Taka~kun!

Sorry about Risa.

I hate homework.

Goshi! You do this every year~!

Pout!

Join the club.

Why wouldn't I be~? This is our house.

Hahaha~

And I was the same as her when I was in grade school.

It's quite all right~! We're cousins, after all!

Ah Kurumi-chan!

Doing homework with a pair of grade school sisters.♥ The fact that there's a ton of it might actually end up being a bonus.

Fine

Look, Taka-kun and I will help you, so let's finish it all!

Don't leave it all for him to do!

See, he himself, says it's alright...

Slide

Hey

Though, deep down, something's nagging at me.

Hmph!

Recently, she's stopped calling me Taka-chin.

Man, this position is just the best-

Girls are pretty impressive in that regard

The two of them! Once they get started, they have laser focus, huh?

Mh!

Why the hell did I start fooling around like this while worrying about the growing distance between Kurumi-chan and mee...?!

Mmh...

Oh, crap... My dick's perfectly crammed between Risa-chan's butt-cheeks!

It's too hard!

Aah! Whenever she's having trouble, she wriggles her hips, rocking my cock...

I'm har... Kh!

Ha...! Kurumi-chan hasn't noticed, has she?

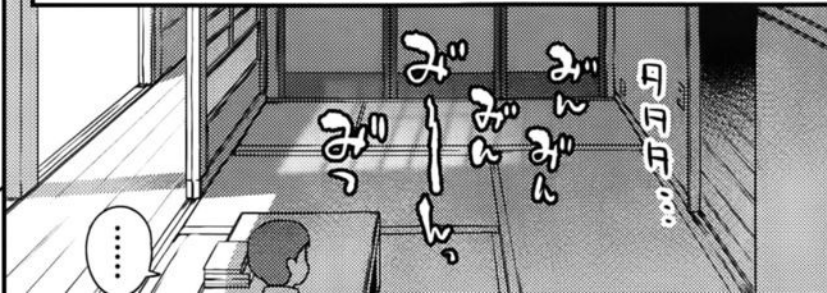

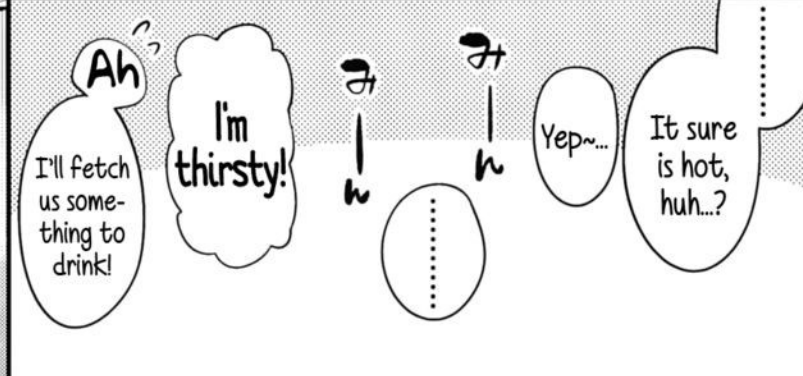

I'm at full mast!

The joyful smell of sweat and shampoo keeps making its way up my nostrils.

Even if I try to hold it in, I can't in this position.

Of course I did! I mean, look how hard it is!

Ah... So you knew all along?

You're thing's poking into my butt.

So? Whad'ya wanna do?

Hya! Here it is! It's sopping wet!

Risa-cha

トコ

Say, Taka-chin, I'll rub your cock 'til you blow, so~ will you do my homework for me?

It's so stiff~

Ha...! Ah! Risa-chan's squishy hand...

Awesome! I'll do my best! I'll make you cum in a jiffy and then, festival time!

Uhh All right!

All of it?

I wanna go to the festival.

Obviously!

I've been kinda sensing some

Here! we go!

Lately, Kurumi-chan and I, well...

Yeah.

Onee-chan?

Risa-chan~

Hm?

Ahn! It's hard to jerk you off from behind.

Now that it's stuck at the base, this is a lot easier!

Also, umm... What were you saying again?

Eeh...? She is?

Onee-chan's at that age, y'know.

That's too bad. Although your cock doesn't seem too down about it.

Hmm.

My boner has nothing to do with... Hah... Your immature crotch! Feels so good!

Hehe

Is that so?

Of course she is!

Yeah... She won't... call me Taka-chin anymore.

Even though you're an adult who lets a third grader make you cum?

You won't believe me because I'm still in grade school?

Just spurt it out, I bet your balls are plump with sperm.

Oh... Fu

No... I haven't cum yet... I want to enjoy this longer!

No, I will!

Eeh, Taka-chin, you're holding back?

Taka-kun.

Are you going with someone?

Ah! Kurumi-chan, if you want to go to the festival too, then-

Ahaha! Risa-chan, switches moods like nobody's business, huh?

...Yeah.

Maybe because you were trying to put some distance between us...

Or at least, that's what I thought...

Ugh

No, you got it all wrong. ...Listen,

you've kinda changed the way you call me.

R-Really? But, y'know, lately...

Huh?

No!

I wasn't even planning on going.

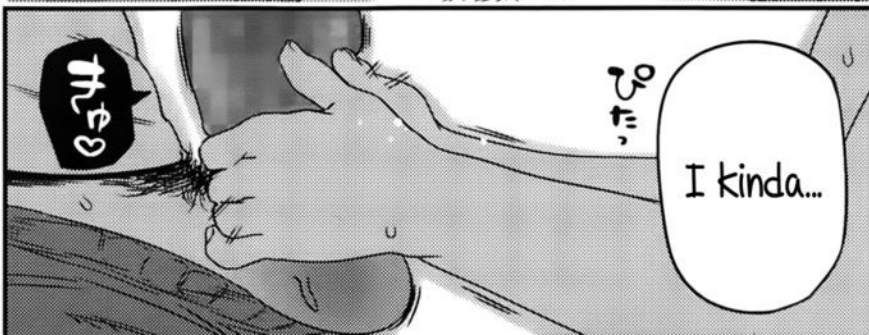

And even if I had plans, I wouldn't mind cancelling them.

Uh

Why... You wanted to go with me? Or maybe you're asking because you don't...

Ah... No, that's not it.

I kinda...

And when I wanted to say "chin" all that came out was...
No! No! No!

Kurumi-chan!

I sta...

I shtated feewing embawashed cawing you Taka-hin...

Hooh

Aah! My fingers are digging in so far, they're being pushed back!

But... Before that...

Let's go to the festival! Me and you~!

No, I just got a little nervous and started acting weird.

Thank goodness~! You didn't hate me after all!

Hah... I'm so relieved... Kurumi-chan~!

Kurumi-chan, your pussy's... so soft...!

Just listening to it is enough to put me on the verge of exploding!

Your voice!

Kurumi-chan... I don't know if it's my relief talking or my semen, but-!

I want to cum

Taka-kun

Ah

I don't mind if you treat me a little roughly.

I mean, just look at my body...

I'm so horny I can't stand it!

Wherever I touch you, you're as soft as a pillow.

This dreamy body of yours, squishy like a rice-flour dumpling.
