

Demonic Exam 6

Trial of your Shrunk Fate

MEET YOUR GIANTESS JUDGES!

BY: CG17

WHOOSH...

SHING

PFHHH

AHHHHH!

NOOOOO!

Ooph...

What
the hell is
going
on?

A trial
for your
sins of
course!

Where
you will be
judged and
executed
thusly.

Wh...
what just
happened?
W-who are
you?!

Heh.

Oh god!

Where's...

Where's
my gun?!

Gone. As
is the notion
of your
existence...

Life as
you know
it has
past.

Wh... what
are you
talking
about?!

I am
**Lela Tulane
Arlanties.**

**-THE BRINGER
OF DEATH!-**

However, you were
not one of my intended
targets. Merely, you'd
just happened to be in
the wrong place at
the wrong time...

My
appearance
here has rewritten
how and when you
were supposed to
die... to right now.
Thus, the fate of
your soul in the
afterlife has been
consequently
impacted
as well...

BULLSHIT!
Don't try to
mind fuck
me!

On your
knees with
your hands up!
You are under
arrest!

And
did you just
say you're
here to kill
people?!

BOOOOM!!

There,
you see?
Dead.

What?!
I don't...
What just
happened
now?

That was
the explosion
which would have
blown you up if I
hadn't appeared
to end your
life first...

They
had a bomb
that you knew
nothing about. I'm
allowing you to see
the moment in time
when it would
have gone
off.

So you
see... Not only
would both sides
have perished, But
so would
have all of the
residents in
these buildings
as well.

My appearance has changed everything. As I had said earlier, I've rewritten fate itself.

One Fact remains; your death has forgone conclusion

I... I really am dead then...

Yes

But, what about all of those criminals?

If I'm here, where did they-

Right here. In the palm of my hand...

Awaiting their trial.

Trial?

CONVICT ONE:

Planned and implemented 13 murders. He planted the bomb here that would have killed you and the surrounding residents.

CONVICT TWO:

A drug trafficker and cult leader. He planned 8, and possibly more, terrorist attacks and raped 19 sows.

CONVICT THREE:

Smuggled more than 700 kilograms of heroin resulting in the disturbance of more than 40,000 families.

CONVICT FOUR:

Planted 3,000 acres of opium, trafficked more than 86 tons of opium, plotted to split the country into 7 divisions to benefit his drug and arms markets.

CONVICT FIVE:

Raped and murdered more than 31 women.

CONVICT SIX:

Engaged in drug trafficking after being lured in by the group.

Though they're all already dead, they must be put to justice for such transgressions. These sins must be punished unbiasedly.

So, seeing as how you've been ripped from your timeline accidentally... to compensate: the task of judge, jury and executioner in the after life... is yours.

Executioner...

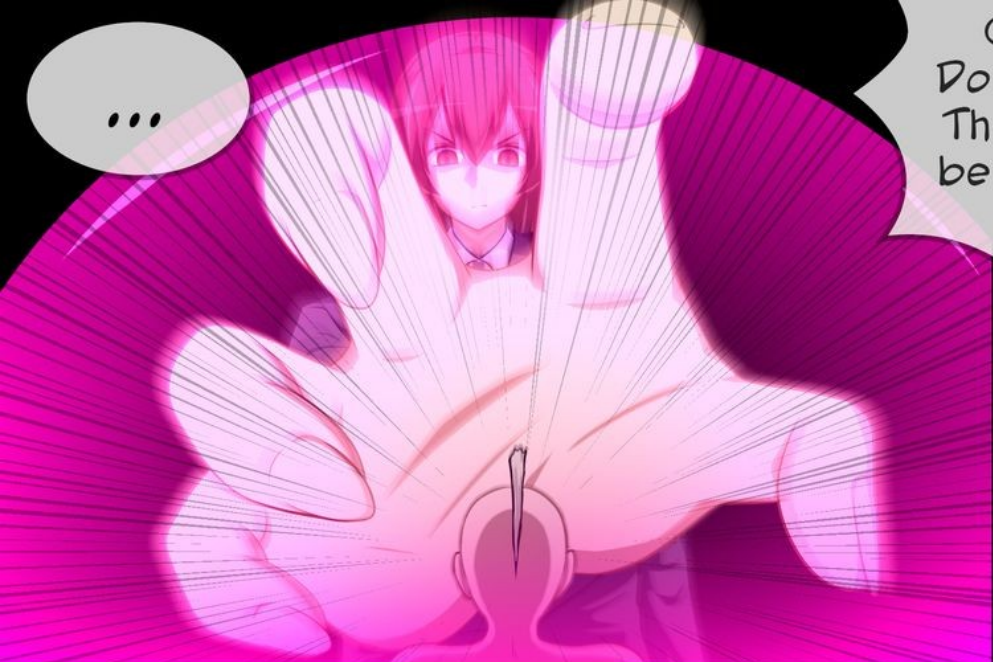

But... I'm not-

No fucking way! You're not god bitch! Nobody has that fucking right!

