I was in the classroom and saw you heading to the gym equipment storeroom, you see...

Ah-!

That's right- ♡
Someone might come here if you're too loud-

But don't you think that only makes it more arousing?

TL note: In Japan, male graduates' school uniforms' buttons are often given away to (taken by) girls after the graduation ceremony as keepsakes. Popular guys may lose all their buttons.

Here!

I love it when you look mean like that but wait, wait~!

KYAA
AHH!

I kept it safe just for you, Kana-chan.

It's the super important second button!

Calmed down now?

TL note: The second button from the top is saved for the girl the guy likes the most since it's located closest to the heart.

But it was helpful for me~ It kept other guys away from you, after all~

Don't you think it's a nice memory?

It's stupid.

You know, about how I used to follow you around all day, every day~

And in the first place... I'm pretty sure everyone in the school already knows about it.

People even started calling me a "24/7 angry stick-in-the-mud" because of it...

Even though I was already known as a "serious girl that's hard to talk to"...

Yeah, that incident...

IGNORE~

Hey~ Come on~

Kana-chan, go out with me~

Okay...

≠
||

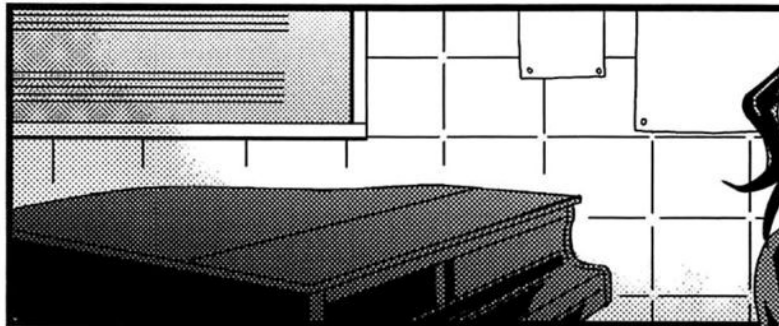

I want to make as many good memories as I can with you, Kana-chan!
After that, I can graduate in peace!

Anyway!

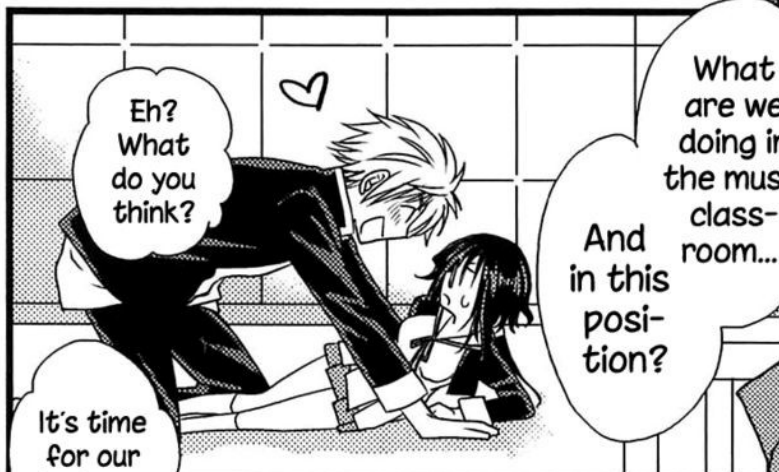

Is you, Senpai...

Because the only one weird enough to fall for me...

So?

Eh? What do you think?

What are we doing in the music classroom...
And in this position?

It's time for our last sex on school grounds, of course!
♡ ♡

KYA-!

Oh, you know~

"Oh right, we had sex here~", you know~
♡

I thought that during every lesson, you could go...

Wha-

Huh?

Oh, who-ops.

What did you mean by that?

Wai... Senpai-

I just want to leave some good memories of my school days...

We won't be seeing each other during the day anymore, you know! This is important!

We did all that because of this stupid reason..?

So yesterday's thing in the gym store-room and last week's toilet and art room adventures...

Oh, how I want to see Kana-chan's anguished face as she walks around the school..!
♡

わは...

After we do it here, our "sex all around the school" mission will be over...
Okay?

Y- You can't be serious...

I will not let you put it in today!

I won't forgive you this time...

You have no sense of shame!

You're the worst!

You're a deviant!

Ehh-

But Senpai... You have a masochistic side, so wouldn't you just enjoy that?

I can't imagine anything worse than not being allowed to touch you!

That's not true!

Okay, I won't put it in... So let me see you masturbate, Kana-chan.

But not being able to do anything be simply terrible?

Wouldn't seeing you being lewd right in front of me...

If you want to punish me...

Is that so..?

