saying
that?

You're a stickler for punctuality, aren't you, Megumi.

You need to be punished for being late.

Okay, that's it for now.

My turn comes first.

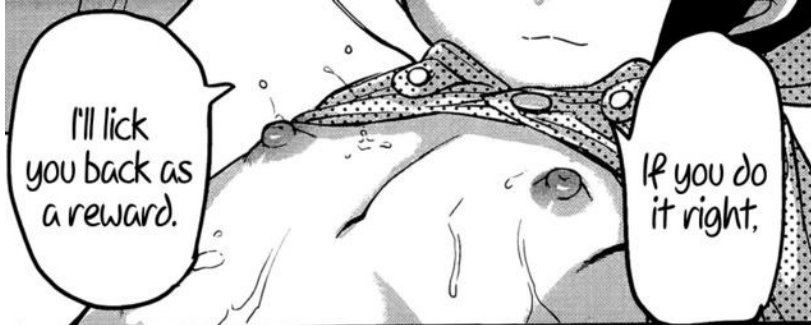

Did you want me to keep going?

So get to licking.

I will, later.

I'll lick
you back as
a reward.

If you do
it right,

But you
can't go
straight to the
bottom.

was touch-
ing that
spot just

You have
to start
from the
top.

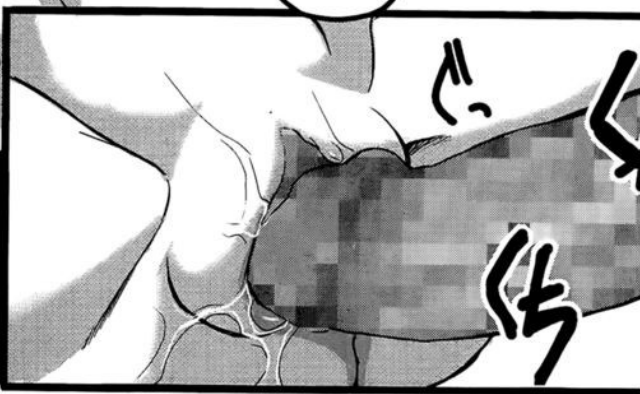

Your
tongue
feels so
nice,
Junichi...

My
boobs are
tingling.

Nh!

Isn't it amazing, Junichi?

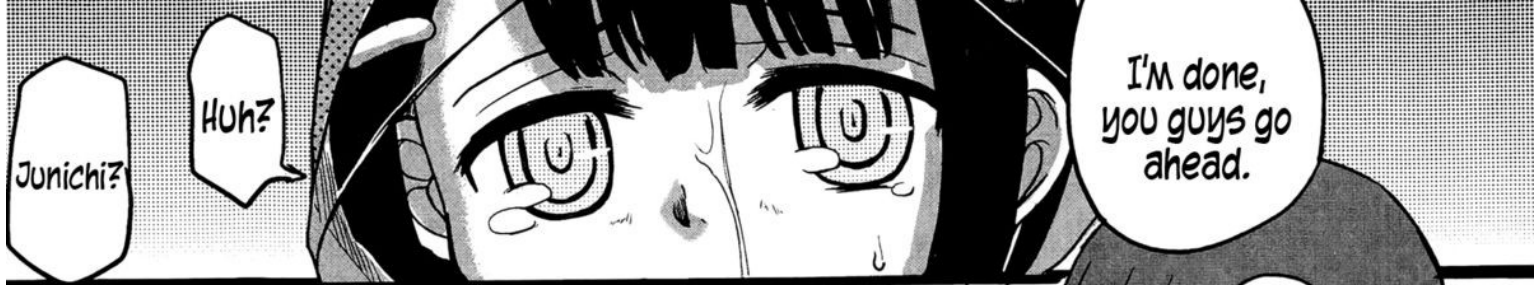

Just now, we orgasmed at the same time, didn't we?

Oh, it's already this late?

Let's have lots of sex.

You only come on rainy days, right? That's fine.
There's no one here when it's raining, after all.

Megumi-chan, let's do this again.

Guess we're skipping school today.

Dude, my balls are empty.

Wanna go another round?