...

Can I... start with him?

It is your choice.

...

Go on!
Do it bitch!
Then you'll
be just like
me!

You'll be
just another
murderer! You
Fucking
cunt-

Quit
your pathetic
squalling!

It's
time to pay
for your
sins!

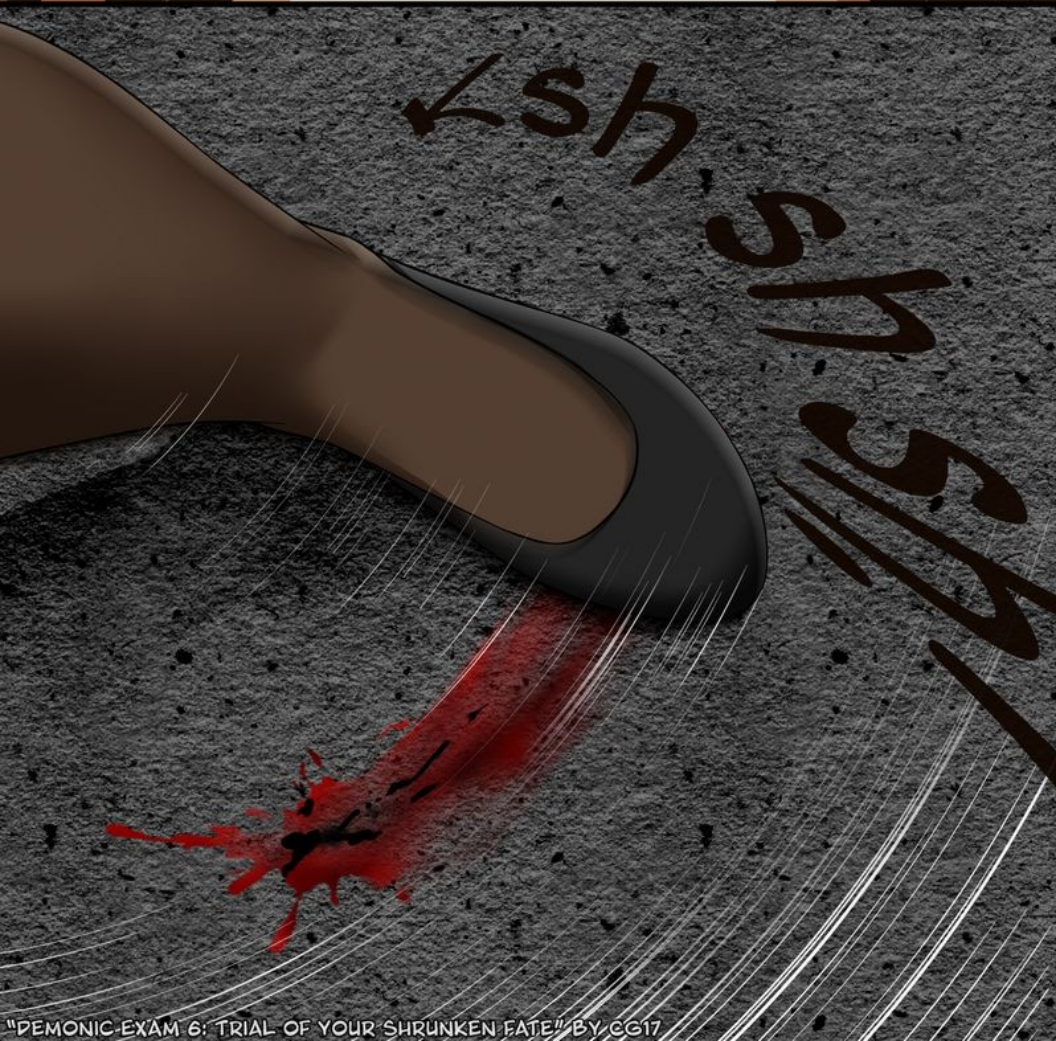

Hrk!!

FLICK!

CRACK!

BANG!

F-fuck!
She just
snapped!

M-man...
S-she
didn't even
hesitate!

WHO'S
NEXT!?

Damn she's
cold! Being
eaten by
death herself
would be
warmer!

No! No! Pick
him! HIM!

Anything
petty you'd
like to
bleat?

Oh Fuck...

No?
Are you
ready to
die then?

Oh god...
Goddess! No!
Please not
me!

What do you think gives you the right to kill us? Some stupid whore in a costume?

Don't do it! It's sick, killing us for fun! You'll be no better than the rest of us!

Shut the hell up! We'd all be dead anyway because of that bomb! At least this way you all get what you truly deserve!

You know? Simply being put to death is too light of a punishment for you little shit bags! I'm going to make sure you all suffer for all the innocent people you've hurt!