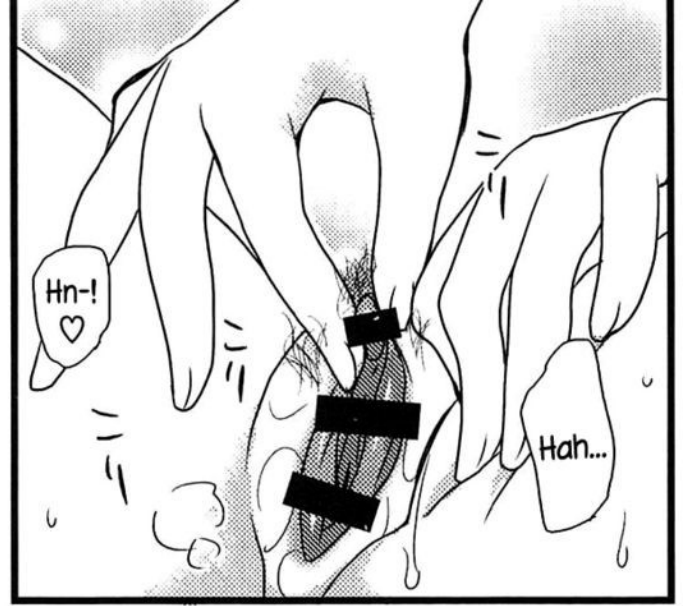

In that case...

Si... Sit there and watch.

And reflect on your actions, okay...

Ah... ♡

Hn- ♡

Your pussy is like a mouth, opening and closing...

You...
Can't...

I want to put my finger in, Kana-chan..!

Is going inside her...

HN

Sit back and watch... Senpai...

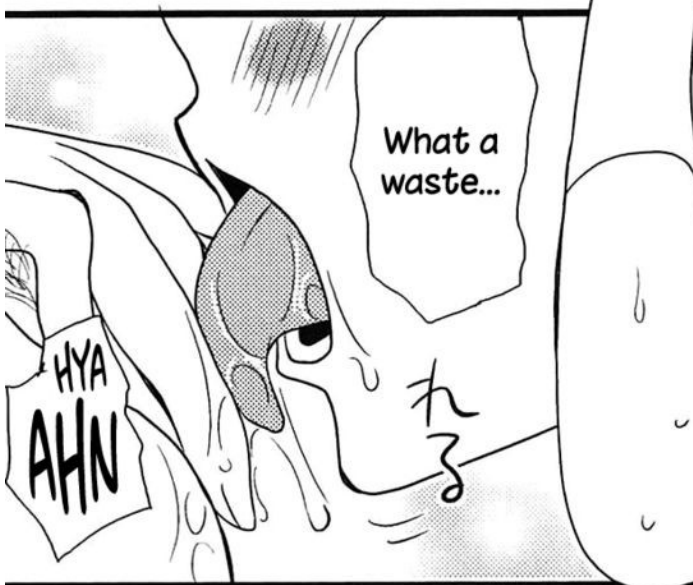

Ahh... Her white and soft finger...

You only have to...

Training you right now, Senpai, so...

It's OK...

I won't put it in.

AH ♡

AHN

I'll just rub it...

Senpai... Stop it..!

Kana-chan...

I'll just rub against it... a bit...

I'm starting to feel weird...

Noo..! ♡

You controlled yourself well... So today's punishment end here.

