"Lingua Franca!! ch. 1" by Akatsuki Myuuto

[赤月みゅうと] リンガフランカ!!

Release No. 0067

Tech *Glorious Leader / Project Supervisor / Quality Check*

ME WANT SNOO-SNOO.

Team twitter ; @PhoenixSyndi

EdMX *Translator*

Someone wanted to replace "ure-ure" with "snoo-snoo", but I felt that was being too liberal with the setting. But this is, by all means, death by snoo-snoo Japan-Style. I am so looking forward to this.

Dudeman *Lead Editor*

Man, Akatsuki Myuuto has really outdone himself this time. A hand full of girls in a harem just isn't enough, now we get an ENTIRE ISLAND of sex crazed girls! :P Really interested to see how this one turns out.

freudia *Lead QC*

The winner of this year's silly hat contest goes to... Irikoa, the girl with two band-aid boxes and panties on her head! Give her a round of applause!