Fucking a...

YOW!

CHOMP!

Such
Futile struggle.
You humans and
your petty wills to
survive have never
Failed to contest
with inevitable
Fate.

God damnit!
You have no
fucking clue
what I'm going
to do
to you for
that!

Ahh...
Ooh...

If he
doesn't get
away she's
really going
to kill him!

Would
you like
the chance
to rescue
him?

Tell you
what... I'll let
you all try! So
do you think
you can do
it?

Ha ha,
look at how
worried you
are for your
friend...

Though
it's obviously
dangerous, it'll
be worth it if
you somehow
succeed...

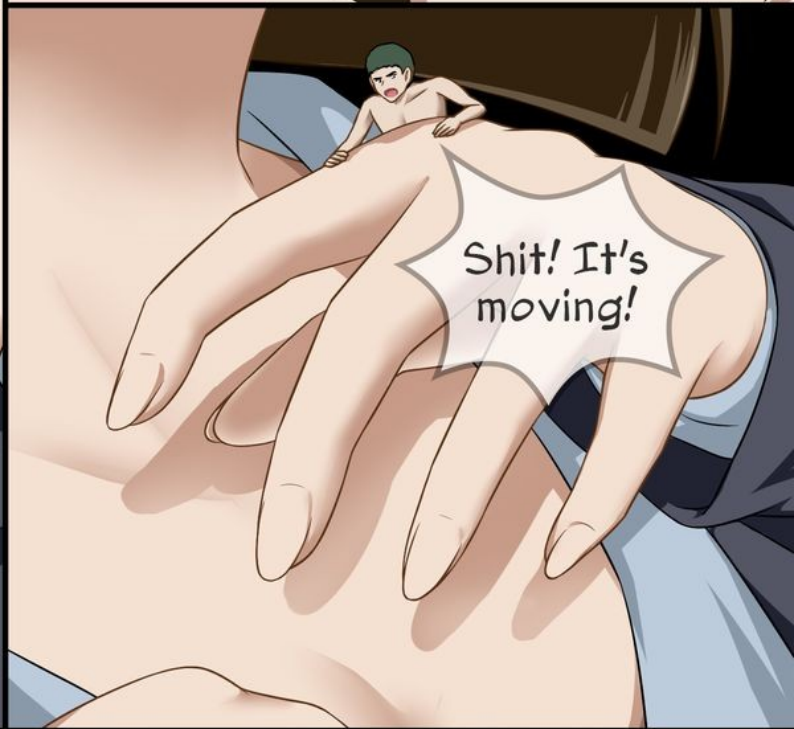

Ahhh!

Yes! We made it!

What the hell!
Where did you come from!

Shit! It's moving!

You Fool!
Jump!

What?!

Alright!
H-here I go! I'm gunna-

Mmm...

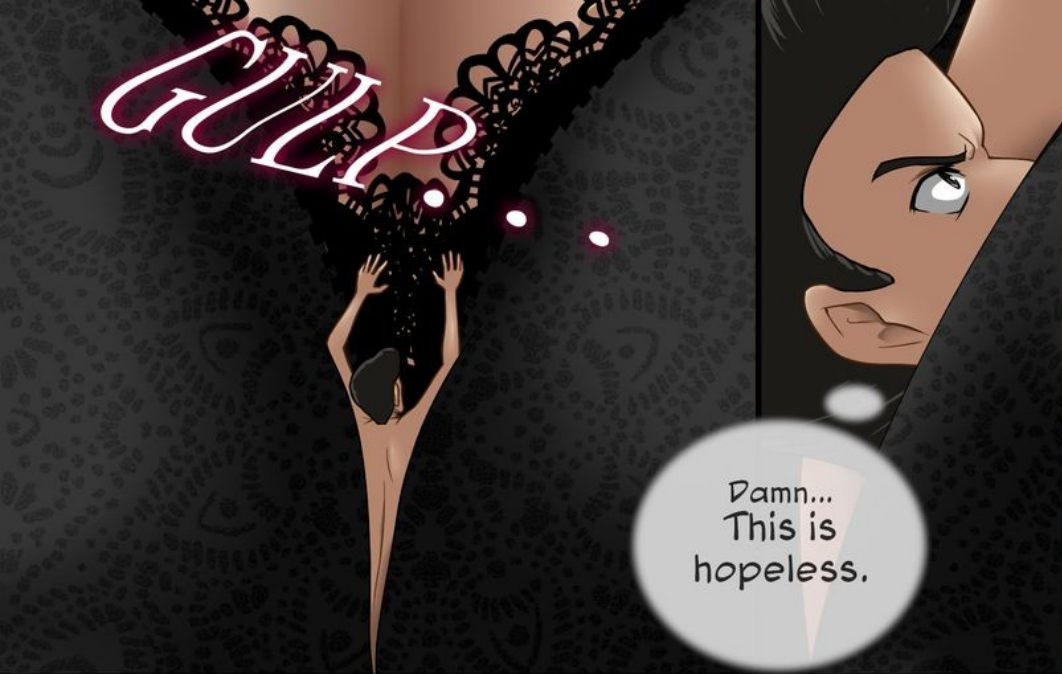

That was
unexpectedly
amazing!