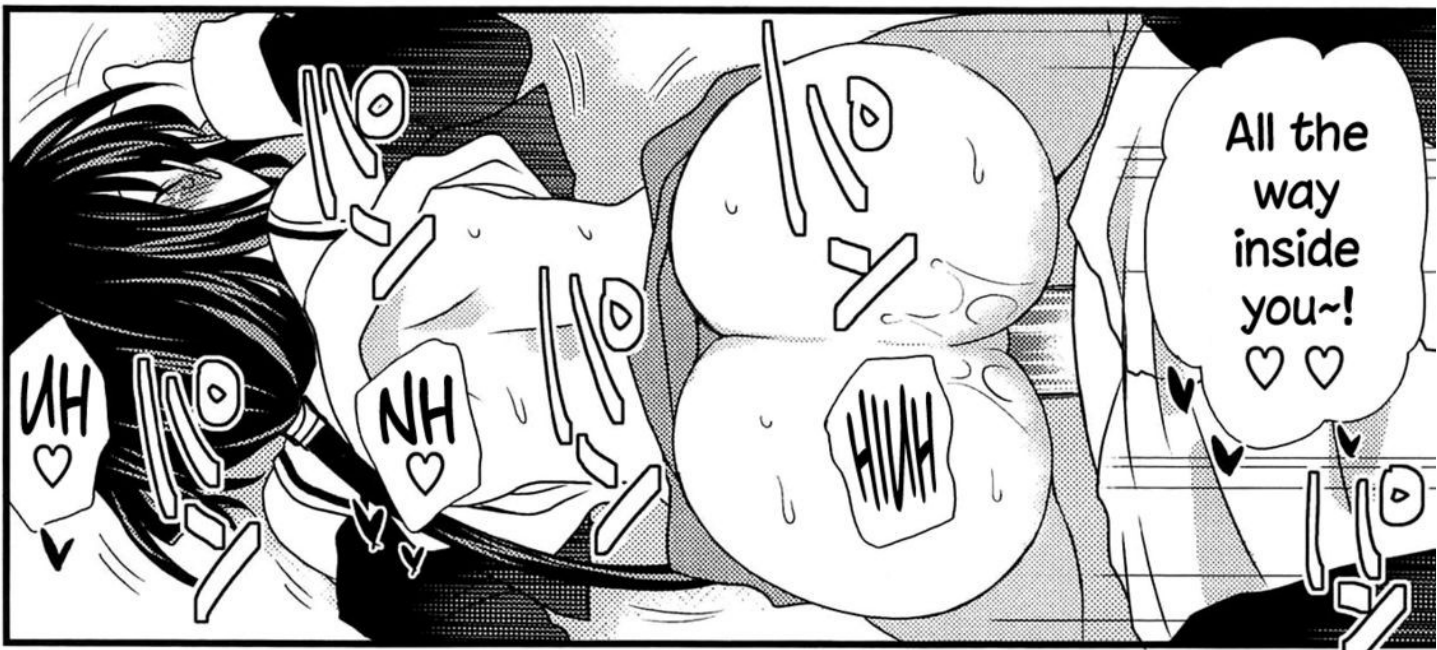

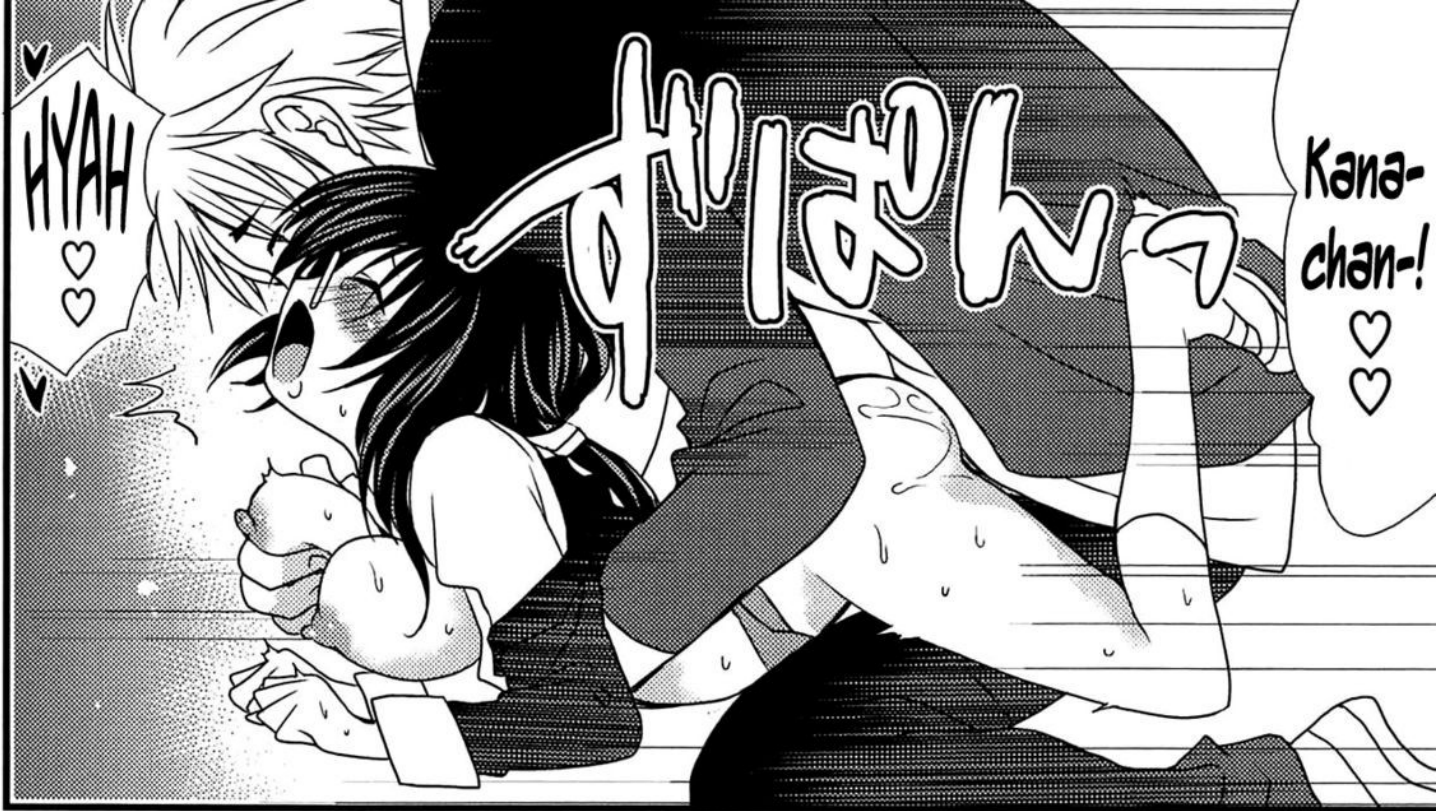

Kana-chan-!

So you can...

And let's call each other every day!

So let's go on dates every Sunday!

We won't be seeing each other during the day anymore!

Oh, right!

He had his way with me again...

AWW YEAH!

We've now conquered all classrooms~!

Since I'm planning on going to the same university.

This'll only go on for a year anyways.

You don't have to get so flustered...

Let's do it one more time, Kana-chan~!

Aww~! That reaction is just too cute~!

かああ

Seriously?!

I refuse!

Sex on school grounds is banned!

Now that I know about your scheme, I won't do it again!

In that case...

We can keep making memories even in university!

He sure got the job fast~

Yamaï's at it again~

Leave the uniforms to me!

If you need any kind of moe outfits, I'm your man!

Yes, here!

Now, about the waitress' uniforms...

Well then, our class will be running a moe-themed café for the cultural festival.

Could we also get a girl to help out with the uniforms?

But only getting a boy's opinion is a bit worrying...

How promising~
♡♡

But of course!

There is no one more knowledgeable about moe than I am!

