Someone might come here if you're too loud-

But don't you think that only makes it more arousing?

TL note: In Japan, male graduates' school uniforms' buttons are often given away to (taken by) girls after the graduation ceremony as keepsakes. Popular guys may lose all their buttons.

Here!

I love it when you look mean like that but wait, wait~!

KYAA AHH!

I kept it safe just for you, Kana-chan.

It's the super important second button!

Calm down now?

TL note: The second button from the top is saved for the girl the guy likes the most since it's located closest to the heart.

But it was helpful for me~ It kept other guys away from you, after all~

Don't you think it's a nice memory?

It's stupid.

You know, about how I used to follow you around all day, every day~

And in the first place... I'm pretty sure everyone in the school already knows about it.

People even started calling me a "24/7 angry stick-in-the-mud" because of it...

Even though I was already known as a "serious girl that's hard to talk to"...

Yeah, that incident...

Kana-chan, go out with me~

Hey~ Come on~

IGNORE~

Okay...

≠  
||

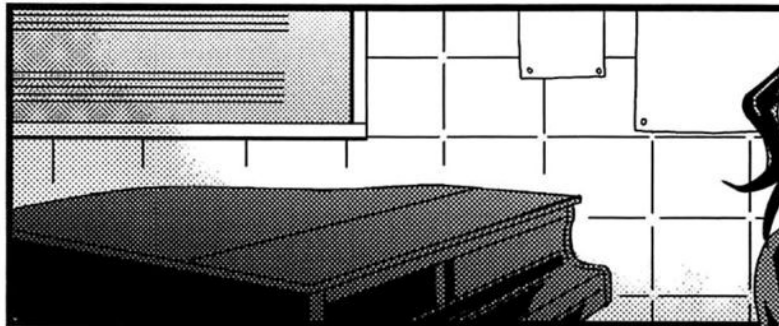

I want to make as many good memories as I can with you, Kana-chan!  
After that, I can graduate in peace!

Anyway!

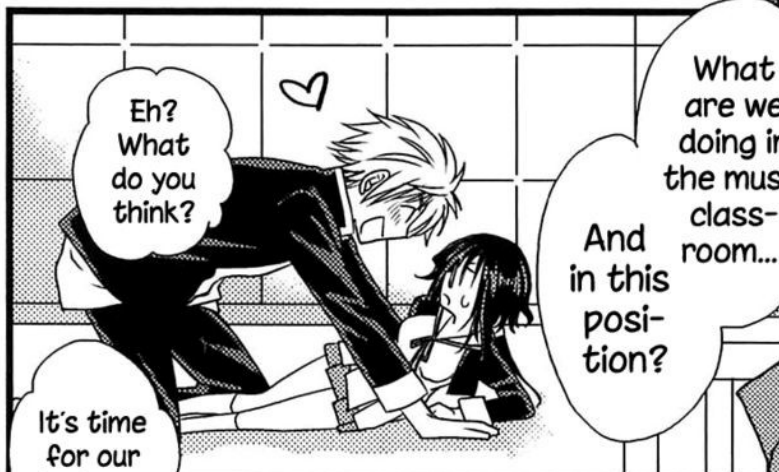

Is you, Senpai...

Because the only one weird enough to fall for me...

So?

Eh? What do you think?

What are we doing in the music classroom...  
And in this position?

It's time for our last sex on school grounds, of course!  
♡ ♡

KYA-!

Oh, you know~

"Oh right, we had sex here~", you know~  
♡

I thought that during every lesson, you could go...

Wha-

Huh?

Oh, who-ops.

What did you mean by that?

Wai... Senpai-

I just want to leave some good memories of my school days...

We won't be seeing each other during the day anymore, you know! This is important!

We did all that because of this stupid reason..?

So yesterday's thing in the gym store-room and last week's toilet and art room adventures...

Oh, how I want to see Kana-chan's anguished face as she walks around the school..!  
♡

わは...

After we do it here, our "sex all around the school" mission will be over...  
Okay?

Y- You can't be serious...

I will not let you put it in today!

I won't forgive you this time...

You have no sense of shame!

You're the worst!

You're a deviant!

Ehh-

But Senpai... You have a masochistic side, so wouldn't you just enjoy that?

I can't imagine anything worse than not being allowed to touch you!

That's not true!

Okay, I won't put it in... So let me see you masturbate, Kana-chan.

But not being able to do anything be simply terrible?

Wouldn't seeing you being lewd right in front of me...

If you want to punish me...

Is that so..?