NO!

!!

H~Help...
She's going
to swallow
me!

GULP ~

It's over...

The hell bitch?!

What?

You lied! You sent them just so you could watch them struggle and die!

Hmm? Heheheh... Death does not lie...

Think about it! You're dead. How many people have you ever known to come back to life, huh? I told you what I would do if you could save your friend and get away... I even said it was severely dangerous! So no, Lela did not lie to you...

I just never said that that it was practically possible.

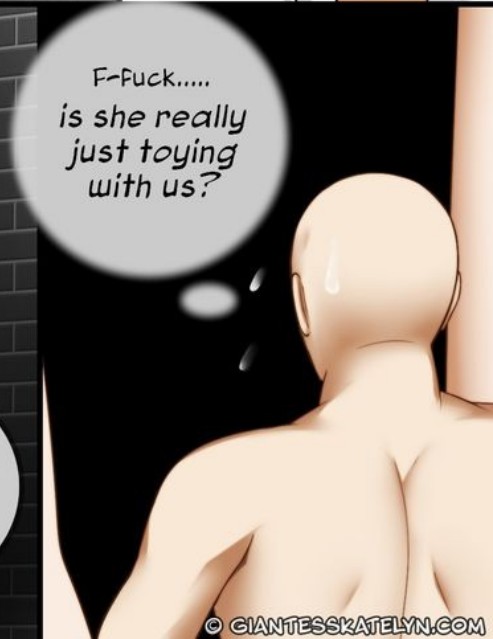

So, would you like to try eating them at the same time?