Wow...

So Yamaï-kun will be in charge of the uniforms...

Okay!

Matsu-shima-san it is, then!

Wah-

O-
Okay!

What do you think? Anyone?

ME TOO... I WANT TO DO IT... WITH YAMAJI-KUN...

キキキ

I am~! Oh, me too~

Are there any others who are skilled at sewing?

Wanna come over to my place right away after school?

I've already got all kinds of material done.

Yamaji-kun's house...

Y-

Yeah, okay-!

Is it...

Really that creepy of a hobby?

Eh?!

ほふふー

Oh, no!

You're amazing, Yamaji-kun!

There are cute clothes everywhere...

I have a friend who helps me out at all kinds of doujin events as a salesgirl, and I like making clothes for her, you see...

And I can't help but keep making more~

Eh-?! These are all hand-made?!

But since they're so expensive, I've only been able to look at them in magazines...

I actually really like goth loli clothes...

So seeing this much of them in one place is wonderful~

Eh- Really?!

This is really cute, too-! ♡

But I'm worried that the sleeves might get stuck to something...

Matsushima-chan, try these too!

Wow~! This is so cute- ♡ ♡

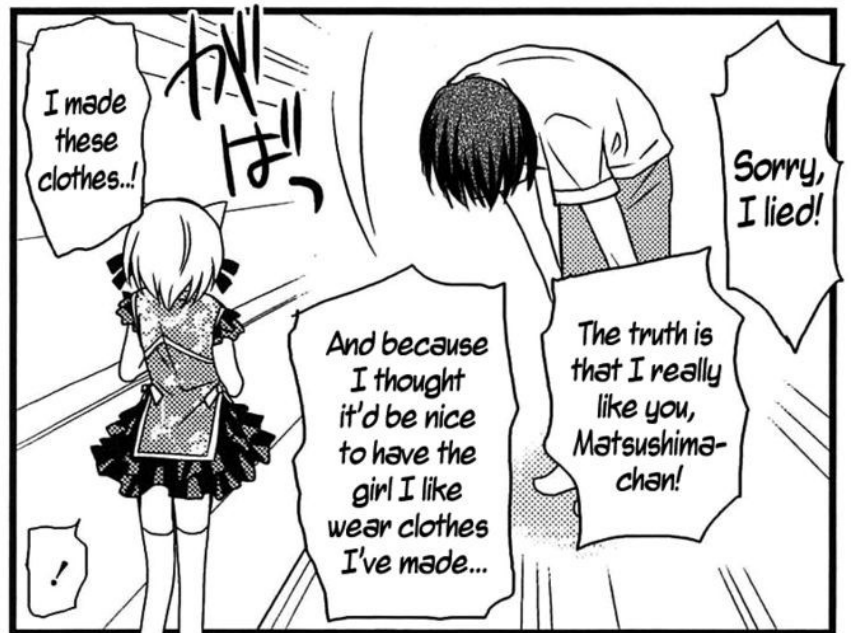

I-In that case,

would you like to try some on?!

