In the year 20XX, a mysterious organization going by the name of "Terrifying Girls" suddenly appeared.

As they attacked people, their numbers grew.

Interesting. Someone wholly unaware of his own powerlessness is stepping up to face us, huh?

Huh?

I won't let you keep doing as you like.

The government secretly developed a specialized Anti-Maiden suit.

Mitsurugi Seitarou

What could a mere human possibly do against us?

"Mere" human ...?

GET UP!

And there is plenty I can do.

I am no mere human!!

What?!

In order to release a girl from her brain-washing...

I'll turn you into minced meat with my jaws!

Han!
So you're that blasted Orga, huh?!

I'll rip your dick to shreds!

As if something like that would scare me!

I've never-!
I've never felt anything like this!

No Way!
No way!
I can't take it!

Orga and the girl must reach sexual climax at the same exact time!

I'm gonna claw your rude pecker to pieces!

In order to do so, Orga is designed

Humph! What a Fool!

But I'm a much bigger threat than that girl!

so that he can have intercourse with the girls in any given situation.

Your Cock is wish-

The situation has turned quite sour, it seems.

I thought something was up, so I came back, and here's what I find...

Really? Well, don't go thinking my vibe is-

I've heard of you. Orga, right?

the only thing different!!

Tiger Maiden

They should be dug in pretty deep. Enough for you to be unable to move.

Shoot ...!

The shape of those claws!!

And that you untransform once you run out of energy.

And I know that you can only do it four times.

I know about your brainwash cancelling ejaculation...

And once you untransform...

I suppose I'll have to squeeze out the remaining two... myself!

The original plan was to have those two serve as decoys, but...

I'll kill you.

What are you trying to do...?!

H-How Foolish...!

You won't be so lucky next time!

...Forgive Me, Kobayashi-san...

Mitsurugi Seitarou

It looked to me like you just couldn't get your head in the game.

Are you that worried?

はい!

Hey!

Welcome back, Seitarou-kun.

Shame she got away, huh?

Kobayashi
Orga Suit's developer and the one responsible for choosing Seitarou as its wearer.

About Torazawa Mei, I mean.

I need to fight to protect everyone.

That's all... I think about.

She was just my childhood friend, nothing more...

...No... She's got nothing to do with it...

But we can sort that out later.

I feel like you need something else to get you ticking...

I can't bear seeing your poor performance as of late, so I've come up with something that might help you.

are all it takes to make a person strong.

HMM...