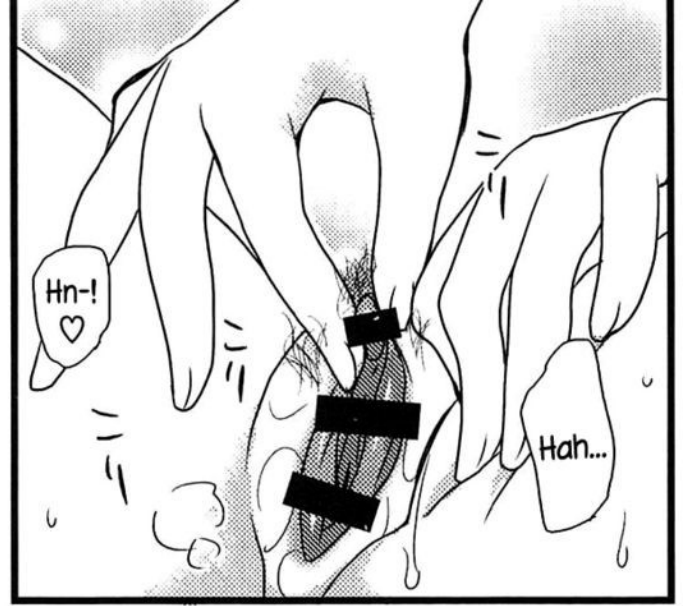

In that case...

Si... Sit there and watch.

And reflect on your actions, okay...

Ah... ♡

Your pussy is like a mouth, opening and closing...

It's OK...

I won't put it in.

I'm starting to feel weird...

I get it already..!

This is only a reward for enduring my training, okay..?

You controlled yourself well... So today's punishment end here.