We could take notes on how easy it is to move in them, too..!

Can I really?

I really wanted to help... the guy I like...

But... I really did want to help you, Yamaï-kun...

Sorry...

I... know I volunteered to do this job... But I don't actually know much about sewing...

Huh?

What?!

Heh-

For real?!

Eh?!
かああ

A-Am I dreaming..?

Uwah..

Seri-ously..?

かああ

Sh-She's adorable...

I wish you'd pinched me after we'd at least kissed or had sex...

But if this really is a dream, I'd hate it...

We can still do that...

Or something...

Eh?!
pop

You said you thought you were dreaming...

So I just showed you that you were awake...

Your hair is still blonde and your skirt is as short as ever, I see!

GEH!

Yukirin-sensei!

Why, if it isn't Class 2's Sakamaki Misuzu~

We're having an un-announced dress code check today.

IN THE DISCIPLINARY COMMITTEE

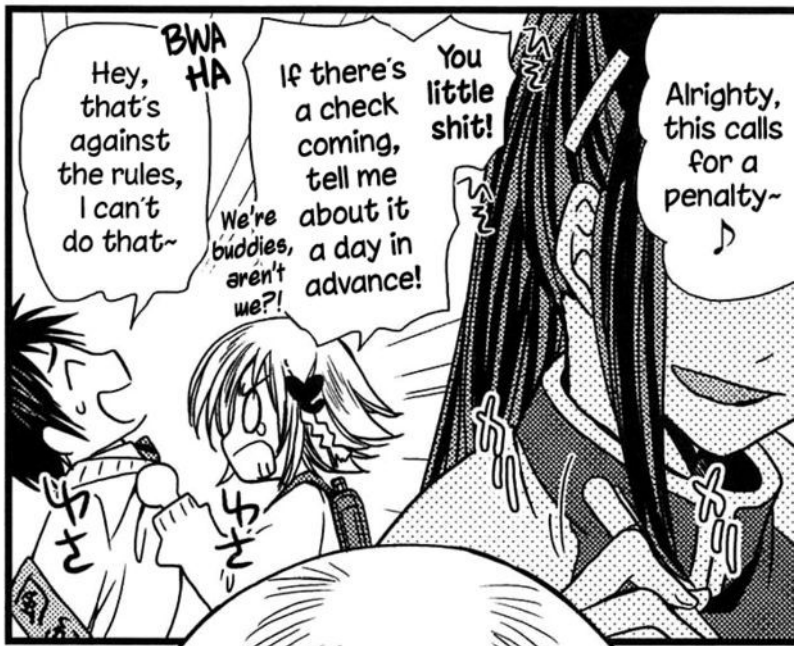

Morning.

...Aaand you're in your usual get-up. I knew it.

Oh, right! In that case..!

Mm?

BWA HA

Hey, that's against the rules, I can't do that~

If there's a check coming, tell me about it a day in advance! We're buddies, aren't we?!

Let's hear your-

How's that, Luchi?

I did it... I said it..!

Yes..!

Oh, I can't do that.

As a penalty for selling out your buddy...

I got these at the newspaper stand~

You have to come see a movie with me after school! I'll forgive you then!

EVEN THOUGH I FINALLY MANAGED TO ASK HIM OUT...!

But hey...

You're so damn diligent... Ugh...

What the hell was with that instant reply, huh? Don't get cocky...

GYAAA!

Not going straight home after school is against the school regulations~!

Ow-ow-ow!

헛헛헛헛!

Si-

Since you asked so nicely, we can go see it on Sunday!

Be there at 10, okay?! You better not be late!

Oh wow...

We can just go there on Sunday.

Ah.

Do we really have to do it today?

It'll feel more like a date that way, too.

Wha-

When did you turn into a tsundere?

Oh wow...!

Whoa-!

O-Did I ever say this was a date?!

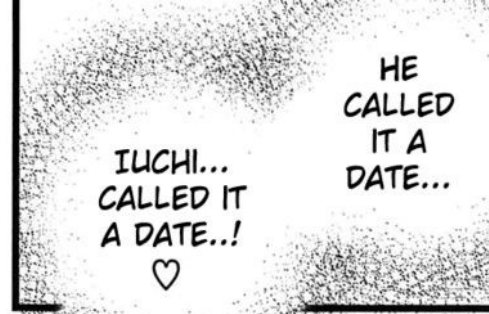

I'LL CURSE YOU...

