

I'm going to sit

Okay ...

It hurts

I wonder if that bug was crushed under this girl just like I am being now...

ドズー

oops-a-daisy!!!

Urgh...

Now I have to wash them again...

Ahaha-haha!
It's stuck to her~!

You seriously stuck a bug on top of her chair~!

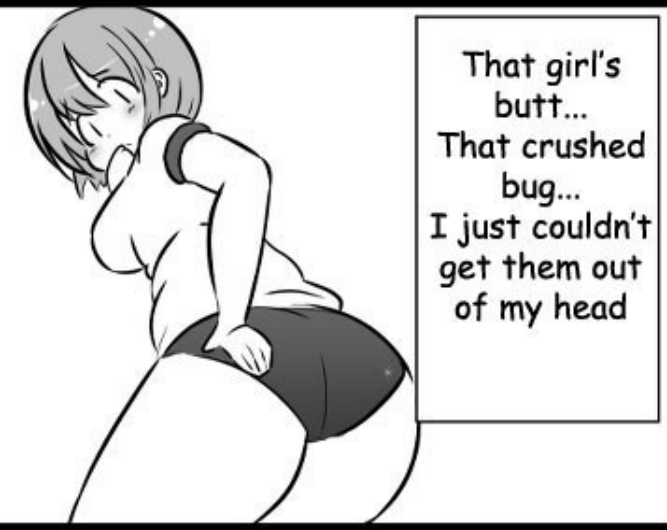

Wow~
How mean~

I just happened to catch a glance while walking by but...

Fat ass~!

Jeez~!

That girl's butt...
That crushed bug...
I just couldn't get them out of my head

But maybe it'd feel kinda good...

I was so surprised when he first asked "Please, crush me under your butt"... Is it really okay for me to be doing something so horrible to a boy who goes to the same school as me...?

ズニニニ...

You okay ~?

Right now... both my sex and my life are in her hands

If she were to increase the pressure on me even just a little...

The smell of sweat and clothing takes the place of oxygen

I guess I should move a bit

? That looks kind of painful

My penis attempts to rise but is brutally crushed down by the great pressure upon me

I'm sorry too...

I must've been heavy, huh?

If you're talking about my gym clothes, it's fine. They're not dirty at all.

I'm sorry...
...!

I'll let you lie under my backside again some time.

Okay... sure

I'd really like it if we could...! do this again sometime!

Uh... umm...! If you... wouldn't mind...