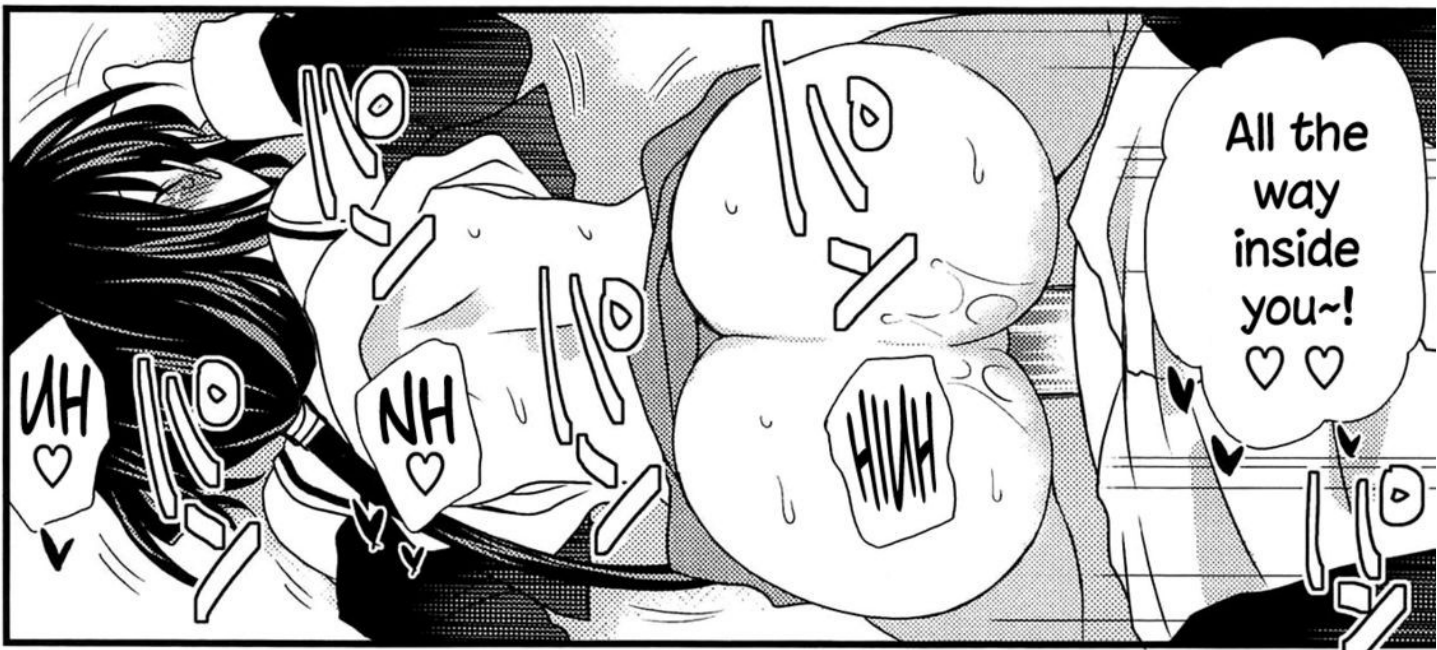

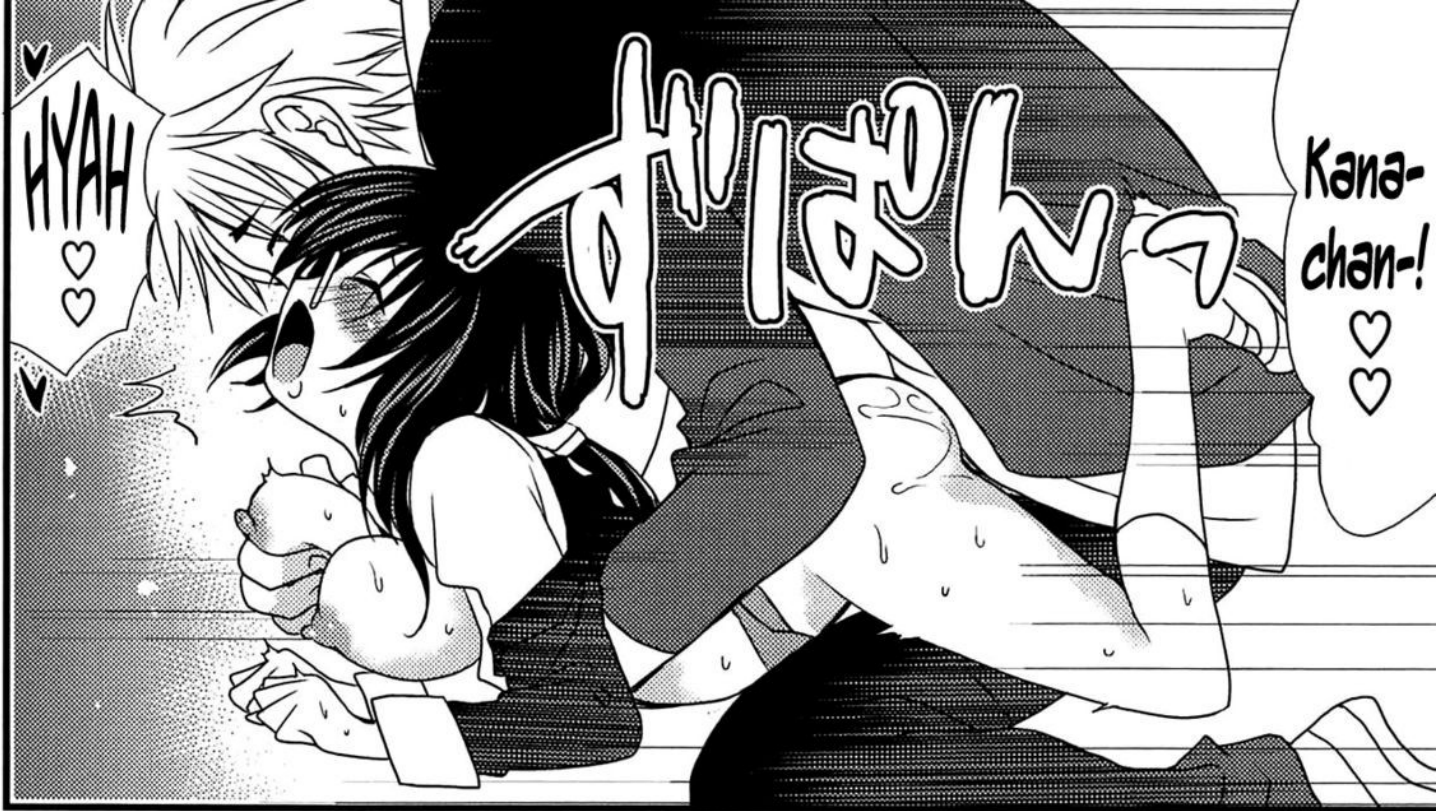

Kana-chan-!

Yeah...  
I'll do it..!

So let's go on dates every Sunday!

We won't be seeing each other during the day any-more!

Oh, right!

He had his way with me again...

AWW YEAH!

We've now conquered all class-rooms~!

Since I'm planning on going to the same university.

This'll only go on for a year any-ways.

You don't have to get so flustered...

Let's do it one more time, Kana-chan~!

Aww~! That reaction is just too cute~!

かああ

Seriously?!

I re-fuse!

Sex on school grounds is banned!

Now that I know about your scheme, I won't do it again!

In that case...

We can keep making memories even in university!

#  
He sure got the job fast~

Yamaï's at it again~

Leave the uniforms to me!

If you need any kind of moe outfits, I'm your man!

Yes, here!