I'M SORRY!

STAY AWAY!

That was more fun than I thought it'd be-

You okay?

What's wrong? You feeling sick?

Huh? The lights aren't on.

Where's your family?

SO WHAT'S WITH THIS..?! GEEZ!

I EVEN WORE CUTE! CLOTHES! FOR TODAY...

THIS WAS SUPPOSED TO BE MY PRECIOUS DATE WITH HIM...

Ah-

Come on, spit it out! I'll even walk you home!

Uuu

Not only are your clothes cute, you're also a scaredy-cat!

Wow, I didn't know you had this many cute points~

What, so that's what it was!

Maybe we can get you to forget it...
By having sex~?

But well...
If you're really that scared...

DOESN'T THAT MEAN...

And the next thing I know, I'm alone with her at her house...

I mean, I was on my first date with the girl I'm interested in...

It's just... that this situation is seriously awkward.

I was just kidding!
Just joking!

Acting like a playboy is even worse! Man, you're pissing me off..!

Asking if I can leave it to you or not!

You really love those cliched lines! I guess I won't go home, then~

Okay~ You can't cook, after all~
B-But you will have to make breakfast!
Since I'm only letting you stay over!

If you really want to stay over, I'll let you stay for the night!

Hey, don't hang up on me! Tch!
What are you-
Huh?
You drank too much?
And you're coming home in the morning?!

...

Kyaah! Chiririn!

Who gave her the knife?!

Yeah, you know...

Isn't a small, fluffy and gentle girl just better?

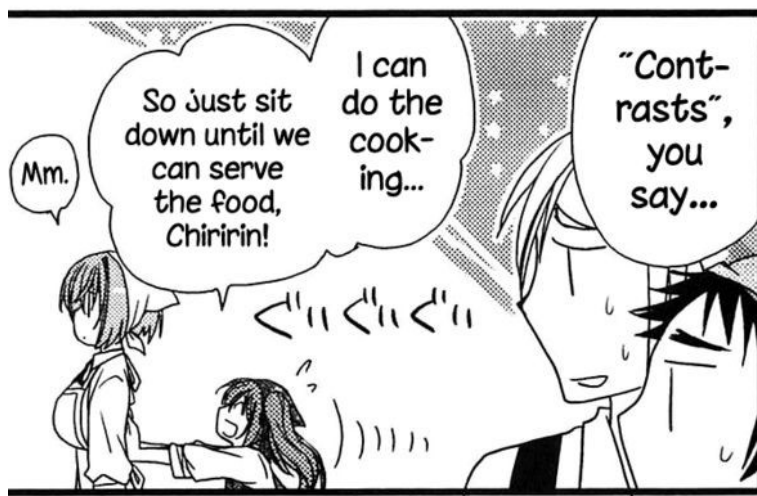

They're at it again...

Nah.

I like her and her contrasts the best.

Huh?

Come on! I'll do it, give it to me!

Mm.

So just sit down until we can serve the food, Chiririn!

I can do the cooking...

"Contrasts", you say...