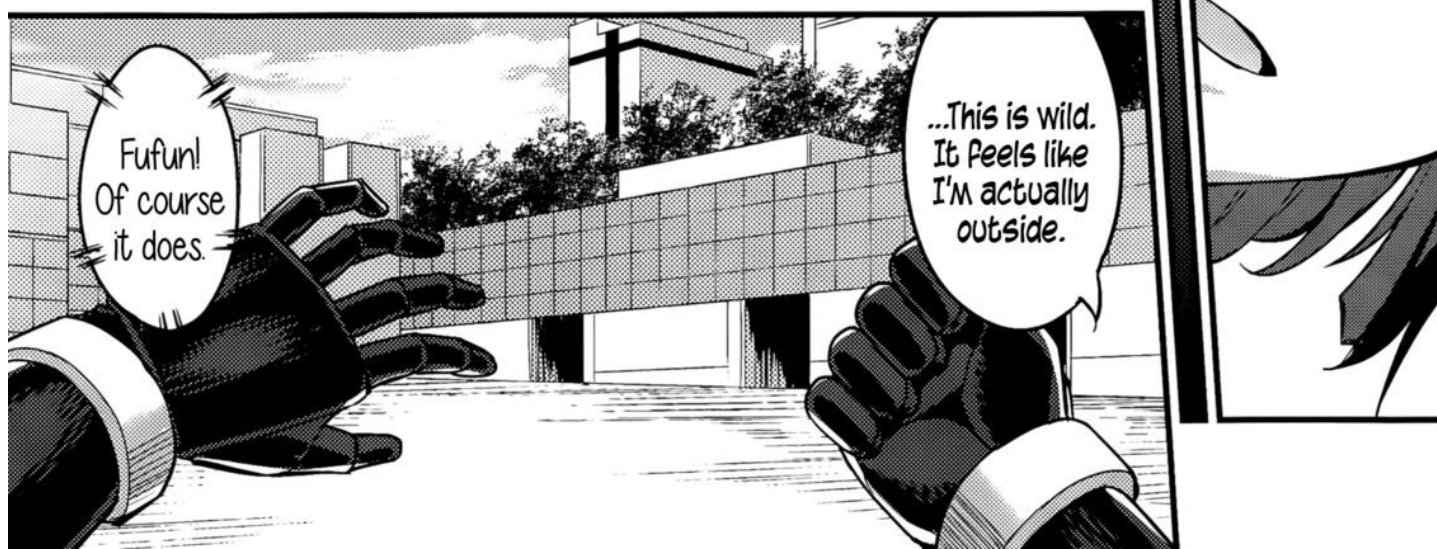

See, me, I don't think a purpose and a sense of duty

It's working perfectly so far.

How's that Simulation Suit treatin' you?

Follow Me, will you.

Fufun! Of course it does.

...This is wild. It feels like I'm actually outside.

So I'll have to help him in person.

I'll spare you the technical mumbo-jumbo, but that room can reproduce a bunch of different places.

I'm gonna have you fight a mock battle in there.

But if I told him that, he'd go easy on me, so I'll keep it to myself.

I'm sending in the robot now.

I'm ready.

Understood.

Your opponent will be a robot, so don't be afraid to beat it up like normal.

Well, the robot's undergoing maintenance right now, actually.

Uh!

This Maiden...
No, this robot...

is strong
...!

!?

Gh...!

Rabbit Maiden
Maiden for use in simulations.

I fiddled with the specs a bit just for you.

I'm stronger, and you're weaker.

A robot is capable of this much power...?!

Fufufu... Gotcha, Orga.

Gh...!

I wonder how long you can last.

I'm gonna see you at your most pathetic,

What are you planning to do...?!

cumming like a miserable retch.

How unsightly, Orga.

You're completely paralyzed.

FUPUPU!

Gh!

Maybe 'cause they are.

They feel just like the real thing...!

As... As expected of one of Kobayashi-san's inventions...

Nh
FuFu...
I'm gonna
lick it all
around!

How do
you like
this?

Three more and you'll run out of power.

That's one.

Kh... I need to free myself quick...!

Pfhl Think you can get away

before running out of ammo?

カッ

Doesn't this make it feel much better?

What?! There's lubricating fluid oozing out of her suit...!

D- Don't be craz-...

Wait, don't tell me you were hoping I'd put it inside me?

Too bad!

That's still yet to come. ♡

Do you like rubbing it on my body that much?

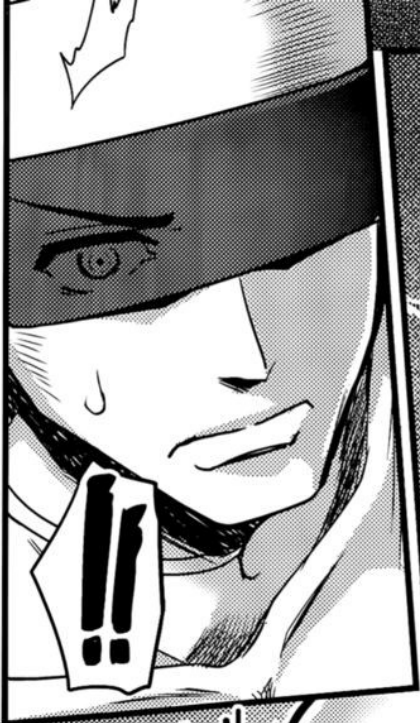

You just came but you're still so hard. ♡

Y-You're the one... rubbing your body on... it!

Guh!

It's too late to save that girl.

we're beasts that attack humans.

Maidens are no longer girls,

Gals

A weakling like you is powerless to stop us...

She's become a monster!

Isn't it sad? The one girl you can't save is the one you love!

Wha-?!

S-She's nothing more than...!

My childhood... friend...!

Did I hit the mark?

After that, you're finished!

Only one more left!

Ah...
Gah

Fight for what you believe!

I am Orga! Climax Liberator Orga!

Yes, that's right, Seitarou-kun!