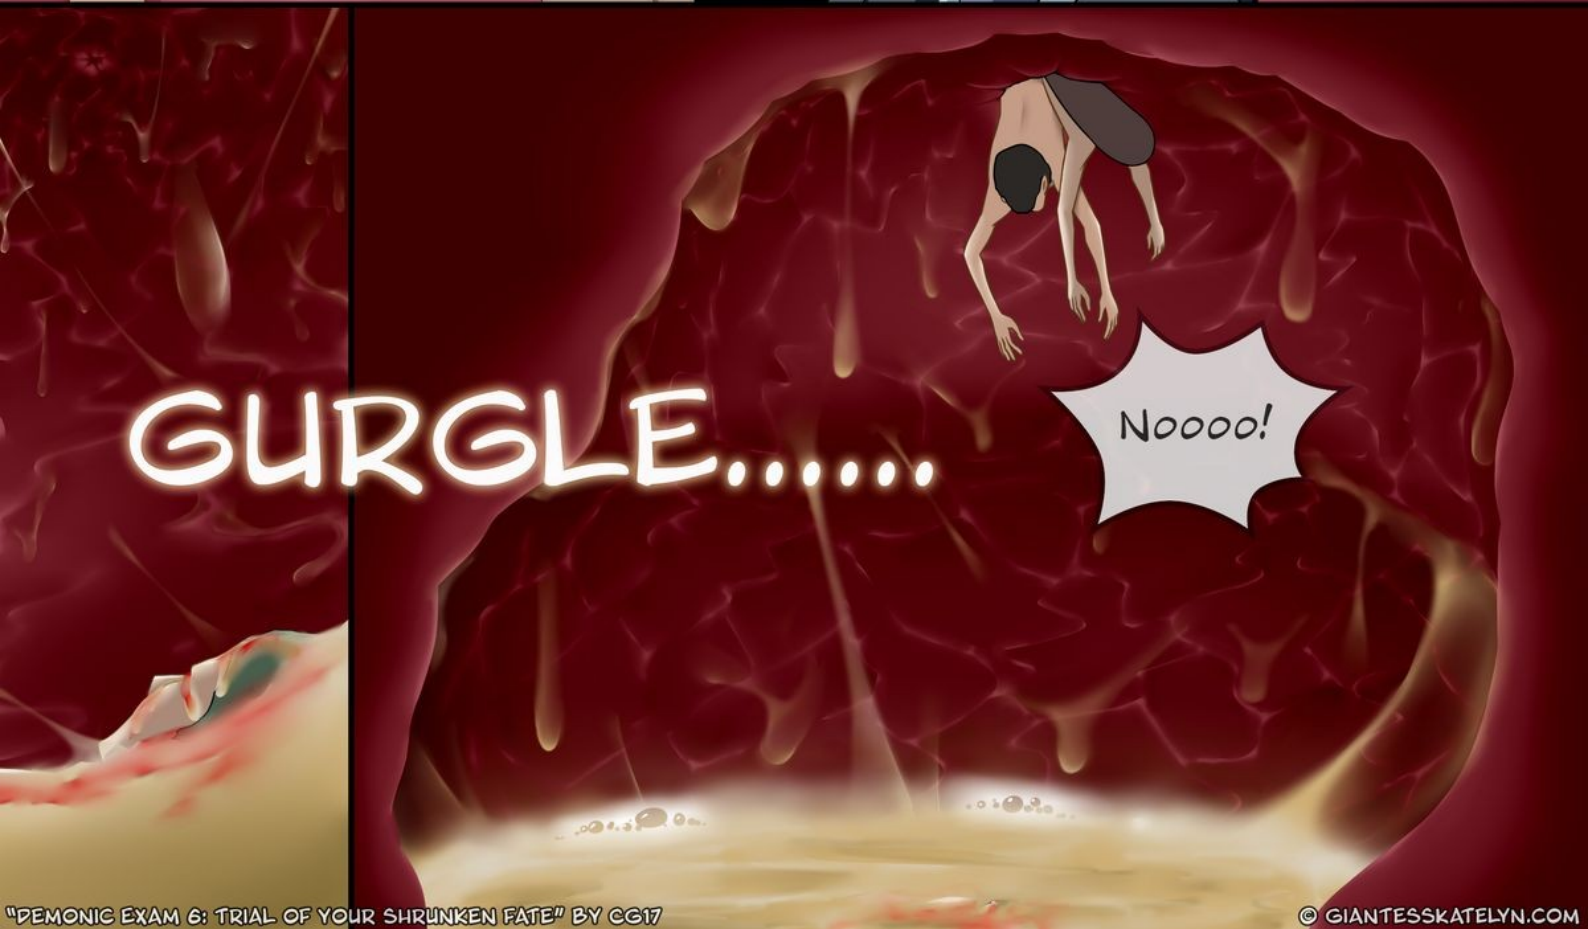

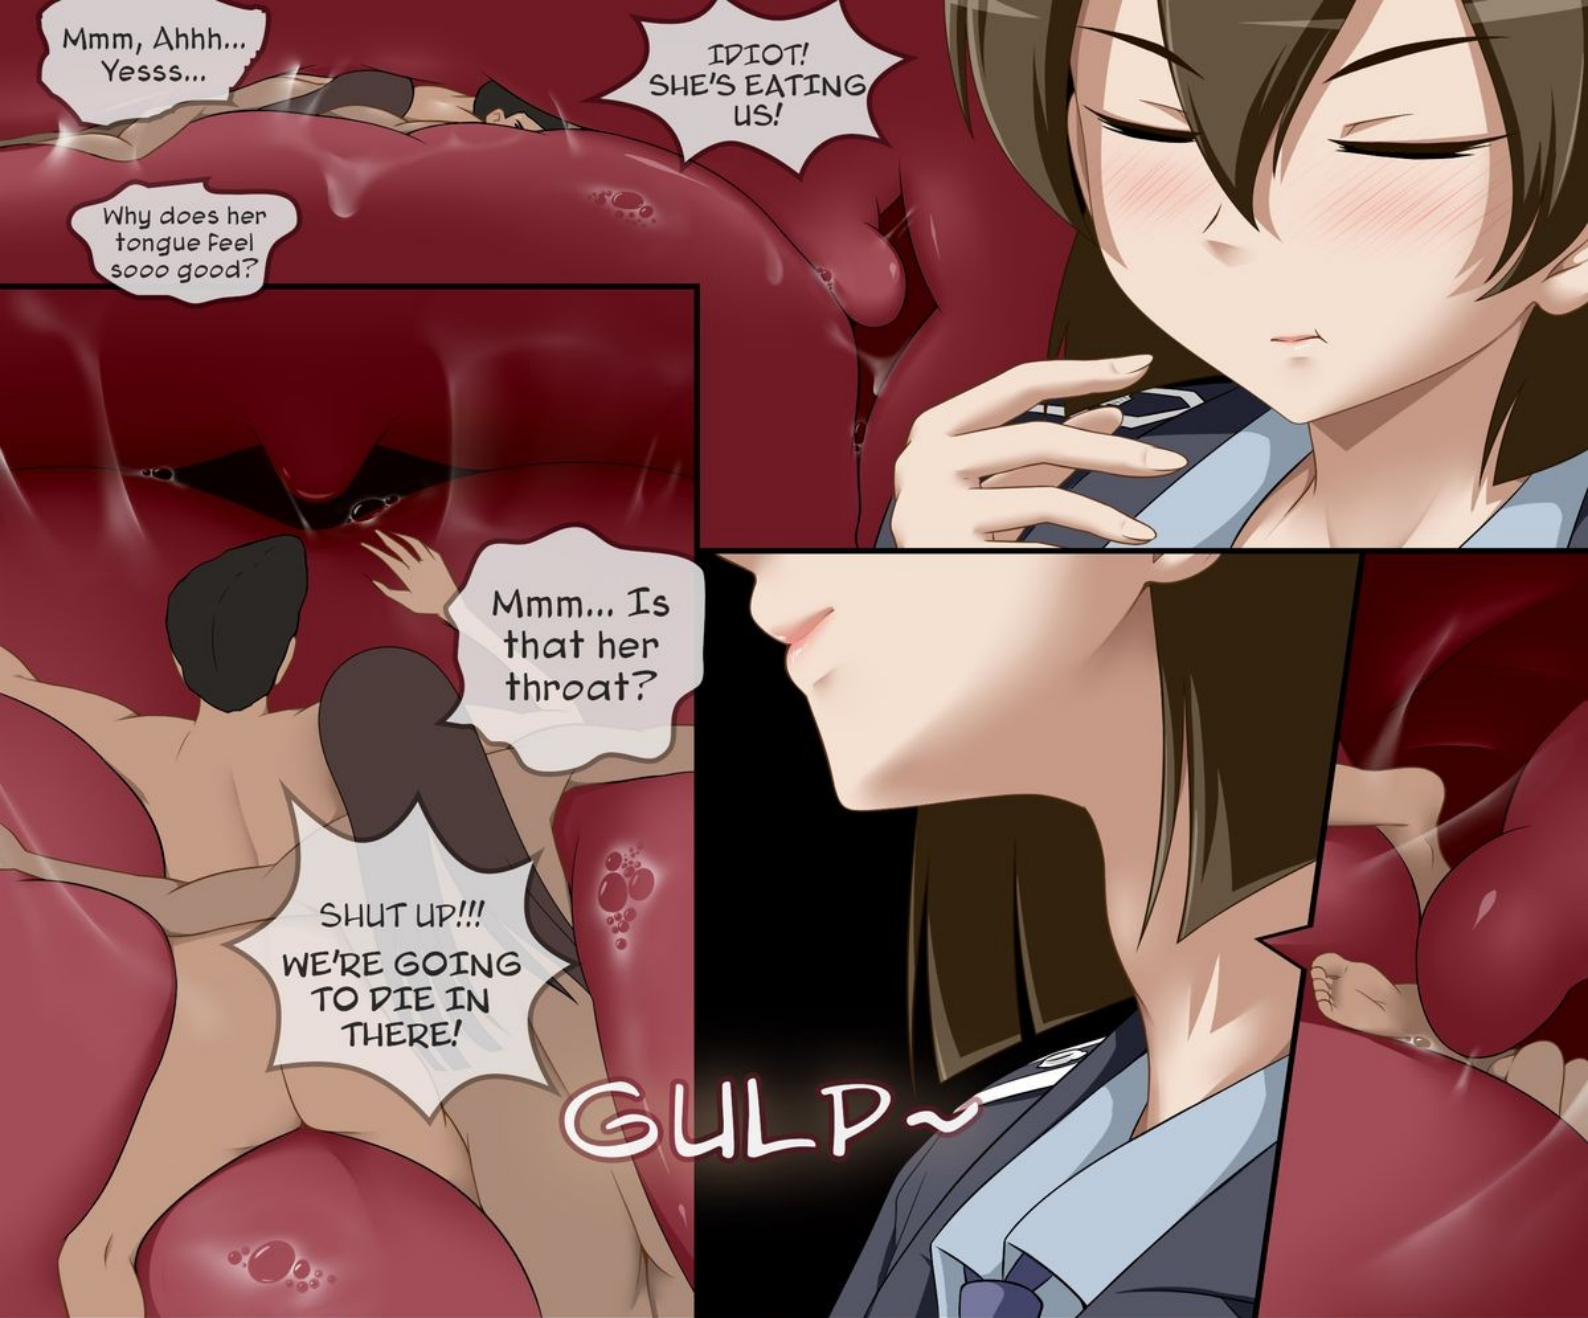

Hm... yeah! I think I'll try and swallow them at the same time.

And Fair warning you shrunken pricks! If you bite me then I'll bite back!

F-Fuck.... is she really just toying with us?

Gahh!
It stings!!

Is this going to happen to us?

BLUB...

I don't know. It depends on how strong her stomach acid is...

BLURP.....

!?!?

Groan...

