

It's actually a girlfriend, though...

Cut it out. Don't you have to get up early tomorrow?

I'm tired today, Nina...

はあ

はあ

You're saying those embarrassing lines again...

It's your fault for being so cute, Itsuki. Simply seeing you, makes me want to do it.

Dummy!
Where did you learn these things from?

This way we can both feel good at the same time.

ah!

ちゅ

ちゅ

ちゅ

ちゅ

Ah...
I'm...
cum-
ming...

ahhh!
Nina!

Noo...
ahn!

I want
to see
more of
your
lewd
body...

This
won't
do. I'm
the older
one here.

She's
dragging
me into
her pace
every
time.

She's
sleeping
here
again...
That bed
we bought
is going to
waste...

Nina's young and pretty. I'm sure there'll be other encounters for her. It's not good for her to just be looking at me...

Is this really okay?
I don't know
how long this
childhood love
can last.

Isn't Nina's university around here?
Maybe we can eat outside together.

Haven't worked outside in a while...

After finishing this area I can go home!

What am I thinking?

It'd bother her if I just called out to her.

I should head home and rest-

Hm?

Even if
it was
close,
for us to
meet like
this...

Nina?

Idiot.
She's
with her
friends!
What
would
I say to
them?

Oh...

I'll call
out...

and
they're all
sparkling
with
youth...

They're
happily
chat-
ting...

Oh,
one
more...

But it seems
like she's
popular
in school.
I'm glad.

What am
I freaking
out for? Nina
greet's people
like that all
the time.

Yeah,
right.

...Why am
I so bothered
about it?

But I do
worry
about her
thinking it's
okay to kiss
anybody as
long as it's
a girl.

...sheesh...

Whaaat?

What.

I hate
myself.

Huh?

Why is she here!?

Itsuki?

Nina !?

DIDN'T YOU SAY YOU WERE WORKING?

You know her?

Really? Doesn't look like it!

Mixed blood?

Um... She's... just... a relative's kid...

My niece...

A foreigner? So pretty!

You're friends with Kime-kawa?

Oh...

And she's holding down her skirt at the same time!

Let me down!
Wait!

S-Scary!

Wow! She's really carrying her home!

She seems quite drunk, so I'll carry her home now. Goodbye.

Thank you for always taking care of my aunt.

gya hhh

Even so, isn't it wrong to attend a mixer while you have a lover?

You call us lovers, but-

Um... If you ask me... my coworkers asked me out...

I've never been invited before, and it was a good chance, and I thought just once was okay...

Care to explain?

I saw you kissing a friend outside... But still, I get jealous!

I don't have any confidence in continuing this relationship!

You said you love me, Nina, but that was for the me from ten years ago!

I'm worried!

If you knew how I am now, I'm sure you'd get over me!

Oh... you don't like that? I'll stop...

I know it's just a greeting, but it frustrates me so much!
And when the mixer came up, I-

I thought it'd be okay because we used to get along.

I was just so lonely... And you came all the way to Japan just for me. I was afraid of ruining the mood if I turned you down...

I'm sorry... You were serious about it. I'm the worst...

No! I don't have any right to ask you to do that!
I went out with you, but not for love!

Of course
it's love.

Your heart
starts pounding
when I hug you.

Nina...

Jeez...
You're
really slow
when it
comes to
yourself,
Itsuki.

You're
touching
too
much!

To think
that I'm
not the
first one
to see
this

makes
me
mad!

Your
clothes
are super
cute
today.

But
I'm the
only one
who gets
to see
what's
under-
neath!

R-
Really?

Sorry,
for not
believing
in you
before.

Itsuki
...

Nina.

You're
always
doing it
for me.
So now,
it's my
turn...

Truly?

Nina!

I love you...

Say it... more...

ah!

I love you... so much...

My... Nina!

Let me touch you too!

ahh!

ah...

Hearing it so much will

make me cum!

Ahh! Me too...