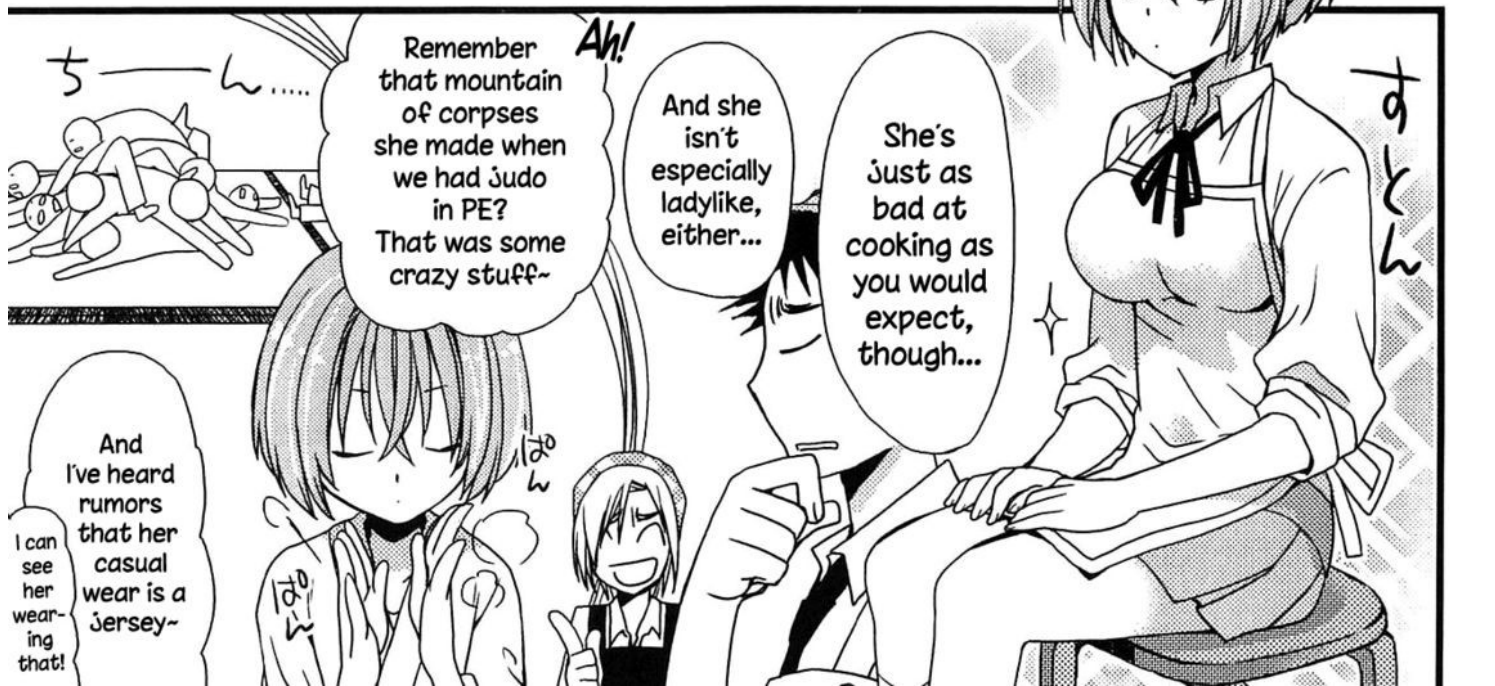

I'm talking about Hatanaka!

Seriously, going out with her? I couldn't do that~

Yeah~

Having a girlfriend who's stronger than you both physically and mentally... Oh man, I wouldn't be able to handle that~

Ah! Remember that mountain of corpses she made when we had Judo in PE? That was some crazy stuff~

And she isn't especially ladylike, either...

She's just as bad at cooking as you would expect, though...

And I've heard rumors that her casual wear is a jersey- I can see her wearing that!

Okay, thanks!

I'm... going to go throw out the trash...

.....

Sorry, sorry!

That's my girl-friend you're talking about!

Just drop it already!

IS THAT GIRL... CONFESSING HER LOVE TO HIM..?

Wata-ru..?

She's small... And cute...

Ahh- I'm sorry...

...AND GENTLE GIRL JUST BETTER?"

"ISN'T A SMALL..."

...FLUFFY...

Oh man~ You caught me at an embarrassing moment...

Ah...

Please don't cry...

She...

Looked like a girl guys would prefer...

Chiri?

I had no idea what to do there~

That was the first time someone confessed to me...

She must've heard... What the guys were talking about during home ec...

Aah... Yeah, I guess so...

But you're the one I prefer, Chiri!
Other guys' tastes don't matter!

I knew it...

Oh, I got it!

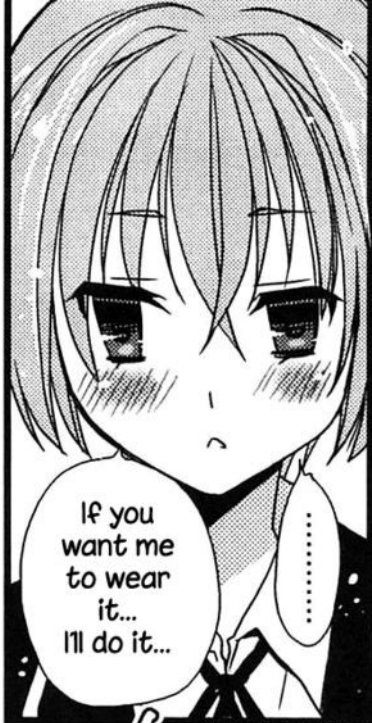

But, yes...

I'd like to see you being obedient and girly like that at least once...

Girls like her are...

If you want me to wear it... I'll do it...

When we were young...

I remember you making yourself a tiara out of white clovers.

LOOK~!
I'M A BRIDE!