Now, about the waitress' uniforms...

Well then, our class will be running a moe-themed café for the cultural festival.

Could we also get a girl to help out with the uniforms?

But only getting a boy's opinion is a bit worrying...

How promising~  
♡♡

But of course!

There is no one more knowledgeable about moe than I am!

Wow...

So Yamaï-kun will be in charge of the uniforms...

Okay!

Matsu-shima-san it is, then!

Wah-

O-  
Okay!

What do you think? Anyone?

ME TOO... I WANT TO DO IT... WITH YAMAJI-KUN...

キキキ

I am~! Oh, me too~

Are there any others who are skilled at sewing?

Wanna come over to my place right away after school?

I've already got all kinds of material done.

Yamaji-kun's house...

Yeah, okay-!

Y-

Is it...

Really that creepy of a hobby?

Eh?!

ほふふー

You're amazing, Yamaji-kun!

Oh, no!

There are cute clothes everywhere...

I have a friend who helps me out at all kinds of doujin events as a salesgirl, and I like making clothes for her, you see...

And I can't help but keep making more~

Eh-?! These are all hand-made?!

But since they're so expensive, I've only been able to look at them in magazines...

I actually really like goth lol clothes...

So seeing this much of them in one place is wonderful~

Eh- Really?!

This is really cute, too-! ♡

But I'm worried that the sleeves might get stuck to something...

Matsushima-chan, try these too!

Wow~! This is so cute- ♡ ♡

I-In that case,

would you like to try some on?!

We could take notes on how easy it is to move in them, too..!

Can I really?

Yeah, this is the one concept we can't forget!

Wah... Cat ears... ♡ ♡

I knew it, you're perfect! ♡ ♡

And I'm getting too excited over this... How embarrassing...

I hope they don't look too weird on me...

Ah! Sorry!

I'd like... you to be my sales-girl some day... Or something...

My figure must be similar to that sales-girl's... Right?

Uh- Um-The clothes-

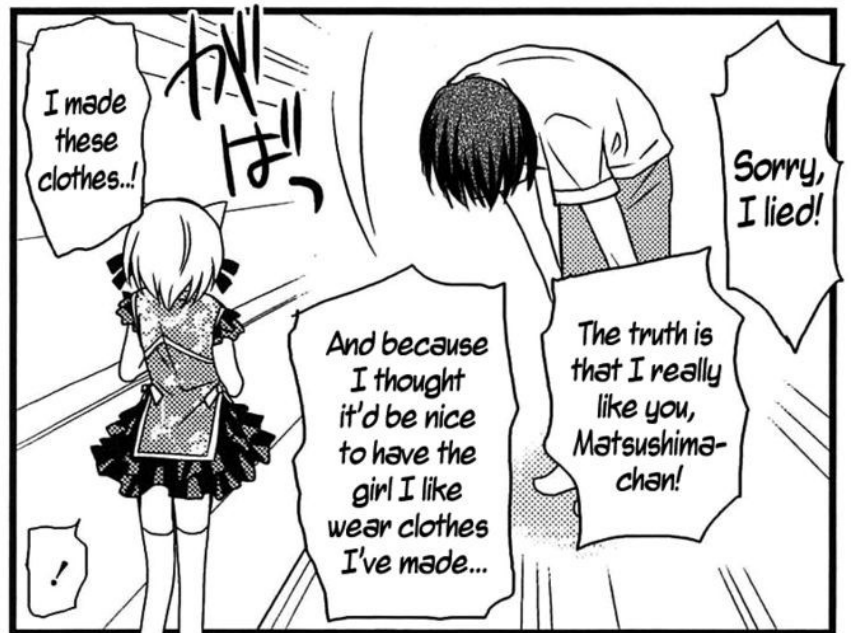

It's kinda surprising how well they fit me...

Ah- No-I mean-

Me as the model? Eh?

I actually used you as the model for all these clothes, Matsushima-chan...

Ahh, no, that's not it...

I really wanted to help... the guy I like...

But... I really did want to help you, Yamaaji-kun...

Sorry...

I... know I volunteered to do this job... But I don't actually know much about sewing...

Huh?

What?!

Heh-

Eh?

For real?!

Eh?!

A-Am I dreaming..?

Uwah..

I wish you'd pinched me after we'd at least kissed or had sex...

But if this really is a dream, I'd hate it...

We can still do that...

Or something...

Eh?!

You said you thought you were dreaming...

So I just showed you that you were awake...

And she isn't especially ladylike, either...

She's just as bad at cooking as you would expect, though...

And I've heard rumors that her casual wear is a jersey~ I can see her wearing that!

Okay, thanks!