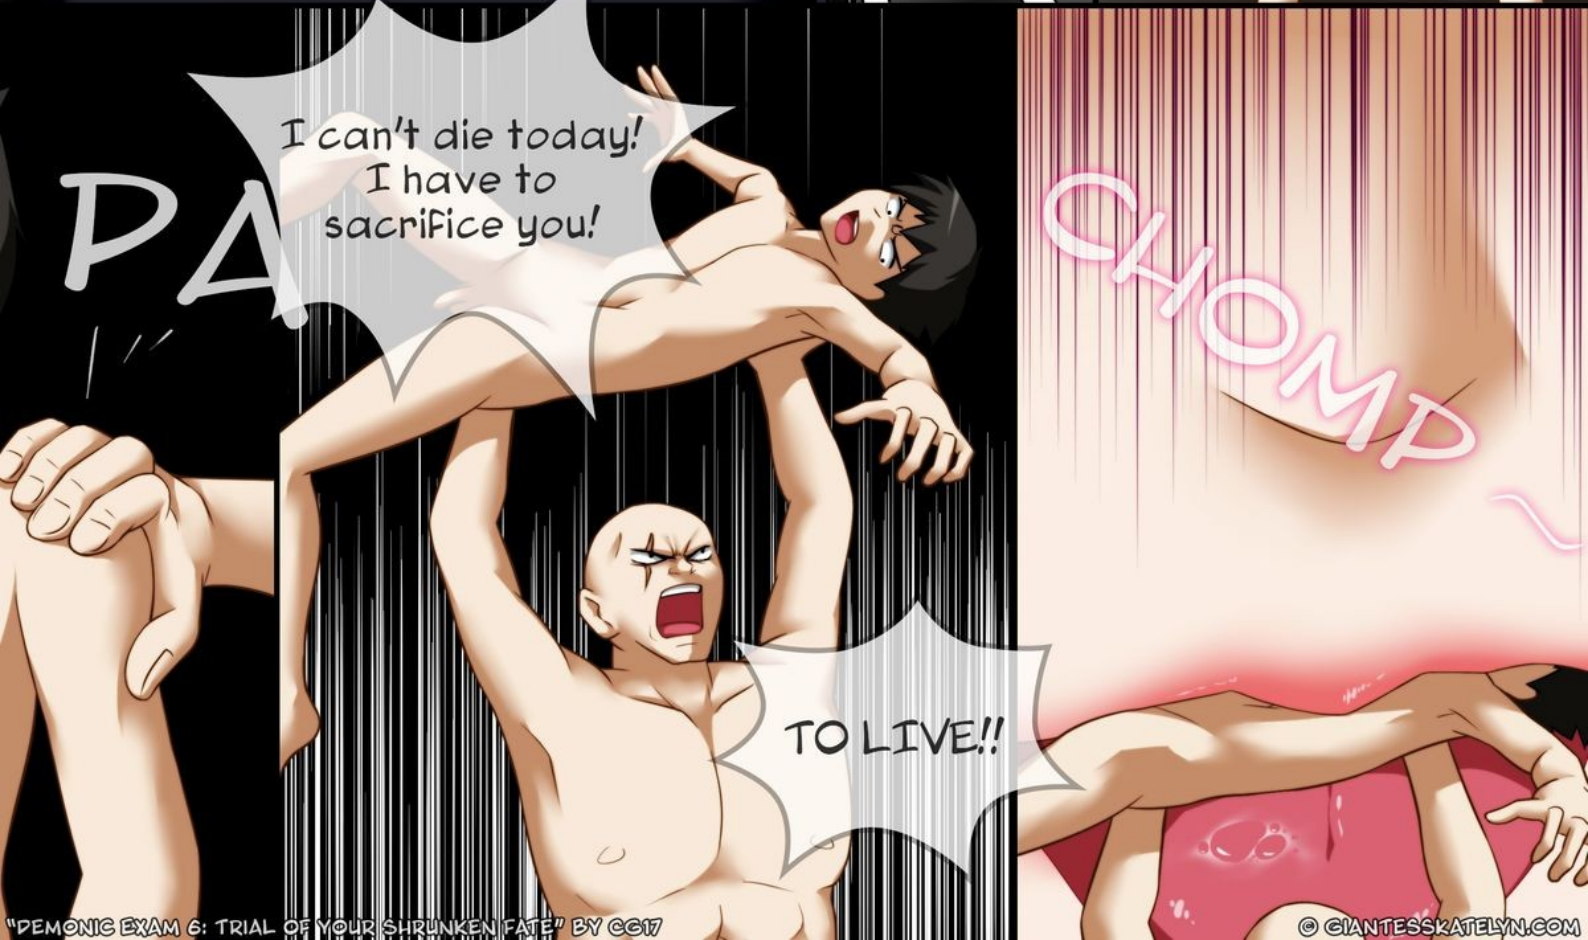

GURGLE.....

Look! Her stomach is crashing down!

Is that even fucking normal?!

Ksssss...

Ssss...