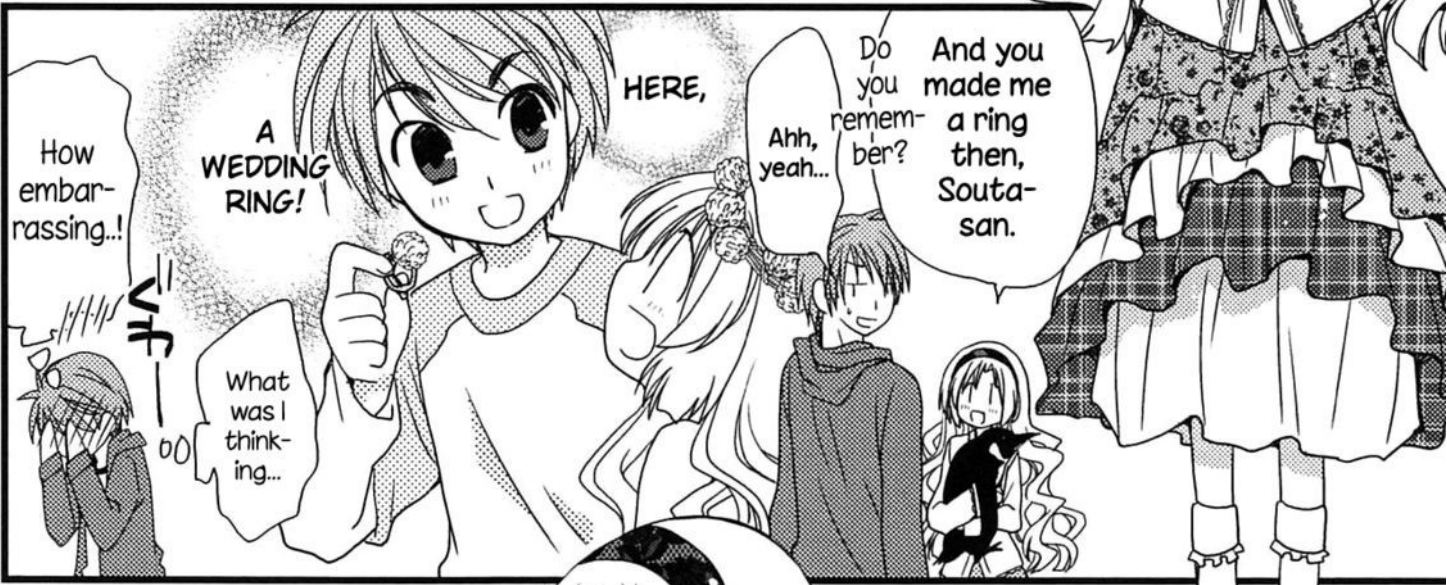

OH, RIGHT...

Of course, it still is...

My dream was to become a lovely wife.

You know... As a child...

How embarrassing!...

HERE,

Ahh, yeah...

Do you remember?

And you made me a ring then, Souta-san.

What was I thinking...

"YOU HAVE A GUY YOU LIKE, RIGHT?"

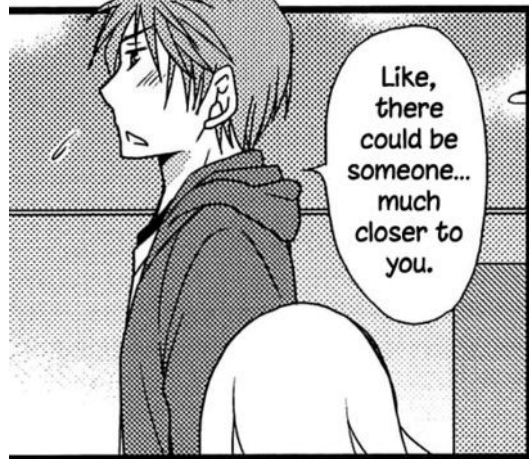

"SORRY, LOOKS LIKE YOU HAVE NO CHANCE WITH HIM"

Why do you always give me mean fortunes..?

Why...

BUT, WELL...

I'VE BEEN PRETTY SERIOUS ABOUT HER EVER SINCE THEN...

Fortune tellers can't see their own futures...

EVEN IF IT'S IMPOSSIBLE, I...

So I'm honestly scared to ask this, but...

Shit..!

I'm saying!

That I don't want to see a future where you're going out with some other guy!

Do you think I could be that guy..?

Hii-chan...

"The lover that will appear in front of you one day"

I'll do it!

Why are you suddenly saying all that?

SO... WE WERE BOTH JUST CONVINCED THAT WE HAD NO CHANCE WITH EACH OTHER..?

EH?!

I'd already given up, but now... So I thought you didn't see me as a potential girlfriend...

But... You always gave me nothing but mean fortunes...

Ever since the day you gave that ring to me, I've... you... Souta-san...
