I know you're a candidate for the prefectural team, but you won't get in like this.

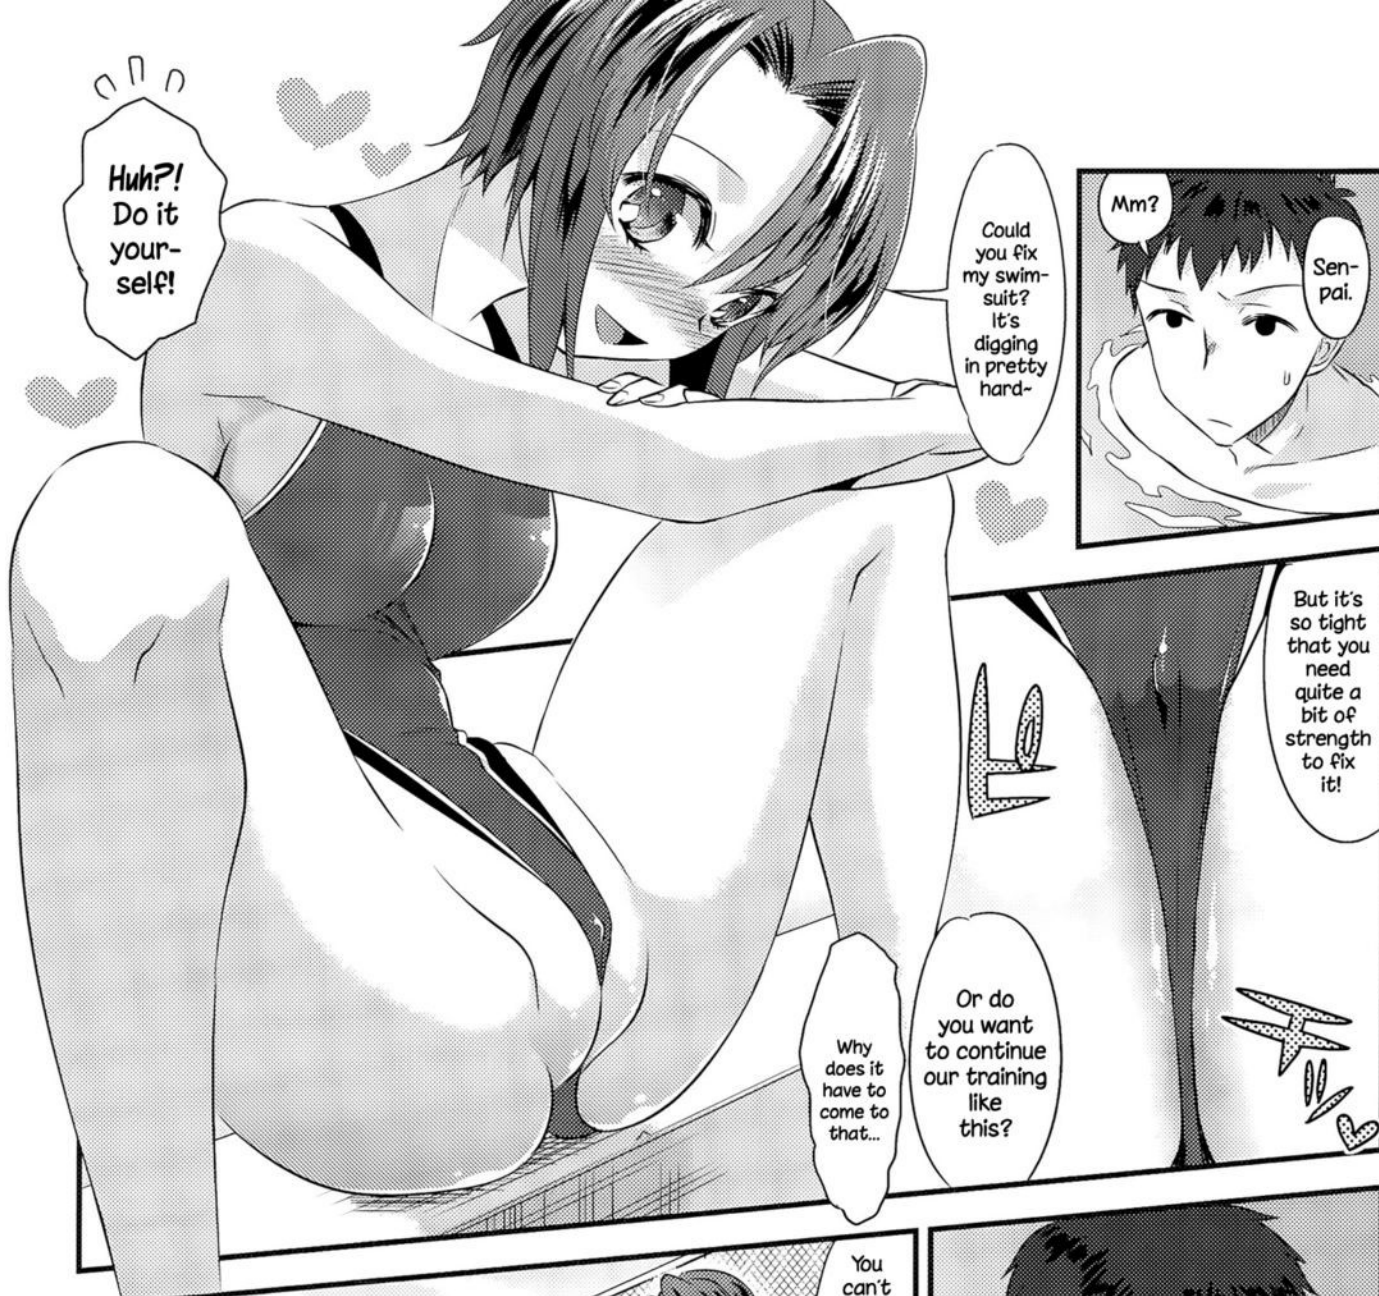

Yokota, you're not giving it your all today. Wasn't breast-stroke supposed to be your specialty?

WHAT'S

THAT...

Ah...!

So, Senpai... Fix this...

We can't practice if I'm like this...

You're usually so serious that I thought you wouldn't like this-

So you too-

This is all your fault-!

Do stuff like this, huh, Senpai?

You can only blame your pussy for getting this wet! I can't help it!

Shen-pwai, your dick is twitching...

Between your junior's boobs-

This is... Senpai's thick, lewd smell...

Seriously, stop making this worse...

In fact, I think I'm getting even more excited...