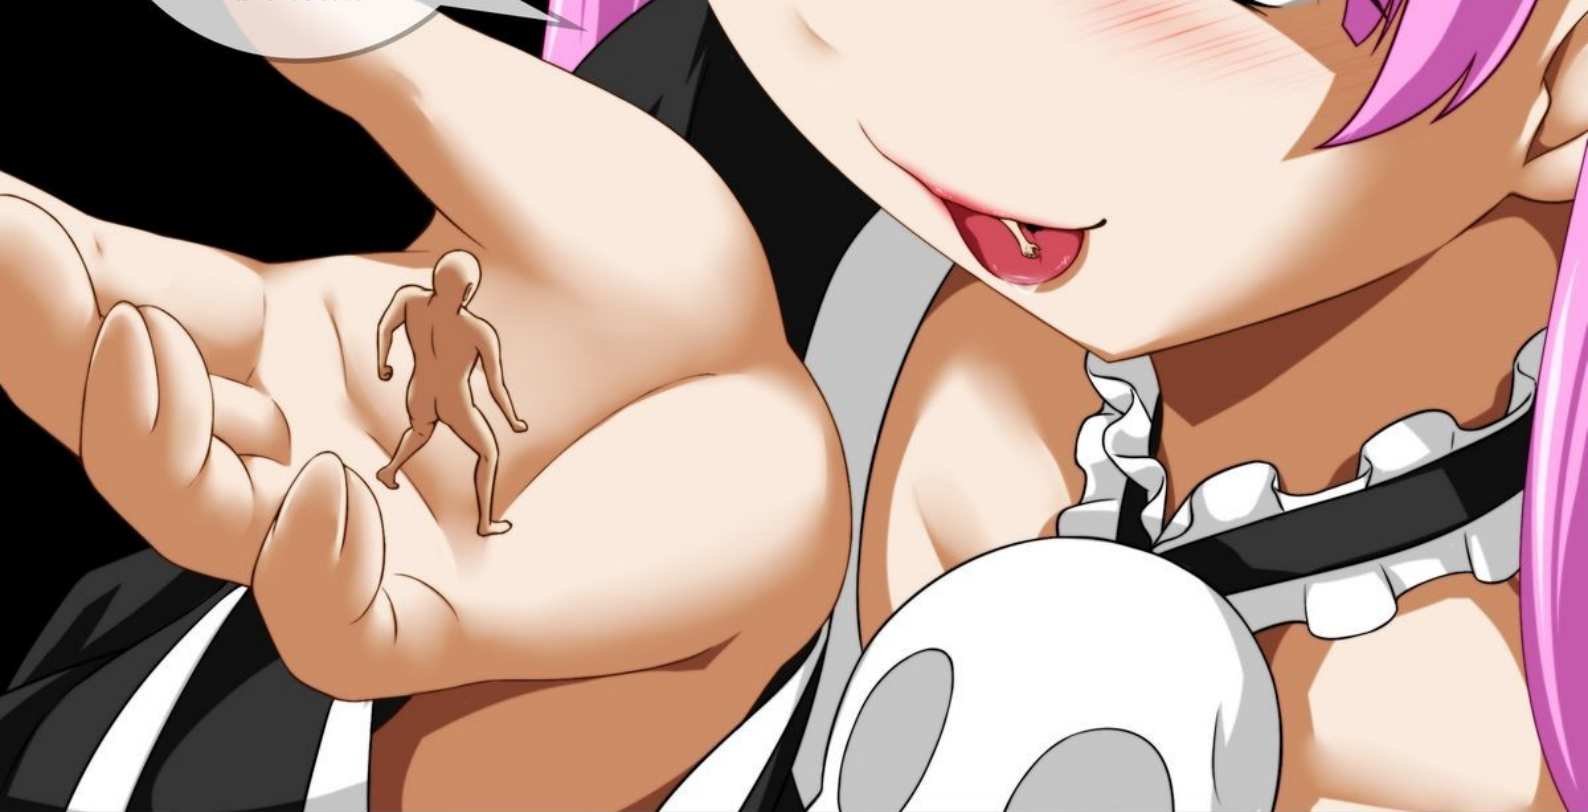

Trying
to sacrifice
your weaker,
tiny friend?
Are you an
idiot?

You're here
in the first place
to be punished for
you sins. Yet you
thought I'd let you
throw your friend
under the bus; To kill
him so that
you might have a
chance?

You
were just
about to break
the rules of Lela's
little game! You
are too
bold...

But first!

?

I must first tell you. Being the judge, you're not really supposed to enjoy executing them.

It'd be different if it were for revenge. But liking to kill, just for the sake of killing, will make you a sinner.

Just the same, if you actually think that humans are tasty, this will also turn you into a sinner.

So... although their deaths for their sins can offset this paradox, you've enjoyed killing three of them while at the same time enjoyed eating them. Which just so happens to be your limit in dispatching them this way.

Which means, that if you decide to eat a fourth criminal in order to satisfy these desires, then...

Then... what?

Look, I'm not saying you can't kill him in another manner while feeling vengeance. You just can't eat him now that you like how they taste.

So if I insist on eating him, then I will get punished too?

Yes, you will be convicted and punished the same as them...
