

H-Hey, Chika-chan...

Ah!
But don't do it too hard~

Takkun~

You're not putting your heart into it today~

Rub them well, okay?

Eh?!

Are you sure this works?

Be gentle with me~
♡

O-
Okay...

Fueh?
What are you talking about?

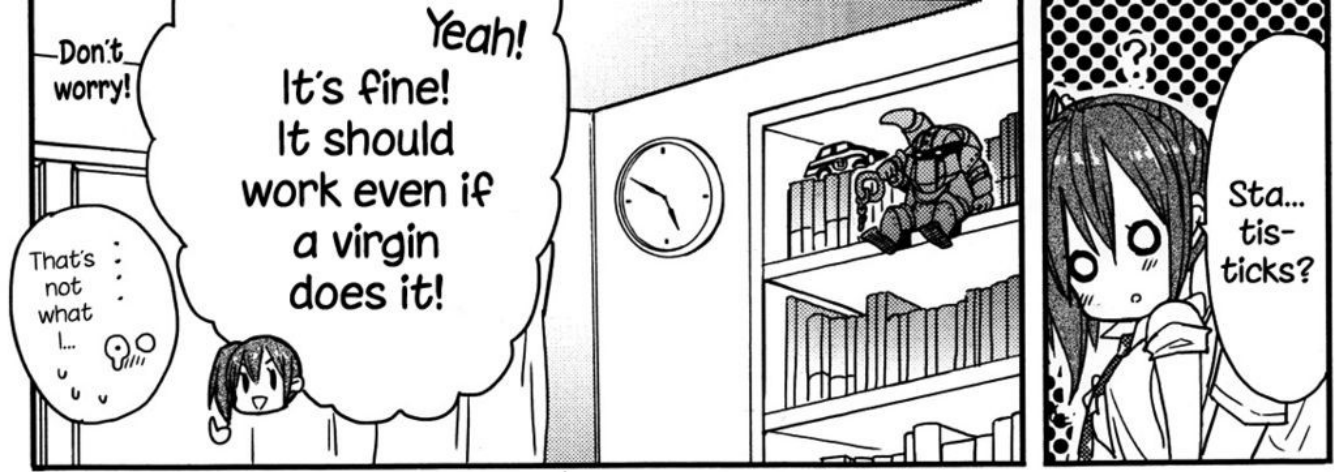

I mean, the thing about your chest growing if you rub it...

Nn..?

Are there, like, any statistics proving it's true?
