and Emilia, but you, hero... If you are still not far behind...
Please, my handsome hero. Please fuck my pussy with your holy sword dick♡
Please milk me of your experience♡
I'm all set~♡
No way!
You're only a parasite to creatures below your level. *3
My cheating abilities are limited.
Don't let Emilia say that!
Stand up
Please... Don't look...!
Oh? Oh♡
Well done, hero.. A penis is not something that can be suppressed by reason. It's not something that can be suppressed by reason. What do you think? Doesn't it feel good to have It feels good to have it rubbed, doesn't it? Hmm?
(It's huge...)
Oh... no...♡ Oh... no...♡
*3 Conditions are relaxed if you're mentally and physically weak.

You're such a pervert!
Huh!
Then I'll take your cock, hero... Don't be shy. Please ejaculate handsome
Emilia's mouth feels so good...
I can't believe I'm using a woman's body to suck cock...!!
I'm going to endure it! We have to do something to stop this and save everyone...!
To the hero who's getting his dick sucked by that pervert and making him cum... I don't know what to say.
Damn!
You're going to lose to that dick's carnal desires and splatter your experience semen all over the place in a hapless manner.
With my hand-controlled Emilia (puppet-muppet),
...Worst!
And what I am doing now is...
well...
Kind of like the Puppet Muppets.
.....!!
どーーん!

Well, let's get to the main course now.
Release
Oh, come on, don't stare so much.
You can have sex with any girl you want. Let's enjoy each other's company.

*4 Female-only magic (soma to drain) to charm and manipulate opponents at will. Basically, it is difficult to work on an opponent whose level is higher than yours, but the success rate is much higher when they are in your favor or mentally weak. However, the success rate will be greatly increased if they are in favor of you or mentally weak.

*5 Recovery Magic
At higher levels, it restores both strength and vigor, let alone external injuries.

It's...
It's inside the body of a pathetic hero who lost to a dick.
Dick...?
Oh, my God!
Emilia♡
Emilia♡
Oh no!
Where the hell are you going?
Hero, I'm sorry to leave you, but I have to go now.

I never realized how comfortable it is to have your cock stroked by a woman's fine-tuned hands! It would be a pleasure to masturbate just like this...

The ability to hatch and dominate the tail egg of an alter ego that has once been laid on a parasitically possessed person.It is possible to instantly transfer consciousness from the main body to the alter ego.There is no way to overcome this except to defeat both the main body and the alter ego at once. I think I'll ask these women to do it for me.

If push comes to shove, we can use the women as bait and just survive.
oh♡
I guess I'll have to fuck this woman's offering first to get her to super level it.
hmm♡
The Demon King is so fucking strong. I can't guarantee that we'll win. I can't guarantee that...
Hmph... a scapegoat indeed.
Let's play summon the slime, handsome.
I'm a sucker for blowjobs.