I, Orga, will make you climax!

I fight to protect humanity!

You should let your feelings guide you!

He's coming at me for real now!

It's like his earlier hesitation never even happened!

This power!

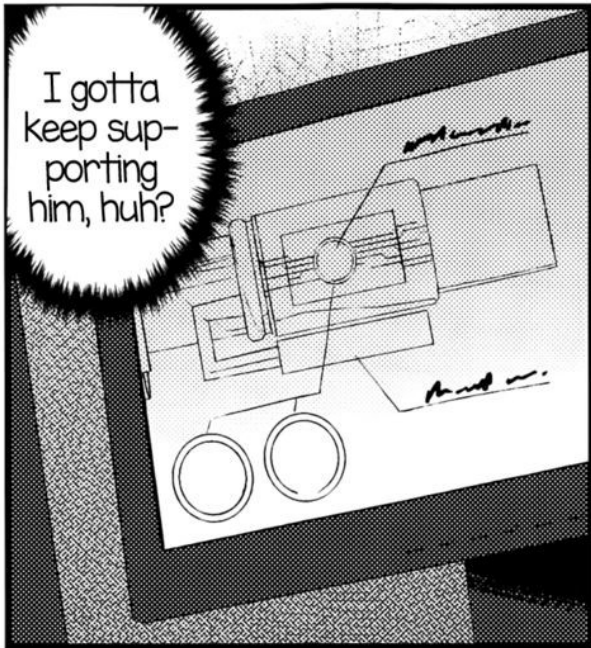

This intensity!

It's impossible to resist!

I gotta keep supporting him, huh?

Good, we're all counting on you.

Well, now that I've helped Seitarou-kun get back on his feet,

...Damn, am I jealous.

I know, right?

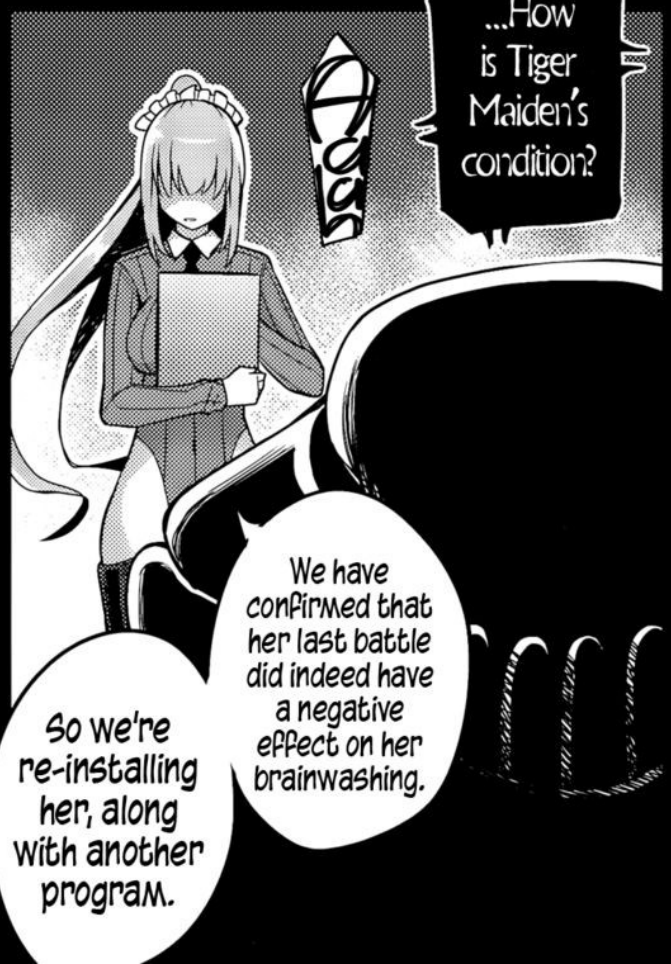

If I didn't know any better, I'd say it was real...

By the way, that robot was very realistic.

The damage to her body was negligible.

We've begun repairing her and upgrading her device.

...How is Tiger Maiden's condition?

We have confirmed that her last battle did indeed have a negative effect on her brainwashing.

So we're re-installing her, along with another program.

Tiger,
you will
be born
anew.

This time,
you will
bury that
man.