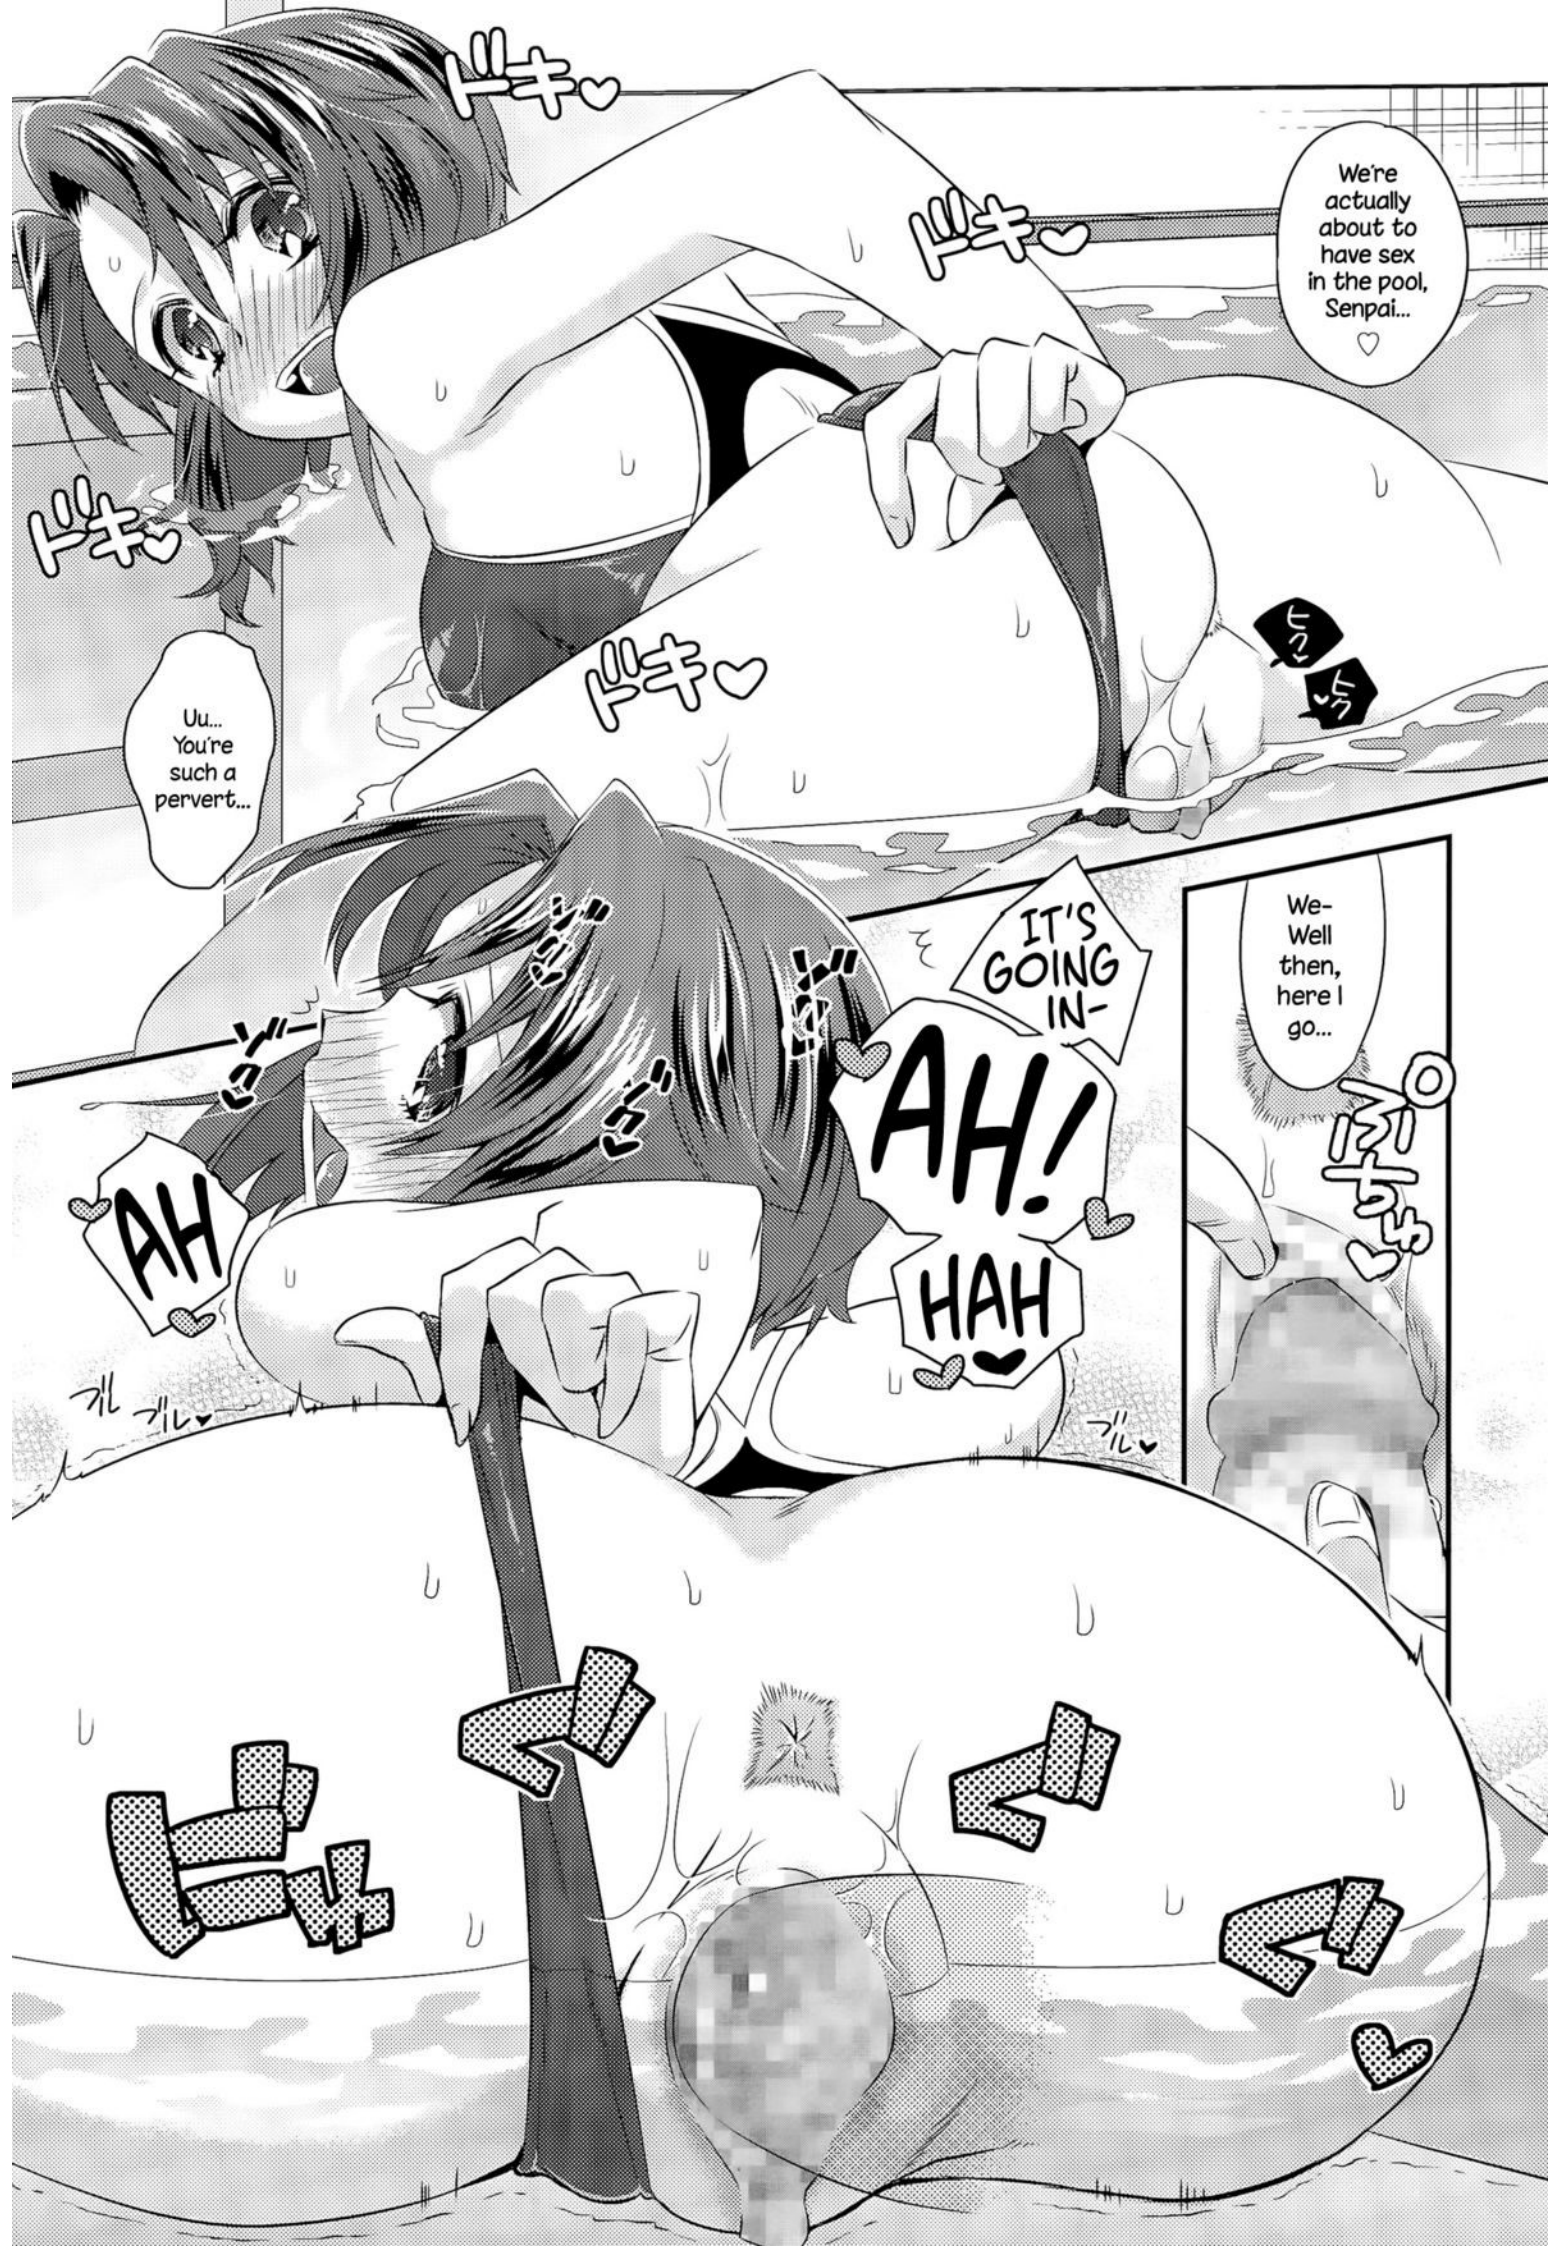

Of course~!

T-This is just so we can practice in peace, you hear..?

Senpai, please make a mess of me with your dick~

We won't be able to concentrate on our training like this, so...

BUT REALLY, WHY IS SHE DOING THIS WITH ME OF ALL PEOPLE..?

We're actually about to have sex in the pool, Senpai...

Uu... You're such a pervert...

IT'S GOING IN-

AH!

HAH

We- Well then, here I go...

いっしょに

AH

Heey, Yokota!

Ah!

Yesh~

Y-You okay?

Ahaha~! I can't see it from here, you know~?

Wha-

Y-Yeah, I'm practicing my breast-stroke, like this...

Club activities should already be over, but you're still going at it... You're such a hard worker, Yokota-

Hoh...

Ah... Sorry for interrupting your practice, Senpai.

Ah, yeah...

Hana-oka-cchi..!

EEEE EHH

Huh~ Conf-

We'd been talking about how I would confess to you today, Senpai!

?

See ya tomorrow!

I get it already, thanks..!

You did it, Yokota~! Practice well, now~

It's just the two of you... So it went well, right?!

Seriously, you..!

Shouldn't doing this be even more of a hurdle?!

EEK!

H-Hey, I was planning doing it the normal way at first! But then I felt like I'd screw it up!

I-Instead of a confession, you... though...

She's a buddy of mine, and...

Uhh... Yeah...

Um... So...

That was close...
...So, what "went well"?

Bye bye~
